## OUR FEDERATION EMBLEM

### A COLLECT FOR CLUB WOMEN

Keep us, O God, from pettiness; let us be large in thought,  
in word, in deed.

Let us be done with fault-finding and leave off self-seeking

May we put away all pretense and meet each other face to  
face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene,  
gentle.

Teach us to put into action our better impulses, straight-  
forward and unafraid.

Grant that we may realize that it is the little things that  
create differences; that in the big things of life we are  
at one.

And may we strive to touch and to know the great, common,  
human heart of us all, and O Lord God, let us not forget  
to be kind!

Colorado, 1904.

— Mary Stewart.

THE WOMAN'S CLUB OF PALO ALTO

Mrs. Phil R. Bodley, President  
26595 Ascension Drive  
Los Altos Hills, Ca. 94022  
(415) 948-8877

Great events, we often find, on little things depend,  
And very small beginnings have oft a mighty end.

The Woman's Club of Palo Alto is a Club of one hundred fifty  
Who love to be together - And are they nifty!

Twenty-five members did not miss a meeting  
They are the ones their president will be greeting!  
A dinner party, she's planning, playing bridge and having fun  
And if they were a little younger, they would jog and run!!

We tried a little different this year, for we had members who cared;  
The telephone committee would call, and tell members things they could share.  
If they didn't have a way to get to the Club  
The transportation committee of eight  
Would pick the members up, and they all felt great!

We had summer luncheons, potlucks, bridge parties galore  
A fashion show was a big deal, but not a chore.  
We had good speakers, we helped the veterans, our brothers  
We showed them love toward one another.

We didn't waste one day or poorly spent  
We left a trend of kindness where ever we went  
And surely no scar of discontent!

Sometimes it helps a little, when skies are overcast  
To remember that tomorrow - this day's troubles will be past.  
And tomorrow always brings new strength, new courage, too, some way..  
For each dawn's a bright beginning, and each day's a brand-new day.

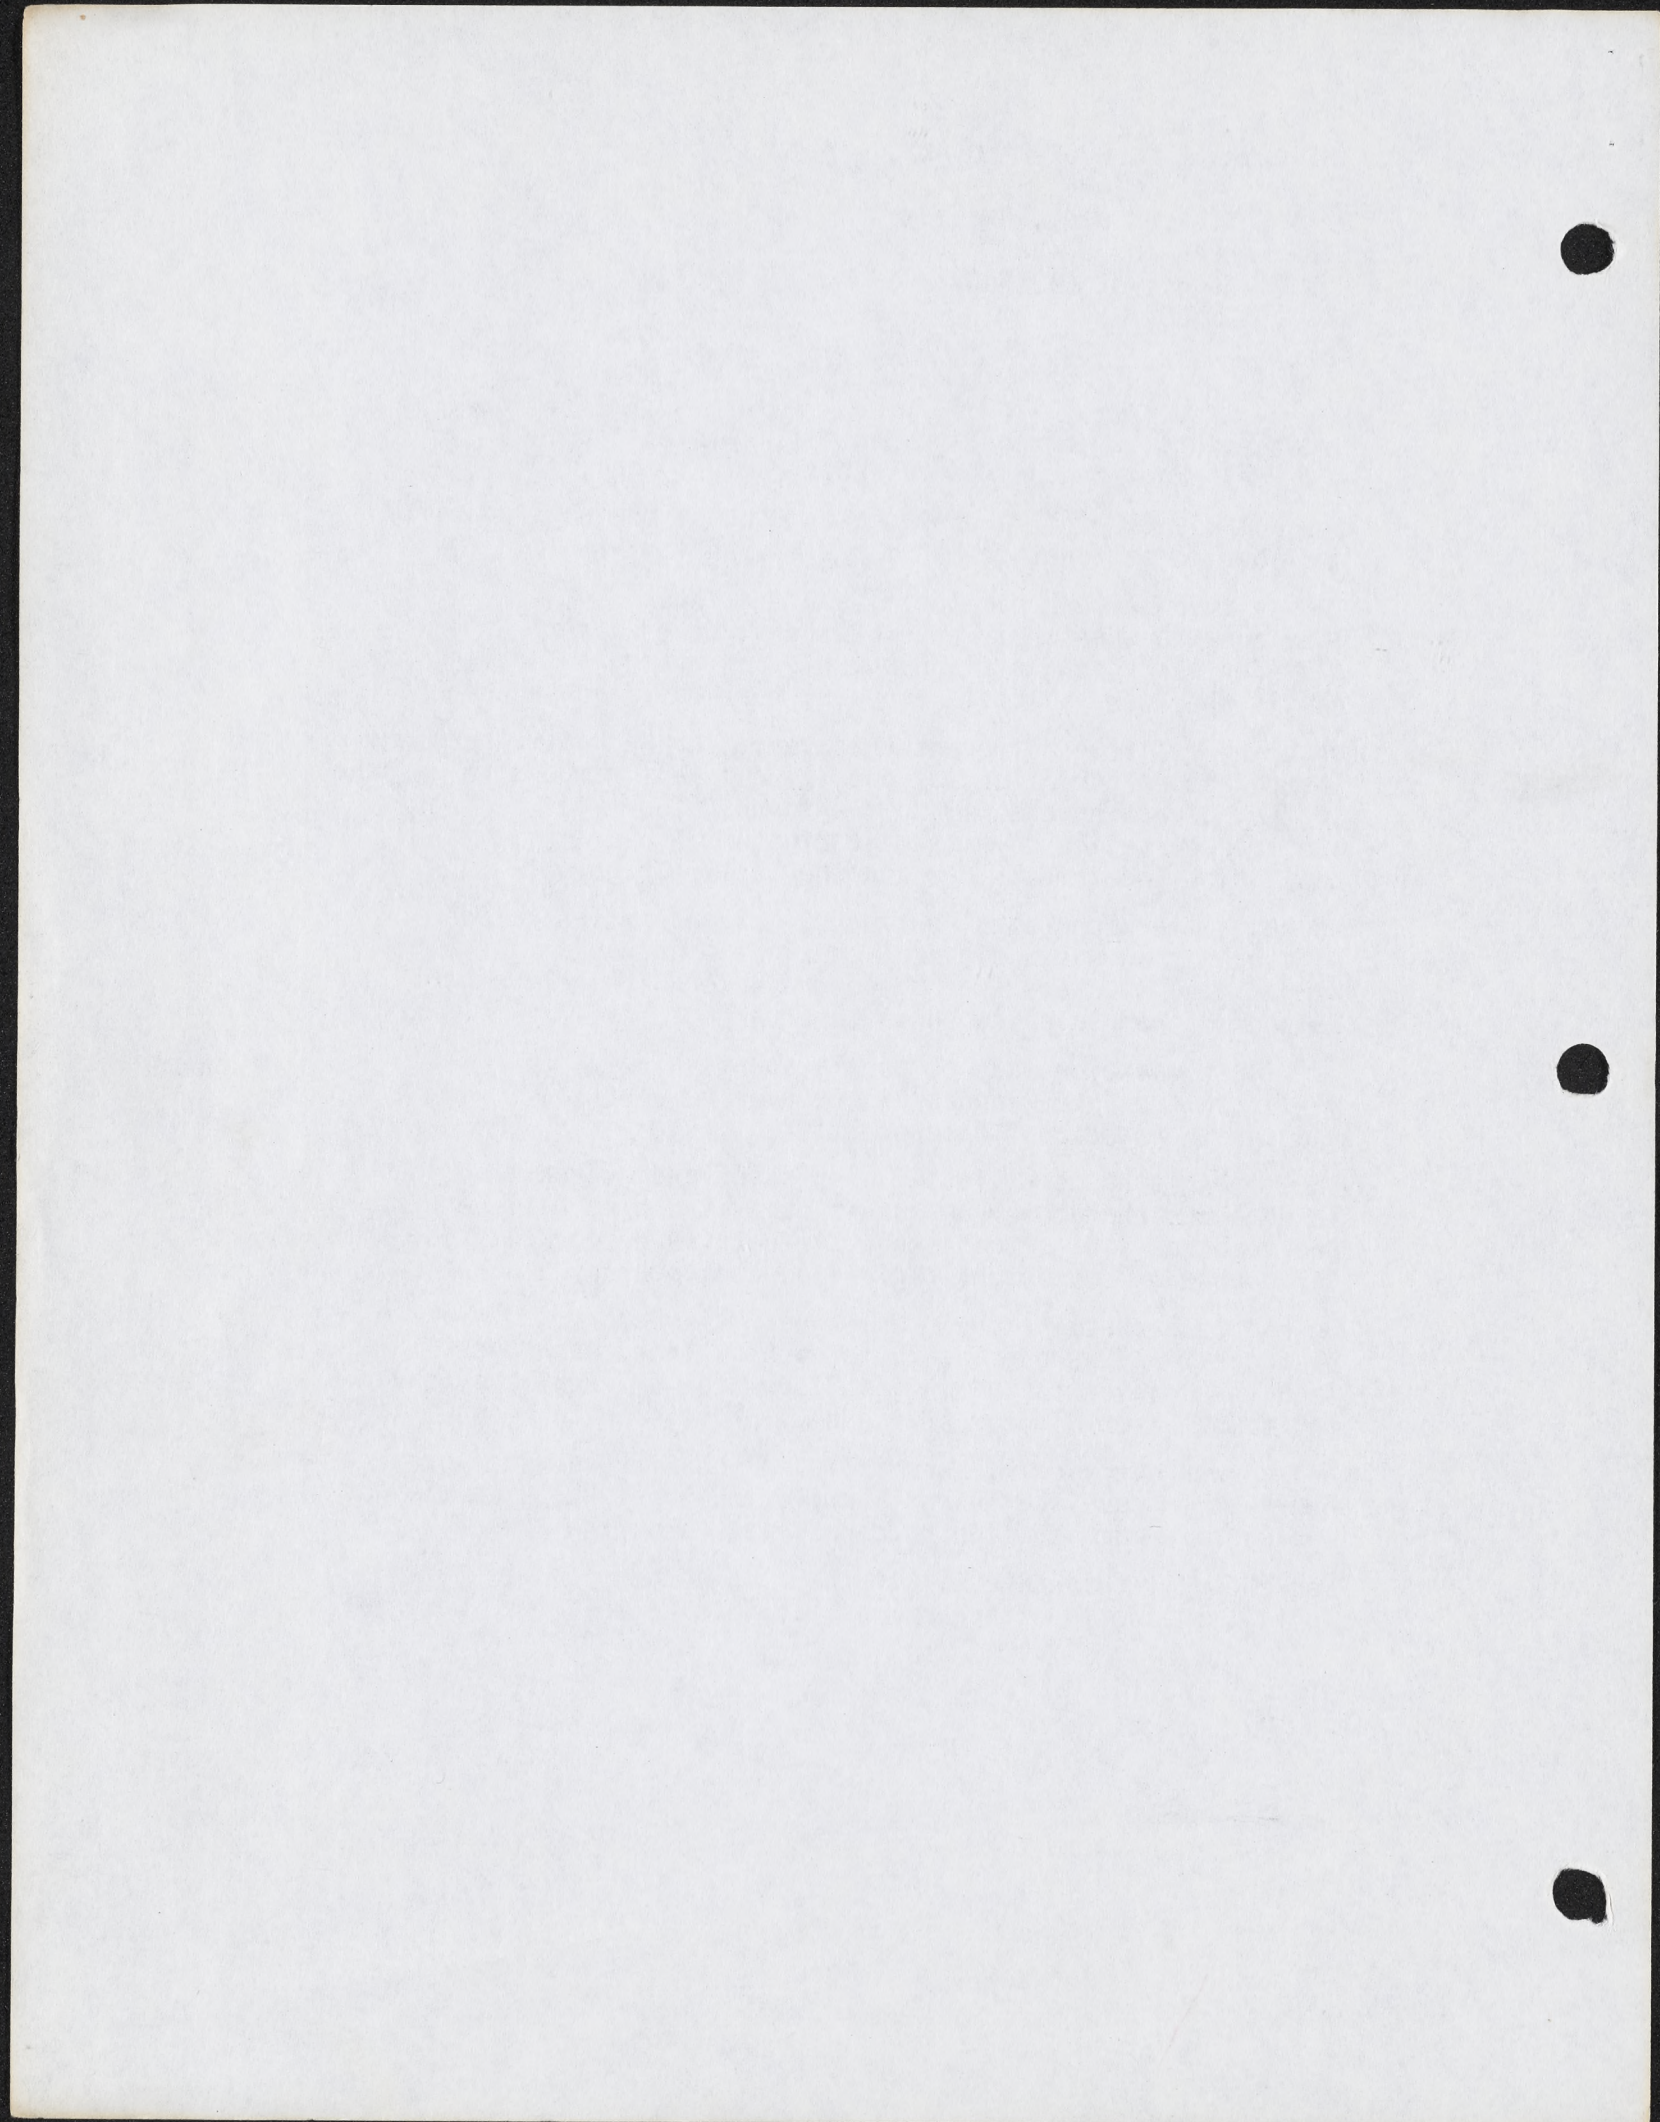

We had 35 department chairmen, twenty six reported  
What can I say as president, to each of those dear ones?  
I guess a prayer to God in gratitude, for all that they have done,  
And to petition Him for strength...In decision to be won.

And answer every call, especially for charity, however great or small,  
And just to have the friendly smile, that brightens up the day  
And does so much to lighten cares, and takes the cares away.

Yes these, I think are all of them...A prayer, a deed, a smile  
To fill the world with happiness...and make this life worthwhile!

*Grace*

## THE WOMAN'S CLUB OF PALO ALTO - 1980-1981

PRESIDENT: Mrs. Phil R. Bodley

HISTORIAN: Mrs. Phil R. Bodley

We attempted this year to bring up the attendance at our meetings. The President had one meeting each month, that is the first Wednesday of each month and had the dessert at tables at 12:30 p.m. The third Wednesday of each month was for activities. This brought our attendance up somewhat to 40 or over to each business meeting, on the first Wednesday. No count was kept for the third Wednesday.

### REPORTS OF THE DEPARTMENT CHAIRMEN

#### CALIFORNIA HISTORY, LANDMARKS & MUSEUMS - Mrs. Horace Thomas, Chairman

A study was made of older homes and historic places. Dunsmuir House and Gardens in Oakland was built in 1899 by Alexander Dunsmuir for his bride Josephine. It was never occupied by them as he died during their honeymoon and she 18 months later. The house was left to Mrs. Dunsmuir's daughter Edna Wallace Hopper, well known star of New York stage. In 1906 the estate was sold to I. W. Hellman where the family lived after the earthquake in San Francisco. Later the City of Oakland purchased the estate and a corporation, non-profit, was formed of volunteers to preserve and restore the property.

Next to Dunsmuir is the Dinkelspiel House built in the 1930's. Displayed here is the Patti McClellin Museum of Vintage Fashions. It is the most complete fashion collection in private hands. The collection contains over 2500 museum quality pieces dating back to 1800's. Each item in the collection is given Patti's personal attention. A "touch and See" program developed by Patti for the blind is being inaugurated.

Marshall House in Santa Rosa is one of the oldest and best known mansions of the Victorian era. Now converted to a charming and elegant restaurant. It was built in 1876 by James Marshall and maintained by the heirs until 1963 when it was purchased by Mrs. Harriet Watson who has kept it in its original state with unusual antiques, crystal chandeliers, stained glass and ceramic fireplaces.

Other places visited: Jack London Home and historic park in Glen Ellen, Sonoma, Angel Island, Old Sacramento, Mission San Juan Batista museum and Palace Theatre in Oakland.

#### CITIZENSHIP - Mrs. Paul R. Larkin, Chairman

The Citizenship Department is under the State Federation of Public Affairs. It is divided into five sections. The first is concerned with voting -- the privilege and responsibility of every citizen. 1) In connection with voting statistics, the Federal Election Commission figures show that about 54% of the nation's eligible voters cast ballots in the recent Presidential election. It was the worst turnout in more than three decades. I wonder how our Palo Alto Woman's Club can help to increase an interest in elections. It is something for us to think about! 2) This category has to do with pride in our nation, which is patriotism, and how we honor our flag. At our Club meetings, we recite the Pledge of Allegiance. Last year, the chairman told us about the origin of that Pledge. This year, she showed us a picture of a Flag that was carried in the American Revolution, by one of her ancestors. It came down through several generations into the possession of her Grandfather. He had many photographs taken of the Flag. This was one of them.

In February 1971, this Flag was featured on the front cover of the D.A.R. Magazine, in honor of American History Month. This Flag having 13 stars arranged in rows, conforms to the Act of Congress of June 14, 1777.

CITIZENSHIP continued

Through Mrs. Larkin's chapter in New Jersey, she presented the historic and battle-scarred Flag to the D.A.R. Museum in Washington, D.C. where it was mounted and framed. She has had the pleasure of seeing it there. 3) Section 3 is called Youth Education in Civic Responsibility. Some of us have family members in the teaching profession, and young people in our schools, so we do have some contact with education.

A history teacher at Gunn High School had, as one of the student's assignment one evening, the task of making a comparison between the Declaration of Independence and the Constitution. They were asked to find in the Constitution and its Amendments where the principles of "life, liberty and the pursuits of happiness" had been incorporated into the Constitution. It is encouraging to know our young people are getting a good foundation in the democratic form of government. 4) Citizenship again emphasizes the study and support of new legislation. That is a large subject which would necessitate one or two of our members concentrating on the very special form of government. 5) The last category on the Citizenship Agenda concerns our interest in the foreign born living in the United States.

For the last three years, we have participated in the English In Action Program at Stanford University International House. Juanita Grim, Betty Reese and I are volunteers there on a weekly basis. The Director, Mrs. Haswell selects a partner, usually a graduate student, getting more degrees, who wishes to improve his English. We fill out cards with our background information which helps the Director to select and match partners. This year, I have a Mr. Suh from Korea who also brings his wife and baby daughter to our meetings. It is rewarding to be able to help this little family adjust to our language and culture.

COMMUNICATIONS - Mrs. Earl Jackson, Newsletter Chairman; Mrs. Joyce Voorhies, Newspaper  
Mrs. Phil Bodley, Yearbook Chairman. (Publicity Chairman)

We put out a 48 page yearbook each year. We sell ads to pay for this book to be printed and usually have at least \$600.00 over for other expenses of the clubhouse. We print all names of the members and their address and phone numbers in the yearbook. We set up all our programs and they are printed in the yearbook as well of all department chairmen; Special activities and ways and means are printed telling when and time each is held. All chairman of the teas, luncheons, and dinners are in the book. The yearbook is mailed out to all members in August before the first meeting in September.

We send out newsletters to our members every 2 or 3 months. This will remind them what is going on and who is ill, and perhaps any changes in programs, etc. Five newsletters were sent out which are attached to this report.

Our newspaper publicity chairman sent articles to the local news media and most of the time they put the articles in the papers, however, many times cut the article SHORT! Articles are attached.

We had a telephone committee who called our members for special events or to remind them of our meetings. There were 13 on this committee. We also had a transportation committee who called the older members to see if they needed a ride to the Club meetings or activities.

WE COMMUNICATED WITH OUR MEMBERS!

COMMUNITY HEALTH - Mable Palik, Chairman

Two of our senses, sight and hearing, many times become defective at an early age and most often at later years which is classed as part of the aging process. There is much help for both senses, eyes and ears. We all have an ophthalmologist who prescribes treatment sometimes with special lens. Some diseases need surgery which today is done with great success.

COMMUNITY HEALTH Continued

Our Public Libraries have many books in large print making it easier to read. The Readers Digest magazine also is done in large print.

In some diseases of the eye, sight continues to deteriorate and prescribed glasses do little good and the need for magnifying lenses becomes necessary.

Here the Organization for the Blind is very helpful in selecting the proper lens and make it possible for people to read and do handwork. When they cannot read they are given "Talking Books." There are many books to choose from and these are given at no cost to the one using them.

When the loss of hearing much has been done. In some cases surgery is beneficial in restoring hearing. In others, especially the Aging, Hearing Aids restore sounds.

The Telephone Company, has a device on the telephone to make sounds louder. The "hearing Dogs" are trained by the S.P.C.A. in San Francisco and they are given to the deaf throughout the State. They are trained to warn their master of mistress of telephone rings, doorbell rings, fire detector rings and many other unusual sounds. These dogs are given free of charge to the deaf. The S.P.C.A. receives no funds from the City, State or Federal Agency and is funded solely from concerned citizens.

There are Senior Citizen Centers providing counseling to people regarding their health. They also arrange free screening of the eyes for people with eye problems.

In regard to other diseases most hospitals have Educational Programs to tell people about the disease they have which enables them to live better with the disease. Hospitals also have family groups explaining the necessity for immunization to prevent disease and telling of warning signs of some of the diseases and stating many preventive measures to keep healthy.

All of the above programs are good and most are free of charge and we are wise to give them our support.

CONSERVATION - Mary E. Grinnell, Chairman

While our forests are vanishing, and our bays, lakes, and farm-lands shrinking, it is reassuring to know that successful efforts are being made to preserve some of the usefulness, interest, and beauty of our land as it used to be, for the benefit of future generations. A few of the organizations devoted to this cause are: Save the Redwoods League, Sempervirens Fund, People for Open Space, California Garden Clubs, Sane-the-Bay Association, and perhaps most influential of all, The Nature Conservancy, which buys and administers large tracts of representative wild land.

One of the important issues which will eventually face California voters is that of the Peripheral Canal. On last July 18, 1980 (my our amazement) Governor Brown signed Senate Bill 200, authorizing construction of a canal to divert Sacramento River water around the Sacramento-San Joaquin Delta, and carry it to Central and Southern California, at a cost of 6 billion dollars!

Opponents argue that the Canal would siphon off fresh water which normally would flow through the Delta into the Bay; this would deprive Delta farmers of water for their crops, and permit salt water from the Bay to back up into their lands. Decrease in the amount of water flowing into the Bay would increase its salinity, destroying fish and other aquatic life, and might eventually create "a giant, stagnant pond." One also wonders if, in one of the dry years which California is prone to have, there would be adequate water-supply for Northern California itself.

A group called "California Coalition to Stop the Peripheral Canal" has circulated a petition for a referendum to overturn Senate Bill 200; the required number of signatures has been obtained. The referendum will probably go to the voters in November of 1981 or 1982.

CONSUMER CONCERNS - Mrs. Ella Stark Vandervoort, Chairman

One general meeting of the Woman's Club of Palo Alto was devoted to Consumer Concerns. Mr. I. N. Ingham, board chairman of Consumers United of Palo Alto, Inc. spoke to the Club members on January 7, 1981. Consumers United is a Volunteer, non-profit organization operating solely for the purpose of helping to settle consumers' problems. He described the grievance committee made up of 150 skilled people from every phase of the business world and the medical and legal fiends who are knowledgeable and experienced and can negotiate with businessmen and government agencies.

The volunteers of this organization are scattered throughout Santa Clara County and know businesses in all fields that are highly recommended by long-time satisfied customers.

Mr. Ingham spoke about fraud in auto repairs, the problems encountered when buying a new or a used car, the rights of tenants, but soon switched to answering our many questions. This was a very lively and informative discussion.

Everyone received a list of brochures available, a summary of services provided by Consumers United, including a legal department and a speakers bureau, and a copy of the latest bulletin.

CONTINUING EDUCATION - Georgia L. Spears, Chairman

Many of our members are participating in activities at Palo Alto Senior Center and Lucy Stern Center and have been urged to take advantage of classes at the following:

YMCA and YWCS	ADULT SCHEDULE OF PALO ALTO SCHOOL DISTRICT
FOOTHILL COLLEGE	DE ANZA COLLEGE

VARIOUS OTHER EDUCATIONAL OPPORTUNITIES OFFERED BY THE COMMUNITY.

## THE PRESIDENT'S CORNER

My theme during the year of service for others is "LET THERE BE LIGHT."

The open BIBLE is God's powerful searchlight. In the beam of its revealing radiance, we can see ourselves as we really are; we can witness our weaknesses, our petty prejudice, and our sins; it meets us where we are, and takes us where we ought to be.

The BIBLE is the textbook of faith, a faith that provides courage and purpose. It is a reservoir of power, it motivates us out onto the frontier of achievement of which we will strive to do this coming year.

The word GOD is the lighthouse for the human heart. God's light and His Power will sustain us on our way to SERVICE FOR OTHERS! Let us permit the Great Light to shine through our daily lives and we will become aglow with the light, reflecting and sharing its radiance.

So, members, "LET YOUR LIGHT SO SHINE BEFORE MEN, THAT THEY MAY SEE YOUR GOOD WORKS, AND GLORIFY YOUR FATHER WHICH IS IN HEAVEN."

President Grace

(Many have asked me for a copy of my speech that I gave at Installation - above are portions of it.)

### THE PRESIDENT'S CORNER

I am very grateful to the members who took chairmanships and other duties this year. In our Standing Rules No. 9 says: Each sponsor of a new member shall be responsible for introducing and orienting her in the activities of the Club. And No. 10 says: Every active Club member has the obligation to participate in some form of service.

Many of you have fulfilled your obligation and responsibility by saying "YES" when I asked you to help in one way or another. The ones who were not asked or the ones who could not take a chairmanship, will be doing a lot for this club this year if you will just try and come to the meetings. Your attendance will be so much appreciated.

MEMBERS, please be good to your telephone chairman who will be calling you on the telephone and reminding you of the meetings and activities. If you are ill, please tell her and she will report it to the Sunshine Chairman who will send a card to you from the Club.

If you need a ride to the club meetings, see page 19 in your yearbook and read the ladies who are on the transportation committee and call the one who lives nearest to you and she will pick you up if she possible can. Please do not ask the Telephone Chairman to do this for you, this is NOT her job - The telephone chairman has enough to do to tell you of the activities and meetings.

We are trying hard to get you to our meetings!

I hope you all had a nice vacation. Mine will be next year!

President Grace

DISTRICT AND STATE AWARD won by Zenna Higgins (Short story contest, and first person narrative contest:

YOUNG LADY

I am an old woman. I did not get to be over night. It took many years of hard work and patience to reach this point. Many of my friends who also tried did not make it. I am very proud to be an old woman and am resentful when some young man or woman says to me, "Hello, young lady," and expect me to be flattered. I have been a young woman. I like now being an old woman. I do not think I would like to be addressed as old lady, either, but I have a name. Of course the addressee has forgotten it. He could say, "Hello beautiful, love, darling, my dear," any of which would be less degrading.

Fathers say to daughters who have displeased them, "Young lady you be in by ten o'clock tonight or you will find yourself in trouble." Young lady is a derogatory expression. The father uses it indicating he is on top of the situation, the service station attendant because he has forgotten my name and is glad he is not like me. Old men say young lady because they wish we were both young. I wish they were young, too, but do not wish it for myself. I rejoice in reaching this pinnacle of antiquity and endure being addressed as young lady by those who do not recognize the pleasures of maturity.

TV, MOVIES, PERIODICALS Dorothy Wall, Chairman

BEING THERE - This is an amusing picture in which a gardener whose first name is Chauncey is asked on the death of his employer to leave. On his way to find a new job he is hit by a limosine taken to the owner's estate where the dying owner mistakes him for another tycoon. He meets the president who has him investigated only to find no background. Events follow fast. Important jobs are offered him, the tycoon's wife falls in love with him; the tycoon dies asking the gardener to take care of his wife.

The theme is mistaken identity. The title "Being There" is perfect for a protagonist who manages by chance to be in the right time.

This movie is satirical. You remember the gardener wants to have the TV on. He says "I like to watch" in one situation. All thru the movie there is noise, noise, noise. The implication is obvious: if you are dumb you like TV; also implied is the idea that it helps to be in the right place at the right time. So the tycoon and members of his kind are to be considered also as satirized for accepting a stranger at face value.

(continued on page 3 col. 2)

Continued from page 2 column 2...TV, MOVIES, PERIODICALS. "BEING THERE" -Dorothy Wall

What I do not understand is the street meeting of the gardener and the Blacks with their foul language being mimicked by the gardener in the acknowledgments at the end; all the while laughing his head off.

Sellers is excellent in his part as are Shirley McLaine and Douglas in theirs.

THE BLACK STALLION - This is a three and a half ribbon picture - nearly tops. From the first scenes of suspense the reviewer is captivated. Even before the storm and fire at sea the symbolism for the picture is set to be picked up later. There seems to be a definite rythm in the show; a scene of action followed by a quiet scene, repeated time after time. Action begins the show and ends it.

The settings are beautiful and mettlesome. He has spirit and grace and love for the boy.

The main characters are well chosen; a boy with a lot of spunk, Mickey Rooney as a has-been trainer who cannot resist trying it one more time; the old black aid with his meerscham pipe and a sorely-tried mother.

The picture comes out well. Every character achieves his aim and that allows the viewer to go home satisfied.

F.R.E.E. - Helen Tuomy, Chairman

"Do you complain about inflation? Do you agonize over government regulations? Are you concerned that our American free enterprise system is in danger?

If you can answer yes to any of these questions you will be interested in General Federations Program, entitled "Federation's Role in our Enterprise Economy" or F.R.E.E.

Here is our chance to:

1. Study our American Economic system.
2. Discuss those areas that we feel need attention -- with club members and the public.
3. Let our lawmakers know how we feel.
4. Preserve our free enterprise system as we have known it.

Our Club, State and General Federation will be participating in this program during the Club year.

HISTORIAN - Grace Bodley, Chairman

EXPLANATION ABOUT CROSSROADS: Many have been asking me about this. We gave \$25.00 to two Stanford Students, Lorrie Gavin and Peter Moulton, who are majoring in International Relations and who went to Africa, June 29th under the auspices of "Operation Crossroads Africa, Inc." Crossroads, called by President Kennedy, is a non-profit organization focusing on international development and educational exchange. Upon their return, they will show slides and talk to us at our November 5th meeting.

EXPLANATION ABOUT "CAMPUS CRUSADE FOR CHRIST" - The Campus Ministry seeks to penetrate every area of the academic society, including a special outreach to ethnic groups and international students. Staff explain to students and faculty how they can know God personally. As in all the other ministries, those who make commitments to Christ are placed in carefully planned follow-up programs that teach them to walk and witness in the power of the Holy Spirit and how to pass that same information on to OTHERS. Dr. Billy Graham says, "I believe that Campus Crusade for Christ has been raised up of God for this crisis hour. Its staff members are literally helping to revolutionize the collegiate scene through introducing thousands of students and laymen to Christ around the world. It is a pleasure for me to give my wholehearted endorsement to the worldwide ministry of Campus Crusade for Christ. "

President Grace's granddaughter, Debbie, has been chosen to be on this staff of Campus Crusade for Christ International. She will be a member of the European Resource Team. Debbie and I want to thank those who bought tickets for the Campus Crusade Luncheon and those who donated money and did not attend. You are wonderful people. God bless you!

## PRESIDENT'S CORNER

Only 2 months is left in this year of service to the Woman's Club of Palo Alto. It has been a wonderful, rewarding year for me. You club women have worked hard for our club; raising the money to paint the building, repair the roof, clean carpets, new linoleum in the kitchen and a successful "Fashion Show."

It has been said that genius is often perseverance in disguise. It is true that nothing is accomplished without perseverance. At times all of us have felt like giving up when it seemed that our efforts were not producing results. All of us have also had the experience of being at the point of giving up when suddenly success came. The success we are all seeking is the success of knowing that we ARE fulfilling our potential, that we ARE using our talents and abilities in ways that mean fulfillment for us and bring a blessing to others!

President Grace

### BE AN ACTIVE MEMBER

given to me from Harriet Seifferle

Be an active member, the kind that would be missed;  
Don't be just contented, that your name is on the list  
Do attend the meetings, and mingle with the crowd;  
Don't stay at home, and crab both long and loud.

Do take an active part, to help the club along,  
And take time out to visit, a member who is sick.  
Don't leave the work for just a few  
and gripe about the clique.

There is quite a program scheduled,  
that means success, if done,  
And it can be accomplished with the help of everyone.  
So attend the meetings regularly, and take an active part.

Think this over, member-are we right or are we wrong?  
Be an active member, don't just belong.

Another poem Harriet gave me ...Thanks Harriet.

If you feel you must reveal, a story told to you,  
Make very sure, within your heart, the story told is true.  
Before you tell, search very well, deep in your mind  
And don't repeat the story heard, unless you think it kind.  
For it could make a poor heart break,  
If the world the story heard,  
So think it over carefully, before you say a word.

WHEN IN NEED

If I'm in need of guidance,  
Jesus will show me the way;  
If I'm in need of healing,  
He helps me every day;  
Jesus is my light to see  
Whatever the need may be;  
Jesus gives me the courage and strength  
So that I will not be discontent.

## LOVE LINGERS ON

Now, that you are gone, Love lingers on  
And your memory is here to stay.  
When once you were flesh and blood  
You could not always stay  
For there was a debt, that we all have to pay;  
Rich or poor, come what may.  
It was appointed to man, once to die,  
It had to be that way.

We don't know why, except that God said so,  
And one by one, we all must go.  
And when we hear the Master Call,  
Our time is up! - summer, winter, or fall.

So you dear friends who have left us all  
It was your day, to have to say  
Good-bye to one and all.

Some will remember and some will forget,  
You were known by so many for so long  
I'm sure some will be grieving, long after you've gone.

How you would laugh! Your wonderful smile helped others  
to smile, all the while.

*Grace Bodley*

THANKSGIVING PRAYER

God, as we look at the table before us,  
We see a miracle based on love and trust  
Which you have inspired in this and other lands.

We see food which we ourselves did not produce.  
We have produce which is out of season.  
We have foods here which were handled by many people  
who are unknown to us.

We thank you, God, for strength to labor at our own skills  
in exchange for this food.

We thank You for the spirit of Love with which this  
food is served.

We ask you, God, to help us to be worthy of that Love.

Amen.

## A Collect for Clubwomen

KEEP us, O God, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward and unafraid.

Grant that we may realize it is the little things that create differences, that in the big things of life we are at one.

And may we strive to touch and to know the great, common human heart of us all. And, O Lord God, let us forget not to be kind!

Among his new responsibilities, Mr. Nicholson heads the Attorney General's Special Projects Section which contains, among other things, the Crime Prevention Center, School Safety Center and Legal Information Center.

After graduating from Hastings College of Law in San Francisco in 1967, he joined the Alameda County District Attorney's Office. During his nine years with the office, the last five as a senior trial attorney, he prosecuted many jury trials resulting in first-degree murder convictions, developed a broad expertise in homicide cases and the use of psychiatric evidence.

In 1976, he was named Executive Director of the California District Attorneys Association. CDAA and Nicholson, during the next three years, gained statewide recognition and respect for their legislative and appellate advocacy, wide-ranging publications and educational programs, and for fighting for the rights of crime victims.

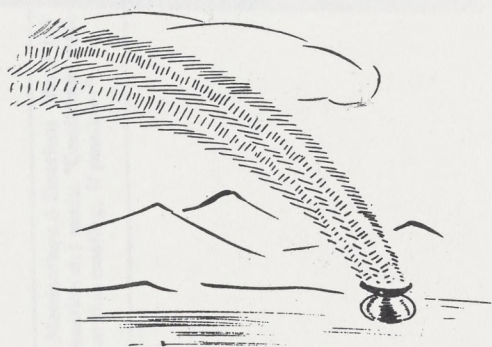

During his tenure with CDAA, Nicholson conceived and implemented "California's Forgotten Victims Week," an annual public awareness program held the last week of April, which will be observed for the fifth consecutive year in 1981.

He also organized and conducted the National Homicide Symposium annually for three years. Hundreds of prosecutors, peace officers, judges, professors and journalists attended each of these annual sessions which each involved roughly four days of instruction by dozens of national experts relative to improving the investigation and prosecution of homicide cases.

She holds a Master's Degree in English which she combines with a lovely speaking voice to bring delightful stories of her experiences.

SISTER MARY DENNY, R.S.M., Ph.D., is currently directing a series which involves a year of guided prayer for individuals seeking a concentrated growth in spiritual life at the Jesuit Institute for Family Life. Appearing with him is Frances Lynne, vocalist, whose clear lilting voice lifted her to the covers of Downbeat Magazine.

JEAN EHRET and HELEN YUILL (right) were both teachers before retiring to raise their respective families. Later Jean returned to the teaching of piano privately; then, deciding her life could benefit from a new challenge, she returned to college (although she already had two Bachelor degrees in music), and trained as a librarian's assistant. She is now employed in that category by Stanford Research Institute.

Helen returned to the teaching field at De Anza College where she is still on the faculty of the Speech Department. Helen's college degrees have been in the field of theatre, and drama is still her first love. She is a member of the acting company of the Los Altos Conservatory Theatre, and will be touring the play, The Belle of Amherst the Emily Dickinson story, to colleges throughout the state during the coming year.

What Jean and Helen call their recreation, the performances of drama and music, began over a Newcomers' bridge table twenty years ago! They have enjoyed sharing their fun with others ever since.

### I LOVE YOU, CALIFORNIA

I love you California, You're the greatest state of all.  
I love you in the winter, summer, spring and in the Fall.  
I love your fertile valleys; your dear mountains I adore  
I love your grand old ocean and I love your rugged shore.

Chorus:

Where the snow crowned golden Sierras  
Keep their watch o'er the valley's bloom,  
It is there I would be, In our land by the sea  
Every breeze bearing rich perfume.  
It is here nature gives of her rarest, It is "Home Sweet Home" to me,  
And I know when I die, I shall breathe my last sigh  
For my sunny Cali-formia.

### LOOK TO THE RAINBOW

On the day I was born, said my father, said he:  
"I've an elegant legacy wait'in for ye,  
"Tis a rhyme for your lips and a song in your heart,  
To sing it whenever the world falls apart."  
LOOK, LOOK, LOOK TO THE RAINBOW,  
Follow it over the hill and stream.  
Look, look, look to the rainbow, follow the fellow who follows a dream.  
"Twas a sumptuous gift to bequeath to a child,  
Oh, the lure of that song kept her feet runnin' wild.  
For you never grow old and you never stand still,  
With whippoorwills singin' beyond the next hill, LOOK, LOOK, etc.

So, I bundled me heart and I roamed the world free,  
To the east with the lark, to the west with the sea;  
And I searched all the earth and I scanned all the skies,  
But I found it at last in my own true love's eyes. LOOK, LOOK, etc.

end with "Follow the fellow, Follow the Fellow; Follow the fellow  
who follows a dream."

### DID YOU EVER SEE A DREAM WALKING?

Did you ever see a "dream" walking? Well, I did!  
Did you ever hear a "dream" talking? Well, I did!  
Did you ever have a "dream" thrill you with "Will you be mine?"  
Oh, it's so grand, and it's too, too divine.  
Did you ever see a "dream" dancing? Well, I did!  
Did you ever see a "dream" romancing? Well I did!  
Did you ever find heaven right in your arms,  
Saying I love you, I do?  
Well, the dream that was walking and the dream that was talking  
and the heaven in my arms was you.

### AMERICA, THE BEAUTIFUL

O beautiful for spacious skies  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!  
America! America!  
God shed His grace on thee  
And crown thy good with brotherhood  
From sea to shining sea!

O beautiful for patriot dream  
That sees beyond the years;  
Thine alabaster cities gleam  
Undimmed by human tears!  
America! America!  
God shed His grace on thee  
And crown thy good with brotherhood  
From sea to shining sea!

### I'M ALWAYS CHASING RAINBOWS

I'm always chasing rainbows, Watching clouds drifting by;  
My schemes are just like all my dreams, Ending in the sky.  
Some fellows look and find the sunshine,  
I always look and find the rain.  
Some fellows make a winning sometime,  
I never even make a gain, Believe me,  
I'm always chasing rainbows,  
Waiting to find a little bluebird in vain.

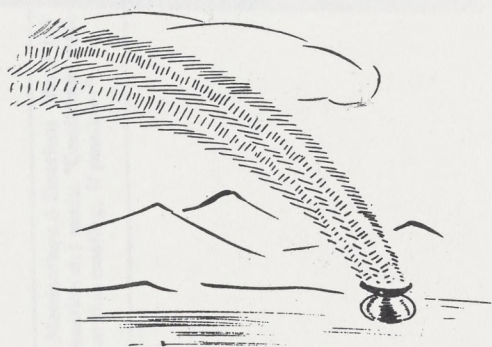

### YOU TELL ME YOUR DREAMS, I'LL TELL YOU MINE

You had a dream, Well, I had one too.  
I know mine's best, 'Cause it was of you.  
Come sweetheart, tell me, Now is the time,  
You tell me your "dreams," I'll tell you mine.

### WISHING WILL MAKE IT SO

Wishing will make it so, Just keep on wishing and care will go.  
Dreamers tell us dreams come true, It's no mistake,  
And wishes are the dreams we dream, when we're awake.  
The curtain of night will part, If you are certain within your heart,  
So if you wish long enough, wish strong enough, You will come to know  
Wishing will make it so.

### Stepping into spring

The annual spring fashion show of the Woman's Club of Palo Alto featured a variety of crisp spring fashions on Wednesday. Mrs. Loren Worley of San Carlos wore a full-sleeved silk blouse teamed with a white eyelet skirt. Mrs. A.W. Baily of Palo Alto wore a tailored cotton pantsuit with a buttoned-down madras shirt and straw hat.

## Photo fest entry forms available Wednesday

Plans for the 19th Annual Peninsula Photo Festival, the popular competition sponsored by the Times Tribune and Mayfield Mall in cooperation with area camera clubs and camera retailers, were announced yesterday by Sally Walker, chairman.

Entry forms will be available in most leading camera stores from San Mateo to Sunnyvale beginning Wednesday. Entries may be submitted at these stores through April 24.

The participating camera stores include Brooks in San Mateo, Menlo Park, Palo Alto, Sunnyvale; Ewert's in Palo Alto, Mountain View, Sunnyvale; Carlmont Camera Center, Belmont; Sharkey's, The Camera Shop, San Carlos; Woodside Camera Center, Redwood City; Menlo Camera, Gomperts, Menlo Park; McCurry's, Webb's, Keeble & Shuchat, Palo Alto; Aperture, Rancho Camera, Camera Works, Los Altos; J. C. Penney at Mayfield Mall, Ray's, Crick Photographic, Precision Camera, Mountain View; Camera Mart, Sunnyvale.

Accepted prints will be displayed at Mayfield Mall May 20 to June 3. There will be several showings of the accepted slides. A

variety of prizes is ready to be won, including trophies, cash and merchandise.

The Peninsula Photo Festival is open to amateur photographers living or working in communities from the northerly limits of San Jose through South San Francisco and their environs. Employees of Peninsula Newspapers Inc. and members of their immediate families are not eligible. All members of sponsoring photo clubs are eligible.

The full list of rules is printed on the entry forms, but this is a contest with relatively few rules, Walker observed. There are three that make this a contest that is particularly easy to enter.

First, it's free. There is no entry or service charge.

Second, there need be no packaging or mailing. Entries are to be submitted through the many participating camera stores, and they will be returned to the same stores to be reclaimed by their owners after the contest.

Third, commercially made prints are permitted. Entries need not be the product of the photographer's own darkroom.

Entries must be mounted, however. Minimum mount size is 8 inches by 10 inches, and

the maximum is 16 inches by 20 inches. Framed prints and extra-thick mounts are not acceptable.

Slides must be submitted in 2 inch by 2 inch mounts, thumb-marked for proper insertion in the projector.

The name and address of the photographer must be marked plainly on the back of each mount, to help prevent losses. All possible care will be taken with entries, but no responsibility can be assumed for loss or damage.

Previous entries may not be resubmitted.

To encourage young photographers, the competition has a separate division for those of high school age and younger. They may submit up to four black and white prints and four color prints.

In the open division, photographers may enter as many as four color slides, four black and white prints and four color prints. One additional print, which must be of a Peninsula subject, may be submitted for the George Allen Young Memorial Award.

The trophy is given by the Times Tribune in memory of the late photography columnist who took the lead in establishing this annual competition.

## Do you gain satisfaction from life?

This is one of a 52-week series of self-quizzes that appears every Friday in the Peninsula Living section. Today: How happy are you?

Nobody can expect to be happy all the time, and we are happier on some days than on others. But what we are concerned with here is happiness in its truest sense: the ability to gain real satisfaction from life.

The purpose of this test is to gauge how well you do this. Answer "Yes" or "No" to the questions.

1. Do you think that most people like you?
2. Do you find it easy to like most people?
3. Do you enjoy seeing others enjoying themselves and getting on in the world?
4. Do you like being among people, sharing interests and activity, going out socially?
5. Is it reasonably easy for you to get to know people and make friends?
6. Can you hold a conversation without becoming tense?
7. Do you sometimes become so interested that you forget about the other people there, and become completely unself-conscious?
8. Do you quite enjoy being the center of attention, having people looking at you, pointing you out, and listening to what you have to say?
9. Conversely, would you enjoy yourself just as much if the spotlight were turned on somebody else and you were ignored?
10. Do you often invite people to your home?
11. Are you pleased when a friend is praised in your presence?
12. Can you be friendly and sociable with the opposite sex without any feeling of awkwardness and strain?
13. Are you happily married? If you are unmarried, are you facing up to this honestly so that you are conscious of no serious frustration?
14. Have you at least one really absorbing interest?
15. Can you take criticism and instructions in a good spirit?
16. Does a failure or a difficult job spur you on to further effort?
17. Do you think that your job is useful and worthwhile?
18. Is it the job you wanted to do? If not, are you sufficiently interested in it to want to do it well?

## Rate yourself

19. Can you enjoy a joke against yourself?

20. Do you regard yourself as quite attractive and personable?

### SCORING

Count 5 marks for every "Yes." You may not be able to score full marks, but a score of 70 or over may be regarded as good. Under 60 is not satisfactory.

This test covers the main aspects of being a genuinely happy person, someone capable of gaining real satisfaction from life. By going to work on any "No" answer, you can use it to help you put right a tendency, or tendencies, that could make you unhappy.

Take, for example, the first question. If you think that most people dislike you, you will be on your guard with them, quick to see slights. If you react like this, there is something wrong with your attitude. Why have you come to believe that people do not like you?

Try to understand yourself. Counter the feeling by making the most of yourself. Become the kind of person you like — sympathetic, interested, understanding, generous.

1979-1980

1979-1980

The following department chairmen gave their reports and I shall attempt to condense each report so that all will be recognized.

Citizenship Chairman, Mrs. Dorothy Larkin

1. Get Out the Vore (A) In Oct. Bulletin Citizenship Committee stressed their interests in local and state civics. Palo Alto is one of six California cities which has received grants to encourage solar energy systems. (B) Members were reminded to listen to new television series called "Free to Choose," on Public TV beginning on Jan. 11, 1980. (C) At Feb. 1980 meeting, chairman Larkin quizzed the members on "The Basic Civics Test for Americans." It was taken from a U.S. News and World Report on the ABC's of How Your Government Works. It was fun "going back to school," and the members enjoyed the brief testing period.

2. Youth Education in Civic Responsibility. (A) The patrol safety system in the Palo Alto schools gives children great responsibility for the safety of their classmates.

3. Pride In Our Nation. (A) Chairman Larkin, at one meeting, spoke on the origin of the Pledge of Allegiance. It was composed by a clergyman and editor, Francis Bellamy, of Mt. Morris, N. Y. and published in Youth's Companion magazine in 1872. The Pledge was first used in the schools, in celebration of Columbus Day Oct. 12, 1892. Congress gave it official recognition in an Act approved June 22, 1942. The phrase "under God" was added to the Pledge by a Congressional Act of June 14, 1954. Francis Bellamy lived a while in Tampa, Florida, where a portrait of him now hangs in Tampa's main Post Office. He died in Tampa in 1931 and was buried in the family plot in Rome, New York.

(B) Serve in Civic Offices. One of our members, Miss Miriam Wolff of Los Altos Hills, is Judy Wolff of Santa Clara County Municipal Court, currently sitting in Palo Alto Court House. She is a member of the Santa Clara Justice Advisory Committee and outgoing Chairman of the Drug Advisory Committee. Judge Wolff is also on the Law Library Commission and a past President of Zonta Club.

4. Citizenship Programs for Foreign born people now living in the United States.

(a) Our participation in "The English In Action" program on Stanford University campus continues. Two of our members meet weekly on a one-to-one basis with two graduate students, one from Columbia, S.A., the other from Joreia. These young people need practice in conversational English.

Community Education, Mrs. Paul R. Larkin, Chairman      BOOK REVIEW SECTION

During year 1978-1979, Book Review Section met on Second Monday of the month from January to May. Members met in various homes for one and one-half hours. Programs were as follows: Jan. 8, 1979. Mrs. Philip Rowan reviewed the Magic of Self Direction by David Schwarz. Rudyard Kipling, by Lord Birkenhead. Mar. 12, 1979. The Club is a Life Member of the Palo Alto Historical Association; several Club members also belong individually to the Association and attend its programs. Two members are presently on the Board of Directors, one of them also serving as Secretary.

The year's programs have included: PALO ALTO and the 1906 Earthquake - Apr. 22, 1979. #### CONSERVATION Miss Frances Payne, Chairman

For exhibit at a Club meeting, the Chairman prepared a poster board covered with leaflets and announcements from a number of representative conservation organizations. The Club contributed \$10.00 to Penny Pines, including money collected at a Club meeting. Attention was called to the ivy which covered the trunk of a large oak tree beside the Club building, and the House and Grounds Committee had the ivy removed so that it would not damage the tree. The Club is a life member of Save-the-Redwoods League. Many Club members belong to such other conservation groups as Sempervirens Fund, Audubon Society, Nature Conservancy, Save-the-Bay Association, Committee for Green Foothills, and local garden clubs. At the Club meeting of May 2, a slide program was presented by Mr. & Mrs. M. E. Lawrence, showing photos of California wild flowers and garden flowers, taken by Mr. Lawrence, Mrs. Lawrence is a Club member.

#### CONSUMER CONCERN, Mrs. Peter O'Donnell, Chairman

Our project in Consumer Concern, as approved by the Board of Directors, is proceeding in the outline we adopted in the year 1979. We continued to subscribe to Consumer United of Palo Alto, Inc. a non-profit organization designed to help the consumer, which we have found to be a most satisfactory means of help and information for our members. A yearly membership includes a Monthly Bulletin and Advisory Service. The bulletin includes current consumer information, money saving tips, analysis of proposed legislation through letters to California legislators to promote legislature favorable to consumers. We, in turn, through our own bulletins, inform our members of the latest sources of information received. The present monthly bulletin features; Recalls of children's toys, hair dryers, whirlpool microwave ovens; Medicare Deductible; Big changes in Tax forms; New Tax-deferred retirement plan; Solar Systems tax break; Health spas; Un-ordered merchandise; Cancer insurance, plus other issues. These tips, added to our back file, form a resource for advice on most consumer problems. We are fortunate in our Community to have valuable services extended through the Media, The Senior Coordinating Council of Palo Alto, Consumer Affairs services from the Santa Clara County Government, and FTC Buyer's Guides. The Woman's Club of Palo Alto endorses and supports programs of Consumer Concerns.

#### CREATIVE ARTS, Mrs. David Brichta, Chairman

At our meetings, the Chairman has provided just of the decorations for the tea table and for the speaker's playform. She is an accomplished ceramist and makes use of her own creations which she also displayed at the Fall Faire held on Nov. 14th at the Club. She served as Chairman of the Faire which was well-organized, colorful, successful event. The chairman also presented the program at the Club's meeting Dec. 5th, "Demonstration of Christmas Decorations". She showed how to construct simple, inexpensive, and attractive decorations, and displayed samples of her own creations. She chaired the Club's annual Crafts and Hobbies show on Feb. 6th when members brought examples of their own hand-made items and of small antiques and other things which they have collected. Each member spoke briefly about her own exhibit.

#### GERONTOLOGY, Mrs. Zenna E. Higgins, Chairman

The majority of our members are over 65 years of age. Most of them either belong to the Little House in Menlo Park or one or two of the five senior clubs in Palo Alto, where they are active. They do a great deal of volunteer work for senior less fortunate. This is a partial list of their volunteer hours, as their modesty prevents them from claiming all they do for others.

GERONTOLOGY continued

Two apartment dwellers where most of the residents are seniors and have no cars, drive their neighbors to the grocery, drive their neighbors to the grocery, doctor, etc. One is a driver for Home Cooked Meals. (1 hr per week.) One helps put out a weekly church bulletin. Another types for the blind (165 hours) One is secretary to the Citizens Committee for Mental Health. (75 hours) One works with retarded children at CAR (100 hours) One works at the Food Closet two afternoons a month (72 hours) Two work at Little House. Two belong to Friendly Visitors (3300 hours) Two members have just completed the training session which the Mid Peninsula Health Service offered for Home Volunteers.

INTERNATIONAL AFFAIRS, Mrs. William Voorhies, Chairman

The chairman authored an article in the April-May issue of the Club's bulletin, describing the Departments objectives in the fields of International Aid, International Hospitality, the Olympics Project, and International Policy. The Club has donated \$25.00 to CARE. We also observed the International Year of the Child at our Dec. 5th meeting when the Spiritual Values Chairman read the "Declaration of the Rights of the Child," and a member who devotes many hours to serving at Palo Alto's UNICEF headquarters and shop, gave a short talk on UNICEF and displayed items which are sold there to benefit UNICEF. At this meeting \$7.00 was donated for UNICEF.

MOVIES, Mrs. Dorothy Wall, Chairman

The chairman used brief paragraphs in our Club bulletin on only the best rated movies, putting not more than two movie reviews in one issue. In these reviews, she tried to make the reader see the high points of each movie. She mentioned situations they might want to judge themselves and have an opinion on. The problem of good and evil came up, so she showed that a movie must have evil portrayed in order to have either good or evil win out, and that the movie having good win out was usually the better movie. Our Club has a high percentage of movie-goers since many of us are retired and have the leisure to see movies. Therefore, we thought the above was a good approach.

PERFORMING ARTS, Mrs. Dorothy Wall, Chairman      THEATRE

Various groups and members attended the following:

1. Palo Alto Players productions - six a season.
2. Menlo Park Community Theatre.
3. Light Opera Series at the Orpheum Theatre in San Francisco: The Bells are Ringing, Evita, Dancin', On the Twentieth Century.
4. California Actors Theatre (CAT), now at the Fox Theatre in Redwood City and at the Old Town Theatre, Los Altos.
5. Scholar Opera's production of Daughter of the Regiment.

MUSIC

The following musical programs were presented at Club meetings during the year: Incidental music, played by Marguerite Fenney, a Club member; Harpsichordist, Anne Wallace Peterson; Favorite Old Song, sung by Betty and Les Clemm, accompanied by Mrs. Maggie Blake; a program of Christmas music provided by the Community School of Music and Arts; the excellent program offered by the Clemms and Mrs. Maggie Blake was repeated at the Club's Guest Night on January 30, 1980.

Several of our members attend symphony concerts in San Jose at the Center for Performing Arts. Some, go to church concerts of organ music. As a Club, we open most of our meetings after the Salute to the Flag, with the singing of a patriotic song - The Star Spangled Banner or America the Beautiful.

#### SAFETY, Mrs. Phil Bodley, Chairman

The Chairman instituted a "Safety Corner" in the Club's Bulletin, the first one appearing in the issue of Sept. 4th and devoted to fire prevention in the home, pointing out some of the more common hazards.

At the Blu meeting of Nove. 7th, the Dean of Chairmen spoke briefly about the "Vial for Life" sponsored by County Sheriff's Departments. Small plastic bottles are provided to be kept in one's refrigerator, containing vital information of immediate use in case of accident or sudden illness. A red label on the outside of the refrigerator informs paramedics or anyone else that the information is there. The speaker offered to obtain vials and literature for anyone interested.

#### SCHOOL PRIORITIES AND SCHOLARSHIPS, Chairman, Iola Sparks

It has been the custom for this Club to make monetary awards in rotation with the three high schools in Palo Alto District. Cubberly High School was the school to which we directed our attention. It was auspicious that this school was due as it was being closed by the school department. The award was presented by the President of our Club to Doriene Dong who had a grade point average of 3.89. She had been accepted by U.C. at Berkeley and her major is Electrical Engineering. She also planned to work for higher degrees than the Bachelor's. She is from a middle income family but highly recommended by the faculty for integrity, ability to succeed, and desire to pursue work in her chosen field. In the Club bulletin an announcement was made and plans were presented to raise more money to further aid our award winner through a luncheon which was given on October 30, at the Mercury Savings. At this luncheon and through donations another \$200.00 was raised to be earmarked for the Scholarship fund. Our District Chairman, Mrs. Grace Bodley made a short talk, explaining the place of School Priorities and Scholarships in Federation. Mr. Richard Condon, School Counselor, was then introduced and told of the program in the Palo Alto School District, how the programs are handled and gave out literature to those interested. The budget for scholarship was set at \$200; but on Jan. 2, Doriene Dong came to our Club meeting with her mother and she was presented with a check for another \$100.00.

In October the schools had Career Planning, evening workshops for seniors and parents. The chairman, Iola Sparks, was invited to attend. Subjects covered were the community colleges, the World of Work; University of California and other State and Private colleges and Universities, Financial Aid/Scholarships; College Scholarship Services and Financial Aid Forms.

#### SPIRITUAL VALUES, Mrs. K. G. Bennie, Chairman

The chairman opened most of the meetings of the Club by reading the "Collect" by Mary Stewart. At the meeting of Dec. 5th, in observance of UNICEF's International Year of the Child, the chairman read UNICEF'S "Declaration of the Rights of the Child" in place of the Collect.

#### VETERANS/ARMED FORCES, Mrs. Charles Schmitt, Chairman

The chairman and her committee organized a successful Veterans' Bridge Benefit, held at the Club on Oct. 26, 1979. Sale of tickets for this Benefit brought \$93.00 which was part of the \$120.00 (\$10.00 per month) which the Club contributes each year towards the cost of refreshment served at the canteen at the Veterans Hospital, Menlo Park. Several Club members have contributed many hours of service at "The Haven" as the canteen is called, over period of many years.

#### FREE, Miss Mary E. Grinnell, Chairman

2 letters were written to the Editor by Club members on local issues  
 10 Club members heard the State CFWC Chairman, Carole Fuches at Sept. District Meeting  
 5 Club delegates heard District Chairman Mary Jane Morton make pitches for FREE at District Meetings.

## OUR FEDERATION EMBLEM

### A COLLECT FOR CLUB WOMEN

Keep us, O God, from pettiness; let us be large in thought,  
in word, in deed.

Let us be done with fault-finding and leave off self-seeking

May we put away all pretense and meet each other face to  
face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene,  
gentle.

Teach us to put into action our better impulses, straight-  
forward and unafraid.

Grant that we may realize that it is the little things that  
create differences; that in the big things of life we are  
at one.

And may we strive to touch and to know the great, common,  
human heart of us all, and O Lord God, let us not forget  
to be kind!

— Mary Stewart.

**JUST BECAUSE YOUR DOCTOR  
TOLD YOU TO EAT MORE FISH,  
DOESN'T MEAN YOU HAVE TO END  
UP WITH A MOUTH FULL OF BONES!!!**

Not if you buy your fish from us at THE FISH MARKET that is. We take the extra care to remove all those aggravating little bones from every piece of fish we sell in the market or barbeque in the restaurant. This means we must actually filet the fish twice — but we're used to the extra care it takes because we take extra care in selecting, catching the fish, handling, icing, displaying and serving it. (Our own boats fish off Half Moon Bay). All of our efforts at THE FISH MARKET are dedicated to obtaining and serving the world's finest seafoods, and the same premium fish we serve in the restaurant is sold in our market.

## Members Reminded About Death Benefit

Recipients of STRS retirement checks are being reminded to notify their beneficiaries about the regulations for them to use in collecting death benefits, according to STRS officials. Records should be kept so that next of kin or other beneficiaries should know the procedures to follow.

STRS advises that death benefits payable to a beneficiary (or estate) is not automatic. The death benefit must be requested by the beneficiary or executor from the State office on proper form.

Procedures to be followed in the event of the death of a California retired teacher are as follows:

1. The beneficiary should immediately notify the STRS office by letter or telephone:

Mr. Michael N. Thome  
Chief Executive Officer STRS  
1010 Hurley Way  
Box 15275-C

Sacramento, CA 95813

Telephone: 916-920-7009

2. Give STRS the following information:

- a. The name of the deceased as it appears on the retirement check
  - b. The beneficiary as named on Form M-2 (Beneficiary for Death Benefit)
  - c. Social Security number of the deceased
  - d. A photostatic copy of the deceased's death certificate

## Nonagenarian Still Finds Time for Volunteer Work

Mrs. Ethel Ormsby . . . as she was at 27

*Our member*

Mrs. Ethel Ormsby, one of CRTA's oldest active members, is a petite, vivacious, beautiful woman. She modestly says she hasn't had a particularly interesting or eventful life. But her record belies that statement. Among other things, she recently received awards from the Veterans Administration for 1,000 hour and 20 years of volunteer service. Although she was 94 on January 12, she still volunteers four days a month.

Ethel began teaching in 1907 after graduating from Norman College in Dillum, Montana. Her first classroom was in a country school where she not only taught all grades, but also had to build fires and help the youngsters with their overshoes. Her teaching hours were from 9 to 4. She lived with various families, having board and room with them throughout the year.

Before leaving Montana she became deputy superintendent in Madison County for two years, then county super-

intendent for another two.

From the Big Sky Country she went to Hawaii from 1923-27. Her first and most interesting assignment was teaching English to Chinese students, all males between the ages of 14 and 30 who were presumably in second grade. In turn, they tried to teach her Chinese, but, she says, they were much better at learning English than she was at learning Chinese.

Ethel was always a primary teacher. Her last 24 years were spent in Fresno, California, where she retired in 1952 after 45 years in the classroom—exclusive of her superintendencies.

After her retirement, Ethel married George Ormsby, also a teacher, and they moved to Palo Alto. In 1954 the Ormsbys began their volunteer work, doing some teaching, library work and weaving at Agnew State Hospital. In 1956 Ethel began her service in the recreation department of the Veterans Hospital.

She has been a loyal and active member of the California Retired Teachers Association, serving as reporter for Mid-Pen No. 54, and for more than seven years also for the *Pioneer Teacher*.

Ethel Ormsby describes the type of person she is, unintentionally perhaps, by the following direct quotations in an interview:

"In teaching all nationalities of children, they seem to me to be the same the world over; it's only after they grow up that they change.

"Age doesn't really mean anything if you have good health and a lot of interests."

That's Ethel!

Mrs. Bodley, District chairman - Scholarship

Short talk at Mercury luncheon for my own Club - Woman's Club of Palo Alto

As District Scholarship Chairman, I salute you and especially Iola Sparks for having a fund-raising luncheon for the scholarship fund in the club.

I strongly believe that the Clubs in the district have their own ideas and carry them out each year without much change. This is fine just so they give scholarships or give aid to the students.

The Woman's Club of Palo Alto started to give scholarships to the Palo Alto School District in 1952. For 22 years \$300.00 a year was set in the budget for scholarships and it was given. One year when I was in charge we got it up another 100.00 and gave \$400.00. I had been scholarship chairman in the Soroptimist Club for many years and they gave \$500.00 a year to a Stanford student and they had only 25 members in their club. However, when I was finance chairman for the club, I felt a little different about giving that much when we didn't have a fund-raising event to raise the money - we were just taking it out of the club budget. So, I gave a dinner party and raised \$300.00. You can do that too! So you see I am happy that Iola has started to raise money for scholarships and that we can again give more than what we are now giving which is 150.00. Perhaps we can give \$200.00 or more!

Under student aid, the club can do many things and not spend a penny. Volunteers are needed in the schools; provide high interest level books for below average readers; provide teaching aids in Media centers, tutoring, counseling, library supplies, sewing machines; provide help for children with learning disabilities, field trips to museums, library, fire dept., etc. Upgrade child care practices in the home; improve quality of home life. There is greater success in school if the child has a confident family. Assistance is needed for classes for adolescent parents. Start a health and nutrition center near school area. However, nothing should be planned without the approval of the school's administration.

The prime purpose for scholarships is to develop, encourage and assist young people to pursue an education, develop their talents and prepare for the future.

## OUR FEDERATION EMBLEM

### A COLLECT FOR CLUB WOMEN

Keep us, O God, from pettiness; let us be large in thought,  
in word, in deed.

Let us be done with fault-finding and leave off self-seeking

May we put away all pretense and meet each other face to  
face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene,  
gentle.

Teach us to put into action our better impulses, straight-  
forward and unafraid.

Grant that we may realize that it is the little things that  
create differences; that in the big things of life we are  
at one.

And may we strive to touch and to know the great, common,  
human heart of us all, and O Lord God, let us not forget  
to be kind!

— Mary Stewart.

Colorado, 1904.

## THEME

### "To Care Is To Share"

What we do best is to care!

We need to dream and to share our dreams but it  
still takes organization and work to turn dreams  
into achievement.

Fantasies? Friendship, knowledge, service to  
others, good fellowship?

No, the marvelous thing for any person or organ-  
ization is to be accomplished in some field that  
is recognized as beneficial.

Once again those who give of themselves are  
called to give of their time and help - the GIFT  
that makes a difference.

Then the WOMAN'S CLUB OF PALO ALTO will continue  
to be the gateway of joy and achievement.

PRESIDENT FRANCES PAYNE

# WE LIVE BUT HOW MUCH DO WE GIVE

From one day to another God will gladly give  
 To everyone who seeks Him and tries each day  
 to live  
 A little bit more closely to God and to each  
 other,  
 Seeing everyone who passes as a neighbor,  
 friend or brother,  
 Not only joy and happiness but the faith to  
 meet each trial  
 Not with fear and trepidation but with an  
 "inner smile"  
 For we know life's never measured by how many  
 years we live  
 But by the kindly things we do and the happin-  
ess we give.

Grace

# MINUTES OF MY TIME

Two or three minutes - two or three hours,  
 What do they mean in this life of ours?  
 If only we'll use them once in a while  
 To make someone happy - make someone smile.  
 A minute may dry a friend's tears,  
 An hour sweep aside trouble of years.  
 Minutes of my time may bring to an end  
 Hopelessness somewhere, and bring me a friend.

Not if you buy your fish from us at THE FISH MARKET that is. We take the extra care to remove all those aggravating little bones from every piece of fish we sell in the market or barbeque in the restaurant. This means we must actually filet the fish twice — but we're used to the extra care it takes because we take extra care in selecting, catching the fish, handling, icing, displaying and serving it. (Our own boats fish off Half Moon Bay). All of our efforts at THE FISH MARKET are dedicated to obtaining and serving the world's finest seafoods, and the same premium fish we serve in the restaurant is sold in our market.

## REST

Are you very weary? Rest a little bit.  
In some quiet corner, fold you hands and sit.  
Do not let the trials that have grieved you all day  
Haunt this quiet corner; drive them away!

Let your heart grow empty of every thought unkind  
That peace may hover round you, and joy may fill  
your mind.  
Count up all your blessings, I'm sure they are not few,  
That the dear Lord daily just bestows on you.  
Soon you'll feel so rested, glad you stopped a bit,  
In this quiet corner, to fold you hands and sit.

## THE WOMAN'S CLUB OF PALO ALTO - 1978-1979 REPORTS

President: Miss Frances Payne

Mrs. Phil Bodley, Historian

### 163 Members

#### BEAUTIFICATION, ENERGY & ENVIRONMENTAL ACTION

Mrs. Philip Rowan, Chairman

The Woman's Club of Palo Alto is a life member of "Save the Redwoods League" which is trying to acquire, intact, the timberlands within the Big Basin State Park.

Pennies for Pines, received from our club \$7.31.

Many members attended the ceremonies to rededicate and to name the Baylands Nature Interpretative Center in memory of Lucy Evans. Our Club participated with other Clubs and organizations in the placement of a bronze plaque, scroll and photo of Miss Evans.

There was one program on Energy and Environmental action.

Members save bottles and cans (including aluminum) and take them to the Recycling Center. Some members take newspapers to the churches for recycling.

During the summer a group of members formed a hard-working committee to do gardening, tidy up, fertilize, and beautify the club grounds.

At our rummage sale and Fall Faire, there was a table to sell fruits, plants, and flowers raised by members thus helping our Club finances. When a member or a member's spouse dies, a contribution is made to the Memorial Fund in lieu of flowers.

The Woman's Club maintains membership in the Palo Alto Chamber of Commerce and thereby participates in planning and action within the city.

#### CALIFORNIA CLUBWOMAN

Miss Margaret Ray, Chairman

The Woman's Club of Palo Alto subscribes 100% to the California Clubwoman magazine.

#### CALIFORNIA HISTORY, LANDMARKS AND MUSEUMS

Miss Mary Grinnell, Chairman

The Woman's Club is a life member of the Palo Alto Historical Association. Three club members serve on the Board of Directors. We had a bus trip to the San Jose Historical Museum. Had a program on Theatre and Cultural Arts in Palo Alto, 1910-1920, a lecture by Dorothy Nichols, well-known critic whose reviews appear in the Palo Alto Times. Had a program by Enid Pearson, member of the Calif. State Water Commission, on The Palo Alto Baylands, a narrative with slides. Had another tour of Ralston Hall, Belmont, a California State Historical Landmark. Had a lecture about The Architectural History of Santa Clara County by Ann Hines, she also showed slides. Had a lecture by Marjorie Kohn, "A History of Palo Alto Newspapers." Members attended a meeting at the John Adams Squire House, a California State Historical Landmark. Mrs. Ruth Wilson, Historian, spoke about its owner and its architecture. Mr. Becker of the Palo Alto Historical Association presented most interesting slides of early Palo Alto, including damage resulting from the earthquake of 1906.

#### CITIZENSHIP

Mrs. Dorothy Larkin, Chairman

1) Chairman Dorothy spoke at one of the meetings about voting as a privilege and a patriotic duty. Members campaigned for a woman running for office. Members worked at party headquarters, and on election day drove people to the polling booths. A few members served in the precincts.

- 2) Youth Education in Civic Responsibility: Their project is to be informed about current events and civic programs in the Palo Alto Public Schools.
- 3) Stimulate pride in our Nation: a) As part of the opening ceremonies of every club meeting we say the Pledge of Allegiance to the Flag and sing a verse of a Patriotic song. b) The chairman asked members to display their flags on all national holidays. c) The chairman also urged all club members to see that their families owned a flag and were encouraged to display it.
4. Citizenship Programs for Foreign Born now living in the U.S.: The chairman spoke on "English in Action Program" at the Bechtel International Center on the Stanford campus. The chairman has joined this program and meets once a week with a foreign student. The building of Bechtel Center is devoted to providing various services for international students, senior research scholars from abroad, and their family members. A regular staff manages many departments, assisted by a group of volunteers. Students meet at the Center to practice conversational English on a one-to-one basis with a volunteer for an hour a week. The chairman urged club members to join her in this interesting and rewarding volunteer work.

#### COMMUNITY EDUCATION

Miss Mary Grinnell, Chairman

The Book Review Section met regularly on the 2nd Mondays of March, April, October, November, and January; The meetings were held at the home of volunteer hostesses and was attended by an average of ten members. One member reviewed a book of her own selection at each meeting. A brief outline of programs follows:

"Song of Solomon" by Tony Morrison reviewed by Mrs. Raul Larkin.

"The Best Things in Life" by Joseph Wechsberg, reviewed by Mrs. George Schrader.

"Self Improvement" Health, Youth, Breathing, and Beauty Through Color, by Linda Clark and Yvonne Martine, reviewed by Mrs. Philip Rowan.

Miss Mary Grinnell reviewed the recent biography, Dame Edith Evans, "Ned's Girl," by Bryan Forbes.

"The Lonely Lady of San Clemente," biography of Mrs. Richard Nixon by Lester David, was reviewed by Mrs. George A. Schrader.

"The Magic of Self Direction" by David Schwarz was reviewed by Mrs. Philip Rowan.

Mrs. Zenna Higgins review the new biography, "Rudyard Kipling" by Lord Birkenhead.

#### COMMUNITY HEALTH & "PROJECT SHARE"

Miss Margaret Ray, Dean of Chairmen

One member is on the Citizens' Steering Committee for Mental Health, Region 4, Sequoia Hospital. The money is given by Federal and State governments; this committee provides mandatory citizens' input and works to further mental health in the best way.

The speaker at one of our meetings donated her honorarium to a mental health care center. Another of our members attended the 106th Annual Meeting of the American Public Health Association in Los Angeles; a five-day meeting attended by over 7,000 participants from the field of public health providers.

As a way of implementing "Project Share" we have Campbell Soup labels which are given to the Morgan Center, a school for developmentally handicapped children who need help and teaching on a one-to-one basis. The Center takes children from the time they are trying to walk. The Center exchanges these coupons for play equipment.

#### CONSUMER CONCERNS

Mrs. Peter O'Donnell, Chairman

We subscribed to "Consumers United of Palo Alto, Inc.," a non-profit organization to help the consumer. Their services include consumer customers' information and a monthly bulletin. The bulletin includes current consumer information, money saving tips, information and analysis of proposed consumer legislation, and letters to California legislators to promote legislation favorable to consumers. On occasion, we agree to volunteer our assistance in clerical research matters to make their program a continued success.

Through the club's monthly newsletter, members are kept advised of new developments in Consumer Concerns, which are added to the file of pamphlets available to all club members.

Six of our members attended, and discussed with other members afterward, a talk "You and Your Food Dollar" by Marc Leinwand, formerly, Direct Marketing Coordinator of the California Division of Consumer Services, Education Unit. He discussed many aspects of marketing food as it goes from the farmer to the consumer.

The chairman urged everyone to watch the program Consumer Buyline on Channel 4, Monday evenings, and also the consumer reporter on the Channel 5 newscast at 6 PM.

#### CREATIVE ART

Mrs. David Brichta, Chairman

Ron Morgan presented a program on flower arranging, demonstrating various arrangements, use of color, combining other things, such as palm leaf fans, figurines, etc., and in some cases using weeds.

The tea tables and podium are decorated for every meeting and carry out the theme of the meeting. There are always suitable decorations for individual tables for card parties, the Valentine party, the Annual dinner, Veterans' Day, the Fashion Show. After some of these affairs, the table decorations are sold and the money turned in to the Club.

At the Birthday Luncheon, held every year, decorations on the twelve tables, one for each month, are either typical of the season of the year for that table or depict an event that takes place or is commemorated in that month.

February program was devoted to a display of needlecraft and sewing by members. Articles were chosen to send to the District Contest. Members also displayed handmade articles that have become collector's items or antiques.

Corsages are made for all new members and honored guests.

#### CRIME PREVENTION

Mrs. Ralph Clay Wiesjohn, Chairman

Mr. Stephen Berry from the Palo Alto Police Department, Crime Prevention Bureau, gave an instructive talk concerning problems relative to the holiday season on Dec. 6, 1978. A short question and answer period followed, enlightening our members on many points of which they were unaware.

In addition, a copy of an article published in the Palo Alto Times on Nov. 23, 1978, entitled "The Season for Thieves Too -- So Watch Out" was given to each member.

#### FINANCIAL SECURITY

Miss Phoebe Seagrave, Chairman

David L. Biehle spoke to us on "Personal Money Management." This is the title of an instructive 500-page book (which he co-authored with his partners, Thomas C. Baillard and Ronald W. Kaiser) first published by Science Research Associates in 1969, revised edition dated 1977. The three authors are principals in an investment counseling firm located in Menlo Park, California.

Another helpful resource aid to individual financial planning is a little paperback book (published by Major Books, Canoga Park, California) entitled "Every Woman's Guide to Family Planning" by Karen O'Connor Sweeney. A representative from the Palo Alto branch of Santa Barbara Savings and Loan Association handed out copies of this booklet at one of our regular meetings and left a boxful of copies for distribution to all our members.

At another meeting special attention was given to our members about a 6-month \$10 M pv T-C available from most Savings and Loan Associations and now yielding in excess of nine per cent per annum. It was pointed out that any number of persons may jointly invest in one of these certificates, as long as their combined investment totals at least \$10 thousand.

#### GERONTOLOGY

Mrs. Zenna Higgins, Chairman

Many club members belong to the Lucie Stern Seniors; one is president, others provided refreshments for two meetings.

The Woman's Club is represented on the Board of the Friendly Visitors Association. Several members visit elderly shut-ins regularly. Others regularly drive elderly to church, the doctor, shopping or to Club meetings.

Three members volunteered more than 100 hours each at La Comida, a senior nutrition program now housed in the new Senior Center. Others give service at the Center in many other ways.

The chairman of the Senior Program Committee at the YWCA is a member of the Woman's Club. Many of our members belong to "Little House," a senior's activity Center. We are represented on the Council and the Ways and Means Committee. One member assisted the Program Director writing descriptions for the permanent file of all the committees.

#### INDIAN AFFAIRS

Mrs. Earl Jackson, Chairman

A \$100 Indian Scholarship was given to the Maple Creek Willie Scholarship Fund (Indian Affairs, Sacramento). Our annual "Pow Wow" bridge party, held to raise money for this scholarship fund, is very successful.

#### INTERNATIONAL AFFAIRS

Mrs. William Voorhies, Chairman

The District International Affairs Chairman spoke at one of our meetings about the history and organization of CARE and described the very worthwhile project in Chile which the Women's Clubs are supporting. A total of \$62.00 was sent to CARE.

The International Affairs chairman announced the CFWC goal in the Hospitality Division, which asks Club women to open their homes to exchange students to show them the American way of life so that they, in turn, will become goodwill ambassadors on returning to their homeland. Particular emphasis was given to opening our homes for the Olympics project in conjunction with the 1980 Winter Olympics in Lake Placid, New York, when many athletes from other nations will stay on in this country after the games are over to travel, participate in exhibitions, and learn something of the culture of our country. Those interested were asked to contact the U.S. Olympics Committee area chairman for information and also for assistance with club programs on this subject.

The chairman also announced in the bulletin the program of the American Host Foundation, Garden Grove, California. Through their auspices, Americans act as hosts (from two or three days to two weeks) to visiting teachers from the free nations of Europe. All teachers speak English, and through a questionnaire are matched with the host family. For anyone who could be a host, this person-to-person project would be a most interesting and rewarding experience.

One of our members is a regular volunteer at the gift shop of the UNA-USA Center in Palo Alto. Many of us buy Christmas cards at the Center to give some small support to UNICEF and buy gifts there to help support the UNA-USA.

#### LEADERSHIP

Miss Margaret Ray, Dean of Chairmen

The Dean of Chairmen has had two meetings of chairmen, the first one in the Fall to discuss our work for the year and distribute to each chairman the appropriate page from the Procedure Book as the basis for the work. After attending the Report Writing Workshop at Hollister, the Dean held a second meeting of chairmen to pass on ideas gained at the workshop. We used the yearbook, the minutes, and correspondence to refresh our memories, and everyone had a chance to discuss her report.

During the year the Dean has kept in touch with the chairmen by phone and at the regular meetings of the club, sharing many activities with them. She has also made suggestions for the activities of the various departments.

Since the club did not have a Ways and Means Committee this year, each money raising function was assigned to a chairman. This gave a number of women the opportunity to plan an event, organize and assign the duties, arrange schedules, and keep track of the many details involved. This was also a way to have new members involved in club activities and new members and old timers meet one another.

## PERFORMING ARTS

Mrs. Dorothy Wall, Chairman

A group of women from the Woman's Club drove to San Francisco to see the Christmas displays in the Decorators' Building, which was a concerted effort in decorating rooms and/or tables with each one carrying out a different theme. Although they came away with ideas for Christmas and handicrafts, the event was a benefit for the American Conservatory Theatre. Many of our members have series subscriptions to see A.C.T. plays. A group of members go to plays at the California Actors Theatre in Los Gatos each year. Some attend plays at the Community Theatre in Palo Alto. Various members saw "Annie" when it came to San Francisco.

Miss Peggy Keys, accompanied by Miss Joan Lomax at the Piano, presented the program at our Guest Night dinner "A tribute to American Music." She sang popular songs from Colonial times through the 1900's.

The Palo Alto High School Cappella Choir gave a program of Christmas music. The director of the choir was ill and could not be there but the students went ahead without her and presented a very enjoyable program.

## SCHOOL PRIORITIES AND SCHOLARSHIPS

Mrs. Lois Tamba, Chairman

The Woman's Club of Palo Alto gives an annual scholarship each Spring Semester to a member of the graduating class of one of the three senior high schools in Palo Alto, rotating the scholarship each year. Last Spring our Scholarship Committee, using criteria set up a few years ago, interviewed a number of senior girls who had applied for scholarships to help them continue their education. A \$200.00 scholarship was awarded to Miss Laura Hays of Palo Alto High School.

In the wake of Proposition 13, summer schools for the summer of 1978 were discontinued in the Palo Alto schools. The churches set up summer schools and guaranteed the salaries of the teachers. All teachers were accredited. The Woman's Club of Palo Alto gave a \$60.00 scholarship to the summer school. A scholarship of \$100.00 was given to the Maple Creek Willie Scholarship Fund.

In the fall a luncheon helped to raise money for scholarships.

## SPRIRUAL VALUES

Miss Margaret Ray, Dean of Chairmen

All meetings of the Club are opened with a prayer--the Collect for Club Women by Mary Stewart. This year a different member has repeated the collect, or led us saying it in unison.

When we have lost a member through death, a short memorial service has been held before the regular meeting.

## TODAY'S WOMAN

Mrs. Iola Sparks, Chairman

TODAY'S WOMAN means that we should take an interest in legislation affecting women; that we seek a fair and unbiased attitude on the part of employers toward hiring and promoting women employees; that we watch the changes taking place and are aware of opportunities to improve attitudes and potentialities of women.

There was an interesting case that received much publicity. It is the case of a couple who decided to switch roles for a time--she to be the bread-winner, he to take over child care and management of the home. The articles appearing after interviews and his talks to organizations showed that he developed an entirely new concept of the duties in a home and is willing to concede that the task of homemaker requires intelligence, tact, managerial skills and the ability to organize besides patience and understanding.

Women have reentered the labor market, after preparation, and are again following their interests in business and the professional world. They have found acceptance based on qualifications and training. One member, a judge, ran against a male opponent this year. Some club members worked with her for her successful reelection. Our members are active in business, community service work, and through other organizations contribute time and effort doing volunteer work, serving on boards and committees of other organizations. In this way they obtain and pass on to members information of interest.

The chairman, through the bulletin and announcements at meetings, has attempted to keep members informed of events of interest to them. One of these was to give information on how to get appointed to a Board or a Committee in Government. Another suggested that when one has strong feelings on a subject (such as the firing of Bella Abzug by President Carter, or some piece of legislation being considered, pro or con) a personal letter could convey such opinion.

During the year, past Presidents of the club were honored at a luncheon. As each was introduced, she outlined the accomplishments of her term and mentioned newsworthy events which took place. Other programs during the year emphasized accomplishments of women in the community.

Our women seem to be aware of themselves as leaders and in important supportive roles. Some of our members attended a conference in San Francisco titled "Aware II: What One Woman Can Do," and will participate in three of six workshops: Citizen Politics, Views of Volunteering, and New Beginnings--After Retirement, what?

#### T.V., MOVIES, PERIODICALS

Mrs. Y'Vonne Beck, Chairman

Ten members attended a luncheon honoring Jack Hannon, newscaster on Channel 7, San Francisco. He gave a full account of ratings on TV, how this is done and how the ratings are used. This information was shared with other members of the club.

Some members heard Valerie Coleman, TV newscaster, discuss various aspects of TV and answered questions afterward.

One of the club members attended a showing of the movie "Lord of the Rings" a fantasy taking place in Middle-earth the land of the hobbits. The movie was filmed in a new style of animation that creates startlingly realistic movement; it cost six million dollars over a two-and-one-half year period. This movie was described to other club members.

#### VETERANS AND ARMED FORCES

Mrs. Charles Schmitt, Chairman

The Women's Club of Palo Alto, at one of the Veterans programs, discovered how closely intertwined all of the members' lives have been with the Veterans and the Armed Forces, since we are wives, mothers, widows, grandmothers, great grandmothers, and even gold star mothers. This is the one committee we all support.

A Veterans' Benefit bridge was held early in the Fall and was a great success with over one hundred members and guests supporting and donating to this event.

The speakers at our Veterans' Day program were Mrs. Marie Dunlop, of United Volunteer Services, and Mrs. Evelyn Kohlberg, in charge of volunteers at The Haven. They described the background and history of the Haven, which is a social center for patients of the Veterans Hospital (for psychiatric care), Menlo Park Division. The Center is not run by the Veterans Administration, but is operated by an outside group, and was started originally as an experiment. It has become a model for similar services in other parts of the country.

Club members volunteer many hours at The Haven on a regular basis. They act as hostesses and do odd jobs such as writing letters, sewing on buttons, etc., and they are someone to talk to and thus become a contact with the outside world for the patients. A monthly check is sent to the Haven, and we donate books, magazines, and also coupons that they exchange for needed equipment. We also supported this program by attending the Hillsborough Antique Show and Sale, which is The Haven's largest contributor.

A letter was sent to the Palo Alto City Council protesting the sale of the Veterans Memorial Building at El Camino Real and University Avenue. This building was built by Julia Morgan, California's first woman architect, and is a dedicated California historic landmark.

## VISUAL ARTS

Mrs. Howard Weller, Chairman

Club programs devoted to the Visual Arts were:

Excursion into Art, by Mrs. Barbara Semmelman. This was a most interesting program. Mrs. Semmelman showed slides of great works of many painters in many eras. She also commented on each painter and his or her style, and recounted biographical tidbits.

Art Show by ten club members and a Painting Demonstration by Mrs. Gloria Molinaire. The audience took a lively interest in voting to choose one painting to send to the District. Then Mrs. Molinaire gave a fascinating demonstration of various techniques by painting a sunset over water and explaining, as she worked, her use of color brushes, knife, and other techniques.

Two members have attended art classes at the Walter Hays Middle School taught by Gloria Molinaire.

Florence Hoffman, a member of our club, has had seven showings of her paintings at various galleries on the Peninsula.

Angie Wiesjohn, also a club member, had a showing of her paintings during February 1979.

A group of members has regularly attended the Standord Adventure Series and as they travel by armchair are becoming knowledgeable about good photography.

The program devoted to the study of the history of the United States in the last century. The program was designed to provide a comprehensive overview of the country's development from the mid-19th century to the present. The program was divided into four main sections: the Civil War, Reconstruction, the Gilded Age, and the Progressive Era. Each section was presented in a series of lectures, readings, and discussions. The program was highly successful in providing a thorough understanding of the country's history and the challenges it faced during this period.

THE UNIVERSITY OF CHICAGO

Mrs. Henry Broderson receiving her Honorary  
Membership in the Woman's Club of Palo Alto  
from Mrs. Phil Bodley, Past President

March 8, 1978

PRESENTATION OF HONORARY MEMBERSHIP TO A DESERVING MEMBER, MRS. HENRY BRODERSON  
by Mrs. Phil Bodley, Past President and Historian of the  
WOMAN'S CLUB OF PALO ALTO.

Mrs. Nellie Broderon has been a very busy lady in our Club for over 26 years. Through her efforts many things were accomplished - too many to tell today. However I will tell you a few of them.

Nellie has been Legislation Chairman for 23 years - it is only the last few years that she has not been active in the Club because of illness.

Mrs. Broderon has brought recognition to this Club on local, state, and national level. She has written hundreds of letters to Assemblymen, Senators, and Legislators:

- Letters of protest against legalized gambling;
- Letters of protest against legalized prostitution;
- Letters to protest the granting of licenses for the sale of alcohol beverages near schools, hospitals, and super markets, etc.
- Yes, Nellie wrote floods of letters against proposed speedway in the area.

When I was president of the Woman's Club in 1972, Nellie won an award for the Club from Loma Prieta District - an award of Merit for outstanding work done in Legislation.

In 1952 the Woman's Club of Palo Alto was awarded \$1,000.00 U. S. Savings Bond by the Womens Home Companion. (Hold up the magazine) After the meeting today please come up and see this magazine, you'll find it very interesting. Now, the receiving of this award was the result of a nation-wide competition to determine HOW EFFECTIVE WOMEN WORKING TOGETHER MIGHT BE ABLE TO BUILD BETTER COMMUNITIES.

After three long years, Nellie Broderon, Legislation chairman for the Club, was able to enlist the interest and enthusiasm of groups in the entire county in securing a new Santa Clara County Jail, a New Juvenile Home, a County Hospital, and to ban pari-mutuel racing.

Mrs. Broderon and her husband was given a trip to New York to receive the award for the Woman's Club of Palo Alto. What an honor this was to Nellie and also to our own Club members.

Nellie, the members of the Woman's Club of Palo Alto voted unanimously to give you an HONORARY MEMBERSHIP in the Club. This honor has been bestowed only to one other member in our Club in the 84 years that we have existed and that was to Kathleen Norris, the author, and now to you! WE LOVE YOU!

C O P Y

1310 Cotton Street

March 13, 1978

My dear Mrs. Bodley and fellow Members of the Palo Alto Woman's Club;

Words are inadequate to express my appreciation for this Honorary Membership. I am deeply grateful to be so honored along with the illustrious Kathleen Norris, whom I counted among my loyal supporters in the long battle to achieve a new county jail and juvenile hall, and to prevent the introduction of pari-mutuel racing in Santa Clara County.

It was the united support of the then--300 members of the Club, other women's organizations in the county--including the P.T.A.'s, Church Women United, League of Women Voters--plus many men, that brought an end to the antiquated institutions and abolished the hopes of a few people to establish legalized gambling. Mrs. Norris, at that time unable to attend meetings of the County Board of Supervisors, wrote a strong letter protesting their plan to introduce pari-mutuel racing at the County fair (the letter was read by our daughter, Mrs. Henry F. Sirgo, then legislation chairman, 6th District P.T.A., which had gone on record in opposition to the racing--and urging a new jail and juvenile hall).

Had it not been for the vigorous support of the Woman's Club of Palo Alto members in attending some of these important Supervisors' meetings and speaking on the issues, "good government" could not have resulted. It was an honor for me to use the Woman's Club as a medium to achieve this goal. We had voting power and prestige!

The beautiful luncheon, decorations, programs, stage-designing, costumes--even the tulip napkins--all presented a Fairyland. When Grace Bodley made the lovely presentation of the beautiful certificate of Honorary Membership, I was so surprised that words did fail me. The carefully-written history was informative to newer members and was a moving tribute which I shall always treasure. Thank you all!

Cordially,

(signed: Nellie Broderson)

## OUR FEDERATION EMBLEM

### A COLLECT FOR CLUB WOMEN

Keep us, O God, from pettiness; let us be large in thought,  
in word, in deed.

Let us be done with fault-finding and leave off self-seeking

May we put away all pretense and meet each other face to  
face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene,  
gentle.

Teach us to put into action our better impulses, straight-  
forward and unafraid.

Grant that we may realize that it is the little things that  
create differences; that in the big things of life we are  
at one.

And may we strive to touch and to know the great, common,  
human heart of us all, and O Lord God, let us not forget  
to be kind!

— Mary Stewart.

Colorado, 1904.

"To Care Is To Share"

As a guide for our activities for this year let  
us subtract indifference; divide knowledge and  
service with others; multiply friendliness and  
goodwill while adding steadily to Club Membership.

DOESN'T MEAN YOU HAVE TO END  
UP WITH A MOUTH FULL OF BONES!!!**

Not if you buy your fish from us at THE FISH MARKET that is. We take the extra care to remove all those aggravating little bones from every piece of fish we sell in the market or barbeque in the restaurant. This means we must actually filet the fish twice — but we're used to the extra care it takes because we take extra care in selecting, catching the fish, handling, icing, displaying and serving it. (Our own boats fish off Half Moon Bay). All of our efforts at THE FISH MARKET are dedicated to obtaining and serving the world's finest seafoods, and the same premium fish we serve in the restaurant is sold in our market.

## THE WOMAN'S CLUB OF PALO ALTO - 1977-1978 REPORT

President: Miss Frances Payne

Historian: Mrs. Phil Bodley

The yearbook which is a part of this history will show you the officers, department heads, activities and the ads which is a support in running our clubhouse. I will not attempt to write those things in this report. However, I will let you know what each chairman accomplished during the year.

We have 163 members in the club. We found this year that many of the members did not want to take a chairmanship, therefore the chairmanships were gotten after the yearbook was printed.

### VISUAL ARTS - Chairman, Mrs. Dorothy Wall

The Club set up a Creative Writing Contest in the three Palo Alto middle schools; Jordan, Terman, and Wilbur. The general theme was "The Quality of Life." This was broken down into topics these young teen-agers could use. Prizes were given as follows: First Prize ... \$25.00; Second Prize...\$15.00; Third Prize...\$10.00.

We held an Art Day where fifteen paintings by club members were displayed and judged for the best to represent the Club at the District competition.

We had a program for the club members where slides were shown on "The Queen's Vase and the Queen's Beasts." The vase was made for the Queen's coronation and the beasts in English heraldry were shown and explained. This was both educational and interesting.

Another slide presentation was on "A Journey Down the Nile."

Our Club contributed \$1.63, one penny for each member, to the Pennies for Art Fund.

Our Clubhouse was used this past year for three showings of antique drawings and etchings. We allowed the company to use it at a very reduced rental.

### PERFORMING ARTS - Chairman, Mrs. M. E. Lawrence

Each meeting the membership participates in the singing of "The Star Spangled Banner" or "America the Beautiful." The women enjoy this part of the meeting and sing lustily.

Miss Marilyn Curtis, Soprano, entertained the members at the September meeting.

In December the Castelleja School sang Christmas songs at the early meeting and at the next meeting the Little House Senior Citizens Center Chorus of 45 members entertained us with Christmas music.

At our Guest Night Dinner the entertainment was 80 members of the Peninsula Recorder Orchestra. The leader explained the history of the recorder and told of the different recorders used for the different level of sound. An added attraction was given by costumed English dancers. They explained the meaning of their original numbers.

In April, 1977, Mrs. Edna MacAfee read an Original Skit giving a dramatic rendition. Our May meeting was a learning experience. A dance group from the Stanford University performed the dances from some of the different countries: both scandinavian, Jewish, etc. \$300.00 was paid for these programs.

We have two groups of theatre goers who try to see the best plays. They then discuss their merits.

We all go to the movies..There is also an Opera group that attends the West Bay Opera productions in Palo Alto.

A group of 4 see the Palo Alto Community Theatre productions and two of the group have donated unusual and pleasing shoes and clothes (dated) for this company. Each of these groups take turns discussing the plays, operas or movies with the Club members.

CREATIVE ARTS - Mrs. David Brichta, Chairman

At one of the Club meetings we asked all members to bring their Crafts to the Clubhouse for showing. Each member was then asked to show and explain their craft. It was most successful.

Another program for the club was presented by Mr. Robert T. Lindemann. He showed jewelry and explained that artists from all over the world submit a design. A committee selects the best for the piece of jewelry that is to be made. He showed many pieces of finished jewelry and many, many designs.

Another program was given by Mrs. Barry, called Bird of Paradise Fashions. She showed fashions and designs from Hawaii, Taiwan, Polynesia, and Japan. We learned both the meaning of the designs and about the different textures. \$50.00 was spent on these programs.

LITERATURE - Miss Mary Grinell, Chairman

During the 1977-1978 report period, the book review section of the club met regularly on the 2nd Monday of March, April, May, October, November and January, at the home of members who volunteered to be hostess. At each meeting a review was presented by a Club member who selected a recent book of special interest to her. This year's interesting reviews covered such subjects as travel, biography (the most popular), fiction and oceanography.

We had two book review programs for the general membership meetings. One review was given by Dr. Gunther Nagel Author of Jane Lathrop - Stanford. He was most interesting--particularly when he told about the past of our area. The second review was about the book "To Sleep? Perchange to Dream?" Telling about the sleep lab oratory at Stanford University. The reviewer told of the different levels of sleep, etc.

CREATIVE WRITING - Chairman, Miss Mary Grinell

We sent in an essay to State entitled "Homecomings," written by Mrs. David Munford.

We sent in to District an article on the Montessori Method, written by Mrs. Florence Dunbar.

To District was mailed an article on Thornton Wilder--Tribute written by Mrs. Dunbar.

Betty Rundell's Haiku and a poem entitled "Happiness" were mailed to the District.

Mrs. Munford won a second STATE AWARD for her essay "HOMECOMINGS."

SAFETY - Chairman, Miss Margaret Ray

Spot announcements were given at the meetings about Safety. A brochure "Be Alert" was passed out to the members.

CROME REDUCTION - Chairman, Mrs. J. E. Tuomy

Again the members were urged to have the number of their Driver's License Number engraved on their possessions. The Chairman related a method to use if someone takes your purse.

VETERANS - Mrs. Florence Dunbar, Chairman

The Club donated \$120.00 to the "Haven" in Menlo Park. Many of our women work there serving cookies and coffee to the veterans. The Club program for October was presented by Lt. Commander Peter Cressy from Moffett Field showing slides about "The Navy and Anti-Submarine Warfare."

CITIZENSHIP - Chairman, Miss Betty Hays

Each meeting this Club recites the renewal of the Pledge of Allegiance to the Flag of the United States of America. One of the programs was about the Flag.

INTERNATIONAL POLICY - Chairman, Mrs. Charles Schmitt

Mr. John Morley, a foreign correspondent, gave a talk on "World Affairs." He had recently returned from Russia and was able to give us an up-date of the relations between our two countries. We found him very interesting. We paid him \$250.00!!!!

INTERNATIONAL AID - Chairman, Mrs. Charles Schmitt

The Club donated \$10.00 to CARE.

CONSERVATION - Mrs. Horace Thomas, Chairman

We are continuing to work for the conservation of our heritage, particularly the Redwoods. One of the programs this year was a series of slides on the Hummingbird. The narrator told us that many species are becoming extinct.

INVESTMENTS AND SECURITY - Chairman Mrs. Harriot Seifferle

Mr. Mark Dame's talk "Making Your Money Work For You" was well received by the members. Many, many questions were asked of Mr. Dame. He also brought brochures to give to the members.

HEALTH - Chairman, Mrs. Charles Rundell

Dt. J. Wayne Murray, San Jose Guidance Clinic was the speaker for our March meeting this year. His psychology was very "down to earth" and understandable.

CONSUMER CONCERNS - Chairman, Mrs. Earl Jackson

Spot announcements were made during the meetings. Hand Outs were given to the members.

LEADERSHIP - Chairman, Mrs. Charles Schmitt

Everything we do in Club work can be called leadership. It requires leadership to select and elect officers, to appoint committee members and to get the club work done. This was a good year for leadership in our club. Our new President at her first Board meeting gave each of us a piece of paper to list what we thought was of first priority. This gave us an opportunity to really think about what our goals for the coming year would be. She said that she will give us back out sheets at the last Board meeting. We will have an opportunity to see if we have reached the goals.

Each meeting an opportunity is given to another person to read the Collect. We take turns leading the pledge also. Although it is a little thing, after a while we find that the members are not nearly so afraid. This is the way to start leaders. We have had good officers and much help this year. The leadership is good.

SPIRITUAL VALUES - Mrs. Alden Reed, Chairman

The Woman's Club of Palo Alto opens each and every meeting with the reading of "A Collect for Club Women" by Mary Stewart. Early in the year, this chairman asked permission of the Executive Board to occasionally present the membership with varied spiritual offerings. However, the consensus of the Board was that the "Collect" with its special message for Federation Women, fulfills the spiritual needs of the Club. We are indeed grateful for its inspired message.

Members are encouraged to participate in the reading of the "Collect" and a real effort is made to have as many members as possible lead the prayer.

SCHOOL PRIORITIES & SCHOLARSHIPS - Chairman, Mrs. Lois Tamba

Two scholarships were given: \$200.00 to a graduating High School senior and a \$100.00 nurse's scholarship.

COMMUNITY EDUCATION - Chairman, Miss Mary Grinell

Foothill Community College rented our Clubhouse at a greatly reduced fee for adult classes during the past year. We along, with the Juniors, participated in a luncheon for the Morgan Center, a school Development Disabilities. All the proceeds went to help some of the students of the school.

# Trip To CFWC's Redwood Grove Highlights State Board Meeting

THE FEDERATION HEARTHSTONE IN REDWOOD GROVE

There was a delightful treat in store for CFWC Executive Board members when they attended the meeting of that group held October 10-12, at the Red Lion Inn in Eureka. Wednesday afternoon was devoted to a scenic bus trip through beautiful, giant redwoods to CFWC's own grove forty-eight miles south of Eureka.

Lead by State President Mrs. Albert

J. Crichton, the group enjoyed sight-seeing and lunch at the Federation Hearthstone, dedicated in 1933.

Ten years before, the state convention held in Eureka in 1923 had voted to raise money for a redwood grove by assessing each member of the Federation one dollar — the object being to

help save the redwoods.

Within five years, over \$45,000 had been contributed by clubwomen throughout California. A committee was then appointed for the best investment of its "Redwood Grove Fund." CFWC's funds were matched by the State of California and a 106-acre grove, located on the Redwood Highway about one mile south of Dyerville, was purchased.

"The acres, known as the South Dyerville Flat, lies along a bank of the South Fork of the Eel River, transected for three quarters of a mile by the Redwood Highway, and embraces within its area a hillside upon which is a spring of water, a flat with some of the finest redwoods known, and a beautiful river vista and beach... highway signs mark the northern and southern boundaries of the Federation Grove." (California Clubwoman, April 1933.)

# Flower arranging: It should be fun

By PATTY GINSBURG

Ron Morgan is a whiz with his hands. He whips out flower and foliage arrangements almost as fast as the proverbial blink of an eye.

Morgan, a professional floral designer from Alameda, was on the Midpeninsula Wednesday for three demonstrations of his art, two at Filoli, in Woodside, and sandwiched in between those, a 45-minute one for the Woman's Club of Palo Alto.

Morgan travels around the world giving lectures and demonstrations—"I have 19 this month," he said—and runs Ron Morgan, Inc., an Oakland company which sells arrangements wholesale to florists, decorators and department stores.

At the Woman's Club of Palo Alto, about 140 women sat in rapt attention as Morgan spun out half a dozen arrangements, complete with a running narrative on themes, materials, accessories and general suggestions.

His philosophy is "flower arranging is supposed to be fun. Once it gets to be a hassle, give it up."

Morgan considers anything that grows, and quite a few things that don't, for inclusion in a design. In one arrangement, for example, he combined inexpensive fans, tilted at different angles, with magnolia branches, pieces of staghorn fern and maple branches and orange lilies for a study of textured greens.

The fans create different planes and serve as a visual guide to focus on the lilies.

Morgan said depth is very important in creating floral designs. To avoid flatness—"The biggest

Ron Morgan

problem in arrangements"—plant materials should be placed first at the back of the container.

Arrangements need not be expensive affairs, he said. Anything from the yard can be used, even weeds. Using an old Chinese tea caddy, he began another design with a clump of wild oat weeds. "Flowers are only cultivated weeds, anyway," he reasoned. Some greenery was added and to continue the rough, unsophisticated look, he finished it off with three burnt orange-colored blooms.

Getting ideas for designs sometimes is a matter of chance. The basis for another arrangement was a pear tree branch he found on the ground. He inverted it, making an umbrella shape, in a bronze bowl, and set handfuls of yellow ixias, on their long, sword-like stems, in the center of the "umbrella." The ixias appeared to grow out of the pear branch, creating an effect of spring youth emerging from the aged, knarled tree.

Although some of Morgan's arrangements are very colorful and appear complex, he maintained that simplicity is the key to an effective design.

His designs don't always contain flowers. He displayed one work, originally meant to be a present for his father, who hunts, which was a duck decoy made from pine cone petals glued onto a plaster of paris model.

Morgan had gathered pine cones, removed the petals and sorted them into piles by size. He examined a picture of a duck and glued the petals onto the model in the direction of real feathers. The largest ones went to the body, with the very small ones used to recreate the fine down of the duck's neck and head.

"It took 14 hours to make, but it's fun sometimes to do artsy craftsy things like that." So instead of giving it to his father, Morgan takes it to demonstrations to show what people can do with a chunk of spare time.

Because of a distinct distaste for plastic containers, Morgan often makes his own containers, using

A variation on the use of fans as accessories was one of the arrangements Morgan made at Filoli.

store-bought ones for frames. He covered one pot with cinnamon sticks and added a brown ribbon and a few pine cones for accent. A misting with water will bring out the cinnamon scent, he said.

He made another container into an Oriental basket by gluing on branches of pussy willow. The handle consisted of two longer, asymmetrical branches, joined by another cut branch. An advantage to this type of container is that the design has been started even before fresh foliage or flowers are added.

There were many other members who helped guide us thru this wonderful year of service; the chairmen of the different departments, the members who served on the standing committees, special appointments, bridge benefits, ways and means and many others. Their names appear in the year book which is attached to this report.

We were fortunate to have a member to be president of the Loma Prieta District, serving her first year - this being a two-year term. Those serving with her from our Club were; Mrs Earl Jackson, Corresponding Secretary; Mrs. Dorothy Wall, Chairman, Community Education; Mrs. Phil Bodley, Chairman, School Priorities and Scholarships; Mrs. Iola Sparks, Chairman, Investments and Securities; Miss Frances Payne, Chairman, Spiritual Values.

There were three from our Club who served the California Federation of Women's Clubs: Mrs. Phil Bodley, State Convention Chairman and those who served under her were Mrs. Earl Jackson, Convention Treasurer and Mrs. Iola P. Sparks, Convention Tour Chairman.

President Lois said, "The goal for my year was to increase the membership and to utilize the interests and talents of our new membership with talents and expertise of the devoted regular membership as well as to increase our building fund."

The first official function of this year was to act as Hostess Club to the Loma Prieta District Executive meeting whose President is, as mentioned above,

Mrs. J. E. Tuomy. Mrs. Iola Sparks was chairman and Mrs. Schmitt was credentials chairman.

The yearbook committee headed by Mrs. Bodley, assisted by Mrs. Lois Weller and the Executive Board who spent the summer compiling the information for the book was printed on time and given out at the Annual Reception in September. We had over 50 ads which more than again paid for the book. The cover was white with the beautiful American Flag on the cover....the Bicentennial Year, of course it had to be the American Flag of which we are all so proud!

The membership continued summer bridge benefits under the leadership of Ways and Means Chairman, Mrs. Edmiston, assisted by Mrs. Phares and Mrs. Christmas.

The Program Committee planned for variations in the programs by engaging musical numbers, book reviews, dramatic readings, and membership participation programs. Mrs. Dorothy Wall was the chairman.

Mrs. Edmiston led the Ways and Means Committee to a successful conclusion beyond our projected earnings goal. Each separate section provided and sustained their own separate benefit:

Scholarship Fund dinner party . . . . .	Mrs. Bodley and Mrs. Tamba
Veteran's Benefit Party . . . . .	Mrs. Dunbar and Mrs. Ormsby
Indian Pow-Wow Party . . . . .	Mrs. Krohn and Mrs. Dowdell
Fall Faire . . . . .	Mrs. Brichta
Fashion Show . . . . .	Mrs. Voorhies & Mrs. Horace Thomas
Bridge Benefit Luncheon (2 parties) . .	Mrs. Agnes Adams

Through the industry and tact of our Junior Coordinator, Mrs. Earl Jackson, we maintained a genial relationship with the Junior Woman's Club. She achieved a third place award of merit from the Loma Prieta District.

Certificates of Award were given to our Club from Loma Prieta District in the following chairs:

Clubwoman Magazine . . . . .	100% subscription
Membership for greatest % gain . . . .	Mrs. Lois Weller, Chairman
Public Affaris Crime Reduction . . . .	Mrs. Helen Tuomy, Chairman
Investment and Security . . . . .	Mrs. Harriet Seifferle, Chairman
Community Education	
E.S.O., Library Services . . . . .	Mrs. Mary Grinnell
Creative Writing . . . . .	Mrs. Nell Mumford
	Mrs. Zenna Higgins
	Mrs. Virginia Smith

The Veteran's Committee continued their aid in serving coffee and doughnuts at the Haven in the Menlo Park V. A. Hospital.

The Scholarship Committee continued both a local and an Indian Scholarship. Mrs. Bodley who was Scholarship Chairman for Loma Prieta District received a State Scholarship Certificate of Award, and was presented at the State Convention at Rickey's Hyatt House.

Mrs. Schmitt, Publicity Chairman, maintained and got very good press releases from the area newspapers for our public functions.

The House and Grounds Committee led by Mrs. Kesterson kept an eagle eye on our maintenance problems and cared for our Club house.

The Legislative Committee kept the membership informed of the legislation pending at the State and National level which deserved the attention of the careful voter.

PRESIDENT ELECT, Mrs. William Houghton

INSTALLING OFFICER, Mrs. Phil Bodley

Thank you for asking me to be your INSTALLING OFFICER, Lois, I am honored, indeed!

The time has come for a change in administration and we must bid adieu to the officers who have served you well, giving of their time, strength and energy, in upholding the traditions of this Club. However, such procedure brings you NEW OFFICERS with NEW IDEAS, INITIATIVE and ENTHUSIASM. Without this change in administration, our Clubs would deteriorate. No matter how fine the present officers are, there comes a time when a CHANGE OF IDEAS must be brought forth.

At such a time as this, you MEMBERS should RENEW YOUR FAITH in the Club and PLEDGE YOUR LOYALTY to the women who are so willing to give their time to serve as OFFICERS of your CLUB.

Our Club flower is the RED ROSE. To me, a red rose represents LOVE. So, I thought it would be appropriate to have the Installation theme "ROSES OF LOVE."

The red roses in this vase, represents the MEMBERS of the Woman's Club of Palo Alto, showing your LOVE to the officers who are to be installed today. The pink roses that will be placed in this lovely vase of red roses will represent the OFFICERS, who will brighten up the bouquet of red roses and they will also brighten up the year ahead for all of us!

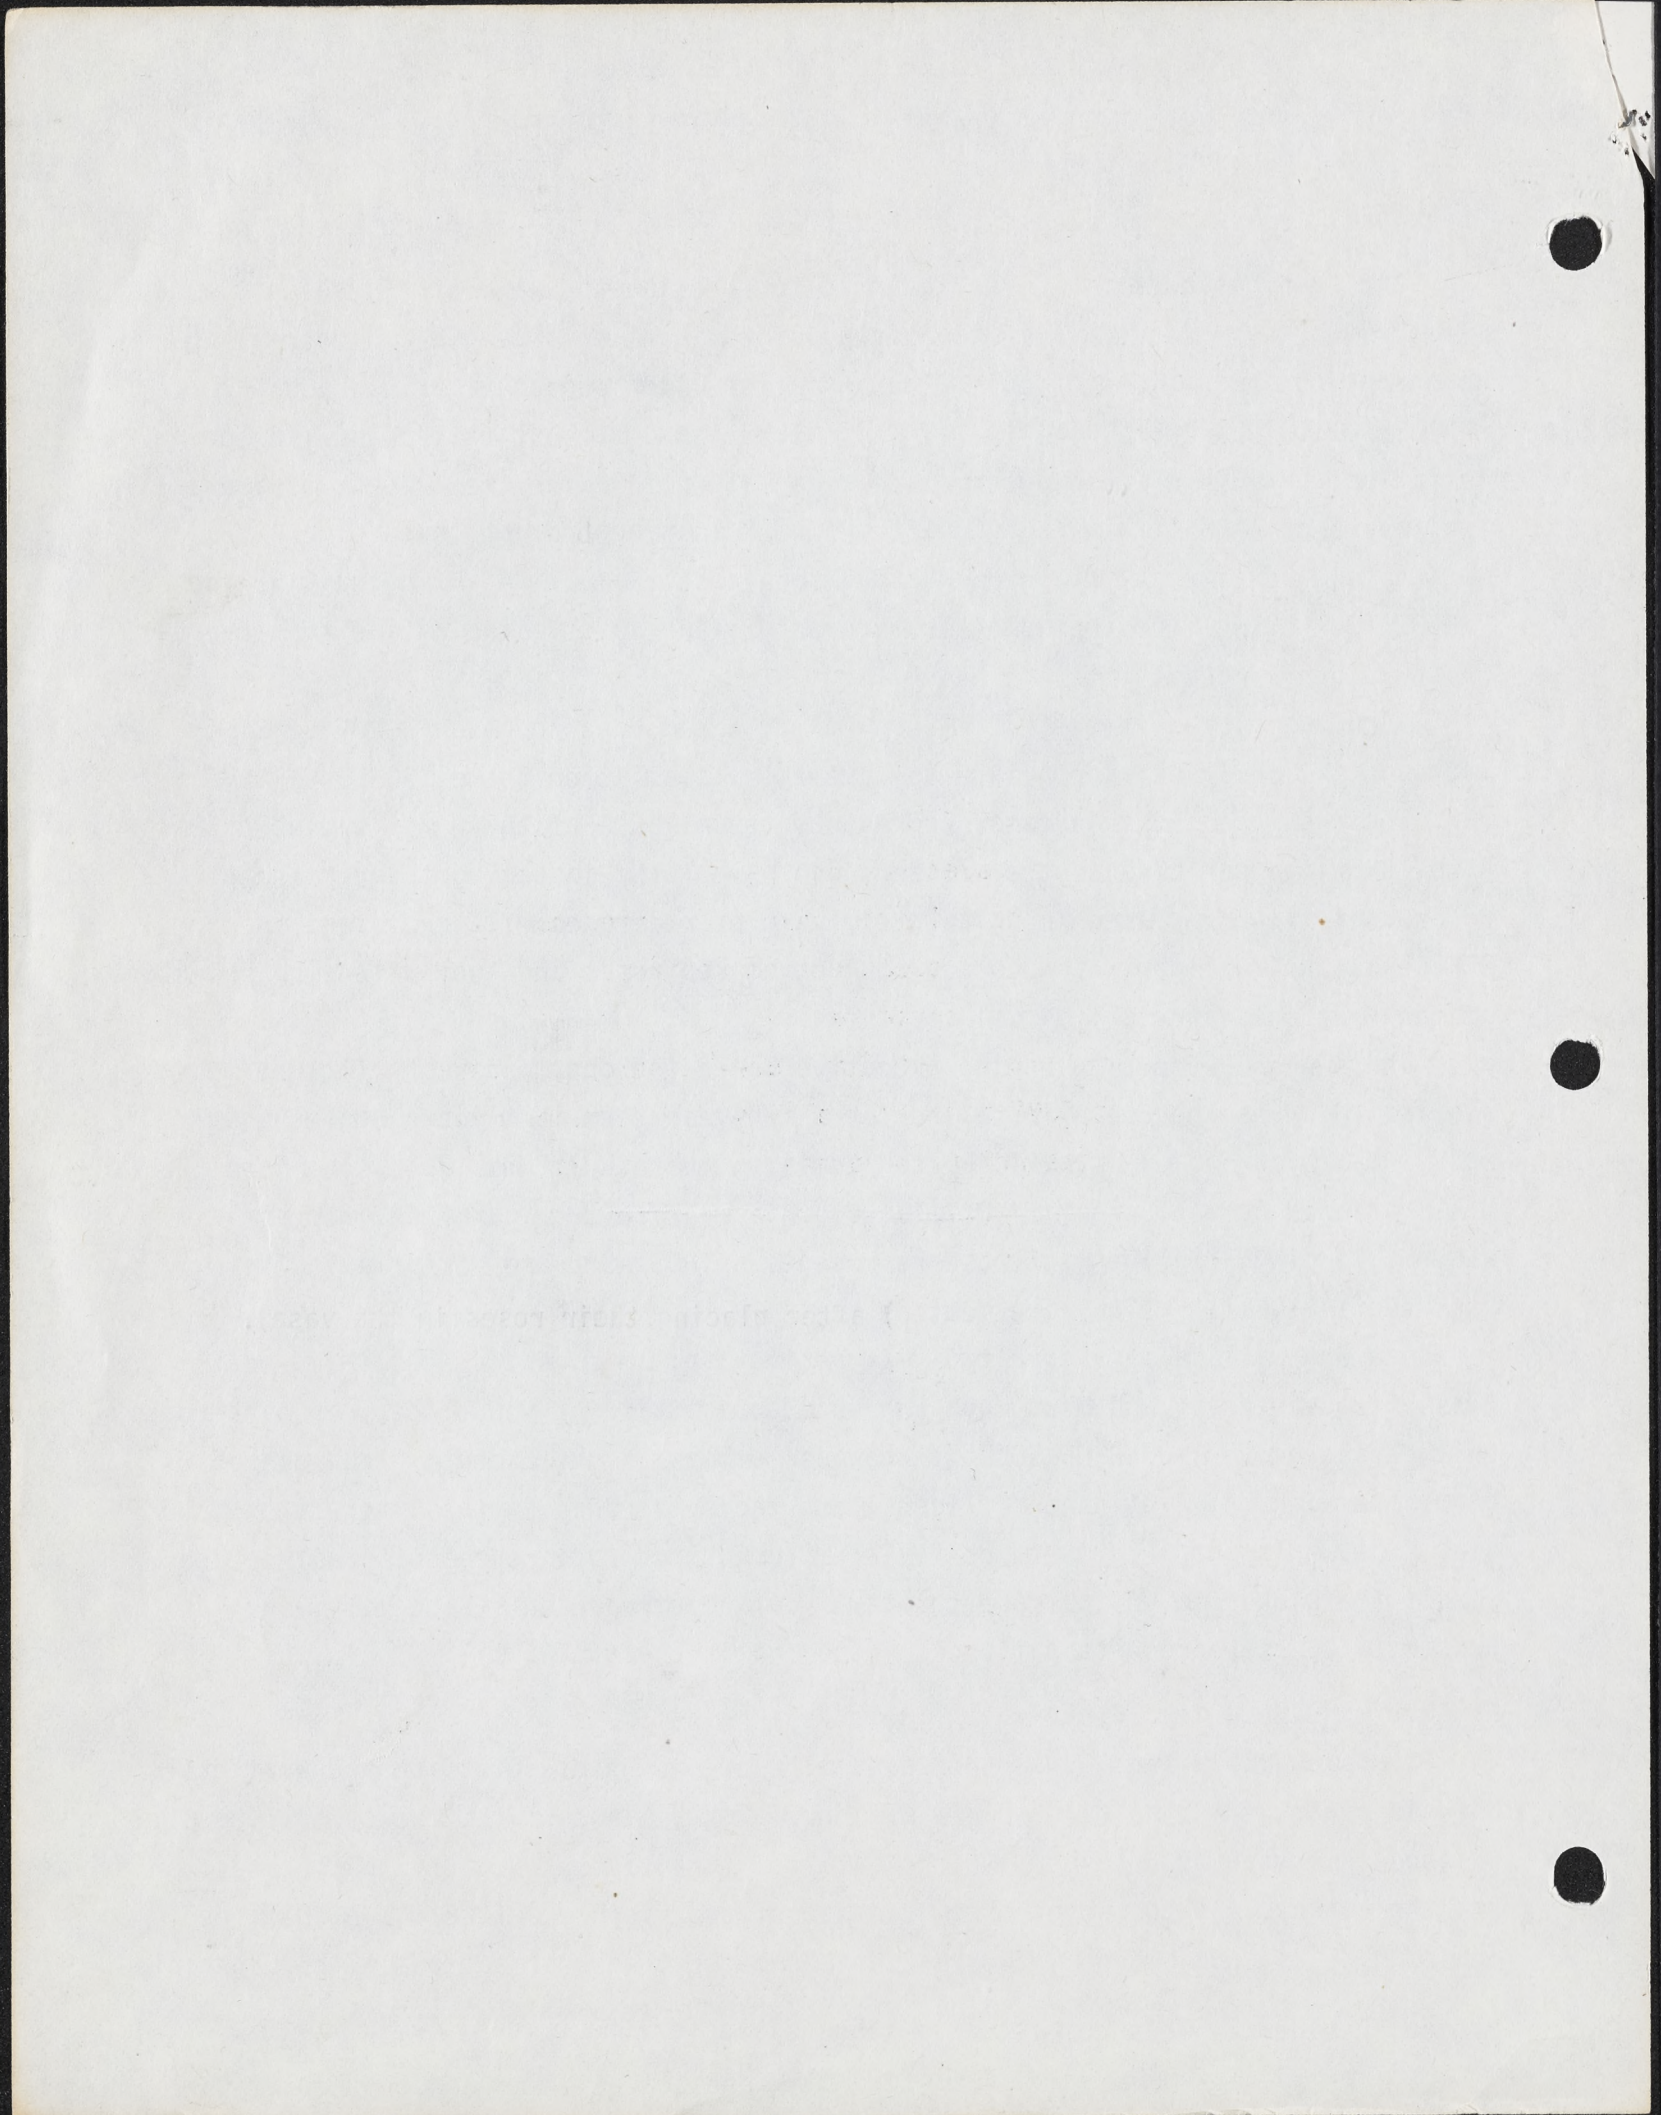

Those who are serving on the Executive Board for one more year will not be installed today as they were installed for a two-year term last year. (Please stand when I call your name) Mrs. T. Burton Edmiston (Dorothy); Mrs. J. N. Thompson (Pauline); Mrs. Marjorie Borman; and ~~Mrs. William Voorhies (Joyce)~~. Your rose represents WISDOM, Dorothy; Pauline your rose represents ENTHUSIASM; and Marjorie your pink rose represents DIGNITY. (They are seated after placing their roses in the vase).

Those who will be serving a two-year period are: Mrs. Alden Reed (Mildred); Miss Elizabeth Hays; and Mrs. Hugh Phares (Henrietta). As you place your pink roses in the vase of "RED ROSES OF LOVE" I know as members of the Executive Board, you will cooperate with the President, Officers, and the Membership in the interest of your Club. May this inspire you to be loyal! Mildred your rose represents FAITH; (she places the pink rose in the vase); Betty, your rose represents Sincerity; and Henrietta yours represents patience. (they go to their chairs)

FINANCE OFFICER - Mrs. J. E. Tuomy (Helen)

You are a busy lady - now president of the Loma Prieta District and will still work in our own Club as our Finance Officer. Our by-laws state: there shall be a Finance Committee of 5 members which shall act in advisory capacity to the President and the Board. The committee shall consist of the Finance Officer, who shall be Chairman, First and Second Vice Presidents and the Treasurer and one member appointed by the President. This committee is responsible for the budget. Your rose represents UNDERSTANDING - Congratulations! (she places the rose in the vase and is seated)

TREASURER - Mrs. Earl Jackson (June) our retiring president.

You are the Eternal Guardian of all the funds of the financial structure of the Club. It is said that money is the root of all evil but today, we need money badly for our Club projects, Expenses and the Upkeep of our beautiful clubhouse. You will have the pleasure of giving away the Club's money as you pay the bills. Your main responsibility is to see that your Club is never delinquent in the payment of its bills. Keep your president and members informed of receipts, disbursements, amounts budgeted and the balance on hand. Your rose represents HONESTY and CORRECTNESS. Congratulations!

CORRESPONDING SECRETARY - Mrs. Marshall Rush Sr., (Evelyn)

You answer, write and send all letters pertinent to the Club. These letters must be factual, concise, neat and always friendly. Remember always, words, like the voice, express kindness in the heart. Your office requires tact, brevity and imagination. Remember also, that written words like the leaves are "gone with the wind" and can never be recalled. Your rose represents friendliness! Congratulations Evelyn.

RECORDING SECRETARY - Miss Margaret Ray

I know that I would not have to tell you what I am going to tell you today since you are a repeat and have done such a beautiful job this past year as Secretary, however, I will say what I think a Recording secretary should do.

It has been said many times, and I am sure you have heard it, too, that a good secretary records what is DONE and not what is SAID...therefore, record what is IMPORTANT; keep your minutes brief, complete, factual, and neat and, be so in order that they can be referred to at any time. Your rose represents INTELLIGENCE AND NEATNESS. Congratulations Margaret.

SECOND VICE PRESIDENT - Mrs. Howard Weiler (Lois)

Our by-laws state that the 2nd vice president, in the absence of the President and the first Vice President, shall perform the duties of the President. She shall be membership chairman of the Club. It is important for you to stress to new members that membership in THIS CLUB is something to be treasured. You should bridge the communication gap between your first vice president, your president and the Club members. Keep older and younger members working together. This is pertinent to adding new members which are necessary not only from a membership standpoint but for NEW IDEAS. Without this, a Club may develop stagnation. A little word in kindness spoken, a motion or a tear, has often healed the heart that's broken and made a friend sincere. Your rose represents KINDNESS and PARTICIPATION. Congratulations Lois.

FIRST VICE PRESIDENT - Mrs. Charles Schmitt (Mary Ellen)

Our by-laws state that the 1st vice President, in the absence of the President shall assume all duties of the President. She shall be Dean of Chairman and shall be responsible for work-shops and reports of the Club Chairman.

TREASURER - Mrs. Earl Jackson (June) our retiring president.

Lois, I have watched you over the years here in this Club and you have always been pleasant to our members and have worked very hard. You are very deserving of this high honor.

It is with extreme pleasure and great pride that I install you as PRESIDENT of the Woman's Club of Palo Alto.

You are entering into a period of wonderful experiences and friendships. Yours is a position of great responsibility, requiring a knowledge of all duties and problems of every officer and member. You must have the ability to unite the efforts of the Executive Board, the Chairmen and the other members. You will need tact, patience and understanding of the viewpoint of OTHERS.

The strength of this Club depends on its leadership, to guide all the members for the coming year. You, Lois, will represent your Club with all other organizations in this coming year. This, I am sure, you will do well, wisely and proudly.

The Club women and your Officers will not let you down. They will respect not only you but the high office which you will hold, that of PRESIDENT.

These Roses that have been placed in this Vase from your members and your Officers are representative of the many qualities one must possess to be president. Those that have been named are: <sup>LOVE</sup> Wisdom, Enthusiasm, Dignity, Faith, Sincerity, Patience, Understanding, Honesty, Correctness, Friendliness, Intelligence, Neatness, Kindness, Participation, Harmony and Loyalty. HOWEVER, there are more: for you as president should strive to have or to be: Leadership, Courtesy, Encouragement, Truthfulness, Fairness, Unity, Regard for Others and Joy of Service. I know you can fill them all!

Members of the Woman's Club of Palo Alto, I now declare your officers installed for the year 1976-77.

### PLEDGE TO THE FLAG

*"I pledge allegiance to the Flag of the  
United States of America and to the Republic  
for which it stands, one Nation under God,  
indivisible, with Liberty and Justice for all."*

### THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—William Tyler Page.

You are entering into a period of growth of experience and knowledge. There is a position of great responsibility, requiring a knowledge of all duties and problems of every officer and member. You must have the ability to unite the efforts of the Executive Board, the Chairman and the other members. You will need tact, patience and understanding of the viewpoint of others.

The strength of this Club depends on its leadership, to guide all the members for the coming year. You, Lois, will represent your Club with all other organizations in this coming year. Lois, I am sure you will do well, wisely and graciously.

The Club women and your Officers will not let you down. They will respect not only you but the high office which you will hold, that of PRESIDENT.

These roses that have been placed in this vase from your members and your Officers are representative of the many qualities one must possess to be President. Those that have been named are: Wisdom, Enthusiasm, Dignity, Faith, Sincerity, Patience, Understanding, Honesty, Correctness, Friendliness, Intelligence, Neatness, Kindness, Patience, Harmony and Loyalty. HOWEVER, there are more for you as President should strive to have or to be: Leadership, Courtesy, Encouragement, Firmness, Fairness, Unity, Regard for Others and Joy of Service. I know you can fill them all!

Members of the Women's Club of Palo Alto, I now declare your officers installed for the year 1976-77.

CONGRATULATIONS TO ALL OF YOU and very best wishes for a most successful year.

THANK you for honoring me as your installing Officer, Lois.

(June, retiring President comes to the podium and gives President Lois H. The gavel and then pins on the President's pin.)

PRESIDENT LOIS gives her acceptance speech and names her non-voting members of the board.

Harmony between you and your President is most important for you are preparing yourself for your day as President of the Club. I am sure you will help your President in every way possible when necessary, to relieve her of added responsibility. "What do we live for, it is not to make life difficult for others." The time to be happy is now and the way to be happy is to make others happy. Your rose represents HARMONY and LOYALTY. Congratulations Mary Ellen.

PRESIDENT - Mrs. William Houghton (Lois)

Lois, I have watched you over the years here in this Club and you have always been pleasant to our members and have worked very hard. You are very deserving of this high honor.

It is with extreme pleasure and great pride that I install you as PRESIDENT of the Women's Club of Palo Alto.

You are entering into a period of growth of experience and knowledge. There is a position of great responsibility, requiring a knowledge of all duties and problems of every officer and member. You must have the ability to unite the efforts of the Executive Board, the Chairman and the other members. You will need tact, patience and understanding of the viewpoint of others.

The strength of this Club depends on its leadership, to guide all the members for the coming year. You, Lois, will represent your Club with all other organizations in this coming year. Lois, I am sure you will do well, wisely and graciously.

The Club women and your Officers will not let you down. They will respect not only you but the high office which you will hold, that of PRESIDENT.

These roses that have been placed in this vase from your members and your Officers are representative of the many qualities one must possess to be president. Those that have been named are: Wisdom, Enthusiasm, Dignity, Faith, Sincerity, Patience, Understanding, Honesty, Correctness, Friendliness, Intelligence, Neatness, Kindness, Patience, Harmony and Loyalty. HOWEVER, there are more for you as president should strive to have or to be: Leadership, Courtesy, Encouragement, Firmness, Fairness, Unity, Regard for Others and Joy of Service. I know you can fill them all!

Members of the Women's Club of Palo Alto, I now declare your officers installed for the year 1976-77.

CONGRATULATIONS TO ALL OF YOU and very best wishes for a most successful year.

THANK you for honoring me as your installing Officer, Lois.

(June, retiring president comes to the podium and gives president Lois H. The gavel and then pins on the president's pin.)

PRESIDENT LOIS gives her acceptance speech and names her non-voting members of the board.

## A Collect for Clubwomen

**K**EEP us, O God, from pettiness; let us be large in thought  
in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face,  
without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene,  
gentle.

Teach us to put into action our better impulses, straightforward and  
unafraid.

Grant that we may realize it is the little things that create  
differences, that in the big things of life we are at one.

And may we strive to touch and to know the great, common human  
heart of us all. And, O Lord God, let us forget not to be  
kind!

## THE STAR-SPANGLED BANNER

O - say! can you see, by the dawn's early light,  
What so proudly we hail'd at the twilight's last gleaming?  
Whose broad stripes and bright stars, thro' the perilous fight,  
O'er the ramparts we watched were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof thro' the night that our flag was still there  
O - say, does that Star-spangled Banner yet wave  
O'er the land of the free and the home of the brave?

O - thus be it ever, when free-men shall stand  
Between their lov'd homes and the war's desolation!  
Blest with vict'ry and peace, may the heav'n rescued land  
Praise the Pow'r that hath made and preserved us a nation!  
Then conquer we must, when our cause it is just,  
And this be our motto: "In God is our trust"  
And the Star-spangled Banner in triumph shall wave  
O'er the land of the free and the home of the brave!

## AMERICA

My country, 'tis of thee,  
Sweet land of liberty,  
Of thee I sing;  
Land where my fathers died,  
Land of the Pilgrim's pride,  
From ev'ry mountain side,  
Let freedom ring.

Our fathers' God to Thee,  
Author of liberty,  
To Thee we sing;  
Long may our land be bright  
With freedom's holy light,  
Protect us by Thy might,  
Great God, our King.

## AMERICA, THE BEAUTIFUL

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain,  
America! America! God shed  
His grace on thee,  
And crown thy good with  
brotherhood  
From Sea to shining sea.

O beautiful for patriot dream  
That sees beyond the years  
Thine alabaster cities gleam  
Undimmed by human tears.  
America! America!  
God shed His grace on thee,  
And crown thy good with  
brotherhood  
From sea to shining sea.

## NOW IS THE HOUR

Now is the hour when we must say goodbye;  
Soon you'll be sailing far across the sea.  
While you're away, O, then remember me,  
When you return, you'll find me waiting here.

*Grace Bodley, State Convention  
Chairman*

### BOTTLE BILL

WHEREAS, The California Federation of Women's Clubs believes it is important to reduce the amount of trash and litter in the state of California caused by disposable soft drink and beer containers which make up 20 percent to 40 percent of all trash and litter according to research estimates, and which cause thousands of injuries each year to human beings and to wildlife, and

WHEREAS, The states of Oregon, Vermont, and others, have passed bottle bills which have significantly reduced the amount of beverage trash as much as 83 percent; and

WHEREAS, At least one "bottle bill" has been introduced in the California State Senate which would require refundable deposits on soft drink and beer containers, but to date no bill has come to a vote; therefore be it

## HISTORY OF THE WOMAN'S CLUB OF PALO ALTO - 1975-1976

PRESIDENT: Mrs. Earl Jackson

HISTORIAN: Mrs. Phil Bodley

President, Mrs. Earl Jackson (June) is a very dedicated member of the Woman's Club of Palo Alto. She has been a member since 1965 and has held the office of First Vice President, Dean of Chairman; second Vice President, Membership; Corresponding Secretary and Recording Secretary.

She had a beautiful Installation the last meeting in May 1975 and Mrs. A. W. Baily, Jr. (Hazelle), past president of 1968-69 was the chairman. In July she was already working hard getting her chairmen and planning events for the year. In her first bulletin, July 1, 1975, she gave the calendar of events which indicated that the women would be busy playing bridge for benefits.

The Annual Reception was on September 17, 1975 and the members came out in great numbers. Mrs. Lois Tamba was the program chairman. Music chairman was Mrs. M. E. Lawrence (Irene). Hawaiian-Polynesian Fashions from the Bird of Paradise shop in Los Altos was modeled by our own members and Mrs. Abraham of Los Altos Hills was the guest soloist. She played the guitar and sang familiar Hawaiian songs.

All year long the programs were very interesting: On Federation Day the speaker was Mrs. W. E. Moore, Jr., president of Loma Prieta District No. 9. Because this being the Bicentennial year, Flags of the United States were displayed and comments made by Mr. Perry Stratton.

DRAMA - A skit on Club History was given at one of our meetings. "In the Beginning And Now" was the title. It was given in three parts, written by Mrs. A. W. Baily, Jr. and directed by Mrs. Dorothy Wall, past president of 1972-1973. Six women took part, all in costume. The play ran for one hour with a prologue and an epilogue.

### VETERAN'S AFFAIRS - Mrs. John Dunbar, Chairman

A benefit bridge was held and made \$100.00. Five dollars per month goes to the Veteran's Hospital in Menlo Park where our members serve regularly at the Haven, serving coffee and refreshments to the Veterans stationed there. Ninety five hours of volunteer service was given this year. Twelve lap robes were made by members of the Club for the Veteran's Hospital, at Christmas Time. The remaining sum went to the Dann project, a Half-Way House for Veterans in Palo Alto. Two hundred hours of service was given by our members at the Veterans Hospitals.

### CRAFTS AND SEWING - Mrs. Margaret M. Armor, Chairman

At Christmas time, the sewing group dressed dolls and gave to "Toys for Tots" sponsored by the Marines and the collection points were fire stations, we delivered ours to the Alma Street Station in Palo Alto. There were 8 dolls, one with a complete wardrobe and one with a quilt.

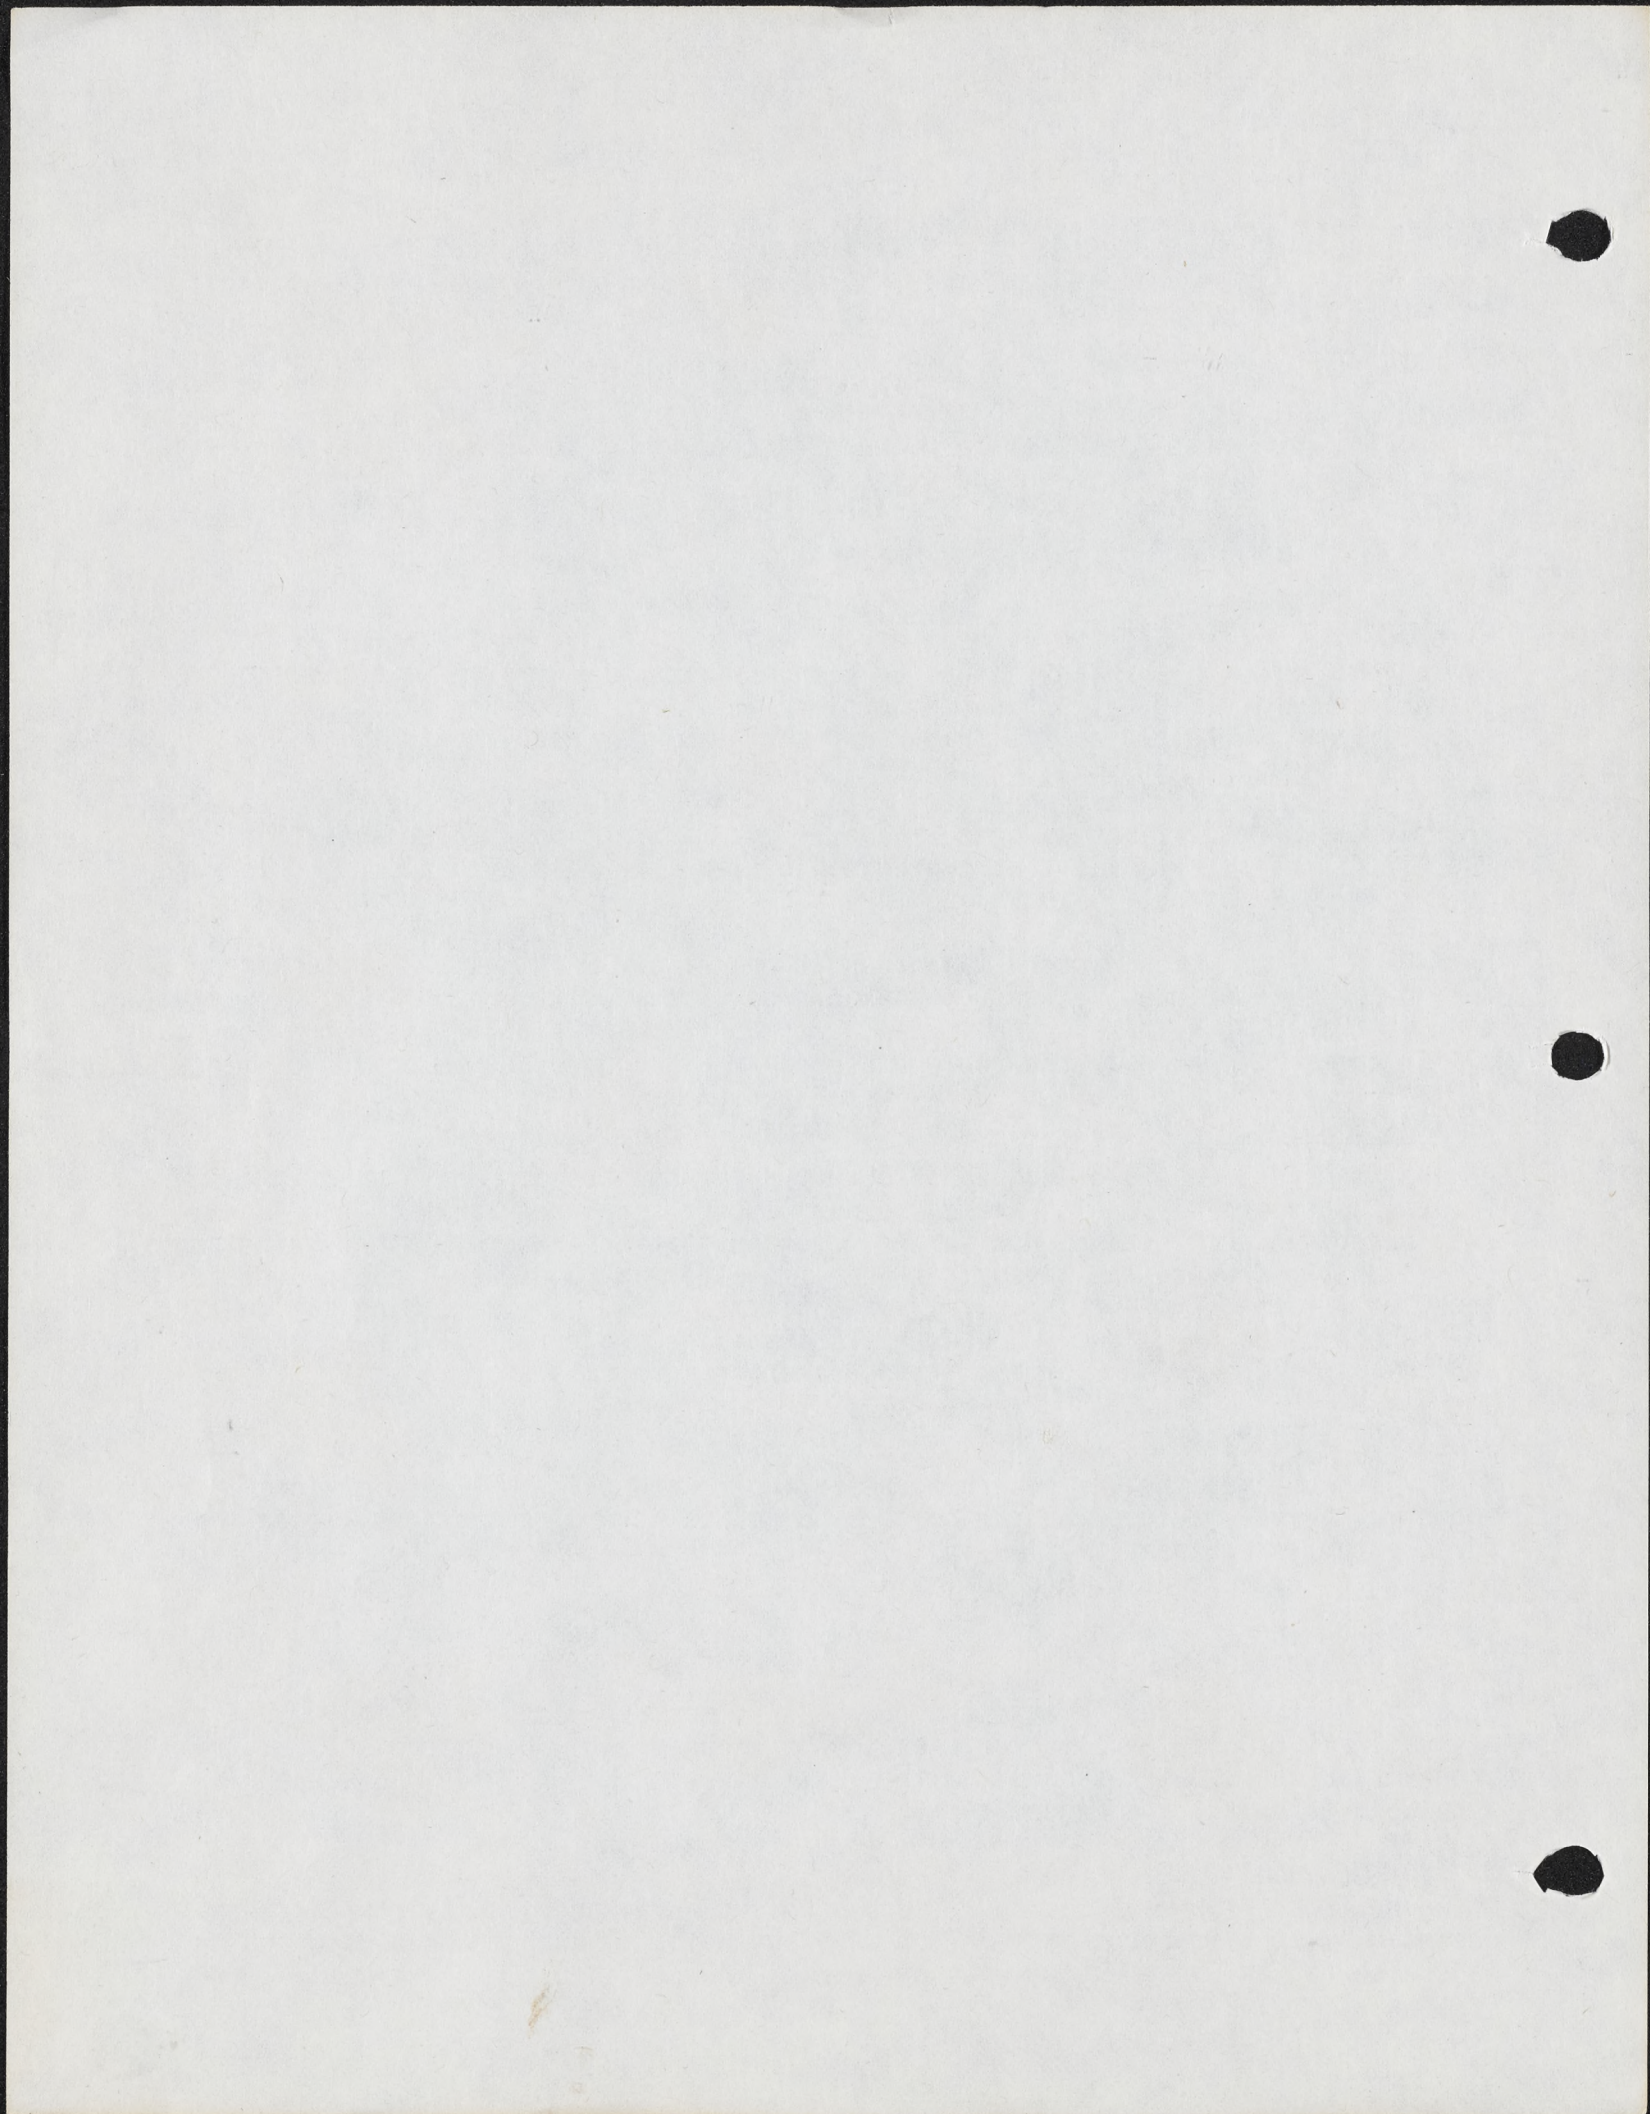

Ten quilted knee coverlets were lined and finished as a project of the Club for the Palo Alto Veterans Hospital.

Members were encouraged to make their own Christmas ornaments which they would find a great deal of enjoyment in the creation of decorations. December 3, 1975, the program was Christmas Potpourri, with a demonstration of what could be done with available materials and ingenuity.

### MUSIC - Mrs. Mel E. Lawrence

At each of our Club meetings the Pledge of Allegiance was given by our Citizenship Chairman, Miss Elizabeth Hays, followed by our National Anthem and closed the meetings with either God Bless America or America the Beautiful.

There were nine musical programs presented as entertainment to the Club members at our meetings. \$470.00 was our expense.

The Fortnightly Club, a community group of classical musicians, use our Clubhouse regularly and are charged only a nominal fee. The members feel that by donating the Clubhouse for this group's use that we are giving a community service. Our donation was \$175.00.

#### LITERATURE AND CREATIVE WRITING - Mrs. Dorothy Wall

This being our Bicentennial year, 1976, our members who are interested in writing did the following:

Mrs. Florence Dunbar, wrote a full page foreward in our yearbook for 1975-1976.

Mrs. William Voorhies wrote a poem entitled, "Liberty Bell."

Mrs. Dorothy Wall wrote an essay entitled "Liberty in Education."

Mrs. Lucyle Krohn sent in three slogans and Mrs. Dunbar sent in one slogan.

Mrs. Florence Dunbar wrote one quatrain.

Mrs. A. W. Baily, Jr. wrote a drama based on the Club's History.

#### NON-BICENTENNIAL ARTICLES:

Mrs. Zenna Higgins wrote an article on the Rights of Automobile drivers versus those of Bicyclists. This article was published in the Palo Alto Times.

Mrs. Dorothy Wall, wrote a one-page article on the most outstanding woman of each of the three 25-year periods of Club History for a Bicentennial Report.

#### ART - Mrs. A. W. Baily, Jr. Chairman

An Art exhibit was displayed at the Clubhouse of paintings of students in the Art Classes. Fifteen paintings were submitted and judged by members. We had a program by Mr. Herbert M. Rose, artist and Art Historian who narrated a slide presentation on "Renaissance Paintings."

In 1971, when Mrs. Phil Bodley was president she contacted Dr. Damon at the Palo Alto Adult Education about having them furnish the Club with an art instructor for art classes to be held in our Club House. This has been done for five years, thus including the community as well as our members. Mediums taught by Mrs. Gloria Molinari this year, were oils and acrylics. Classes were held once a week and will continue until July 4, 1976. We find that no more of our members are attending the classes and we find that the expense of cleaning up the room after each class is too much, so the classes will be discontinued.

#### SPIRITUAL VALUES - Mrs. Alden Reed, Chairman

Meetings were opened with an inspirational thought by our president June and also closed with a thought.

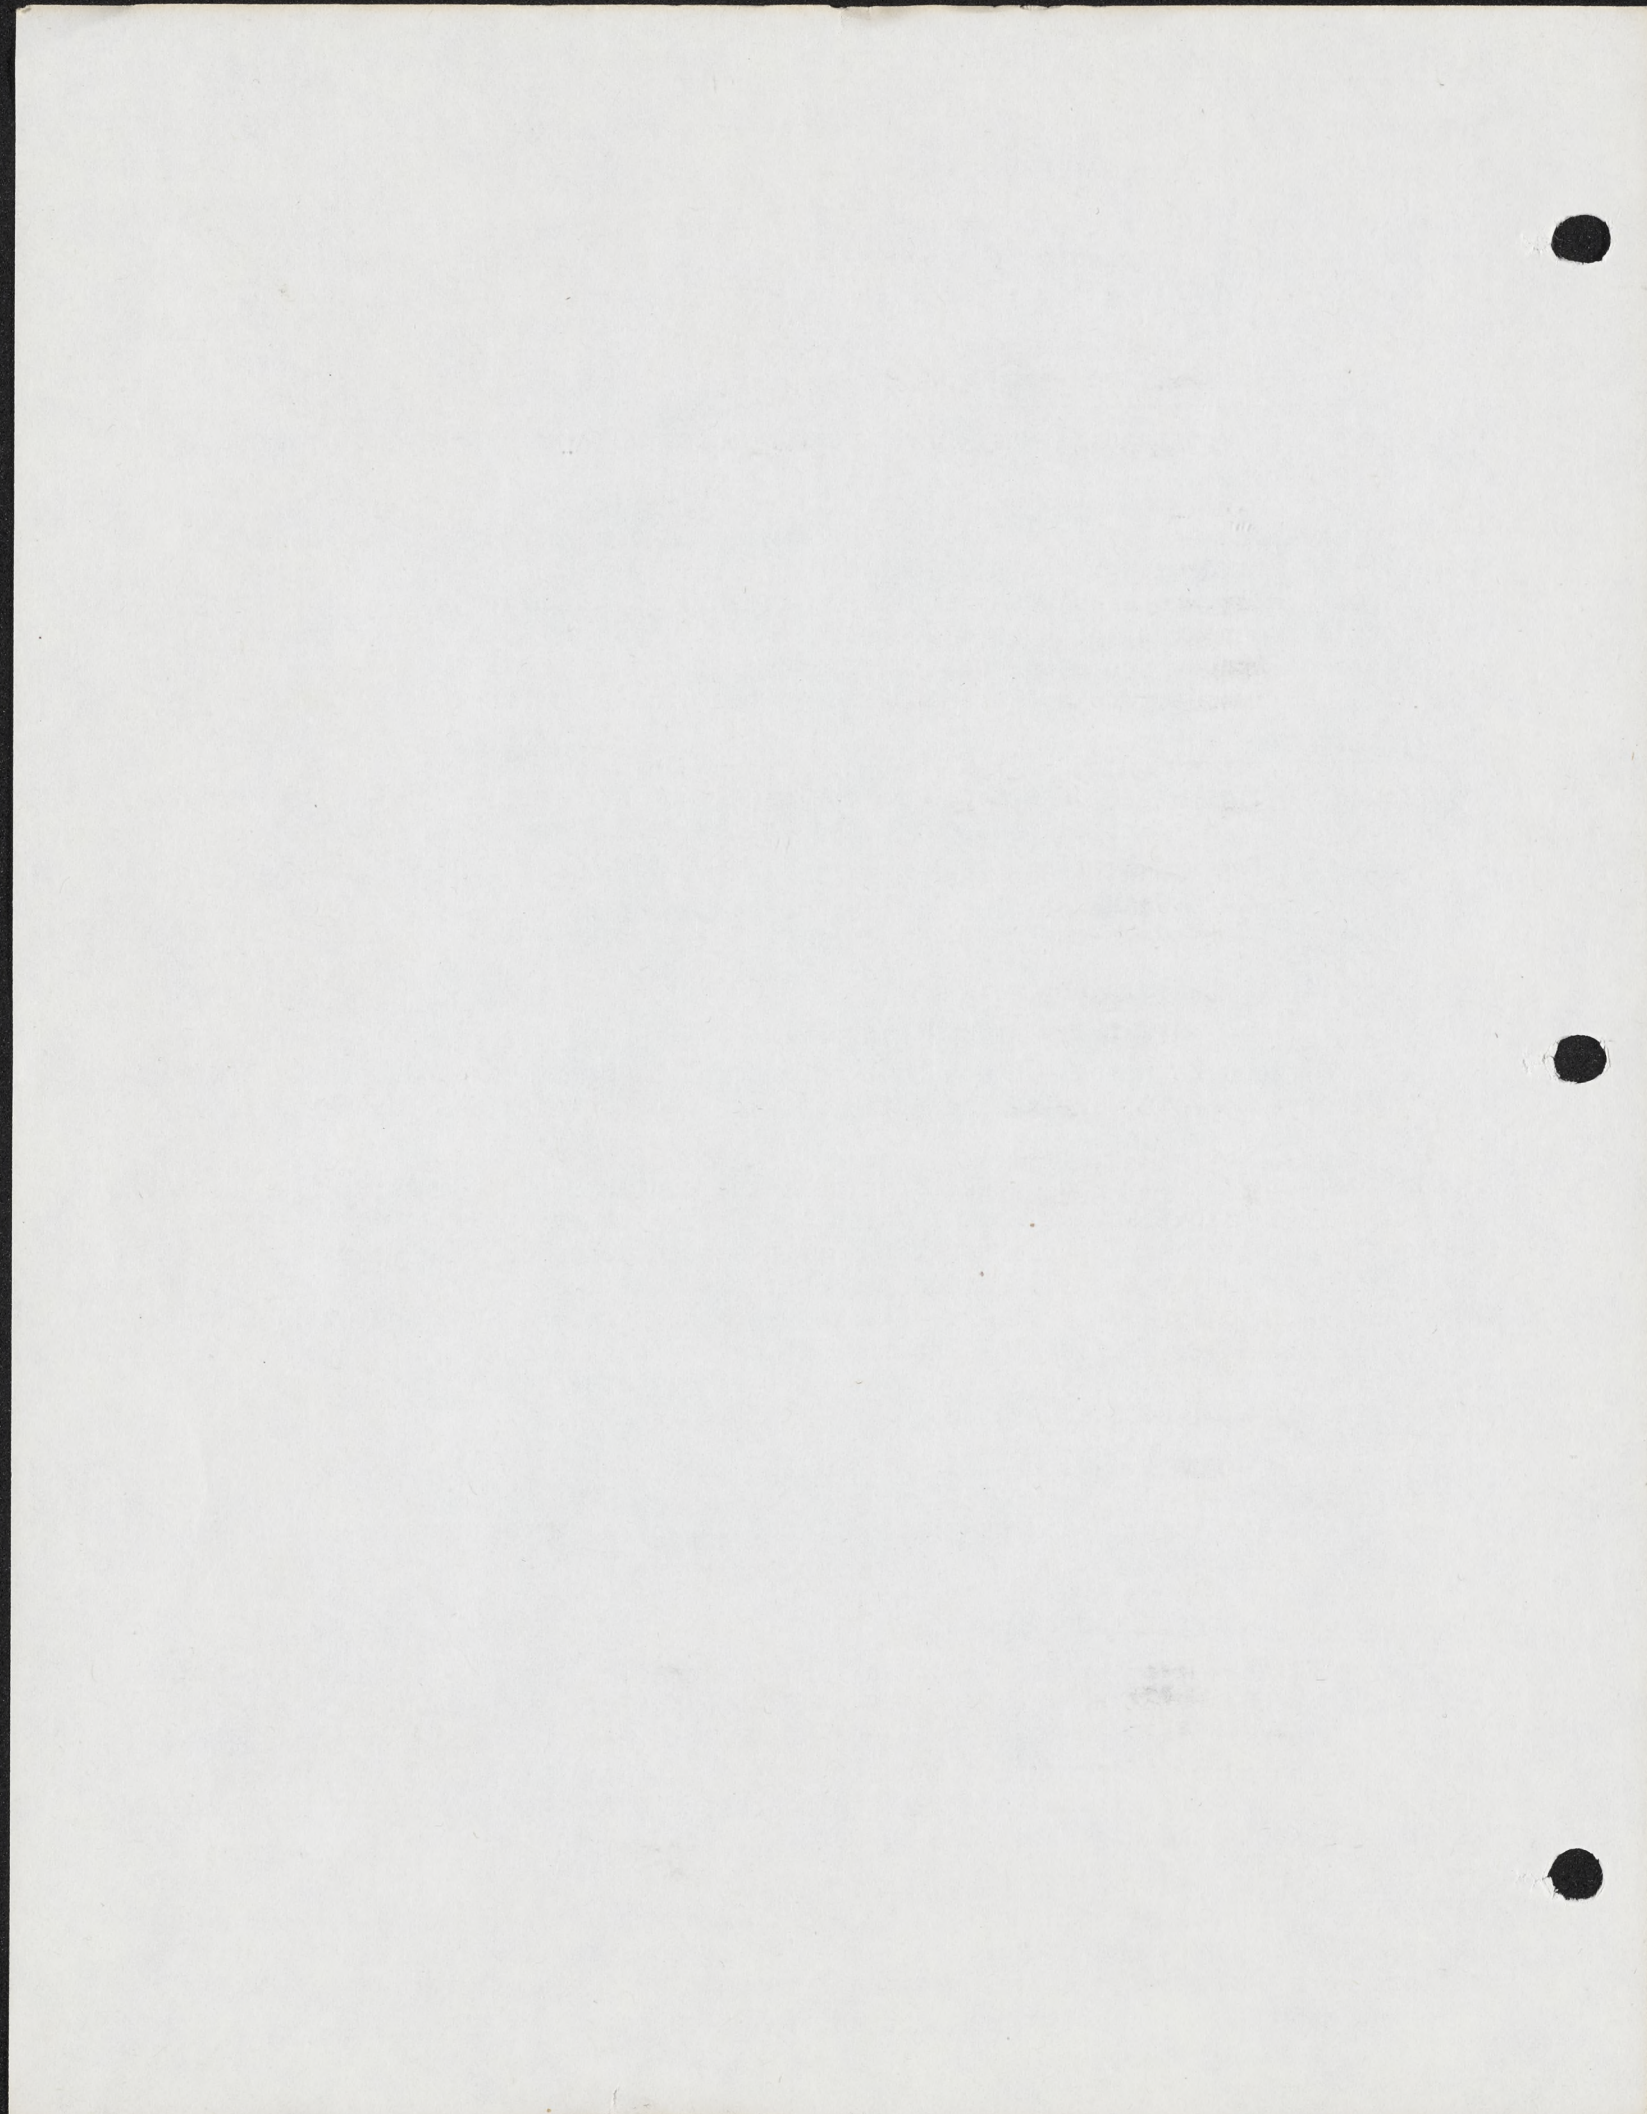

#### INDIAN AFFAIRS - Mrs. Isabel Dowdell, Chairman

There were 23 tables of bridge, canasta, and dominos at the Pow-wow evening bridge. Coffee was served by eight men, from among the bridge players, who became singing waiters. The entertainment was presented by Mr. and Mrs. Fisher, a song and dance team, accompanied by a drummer, a pianist, and a musician playing a 16th century instrument. The star of the show was a miniature poodle that was a real professional. Mrs. Lucyle Krohn and her committee turned over \$150.00 to the Club.

#### SPIRITUAL VALUES - Mrs. Alden Reed, Chairman

The Collect was read at each meeting by a different member. The Club is used every Sunday all year for a church service - this is a community service to the church. Meetings were opened with an inspirational thought by our president June. On the following page will be some of those beautiful thoughts:

## JUNE'S THOUGHTS.....

- 1) Let us live each day in such a way  
That when it's past and gone  
We can look back and smile and say -  
There's nothing wrong.
- 2) The tides of fortune cannot grow  
Without a friend to make them glow,  
For friendship's like a chain of gold  
That brightens life as we grow old.
- 3) You are a link in the chain of members that circles the globe,  
You are a participant in a dynamic program of Education,  
Community Service, Public Issues, and World Affairs,  
You may attend national conventions, where the votes of the

PUBLICITY - Mrs. Morris Weiner, Chairman

Articles were sent to the Palo Alto Times, The Menlo-Atherton Recorder, Los Altos Town Crier, and the San Jose Mercury (Northwest Section). The Executive Board voted to send Christmas presents to the four editors. Gifts were 3.00 each. Ten special event stories were sent and they received tremendous space in the papers. A total of 40 releases appeared in the four newspapers. A Press Scrap Book including releases plus many colored snap-shots taken during the year at the special events, was presented to the President.

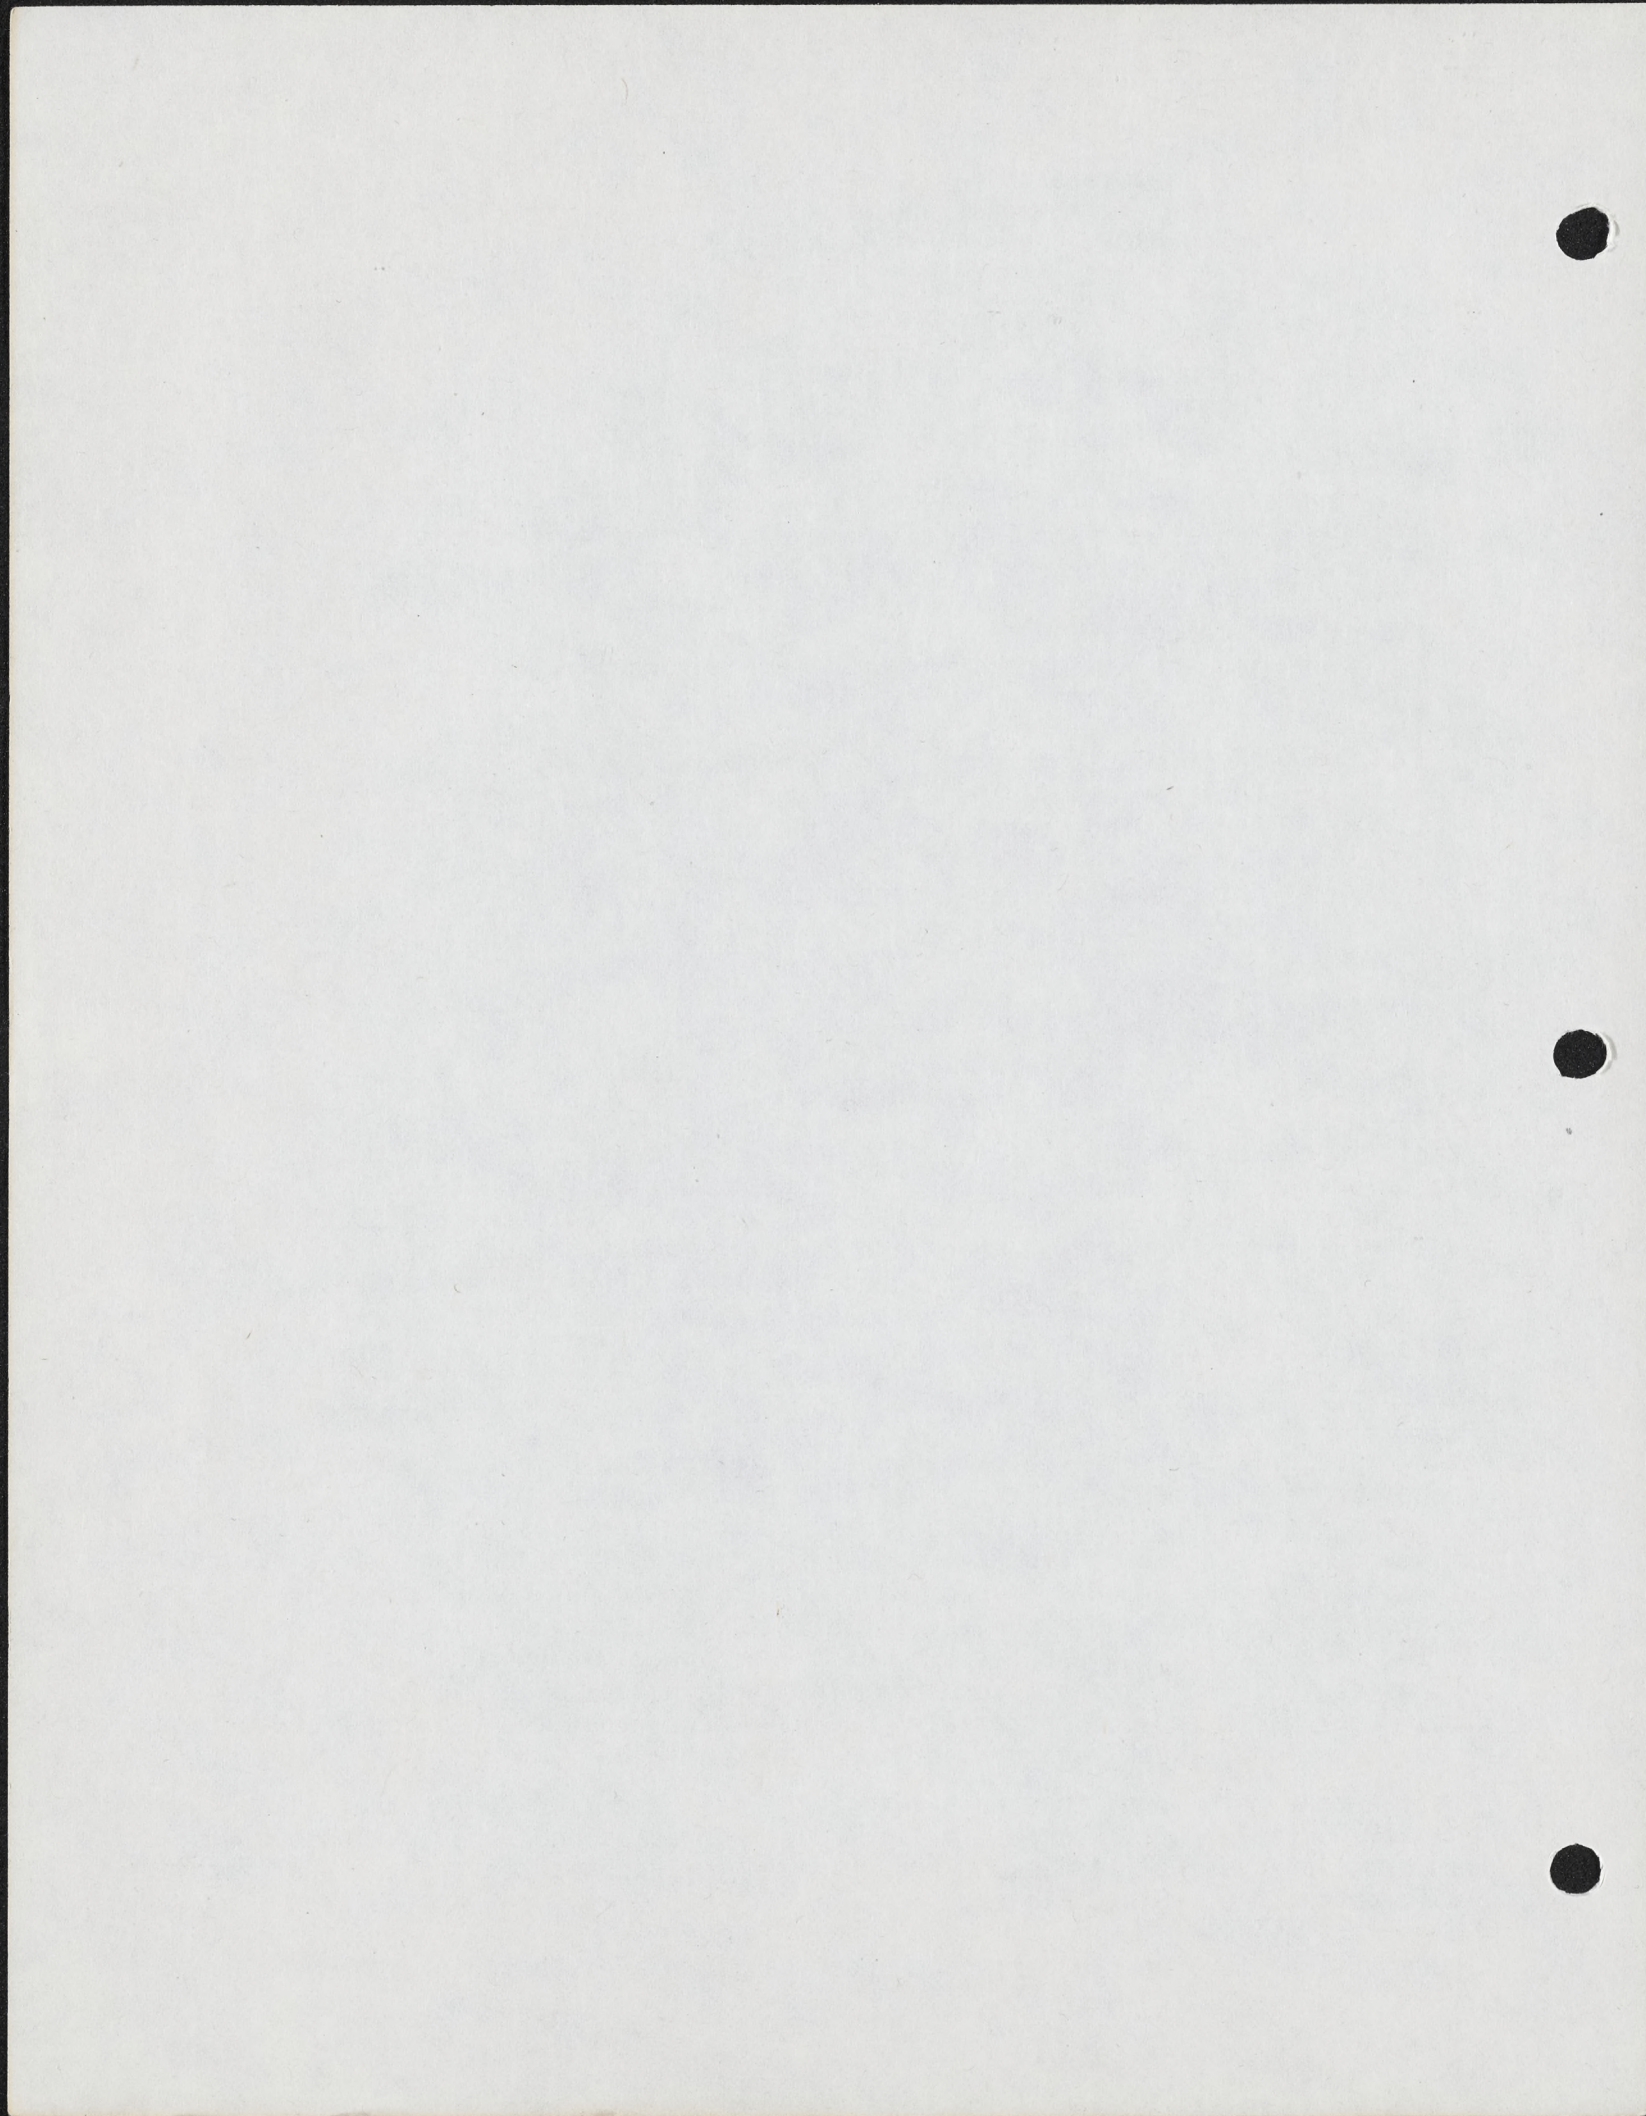

BEAUTIFICATION - Mrs. Duncan A. McLeod, Jr., Chairman

Acting upon a letter received by our president from the Palo Alto Bicentennial Redwood Grove Chairman, the Executive Board of the Woman's Club of Palo Alto voted to accept the invitation to buy a standing redwood tree, costing \$100.00. The tree is in a ten-acre grove in Big Basin State Park and would be designated as having been donated by the Woman's Club of Palo Alto. It was put before the Club members and a collection was made amounting to \$61.50. Then the remaining money came by selling tickets at \$2.00 each at a benefit luncheon given by our Club at Mercury Savings and Loan Association lunch room in Mountain View. The local Palo Alto Times paper had a two-column article in Garden News about the redwood tree purchased by our Club in its weekly garden section.

Since we made more money than we needed to meet the \$100.00 for the redwood, we sent \$10.00 to support "Pennies for Pines" a reforestation project which our Club deem necessary, as well as \$10.00 for "Pennies for Poppies" to beautify California landscapes with our State Flower.

CALIFORNIA HISTORY, LANDMARKS AND MUSEUMS - Mrs. Phil Bodley, Chairman

The Mayor of Palo Alto heartily endorsed and backed by the Chamber of Commerce, the Bicentennial Grove, a citizens' participation project.

The Palo Alto Grove is ten acres in size and costs \$8500.00. This actually represents an investment of \$17,000.00 in the future of the Redwood State Park because the State of California matches the donations dollar for dollar! When the amount is raised, an appropriate sign will be erected by the State Parks designating the site as the Palo Alto Bicentennial Grove.

The Grove was made possible through the Sempervirens Fund, whose purpose is to include in Big Basin Redwoods State Park the entire 22,400 acre watershed area from the redwoods to the sea. This was the "Big Basin" from which the Park took its name.

One of the tallest trees in the Grove has been named El Palo Alto. There are two trees that are called twin trees called Mr. and Mrs. Palo Alto. These twin trees were named for Allen and Marguerite Prior, believed to be the couple who have lived the longest in Palo Alto. Affectionately known as Mr. and Mrs. Palo Alto. The Priors spent their honeymoon camping in Big Basin in 1915. Marguerite Prior is a member of the Woman's Club of Palo Alto.

Standing redwoods in the Grove, to be named for donors or donees, range in price according to their size from \$100 to the \$1000 El Palo Alto. Trees may be purchased by individual citizens or by organized groups. They may be given as gifts or memorials. The location of each tree is recorded by name of donor and person to whom the tree is dedicated.

Growing in the State Park, these gift and memorial trees will have permanent protection against logging. The Palo Bicentennial Grove will be a living commemoration. Many of these exquisite redwoods will still be standing 2000 years from now, protected by the State of California.

Redwoods are forever. Long after the floats in the Bicentennial parades have been forgotten, centuries after the statues marking the occasion have crumbled to dust, these priceless heirlooms from a distant past will live in perpetuity for all the people of America.

Trees have always played an important part in the history of the City of Palo Alto. The growth of early Palo Alto can be traced to redwoods, with the shipment of their lumber to the ports of San Francisco.

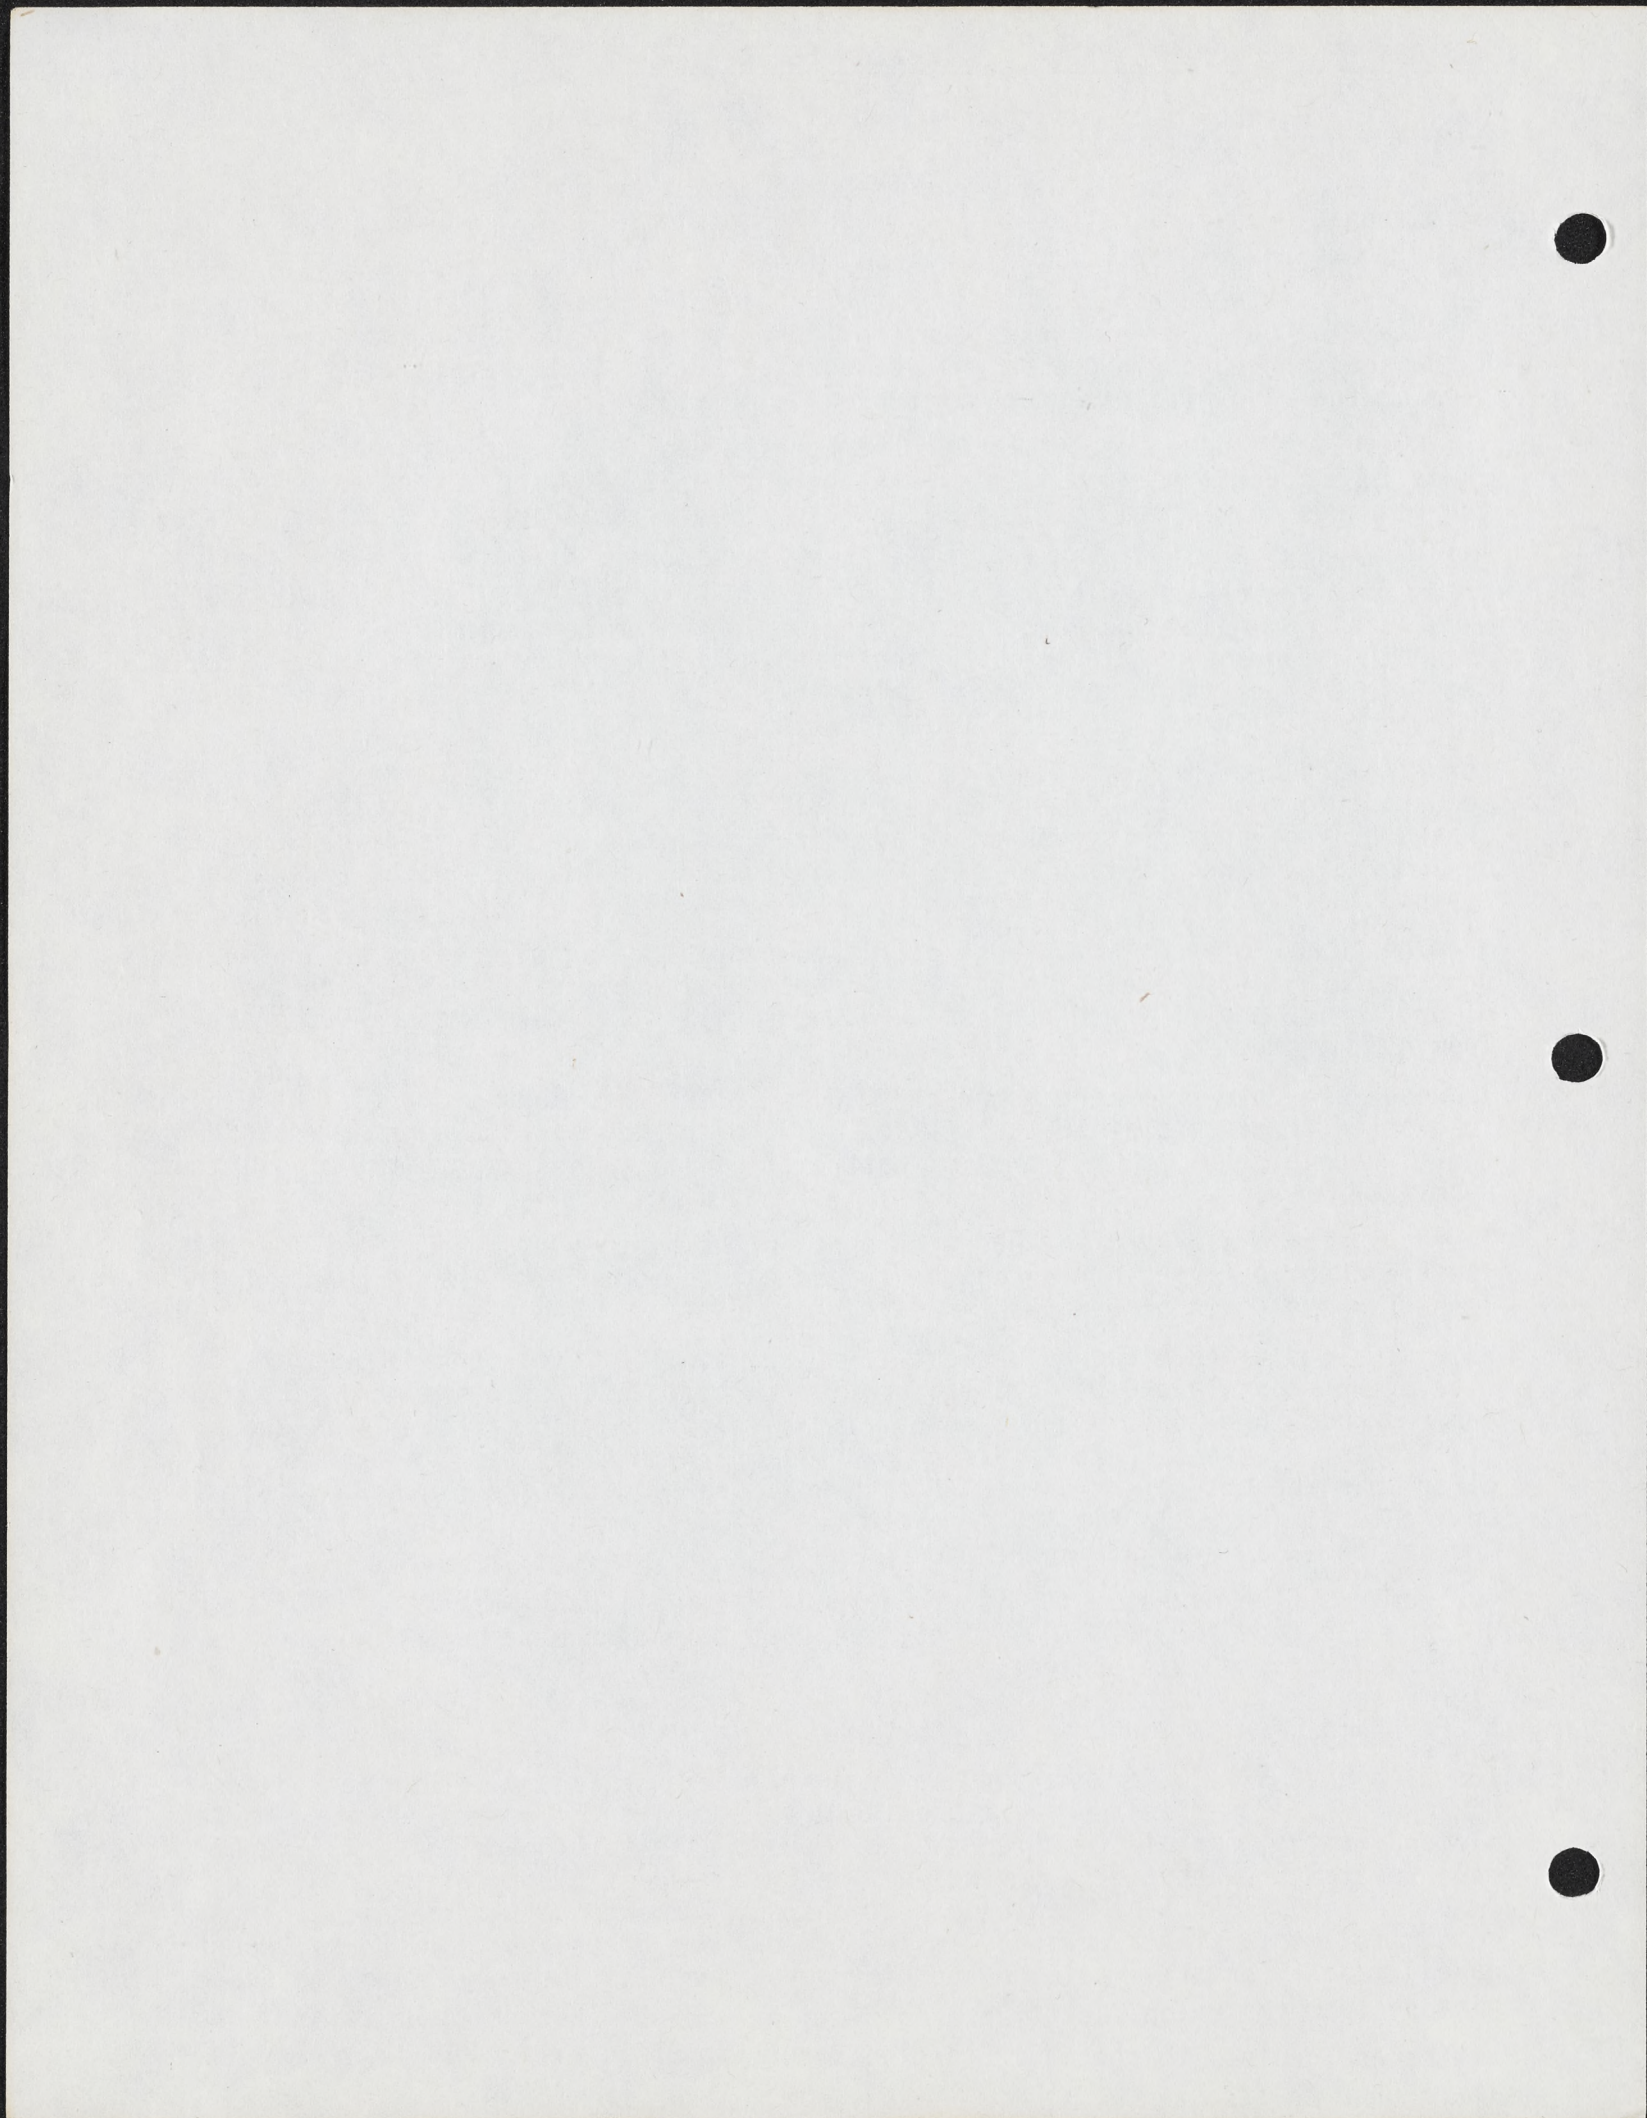

Palo Alto was named after an ancient coast redwood, believed to have been the campsite of the Portola and De Anza exploration parties, and there are many other towering redwoods throughout the City providing neighborhood landmarks. It is known for its "forest of trees." It is also known by "The Palo Alto Tree," a tree that is older than the city of Palo Alto. It is well over 1,000 years old now. So it is only natural that Palo Alto commemorate the 1976 Bicentennial with this monument to the nation -- an everlasting Redwood Grove.

Our Woman's Club of Palo Alto is proud to have a small part in this project by purchasing one tree for \$100.00. I believe that some of the members, individually will be donors to this project.

BICENTENNIAL - Miss Margaret Ray, Chairman

The Club gave \$25.00 for a trophy to be awarded at the Palo Alto Jaycee's Bicentennial Parade. Ten Bicentennial plates were sold during the year. Two members sent in slogans in the name of the Woman's Club of Palo Alto to Slogans USA. Two members have written Bicentennial poems which have been read at club meetings. At the Annual Birthday Luncheon, table decorations carried out the Bicentennial theme to celebrate the country's birthday instead of our own birthdays. Mr. Perry Stratton gave a most informative talk on the History of the Flag, using 16 flags to trace this history from the Union Jack of pre-revolutionary days, through flags of individual states and groups, to the Star Spangled Banner as officially adopted by all states as the country's flag.

BICENTENNIAL continued

Our Club yearbook carried out the Bicentennial theme with the American Flag printed in red, white and blue on the cover, and on the inside of the cover is the American Flag again with the Pledge of Allegiance and the American Creed. A poem written by a member, describing the flag has been printed on the first page of the yearbook.

The evening bridge group started the year with a bicentennial skit, based on Paul Revere's ride, with a sing-a-long of patriotic songs. Of special interest was an antique musket from revolutionary days carried by one of the actors.

A bicentennial skit, written by one of our past presidents and chairman of the Drama Division, was performed by members dressed in appropriate costumes at a regular meeting of the club.

Decorations by one of our members, Betty Brichta, have been beautiful each meeting and most of the meetings have carried out a bicentennial theme, using not only flowers but a variety of materials.

ENVIRONMENTAL AWARENESS - ENERGY AWARENESS - Mrs. Willard Houghton, Chairman

Through our bulletin, we urged the members to write a letter or a postcard to the Forest Service urging the protection of at least forty-one million acres of wilderness area against logging which is about to be opened in the National Forest.

GERONTOLOGY - Mrs. Marshall F. Rush, Sr., Chairman

The Woman's Club of Palo Alto working with the Friends of La Comida (a partially funded government project whereby Senior Citizens are served one hot meal per day with little or no cost) the American Association of Retired Persons (AARP), the American Association of University Women, presented a series of eight Medical/Health Lectures. Average attendance of 200 to 250 at each lecture for which the Woman's Club donated the use of the clubhouse. Members participated in the planning, telephoning and publicity and in helping on the decorating. Six of the doctors were from Stanford University Medical Center. William C. Fowkes, Jr., M.D. - Subject: Strokes; Halsted R. Holmes, M.D. - Subject: Arthritis; David Schurman, M.D. - Subject: Lower Back Pain; Martin Goldner, M.D. - Subject: Diabetes; Douglas Rund, M.D. - Subject: Medical Aspects of Heart Disease; Keith B. Taylor, M.D. - Subject: Nutritional and Gastrointestinal Illnesses; Norman E. Shumway, M.D. - Subject: Surgical Aspects of Heart Disease. Members of the audience found the doctors were approachable and also interested in the layman's problems.

CONTINUING EDUCATION, ESO - Mrs. Zenna Higgins, Chairman

The Literature department met each month. One member or a guest reviewed a recent book or gave a review of some research she had done. The books and subjects were chosen by the reviewer: Centennial by James Mitchner; A research paper on antiques; Plain speaking by Miller; The meaning of the American Revolution, Lawrence H. Leder, Editor; and Gerald Ford by Fisher. They found that this fills a real need in our Club and it has brought new interests.

CONSUMER CONCERNS - Mrs. J. E. Tuomy, Chairman

The president and the chairman attended the Food and Drug Administration Seminar in San Francisco in October, 1975. This information was passed on to the members. We published in the local Club bulletin "Consumer Concern Tips." The chairman attended the WHITE HOUSE CONFERENCE held at Stanford University regarding President Ford's plan for consumer concerns. This was a challenging day and again gives an opportunity to relay information to our Club members.

STATUS OF WOMEN - Mrs. Clark Godel, Chairman

Twenty dollars was given by our Club to Palo Alto Junior Women's Club for "WALK FOR MANKIND."

SAFETY - Mrs. C. E. Wilson, Chairman

When Officer Blackwell spoke to the club members, he said that Safety is up to you. Most accidents can be prevented. Plan for the unexpected. Traffic safety authorities tell us to drive defensively. Guard against unexpected hazards.

Your health - an ache or a pain, or lack of pep can contribute to an accident because it is hard for you to keep your mind on the task at hand. If there is something wrong, see a doctor, he says.

Worry is not only bad for your health, but bad for your safety prospects. Concern over your health, over personal problems, or preoccupation with other matters lowers efficiency and make one an easy prey for accidents.

Keep walking and working surfaces clean. Eliminate tripping hazards. Always use a proper ladder, safety set in position and properly secured - top and bottom. Face the ladder and use both hands. When reaching from a ladder, keep your shoulder inside the vertical stringer.

HEALTH SERVICES - Mrs. J. J. Krohn, Chairman

2000 lbs. of paper was donated to California Association for the Retarded.

Two members are representing the Woman's Club of Palo Alto on the Steering Committee of the Citizen's Advisory Council, Region 4, Mental Health Division.

CRIME REDUCTION AND JUSTICE FOR JUVENILES - Mrs. Willard Houghton, Chairman

Booklets on crime prevention were distributed to our club members.

Officer Richard Blackwell of the Palo Alto Police Department spoke at a club meeting. He warned members "NOT TO MAKE IT TOO EASY" for the criminal, to keep our homes locked with a good secure lock, always keep your car locked, mark furniture with driver license (not Social Security Number). He pointed out that women invite the pick-pockets by carrying their purses incorrectly.

CARE - Miss Phoebe Seagrave, Chairman

The Woman's Club of Palo Alto contributed \$15.00 to CARE.

At one of the regular meetings of the club, Mrs. John Morton, Loma Prieta District CARE chairman, challenged us to participate in the building of a school in Guatemala. By collection, the members donated \$37.00.

MOTION PICTURES - Mrs. George F. Schultz, Chairman

High on our list are the letters we have written to Chancellor Albert Bowker and Chancellor Glenn S. Dumke regarding pornographic movies being shown in our tax supported schools, namely, "THE DEVIL IN MISS JONES" now being shown in San Francisco's Tenderloin, to be exhibited by the Associated Students in Wheeler Hall.

The porno movie "DEEP THROAT" shown on the State University Campus in San Jose was outlawed in many cities. The showing of the picture resulted in raids by police at the theatres.

Education with dignity must be our priority policy. Efforts to meet other priorities will be doomed to failure unless we provide our young people with high ideals. Showing lurid pictures to young people is suspect in its intent. One letter of protest is counted as two hundred objections allowing for those who do not write.

We have a group of our club members who see current movies and in depth discussions are held.

LEGISLATION - Mrs. J. J. Krohn and Mrs. Henry Broderson, Co-chairmen

"LEGISLATION ALERT" was the target for this year's effort. Through our bulletins we alerted our membership of bills that needed immediate attention. Names and addresses of persons to whom they should write were listed.

We have urged restoration of faith in the C.I.A. as a key to our Nation's survival.

Members have been encouraged to express their viewpoints regarding the establishment of a Chapel and Spiritual Counseling Center for the one women's prison in the State of California which would be comparable to those in men's prisons. AB 1573 passed by the California Legislature but was vetoed by Governor Edmund Brown, Jr.

We sent letters of approval on SB 204 and its companion bill which would put a small tax on spirits and designate the revenue to be used for more humane treatment and the rehabilitation of alcoholics. We contacted "Friends of SB 204" in order to coordinate our efforts with concerned citizens throughout the State. The appeal for an override failed.

We have followed through on the New Bill SB 1372, almost identical to SB 204, confident that public opinion will force affirmative action and override a veto, if necessary.

Laws and Legislators are a product of our society and the future of our Nation is the responsibility of the citizen at the grass roots. AMERICA'S WOMAN POWER is recognized as never before.

SCHOLARSHIP AND STUDENT AID - Mrs. Phil R. Bodley, Chairman

The Woman's Club of Palo Alto gives an annual scholarship of \$300.00 each Spring Semester to a member of the graduating class of one of the three senior high schools in the city of Palo Alto, rotating the scholarship each year. The Club has continued this scholarship since 1952. This year, 1975, we gave a \$300.00 scholarship to a fine young 18-year-old student who was graduating from Gunn High School. The award was presented to Miss Deborah Cowden at the June Awards Assembly at Gunn High School by the President of the Woman's Club of Palo Alto, Mrs. Earl Jackson. Deborah was very grateful.

On Sunday, September 7th, 1975, at 2:00 P.M. a GARDEN DINNER PARTY was given at the home of Mrs. Phil Bodley. The proceeds of \$150.00 net was put into the Scholarship fund for the year 1976.

A \$100.00 Indian Scholarship was given to the Maple Creek Willie Scholarship Fund - Indian Affairs - Sacramento, California. This money was raised by the POW-WOW bridge benefit.

MEMBERSHIP - Mrs. Howard Weller, Chairman

We have taken in 15 new members this year. The membership committee composed of eight members met in early 1975 and the first event held was a pot-luck supper at our clubhouse with members inviting prospective members.

The membership committee acted as chairmen and the president arranged for a series of bridge lessons (10 classes) and this has resulted in bringing four new members and one of the attendees of the series of Medical/Health Lectures joined our Club also.

A tea to honor our new members was held at the clubhouse. All members were invited to attend. A honorable affair and everyone enjoyed the afternoon.

COORDINATOR TO THE JUNIORS - Mrs. Iola Sparks

The goal of the Coordinator this year was to maintain the good relationship between the General and Junior Club membership, hoping that members of the Junior Club would develop a stronger interest of joining the General Club upon graduation. She endeavored to keep the Juniors informed as to activities of the General Club; to have both the Junior and General Club members get better acquainted and to appreciate the work, effort and goals of each club.

The General Club and Junior Club exchanges gifts each year at the meeting honoring the Juniors. The Clubhouse was made available for the Junior Club to hold special meetings, and on one occasion the Junior Women used the kitchen to prepare food for a fund-raising project they had.

FALL FAIRE - Mrs. David W. Brichta, chairman

Tables were sold for \$10.00 each to outside organizations; eleven tables were sold. The Junior Club was given a table to sell items to help meet their budget. The Juniors also served luncheon to the public during the Fall Faire. The Fall Faire netted \$464.45.

GUEST NIGHT DINNER - Mrs. Phil R. Bodley, Chairman

We had a turkey dinner for 119 members and friends. We had 4 turkeys and dressing, cranberry and Orange jello salad, buttered petite peas, yams with mandarine oranges, home made pies (apple and pumpkin), with whipped cream, potato rolls, coffee & tea - all for \$5.50 each. We had beautiful Thanksgiving decorations, made by Betty Brichta. They were turkeys made of felt on a pineapple body! We paid the Demolay boys of Los Altos for serving \$25.00. We netted \$451.45.

The entertainment was introduced by our program chairman, Lois Tamba; Jane Nichols and Ferne Hammond who have been performing for 12 years together. Jane, the vocalist and Ferne the accompanist on the piano. They have toured cities in the east and west coasts during the summer, appearing recently at the Greenbriar Inn, White Sulphur Springs, West Virginia; in Seattle and other cities in California for conventions, clubs, and casual engagements. Jane Nichols lives in San Jose. She has appeared in Civic Light Operas and also appeared opposite Enzo Stuarti in South Pacific. Ferne Hammond lives in Danville formerly from Los Altos. She has been pianist for many years in Civic Light Operas. She is a Past Grand Organist of Eastern Star.

FASHION SHOW - Mrs. A. W. Baily, Jr., Chairman

The Annual Spring Fashion Show was a huge success with approximately 190 present. We had a Champagne Buffet, Hot entree' and good entertainment. The theme was "Beautiful America, Beautiful Women." Many door prizes were given. A prospective member who is manager of the Brookside Winery on El Camino Real gave us a case of Champagne. (the Chairman, Grace and her friend bought 8 cases of Champagne in order that the Club would get this one case free of charge.) We netted \$

PROGRAMS

Besides what has been said in this history about programs we had many other programs that I will just mention:

Hats are a girl's best friend. A very delightful program showing every kind of hat you can imagine - the speaker was charming and funny.

Antiques "Show and Tell" - Members brought their own antiques and displayed them to our members. Many beautiful things were shown and the show was enjoyed by all.

The Palo Alto Paramedics gave a most interesting program and answered many questions.

A book review was given by Barbara Bryson of the Los Altos bookstore. Truly good!

Sally Socolich, author gave a talk on bargain hunting. She is from chanel 7 San Francisco A.M. show.

We had a Hobby and Craft Day program. It was an interesting program put on by Betty Brichta and Margaret Armor.

The Past Presidents were honored at a potluck luncheon. There were 16 past presidents present. Mrs. Andrew Hansen, president in 1934-1935 spoke briefly in behalf of all past presidents. The Gavaleers presented the Club with six clothes racks. The approximate price was around \$135.00.

We had an Easter Bonnet Parade and all members participated. Mrs. Esther Weiner took charge of the parade in the absence of Los Tamba. It was a beautiful afternoon enjoyed by all who were present. Lois and Esther, both being past presidents in other clubs, certainly know how to put on a program without spending too much money. They did however give prize money to the following:

The Most Beautiful hat - Mrs. William Voorhies	Oldest Hat - Mrs. T.W.E. Christmas
The Most Patriotic hat - Mrs. Violet Henley	Summer Hat - Mrs. Agnes Adams
The Most Original hat - Mrs. John Woodward	Fall Hat - Mrs. Lovene Kesterson
The Funniest hat - Mrs. Phil Bodley	Winter Hat - Mrs. Dorothy Wall
	Spring Hat - Mrs. Paul Sawyer

### BRIDGE

Much bridge goes on in this club. We had bridge benefits during the summer. We had a Valentine Bridge benefit. We have Merry-Go-Round bridge, some play all year round. We have an evening bridge group. To end the year, we are having a "Luncheon is Served" and a bridge in the afternoon. The women love to play bridge. We had a bridge lesson class and we netted \$234.00. Mrs. Virginia Sanstrom of San Jose gave the 10 lessons for \$250.00.

### RUMMAGE SALES

We had one rummage sale in the fall of 1975 and netted \$525.17. We had another rummage sale in the spring of 1976 and netted \$343.35. Mrs. Bodley in charge of one and Mrs. Edmiston in charge of the first one.

YEAR BOOK - Mrs. Phil Bodley, Chairman

Mrs. Bodley went out and got many ads. The ads amounted to approximately \$1500.00 which gave us a profit of \$950.00. She typed the book free of charge, it was a 56 page yearbook not including the cover which was printed on both sides in red, white and blue - and it had to be our American Flag on the front, the Bicentennial Year! We had 163 members to start the year and ended up with 163 members. We still took in 15 new members but we lost 15 members, during the time we printed the last year-book in 1974.

### CONGRATULATIONS TO OUR MEMBERS: LOMA PRIETA DISTRICT CONVENTION....

We sold Bicentennial plates.

I want to type in the words that our president gave us in her last bulletin:

The friendships which we have enjoyed,  
Will glow through coming years,  
And will bring happy memories  
To banish doubts and fears  
There is no effort that is lost,  
When hearts are full of love  
So may each day in passing bring  
God's blessing to you from above.

LIBERTY BELL

Written by Mrs. William Voorhies (Joyce)

Ring out, ye bells!  
Peel forth your chimes,  
Proclaim to man your message;  
Freedom is not free  
It is hard won.  
By blood and sweat and tears!  
Let us not wear lightly  
The mantle liberty  
But treasure her,  
Our heritage most precious  
Nor let apathy, so treacherous,  
Make us cease our watch  
And lead us back in bondage.

OUR FLAG

Written by Mrs. J. H. Dunbar (Florence)

For two hundred years  
Our Flag has flown  
As a symbol of the goals  
Our nation stands for.  
Its colors, red, white and blue,  
Reflect the qualities of valor,  
Justice, and Purity.  
The thirteen stripes remind us  
Of the courage and Fortitude  
Of our founding fathers.  
A star for each state  
Offers us a guiding light.  
If we would live by these goals,  
What a beautiful, wonderful world  
This world would be!

EDUCATION UNDER LIBERTY  
Essay, written by Dorothy Wall

In the United States we are working up to 1976 the bicentennial of our founding. Most of us are taking stock of all the ways we as a people have benefited during these two hundred years. Many will dwell on the plentiful food in its great varieties, the chance to purchase a sufficient and durable wardrobe, the pleasing gadgets with which we surround ourselves, the chance to own our own homes if we so desire, all of which choices are made possible by our salaries and wages - the highest ever paid in the history of the world.

Futhermore, besides these things we have protection, the pursuit of happiness and best of all liberty. I know these things. I take them for granted. So it is time I reassess my admiration and love for my country. I am a retired high school teacher so I can best explain what this country means to me by using examples from my life in education.

I will never forget swearing to protect and defend the consittution of the United States of America. It gave me a thrill of pride to be working for the United States. Here was liberty to teach the truth as we knew it within the law.

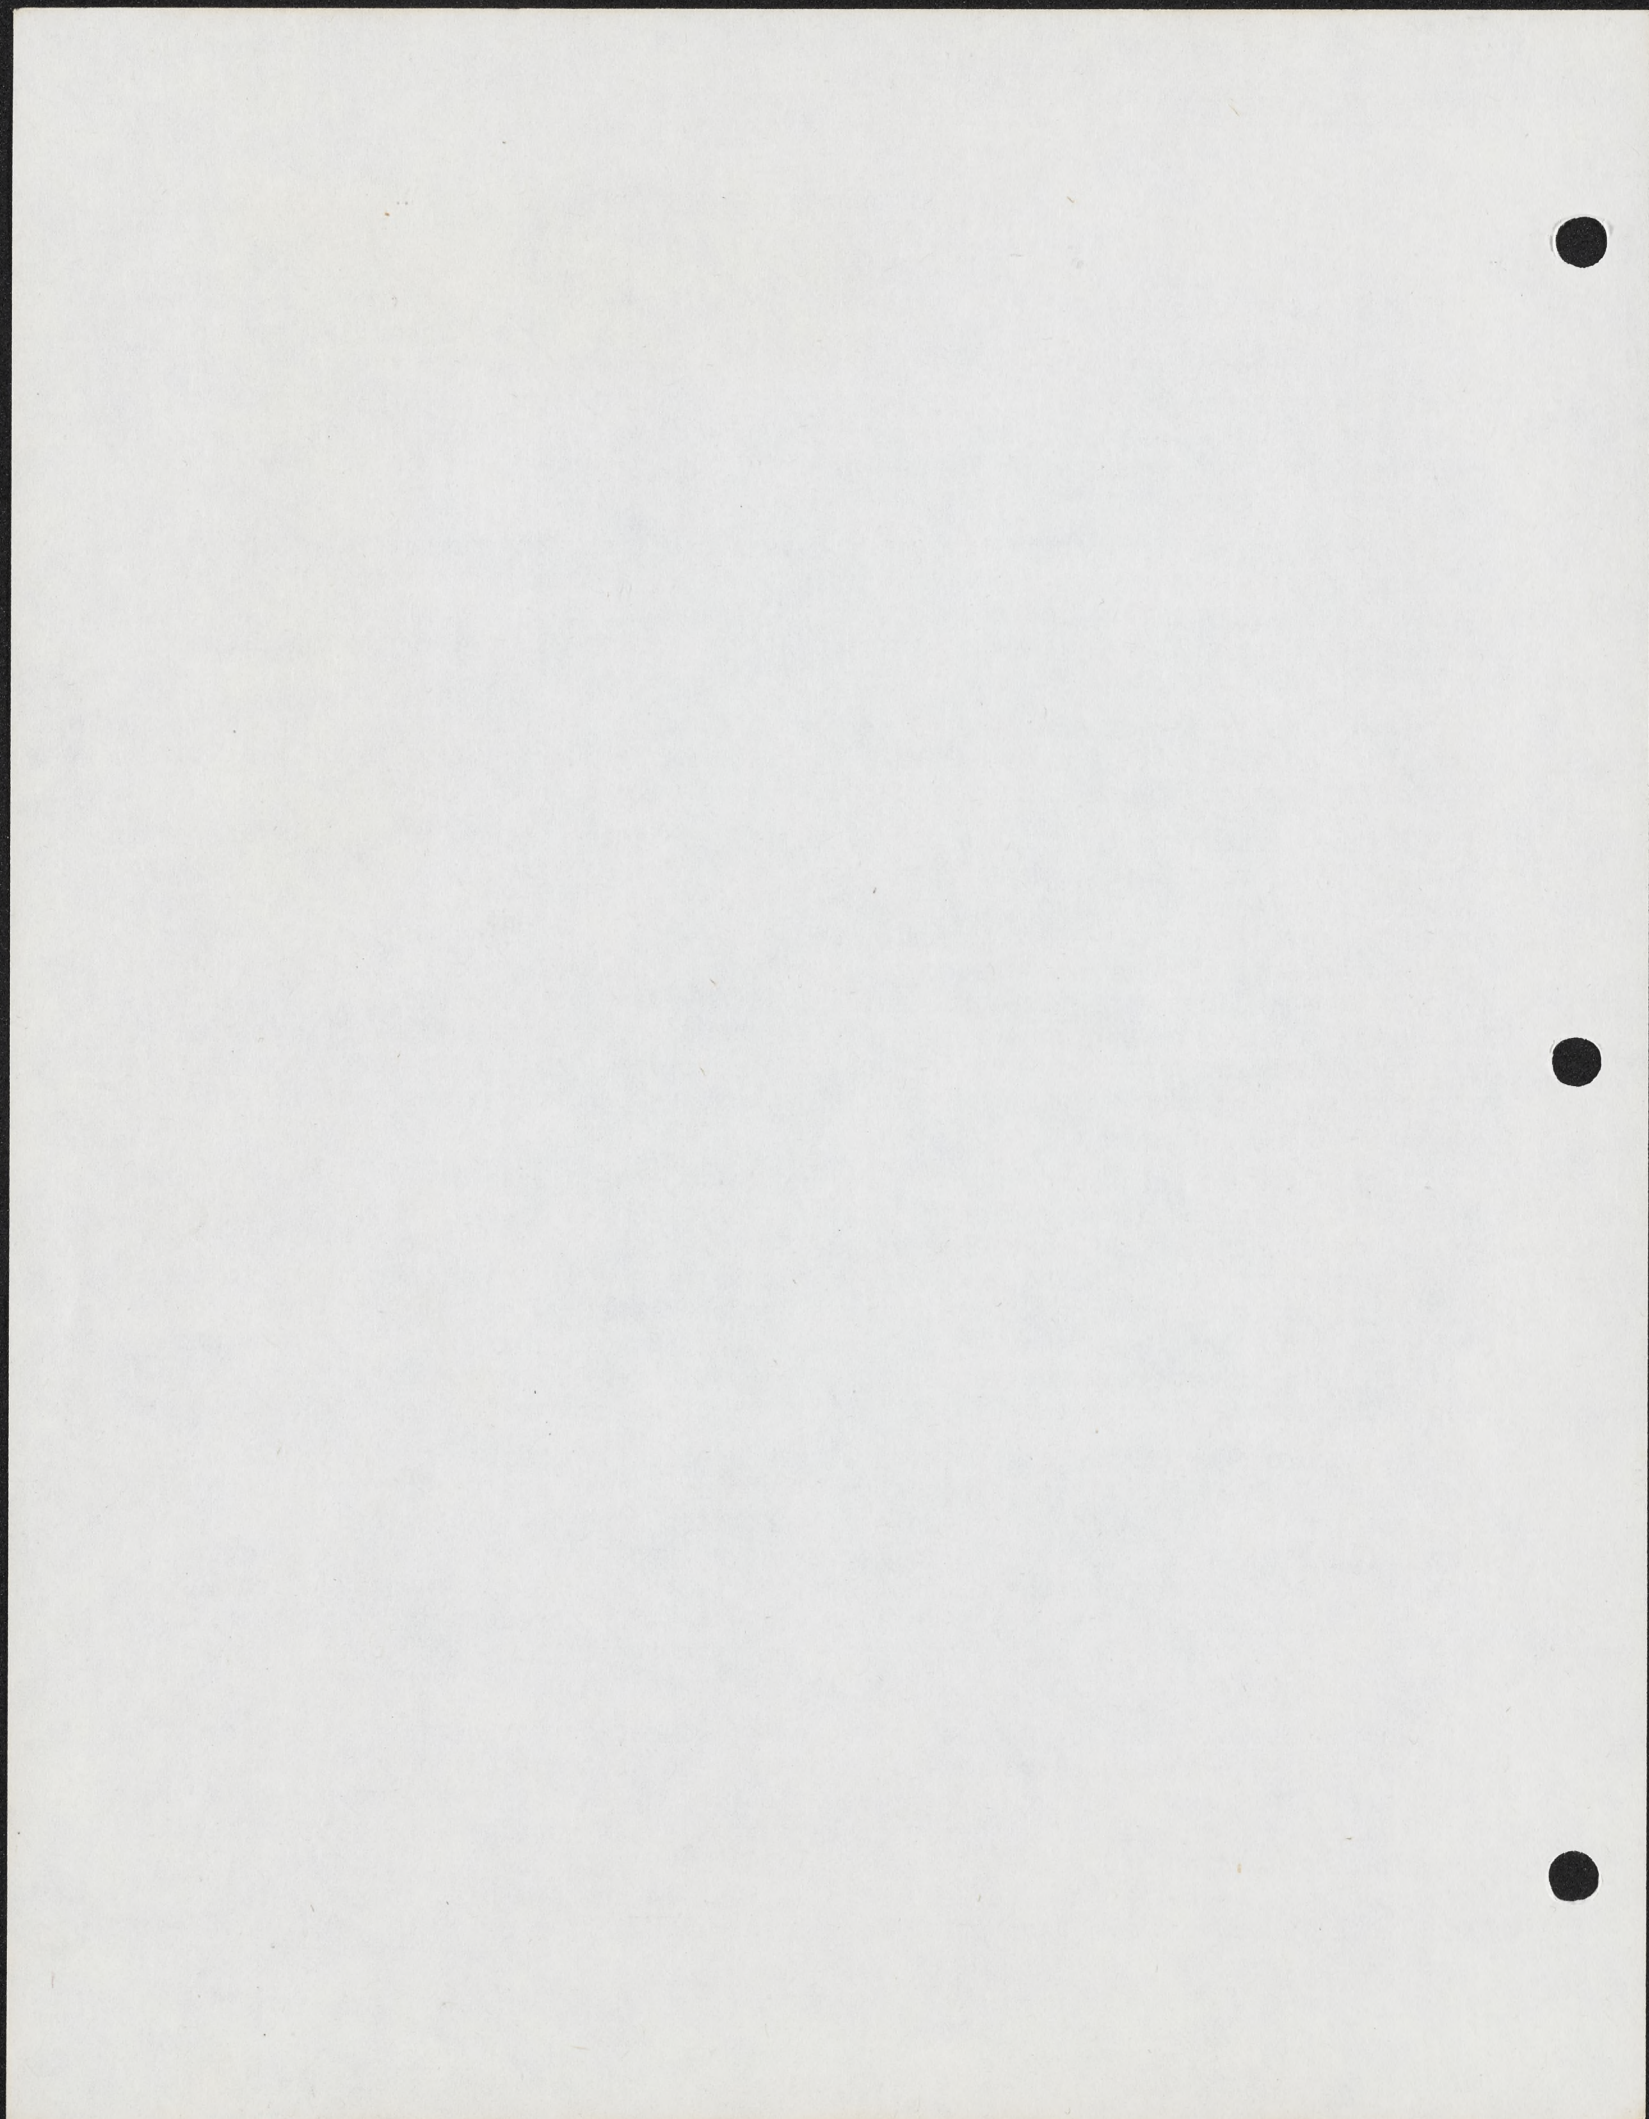

I experienced great pride in our system of education. One morning, in one of my senior literature classes, we had been deep in a serious attempt to get an answer to a question someone had posed and, it seemed to me, were at a stalemate when suddenly one of my seventeen-year-old boys said quietly, "Well, Ores, what do you think?" After he said it the boy reddened but he smiled. I never turned a hair. I answered him and we turned to other things. But I will never fo get the incident. That boy and I were free equal partners in a learning situation and that is exciting. Teachers in other countries might have taken umbrage at a student calling a teacher by his last name and have demanded discipline. To me it was just another example of liberty, but not license.

I thrilled to the sound of young voices taking the pledge of allegiance to the flag and the singing of America the Beautiful. It seemed like a good omen for the loyalty to country of the next generation. I liked the freedom with which we could speak in faculty meetings and I wish Mr. Solzhenitzin could have been there to hear it. I was moved every time we graduated a senior class. They came into high school as kids; four years later they left as young men and women very much informed and ready to join in some way the society that allows a very high percentage of its young people the chance for a better job than in most other countries in the world.

As I pore over my own association with education I remember that back in our early years one of the first things a small community did was to set up a school for the education of its children. People did not stop with the little red schoolhouse. They established high schools and colleges and universities throughout this country, thus insuring forever that the concept of liberty in speech and in thought could forever be protected. In late years we have had a test of strength in our universities with forces who wished to undermine them. It is a thrill to me to see the universities withstand this pressure and adhere to the constitution.

In this country we have set up a system of education unique in this world: so valuing knowledge that we have made it mandatory to keep our children in school at least until they reach the age of sixteen. During my thirty-three and one-half years as a teacher I never talked with one parent who did not want his child to go further in education than he had gone. A knowledgeable people is one of the greatneses of this country. We have opted for education. Back in the dim past somebody said "Knowledge is power." We have opted for it and it has paid off.

DEDICATED WOMEN OF THE WOMAN'S CLUB OF PALO ALTO

Written by Dorothy Wall

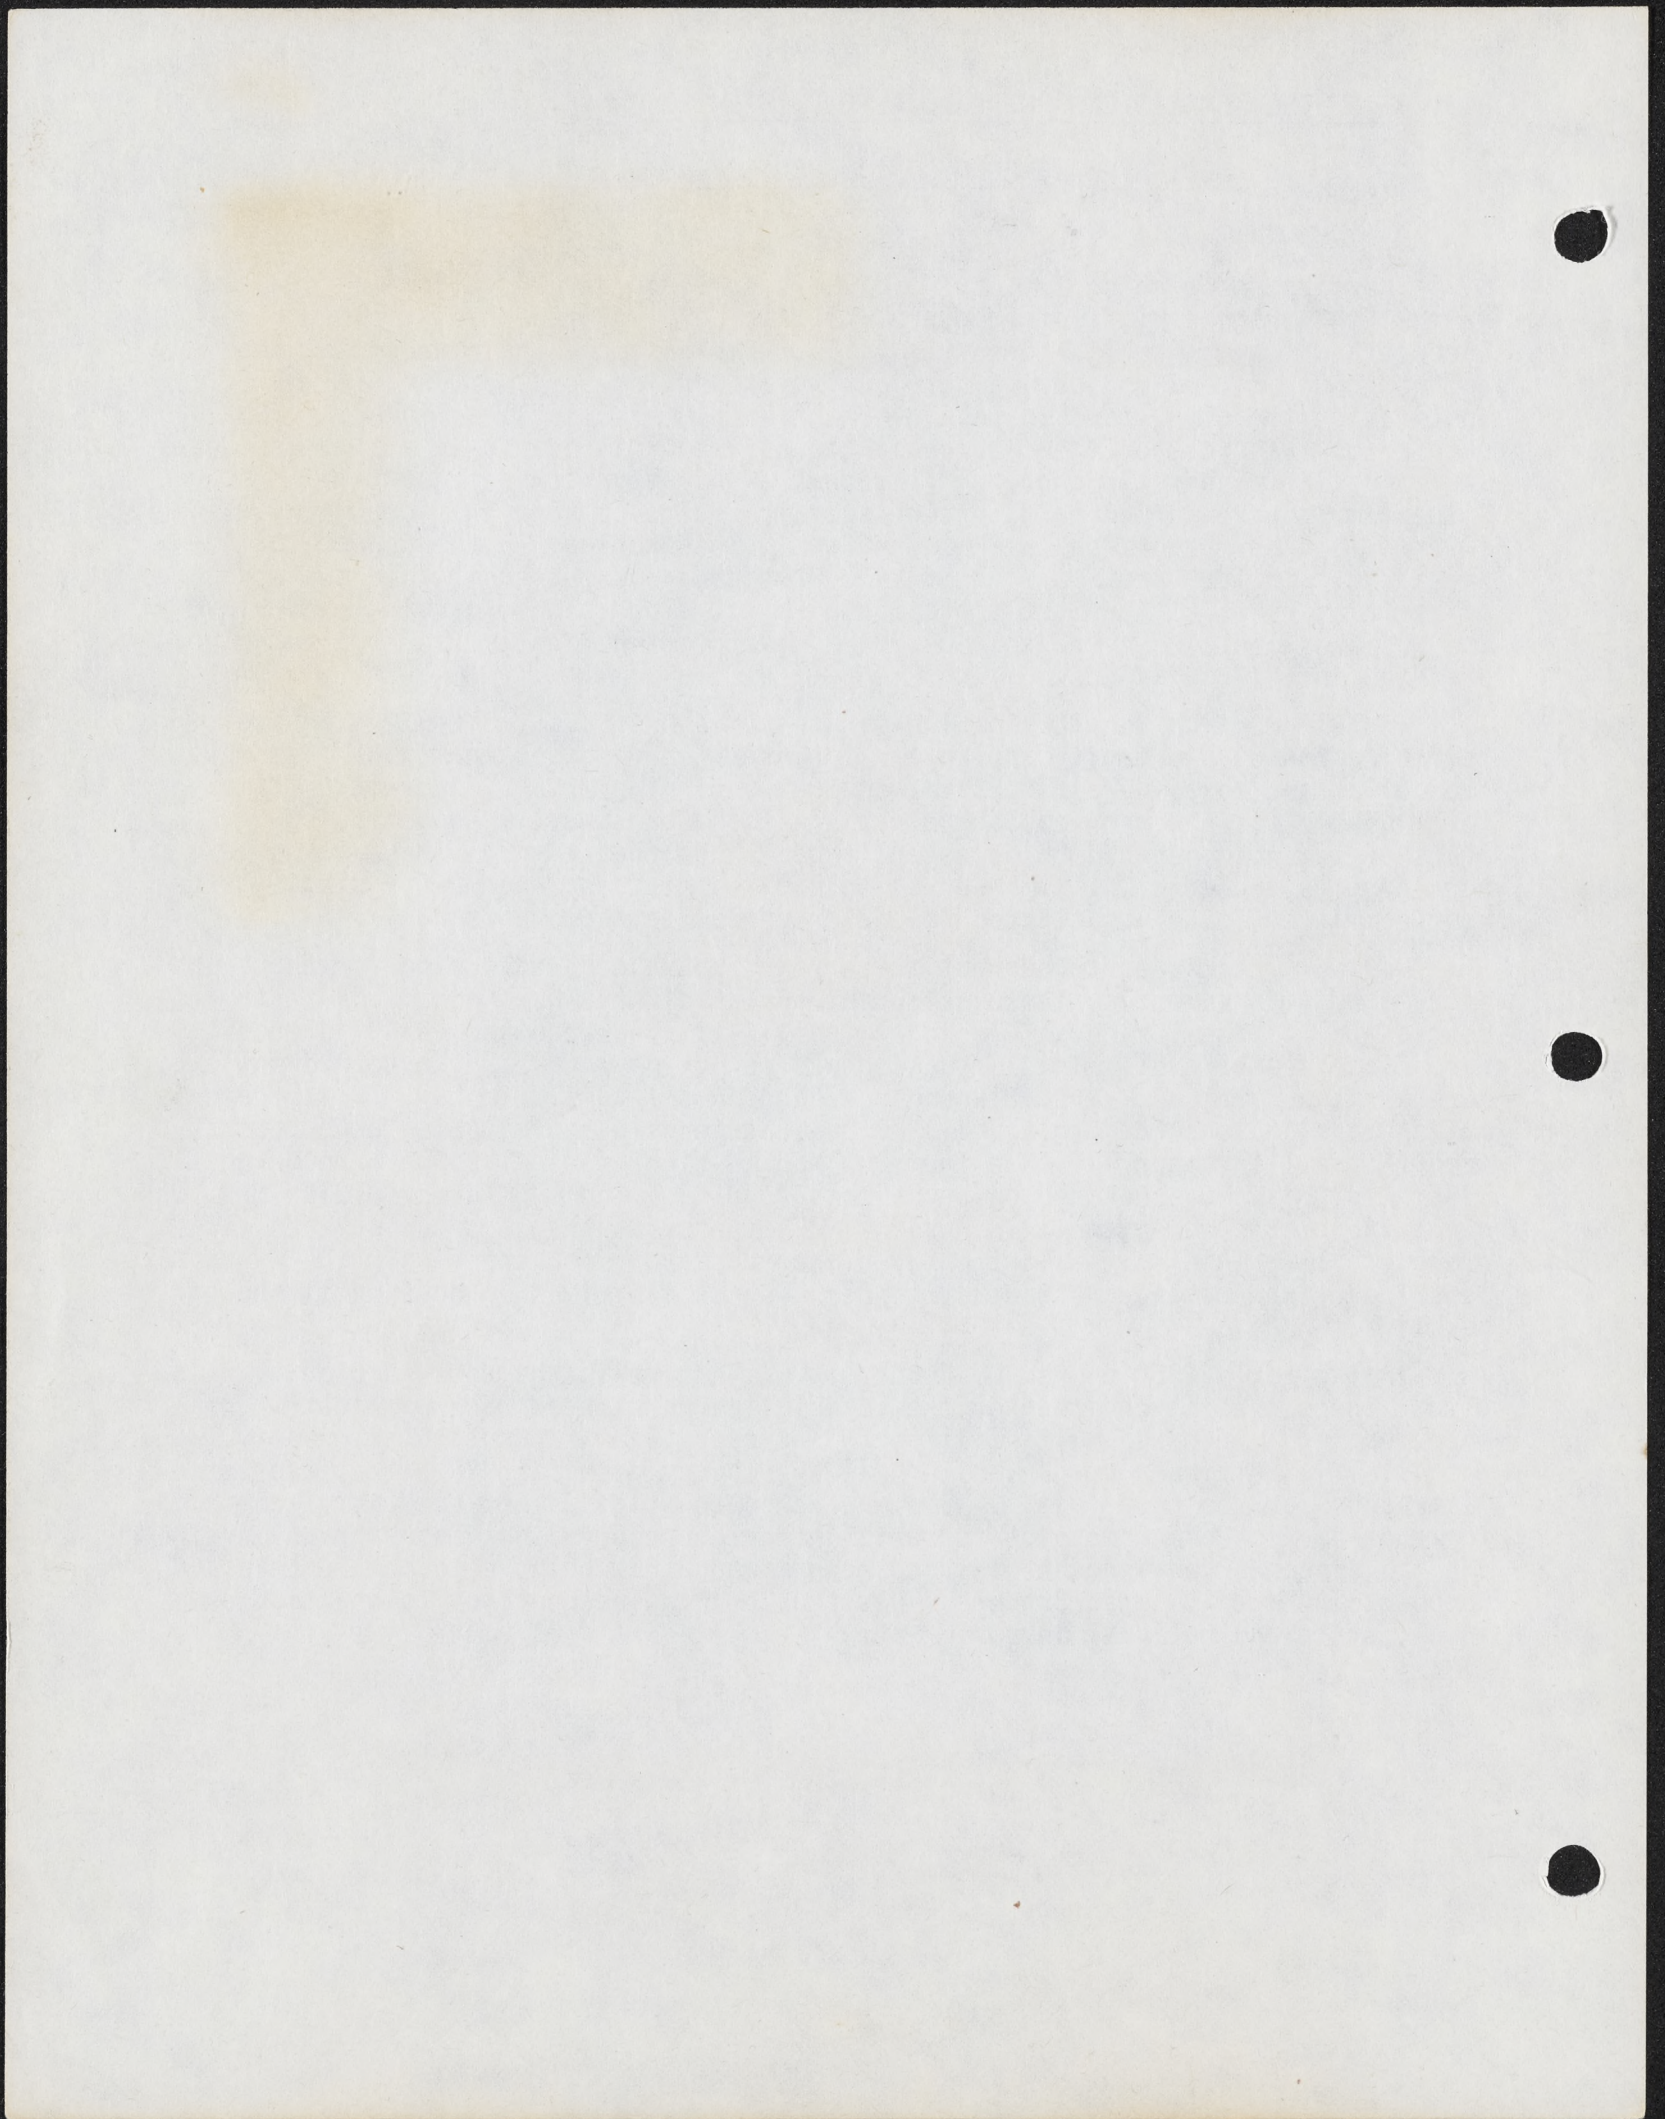

The first mention of Mrs. C. H. Gilbert is September 24, 1896; we find her name on the original list of founders. In February 1896 she read a paper on Cleopatra which was published in the Times. She was made chairman of the Philanthropic Department and became very active in working for the town. At her instigation the club voted to take over the work of forming the library. She carried on this work of the club until the city took it over. In a time when dues were a dollar a year and one could pay them twenty-five cents a quarter. Mrs. Gilbert must have worked hard on club social affairs to keep the work going. In 1898 we find her report on the Reading Room. She presided in the absence of the president. In 1899 she was elected Vice President but turned it down to take care of her Library work. She got the club to select club colors: cardinal and silver. She was president from 1902 to 1904. She never lost her enthusiasm for her club. She died in 1917.

In 1917 we find mention in club minutes of a Mrs. E. S. Dixon who donated half of a \$54.00 stereopticon lantern for use in programs. That year dues were one dollar and taxes were \$15.23. From that beginning Mrs. Dixon remains true to form. There was a ban on public gatherings to combat the flu epidemic, so new means of making money had to be established. From that time on, Mrs. Dixon gave her energies to her club. She served on many committees: community singing, the roof committee. She was elected delegate to the State Convention.

Her work continues throughout these years. She donated a sign for the clubhouse, offered help in cementing the back porch, and paid for a hardwood floor in the reception hall. She served as President in 1917-19. In December 1934, adverse times were discussed at club. This situation was met by giving what they could followed by more as it was raised. Mrs. Dixon had a hand in all this. In May, 1934, there is a motion made and seconded that bills be paid as funds are available, a witness to the fact that all thru her lifetime the club had to fight for existence. On March 13, 1935, Mrs. Dixon was honored on her eighty-fourth birthday. In May, 1936, Mrs. Dixon gives the club a new piano. In April, 1937, she sends the club ten dollars for a drapery bill. This is the last entry of her endeavors for the club. She was a tireless leader who remained steadfast to her club in its times of need until the end of her life.

In the early 1950's Mrs. H. Broderson was active in the Woman's Club of Palo Alto. She served as chairman of the legislative committee. She was instrumental in defeating a proposed multi-million dollar race track in Santa Clara County. She was vital in getting a new Juvenile Hall and county hospital. She insisted on new mattresses for the county jail. She was asked to write up her successful campaign for the Woman's Home Companion for which her club received one thousand dollars. She has since worked indefatigably to keep liquor from being sold on the Stanford Campus to no avail. Mrs. Broderson has thus brought recognition to her club on local, state and national levels.

*"I pledge allegiance to the Flag of the  
United States of America and to the Republic  
for which it stands, one Nation under God,  
indivisible, with Liberty and Justice for all."*

#### THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

THE THIRTEEN STRIPES REMIND US  
OF THE COURAGE AND FORTITUDE  
OF OUR FOUNDING FATHERS.  
A STAR FOR EACH STATE  
OFFERS US A GUIDING LIGHT.  
IF WE WOULD LIVE BY THESE GOALS,  
WHAT A BEAUTIFUL, WONDERFUL WORLD  
THIS WORLD WOULD BE!

## OUR FEDERATION EMBLEM

The emblem of the California Federation of Women's Clubs was designed in 1903 by Miss Bernice Scoville. The emblem is the insignia of a common cause and creates a spirit of cooperation among those who wear it.

The torch represents the educational work of the Federation and invites all to knowledge of the principles of American citizenship.

The wings pointing upward are symbolic of the higher thoughts and aspirations which are the aim of all.

The band encircling both typifies the unbroken chain of strength and loyalty--not only to the clubs, but also to our state.

The state motto, "Strength United is Stronger," selected by Annie Little Barry, reminds us that in unity there is strength and through the united efforts of the club women of California it is possible to accomplish many things for the benefit of the people of the state.

The emblem is the design of the official Federation pin. A president wears the gavel above the pin and a past president wears the gavel below the pin.

## A COLLECT FOR CLUB WOMEN

Keep us, O God, from pettiness; let us be large in thought,  
in word, in deed.

Let us be done with fault-finding and leave off self-seeking

May we put away all pretense and meet each other face to  
face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene,  
gentle.

Teach us to put into action our better impulses, straight-  
forward and unafraid.

Grant that we may realize that it is the little things that  
create differences; that in the big things of life we are  
at one.

And may we strive to touch and to know the great, common,  
human heart of us all, and O Lord God, let us not forget  
to be kind!

— Mary Stewart.

## THE "EL PALO ALTO" REDWOOD TREE

El Palo Alto, "The Tall Tree," stands as a symbol of the history of Palo Alto. The tree is well over 1,000 years old and is believed to have been a camp-site for the Portola and De Anza parties when they were exploring the area.

Exactly where the Portola party pitched camp is not definitely known. Tradition put the site in the vicinity of "El Palo Alto," the picturesque redwood tree near the railroad bridge at Palo Alto Avenue. A marker was placed there in 1926 by the Native Sons and Daughters of the Golden West.

With De Anza, a man experienced in frontier exploration and dealings with the Indians, were Father Font and Lieut. Jose Joaquin Moraga. Font, "a master chronicler," made a topographical map of the area. It contains a drawing of a redwood tree - a single trunk - which he described as 135 feet seven inches in height and 15 feet one inch in circumference. If we accept the tradition that this was El Palo Alto, our tree would indeed be what the Native Sons' marker calls it: "The first official living California landmark."

THE WOMAN'S CLUB OF PALO ALTO  
HISTORY 1974-1975 by GRACE BODLEY, HISTORIAN

Membership 179

Mrs. Iola P. Sparks was the president during the term of 1974-1975 and her theme was "Expanding ideas for the betterment of our country, our community, our club, and ourselves."

Each meeting was opened with the Pledge of Allegiance to the Flag and many times followed with singing a song. The programs were interesting and the attendance was good.

Many of the Departments were filled and I shall try and give a short resume of those that gave a report to the district.

CONSERVATION:

1. Beautification - Members attended Floret Floral Arranging Demonstration which included use of materials found on the beach and growing wild. We had a speaker who was chairman of Table Decorations Committee of the Allied Arts Guild. She used a great variety of flowers, china, and linen. Members attended Decorators' Show House at de Tristan Estate in Hillsborough, which included both house and gardens. Many members attended A.A.R.P. meeting at which Albert Wilson ("Dig It With Albert" on TV) discussed traditional and organic gardening. During the summer, members started slips and plantings for the growing-plant table at the Club's Fall Faire.

Total money donated was \$137.00.

Chairman: Mrs. Earl Koehler

3. California History, Landmarks, Museums, and Historian

The Woman's Club of Palo Alto has a life membership in the Palo Alto Historical Association, and many members attend the general meetings which are held once a month. Three members serve on the Board and help plan programs of historical interest in the area. Two members work on the membership committee, and some members have formed a telephone committee to help all the Association committee whenever possible. Another member is chairman of a committee doing research on the street names in Palo Alto. Many members of the Club work on mailing lists, help address letters and notices. We served as hostesses at the Annual Dinner in May 1974.

The Club had representatives at the Mini Conference of the Association held in Mountain View on April 26, 1974.

Members of the Woman's Club of Palo Alto have given 170 hours of volunteer service to the Palo Alto Historical Association this term.

In January four members joined a group to spend the day at the De Young Museum and the Academy of Sciences in San Francisco. Afterwards, there was a lively discussion of what each had seen, what she found interesting, as well as not too interesting, and why.

Chairman: Mrs. Phil Bodley

The District Historian wanted me (Mrs. Bodley) to write a one sheet history of our Woman's Club of Palo Alto. It was hard to compile all the interesting things about the Club in one page. Much research in reading the interesting minutes from 1894 to date was done and the following one sheet of elite typing was turned in to the district.

## HISTORY OF THE WOMAN'S CLUB OF PALO ALTO from 1894 to 1975 - condensed by Mrs. Bodley

On the afternoon of June 24th, 1894, twenty Palo Alto women kicked up little swirls of dust along the village paths as they hurried to the Old Presbyterian Church on the corner of Waverley and University Avenue. Their business was to found a Club and they did.

Their first big project was to start a high school. Mrs. Zschokke, a club member, built a house back of her home for the first high school classes for Palo Alto boys and girls.

The second big project was to start a library. They collected books and took turns as librarians, as well as giving lunches to hungry children, from 1896 to 1901. With a \$10,000 grant they built an Andrew Carnegie Library and financed a paid librarian.

Minor projects at the same time resulted in rows of glorious magnolia trees enjoyed today on University Avenue, nurtured and watered with help from husbands. In 1903 the Club improvised a hospital during a typhoid epidemic. In 1898 the Club became a member of the State and General Federation.

By 1904 the dream of a Clubhouse took concrete form with the development of a lot fund for the corner of Homer and Cowper - "far out of town." The cost was \$1,125.00. And then the Club was incorporated.

On April 18, 1905 the ladies helped earthquake refugees from San Francisco. In 1910 a book called "The Santa Clara Valley" was published by them and netted \$1,500.00 for the building fund. Money was also raised by sponsoring a program with the renowned Helen Keller as the featured attraction.

On September 22nd, 1916 the attractive \$5,300.00 building was a reality and a dedication was held. Through the years it has served many functions benefitting old and young alike.

When World War I came, the ladies pitched in to help with the War effort by organizing bond rallies, visiting soldiers at Camp Fremont and at Base Hospital. With the advent of Women's Suffrage their interest was extended to legislation. The Club expanded its work to include such philanthropies as Girl and Boy Scout work and other community projects.

For sociability there was contract bridge. But more than anything else they worked with other organizations for the betterment of their community. True to their name they sought legislation for the preservation of THE REDWOODS.

The Clubhouse found many reasons for its existence including parties, receptions, dances, classes, musicals, entertainment of service men during several wars. During one war they acquired musical instruments for the enjoyment of the service men.

In 1944 the Club celebrated its 50th Anniversary with a pageant and fashion parade. On May 28, 1969, their "DIAMOND JUBILEE" was celebrated with a Country Store Fair that netted \$875.00. Thus, being historically minded they took a Life Membership in the Palo Alto Historical Society. Club members, together with the Club, purchased the historical "SQUIRE HOUSE" which was dedicated on January 27, 1973.

National acclaim came with the receipt of a \$1,000.00 U.S. Bond from the Woman's Home Companion, a reward for their civic betterment projects which included during the years a new County jail and juvenile hall, County Hospital, and banning of pari-mutual racing. Mrs. Henry (Nellie) Broderson, a devoted member should have the credit for this work.

In 1952 a yearly \$300 high school scholarship and a \$100 Indian scholarship was begun. They aided on restoring two Mission Bells to El Camino Real and the Congressional Medal of Honor Grove at Freedom's Foundation, Valley Forge, Pennsylvania.

This Club now numbering 179 members grew in its first four years to 125. But all was not roses and in addition to their Clubhouse building they found it necessary to raise over \$40,000.00 for repairs to roof and other renovations. But this Club is proud of its great heritage.

EDUCATION:

1. Communication - Groups watched the Oscars and Crown Matrimonial and discussed them afterwards. A group of members, a viewing committee, went to movies and reported on them at Club meetings and also answered questions if members wanted more information. Chairman: Mrs. Clark H. Godel
2. Continuing Education, Epsilon Sigma Omicron and Library Services  
All members receive the California Clubwoman. The Club have reading groups and the report is given under Literature. Chairman: Mrs. Zenna Higgins
3. Investment Securities - On March 6, 1974 we had Mr. Richard N. Donohoe, Trust Officer, Security National Bank who spoke on "What the Trust Officers of a Bank Can Do For You". He discussed how banks and trust departments can assist in planning and handling an estate, wills and trusts, and care of an estate should the individual become incompetent. He was more than generous answering questions afterwards.
5. Publicity - Articles was sent to the San Jose Mercury and the Palo Alto Times. Articles that was in the papers are attached as page 4. Publicity for Bicentennial Concert and Ball, Feb. 22, 1975 had good press releases and posters. The Club was one of the sponsors of this "kick-off" program of the City's celebration.  
Chairman: Mrs. Donald Smith
6. School Priority, Scholarships and Student Aid. - Chairman: Mrs. Phil Bodley  
The Club gives an annual scholarship of \$300.00 each Spring Semester to a member of the graduating class of one of the three Senior High Schools of the Palo Alto School District, rotating the scholarship each year. This year it was the Palo Alto High School and Miss Teresa Kay Kowall was chosen to receive the \$300.00 from the Woman's Club of Palo Alto. Our president, Iola Sparks had the honor of presenting it to Miss Kowall.  
The Club also gave a \$100.00 scholarship to the Maple Creek Willie Indians. A night each year is set aside for a Bridge Benefit for this scholarship. About 100 members and friends participate in this event. It's call the POW-WOW.  
The Junior Chamber band was given \$50.00 for their performance at our Club.  
The Palo Alto High School Music Department was also given \$50.00 for their traveling expenses.

HOME LIFE:

1. Family Living, Youth, Gerontology - Chairman: Mrs. Bruce G. Norfolk  
On June 5, 1974, Suzuki Violin Ensemble, under the direction of Robin Fentress Kernan (grade school and high school pupils) was our program for the Club. Children are being taught by a new and successful method. On December 18, 1974 the chorus from the Palo Alto High School Music Department entertained the Club.  
One member has assembled 18 books for children. She works with children a good deal and uses these books to teach "going to school" and "going to the library." Another member is a "grandmother" at the YWCA nursery one afternoon a week. One member is treasurer of the Downtown Children's Center, working there two hours a week.  
Gerontology - La Comida of California de California is a non-profit corporation established in 1972 by the Rotary Club of Palo Alto, with help from service clubs and local merchants, to provide low-cost meals for seniors in the area. Since January, 1974, 90% of funds are provided by the Federal Government and supplemented by the County of Santa Clara. It is funded for a specified number of meals; to avoid turning anyone away, additional meals are made possible by local donations. The majority of the Board and volunteers are seniors. Club members serve on the Board and at the luncheon center regularly.

## HOME LIFE CONTINUED

1. Gerontology -

Chairman: Mrs. Bruce G. Norfolk

In the Fall of 1974, an Auxiliary was formed to help La Comida in every way possible, to recruit volunteers, and to spark even more interest in the community. Four Club members are on its Board, one as chairman and one as secretary, and many are general members. The Auxiliary organized and worked on "Grandma's Pantry" at the Fall Festival held for two days at the Cultural Center in November 1974. They sold home-baked goods, jams and jellies, demonstrated how to make Swedish rosettes, and sold spiced tea and cookies to be enjoyed at the moment. Substantial funds were raised. To describe their work and recruit volunteers, the Auxiliary held two morning "Coffee Get Togethers" at the Woman's Clubhouse which was free of charge. Invitations were sent to many community organizations and individuals; there was an excellent turnout. Club members worked addressing and mailing letters and fliers and provided the majority of the workers for the coffee hours. The Auxiliary is setting up a committee to recruit more volunteers to serve at the luncheon program and to provide a central phone service where volunteers may report. Volunteer hours served on La Comida: 270.

Two Club members serve on the Task Force. Volunteer hours: 160

Health Services Continued

Chairman: Mr. J.J. Krohn

A National Health Insurance and Mental Health Symposium was held at Stanford University in cooperation with the Psychiatry Department and San Mateo and Santa Clara Association for Mental Health.

California Association for the Retarded (C.A.R.) - Interested members working with "Project Awareness" helped contact over 250 persons on a one-to-one basis to increase awareness of C.A.R. and the wonderful progress being made to help these children and adults realize their full potential. The greatest help may be to the parents who learn to cope with their situation and find joy in family life.

Some of the Club members made terrariums for the C.A.R. bazaar. Club members have taken old newspapers to the C.A.R. collection center which is an on-going fund-raising project. One member works with retarded adults at their workshop in Oakland.

"War on Rape" - Our participation has been through letters to our representatives, in an effort to have the laws changed. We also feel that the police should learn how to handle rape cases, using the investigative techniques now being taught at Brandeis University.

Chope Hospital - Some Club members participated in a study made on the closing of this hospital. Task Force groups, public health workers, advisory board members and interested citizens voiced a diversity of views concerning the use of the building. Consensus was that outlying clinics are accessible to more patients, better served by doctors, and no more expensive than present service at the Chope Hospital, which has many vacant beds at present because of Medicare and Medical.

Community Service - Three members (with a fourth on call) served each week as volunteers at the Stanford Hospital. Total volunteer hours: 468.

One member of the Club is a provisional in the Peninsula Children's Center for Autistic Children. Volunteer hours required: 30.

Another Club member is a provisional with the Peninsula Volunteers serving Little House, a senior activities center, with membership over 2500.

A Club member visits shut-ins as a Friendly Visitor and also is a foster grandmother once a week at the pre-school Day Care Center funded by the City.

Announcements were made and notices posted on the Club bulletin board about FREE 'FLU SHOTS for seniors and Diagnostic Diabetes Clinics.

A COLLECT FOR CLUB WOMEN

Keep us, O God, from pettiness; let us be large in thought,  
in word, in deed.

Let us be done with fault-finding and leave off self-seeking

May we put away all pretense and meet each other face to  
face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene,  
gentle.

Teach us to put into action our better impulses, straight-  
forward and unafraid.

Grant that we may realize that it is the little things that  
create differences; that in the big things of life we are  
at one.

And may we strive to touch and to know the great, common,  
human heart of us all, and O Lord God, let us not forget  
to be kind!

— Mary Stewart.

#### PLEDGE TO THE FLAG

*"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."*

#### THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—William Tyler Page.

#### THEME

GROWTH: Expanding ideas for the betterment of our country, our community, our club, and ourselves.

## 1973-74 HISTORY OF THE

### WOMAN'S CLUB OF PALO ALTO

by Mrs. Phil Bodley, Historian

The Woman's Club of Palo Alto met on June 6, 1973 for their first meeting of the year for the newly installed Officers, with Mrs. Theodore Bowman as president. Then we did not meet until September 19, 1973, at which time we had our Annual Reception; the Tea Hostess being Mrs. Frank Cunha, who has since moved to Hawaii to live. Each meeting, a member was asked to be Tea Hostess with a committee of her choice, and as always they put on a delicious dessert with tea and coffee. The Tea Hostesses are listed in the year book as well as the Chairmen of each meeting.

The variety of programs were very interesting, educational and entertaining with Iola Sparks as Chairman for the year. The decorations for each meeting were made with taste by Mrs. David Brichta. Six bulletins were typed by Bulletin Chairman, Mrs. Millard Henley and mailed to all members of the Club by Mrs. Albert Spielberger. These Bulletins were helpful to the members, giving them up-to-date news and coming events of the Club's activities, as well as telling who of our members were ill so that cards could be sent. The Courtesy and Sunshine Chairman, Miss Elizabeth Hays would also announce at each meeting, those who were ill. The Hospitality Committee headed by Mrs. Dowdell was on hand to greet us when we came in, giving us a "loving hand shake" and a "Smile".

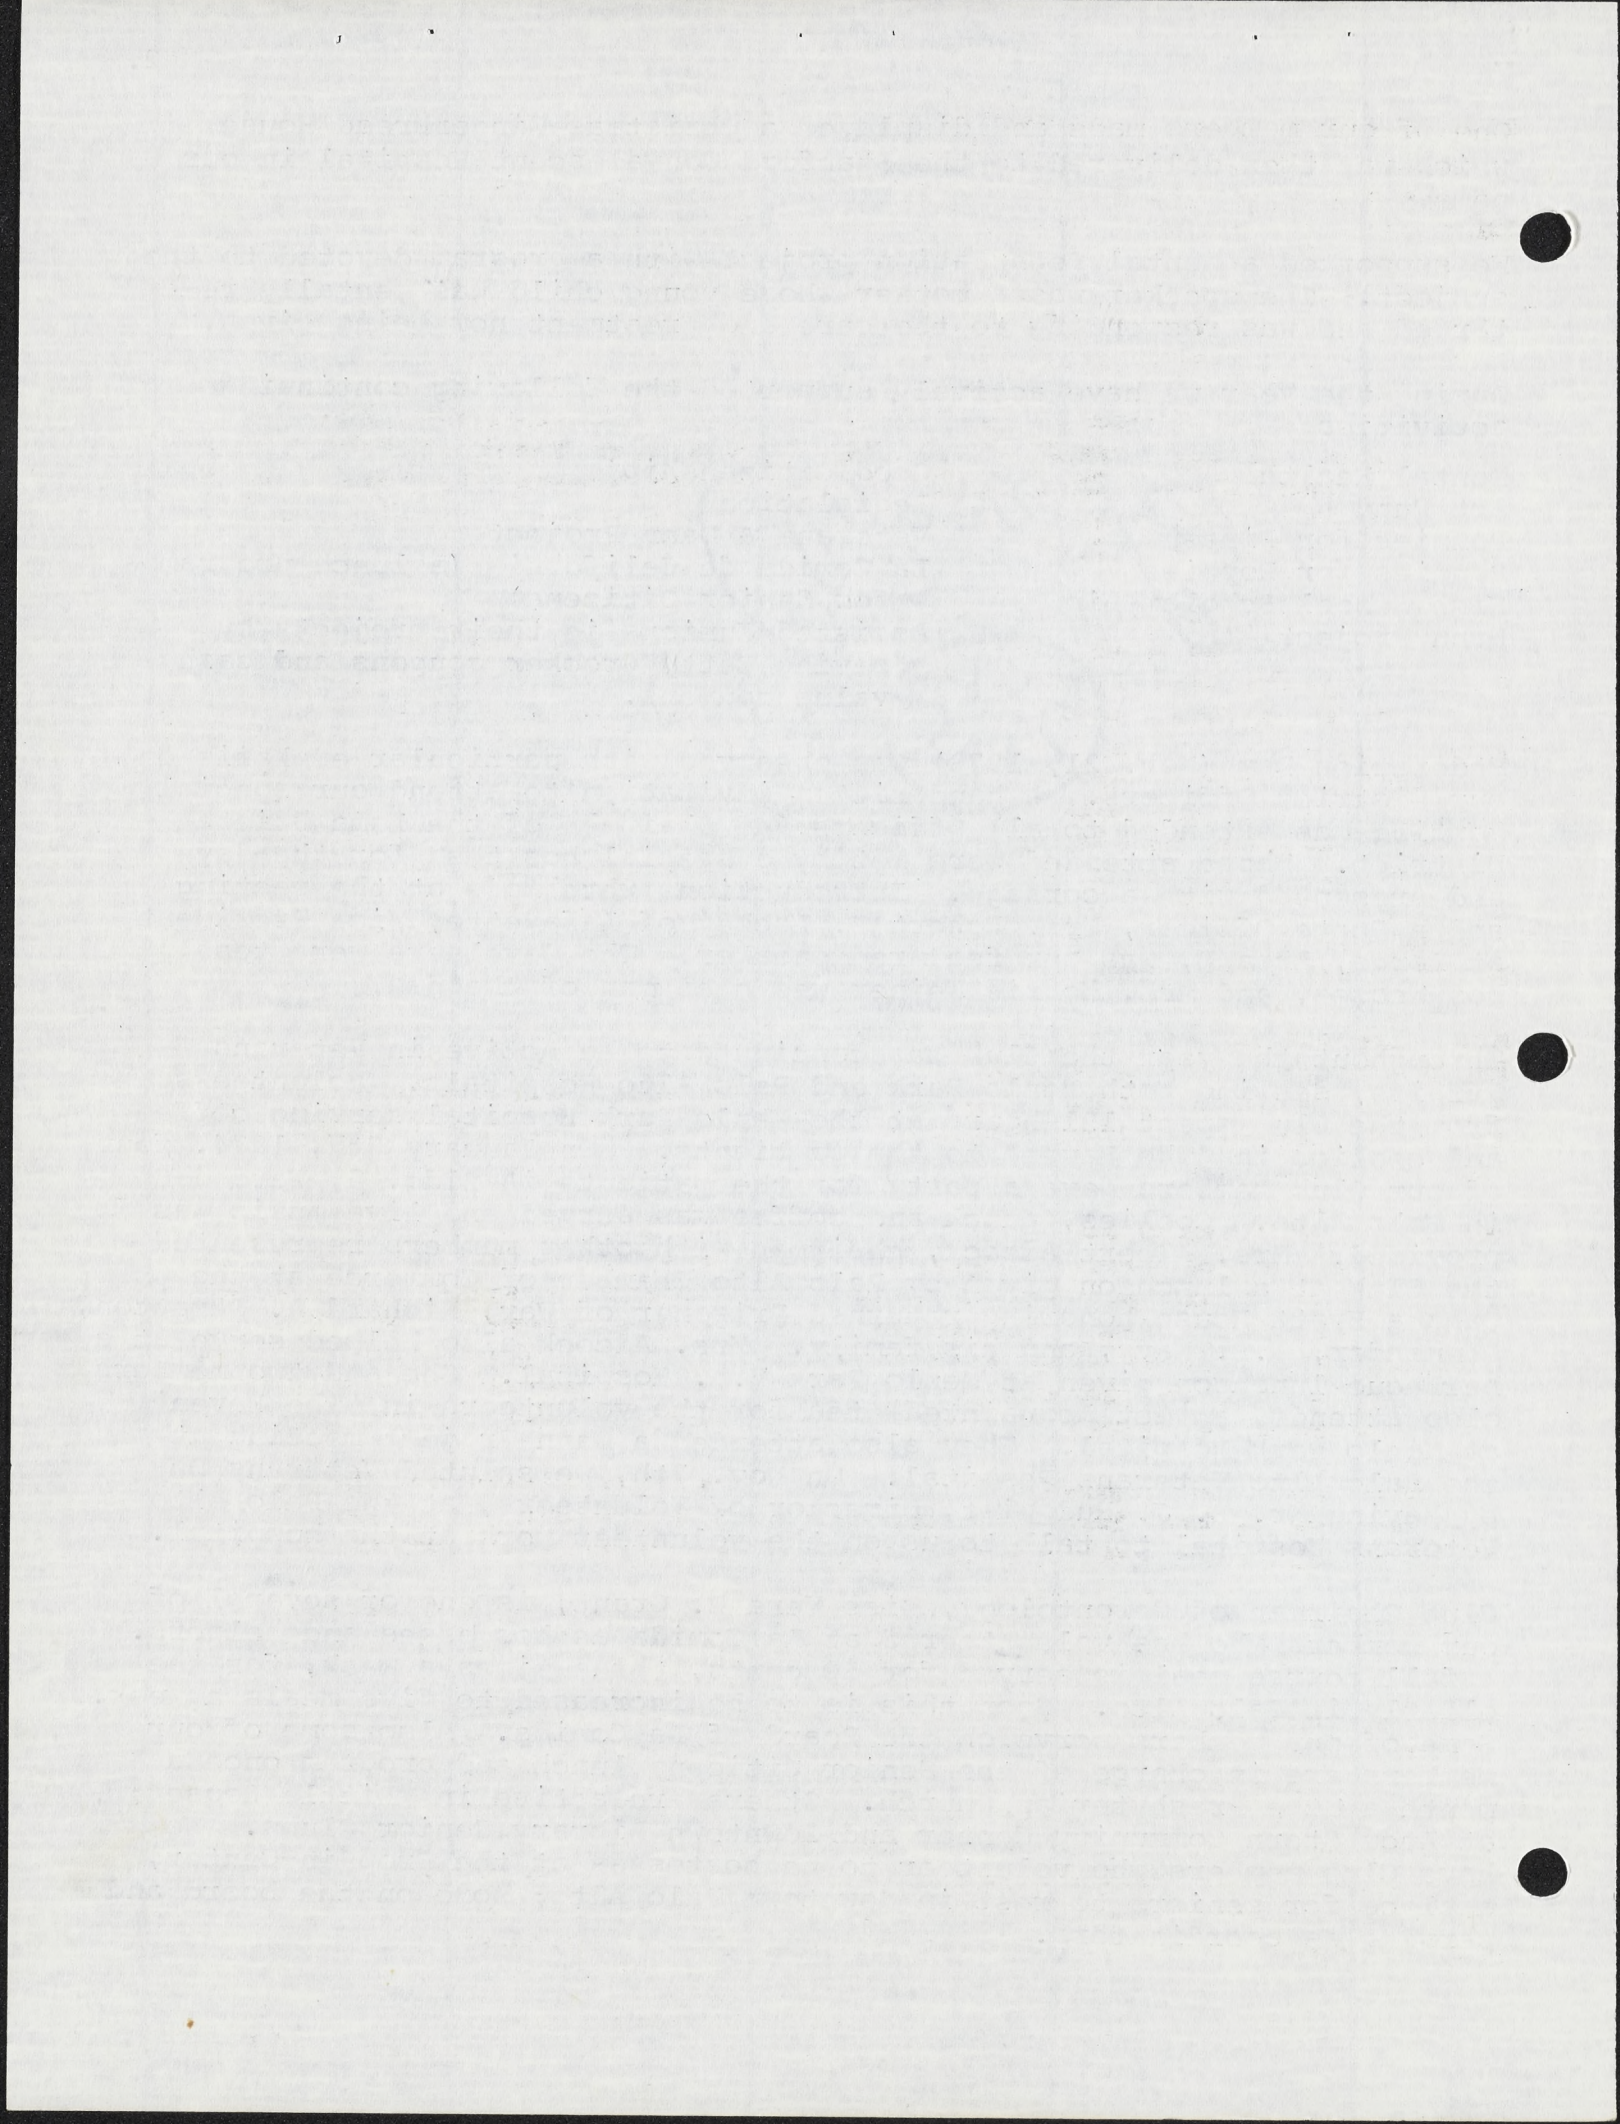

Our meetings were started with Lois Tamba, Good Citizenship Chairman, giving us the beautiful Collect; words and thought of which are good for all of us; The collect starts out with "Keep us O God"... (what faith we have to ask God to Keep Us), and the Collect ends with "and O Lord God, let us not forget to be kind". What wonderful words we are asking God to help us do...let us all try with God's help to be thoughtful and kind to one another.

The beautiful voice of Mrs. Lloyd Jordan lead the singing each meeting, accompanied by the Club Musician, Mrs. Alden Reed. Our Club observed Thanksgiving Day with the membership singing a Thanksgiving Hymn in unison. A solo "Bless This House" was rendered by the Music Chairman. Memorial services for departed members were held with readings from the Bible and with silent prayer.

Our members wrote letters to the National Aeronautics and Space Administration, Manned Spacecraft Center, Houston, Texas, commending the astronauts for their action in reading the Bible as a Christian message to the world from their spacecraft while orbiting the moon in December, 1968. An atheist crusader, Madeline Murray O'Hara, who succeeded in making it illegal to read the Bible or pray in the public schools, obtained 27,000 signed letters protesting the decision of the astronauts to read the Bible as mentioned above. We have the right as human beings to express our faith in God and the right to read the Bible publicly without fear of censure...how can one person do so much to try and change the world?

Christmas music from Cubberly High School Chorale group was the program on December 12, 1973. There were 22 voices, especially selected from the Cubberly choir, under the direction of Kenneth Peters. He has been at Cubberly since it opened in 1956. The money that was given to them for their performance was used for a trip to Oaxaca, Mexico, which is the "sister city" to Palo Alto.

One of our members made and displayed a Christmas Gingerbread House which was then delivered to the Stanford Convalescent Hospital in our name.

We supported a Mental Retardation project with a program devoted to the subject. The speaker was a mother whose young child was mentally retarded and was responding to the care and treatment now being given.

During the year we have actively supported the following continuing activities:

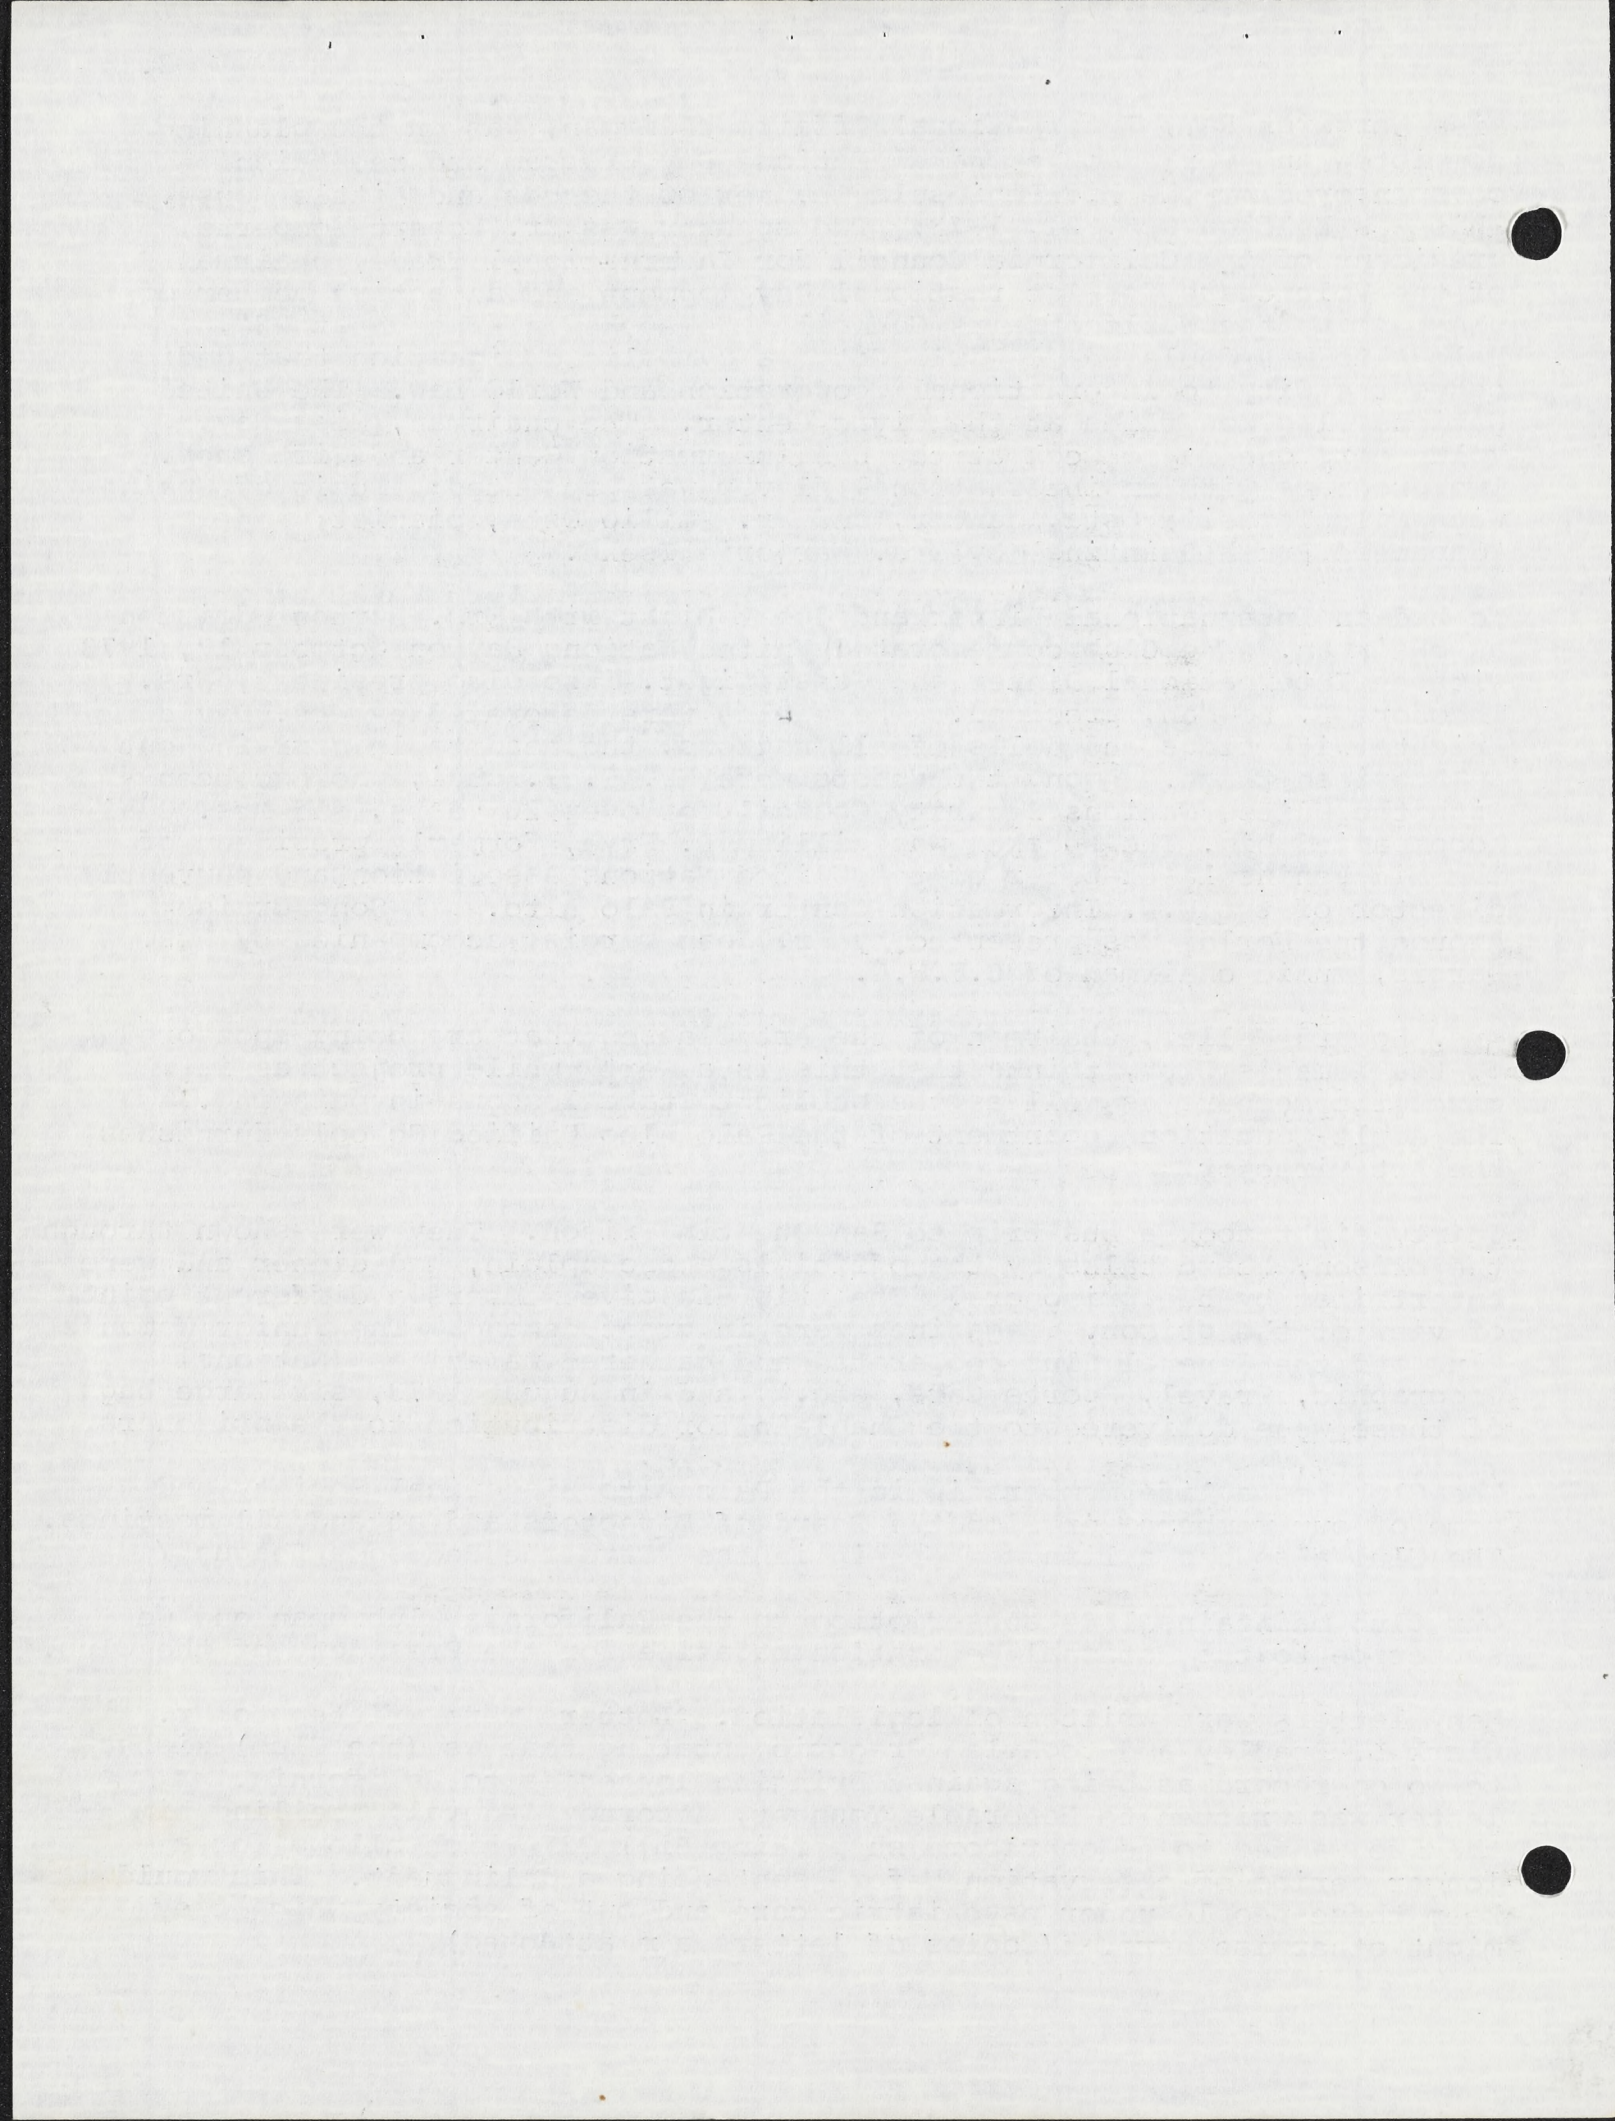

Mental Health	Good Citizenship'
Art Fund	Legislation
Pennies for Pines	Veterans & Dann Project
Pennies for Poppies	La Comida de California (a lunch program
High School Scholarship	for Senior Citizens)
Dann Project	Assisted Juniors in their projects by
	saving Betty Crocker coupons and cash
	value coupons.

Federation Day (Nov. 21, 1973) was observed with particular emphasis on our District Officers. A handwritten invitation to attend our special meeting was extended to all Officers and Chairmen of the Loma Prieta District. Those attended were met by a special hostess-for-the-day and presented with a corsage. Introductions were made at the meeting and a State Officer, Mrs. Robert H. Lockey of Lafayette, Vice President at Large, Area B, was our featured speaker. The Gaveleers were tea hostesses, and Mrs. Morris Weiner was chairman of the day.

Throughout the year the Club has continued to be active in Veterans Affairs, serving both Menlo Park and Palo Alto Hospitals. Volunteers from the Club spent 121 hours at the Menlo Park Hospital serving coffee and cookies in "The Haven" to the patients. On January 8th, 1974, four of our Club members gave a party for the patients in Bldg. 5, Ward 4-C in Palo Alto. Cookies, punch and coffee was served and live music was provided. Mrs. Albert Adcock, chairman with other members represented the Club at a luncheon given by Palo Alto Chamber of Commerce at the Cabana Hyatt House honoring returned Prisoner of War, Richard A. Stratton, Commander, U.S. Navy, and his family. Mrs. Adcock also helped serve at a barbeque luncheon given at Menlo Park V.A. Hospital. She and two members also attended a "Get Acquainted" tea for the volunteers in "The Haven" at Menlo Park Hospital. They also attended a Dann Project meeting at the Palo Alto Veterans Hospital. On Nov. 7th, we saluted Veterans Day by having Mr. B. J. Rudquist, Director of Volunteers, at the Palo Alto Veterans Hospital to talk to us on the volunteer work at the hospital.

Club Chairman of Gerontology, Miss Vera E. Grant, is one of several of our members who has volunteered at La Comida as hostesses and helpers. A full course meal is served for 50 cents, three times a week, for the elderly in Palo Alto. Soon this is to be increased to five meals a week. Some of our members serve on the Board of La Comida. Also some of our members are in charge of the Senior Citizens lunch and program once a month at the Presbyterian Church. Others are active in "Little House"; at Lucy Stern Community Center and Downtown Library Senior Clubs. We have Club members who volunteer to be hostesses at the Drop-in-Center, a place for seniors to rest in downtown Palo Alto; some on the board and serving as coordinators.

Miss Margaret Ray, International Affairs chairman, was on the planning committee and worked on a United Nations Day program and reception co-sponsored by the Mid-Peninsula Chapter of the UNA and Little House. This was held on Oct. 21, 1973. The speaker was Mr. Robert Gomperts, president of the California Council for International Trade, chairman of the Volunteers for International Development and an active member of UNA-USA and the World Affairs Council. He spoke on "The UN at 28". Palo Alto was declared "A World City" a symbolic designation that dedicates the City to International Cooperation and World Law. The United Nations Flag now flies at the Civic Center. The chairman, Miss Ray, volunteers one day a week at the UNA information Center and Gift shop. Two programs with an international flavor was presented: "Music of Spain" with Miss Teresita Osta, dancer, and Mr. Emilio Osta, pianist; and "Japanese Brush Painting" by Mrs. Marjorie Iseke.

We had an International Dinner and Guest Night with Mrs. Burton Edmiston as chairman. The Club commemorated United Nations Day on October 17, 1973 with an International Dinner and Guest Night. The club president, Mrs. Theodore E. Bowman, presided. The tables were decorated by Mrs. David Brichta with flags and dolls of all nations, the head table carrying out an American theme. Among the guests were Mr. F. Y. Chai, who had been with the United Nations Security Council for over 20 years, and Mrs. Chai accompanied him. The speaker was William E. Frye, formerly president of the Mid-Peninsula Chapter of the United Nations Association and currently director of the U.N. Information Center in Palo Alto. "A Song Cruise Around the World" was presented by Mr. Jean Dargis, accompanied by Mrs. Dargis, music chairman of C.F.W.C.

Mrs. Howard Weller, Chairman of the Art Classes that are being sponsored by the Woman's Club, thinks that this is a worth-while project as it gives the members as well as the public to take lessons in painting. The Adult Education Department of the Palo Alto Unified Schools furnishes the Art Director.

Thirty-eight took a bus trip to San Quentin Prison. They were shown through the prison, heard talks by the officials and chaplain, had dinner and were entertained by the prisoners. The trip did give members a different point of view of the prison. Magazines were in great demand. The Junior Woman's Club and the General Club cooperated and gathered magazines (National Geographic, Travel, Sports Cars, etc.), and in August 1973, six large bags of these were delivered to the Chaplain for distribution to the prisoners.

The Club has a life membership in the Palo Alto Historical Society and some of our members serve on the Board of Directors and attend all meetings. The Club also has a life membership in the "Save the Redwoods League".

Our Club maintains 100% subscription to the California Clubwoman and we subscribe to the National Federation magazine for the President of the Club.

Many letters were written on legislation. Letters were written to Mr. Clark L. Bradley and to Arlen Gregorio, stating that we (the Club) wishes to go on record as being against bringing lotteries to California. A letter was written to Honorable Younger, Attorney General, telling him that we wanted to be on record supporting Bill 237 which allows for a longer period of observation before sentencing a delinquent. This would keep these people under psychiatric care and out of society which they might otherwise harm. (Copies of letters are attached).

The Woman's Club of Palo Alto offers an annual scholarship of \$300.00 each Spring Semester to a member of the graduating class of one of the three senior high schools of the city of Palo Alto, rotating the scholarship each year. The Club established the scholarship in 1952 and has continued it every year since then. The recipient last Spring was Miss Synthia Jean Buchholz of Cubberley Senior High School. *Mr Phil Bodley, Chairman*

We were honored to have one of our members to be president of the Loma Prieta District, Mrs. Burton Edmiston. She also was Ways and Means Chairman for the Club. We have Merry-Go-Round Bridge all year with a play-off in May. We had 3 bridge benefits, June, July and August, 1973. Oct. 17, 1973 had an international dinner which was mentioned on page 3. Veteran's Benefit bridge party was held March 29th. Money went to the Dann Project. Charge was \$5.00 per table, members making up their own table. White elephants were donated for door prizes. Mrs. A.S. Adcock was chairman of Veterans and Armed Forces and Dann Project. Mini-Bazaar was held at the Club house Nov. 6. The featured booths were baked goods, white elephants, Christmas decorations and potted plants. A luncheon was served at noon time by the Junior Women's Club. Some of the other benefits and ways and Means projects were; Birthday Luncheon which is always a big success and very beautiful, having a hostess for each table and each table would have a complete lunch, different from any other. Members would bring the food. A Valentine Bridge Benefit was held Feb. 8th. Rummage Sale headed by Mrs. Lois Houghton on Feb. 11 and 12th. Fashion Show March 13th was a huge success having approximately 180 present, profitting \$577.45. Mrs. Helen Rowan was chairman with the help of Mrs. Phil Bodley, Mrs. Burton Edmiston; Mrs. Mrs. Lloyd Jordan, Mrs. Cleon Douglas sang duets for entertainment and Mrs. M. E. Lawrence accompanied them; Mrs. David Brichta did the decorations which were absolutely beautiful, and Mrs. Morris Weiner did the publicity. Mrs. Weiner was publicity chairman for the year and did a wonderful job in getting articles in the papers. The last money-raising affair was the "POW-WOW" Indian Scholarship Benefit Bridge in which we raised \$100.00 in which we gave for the Indian Scholarship fund.

Mrs. Weller and Mrs. Bodley secured ads for the year book and Miss Margaret Ray was chairman in compiling the year book and responsible of getting it printed. Mrs. Bodley ~~layed~~ <sup>set</sup> out the ads therefore saving the Club at least \$50.00. We netted \$975.00 in ads.

Mrs. Theodore Bowman, president was so very please in receiving the following awards at the Loma Prieta District Convention April 2-3-4, 1974; held in Santa Cruz with our own Mrs. Burton Edmiston, president of the District:

We received an "Award of Merit" 100% subscription to the California Club Woman magazine.

We received ~~three~~ <sup>four</sup> first awards in the large club category:

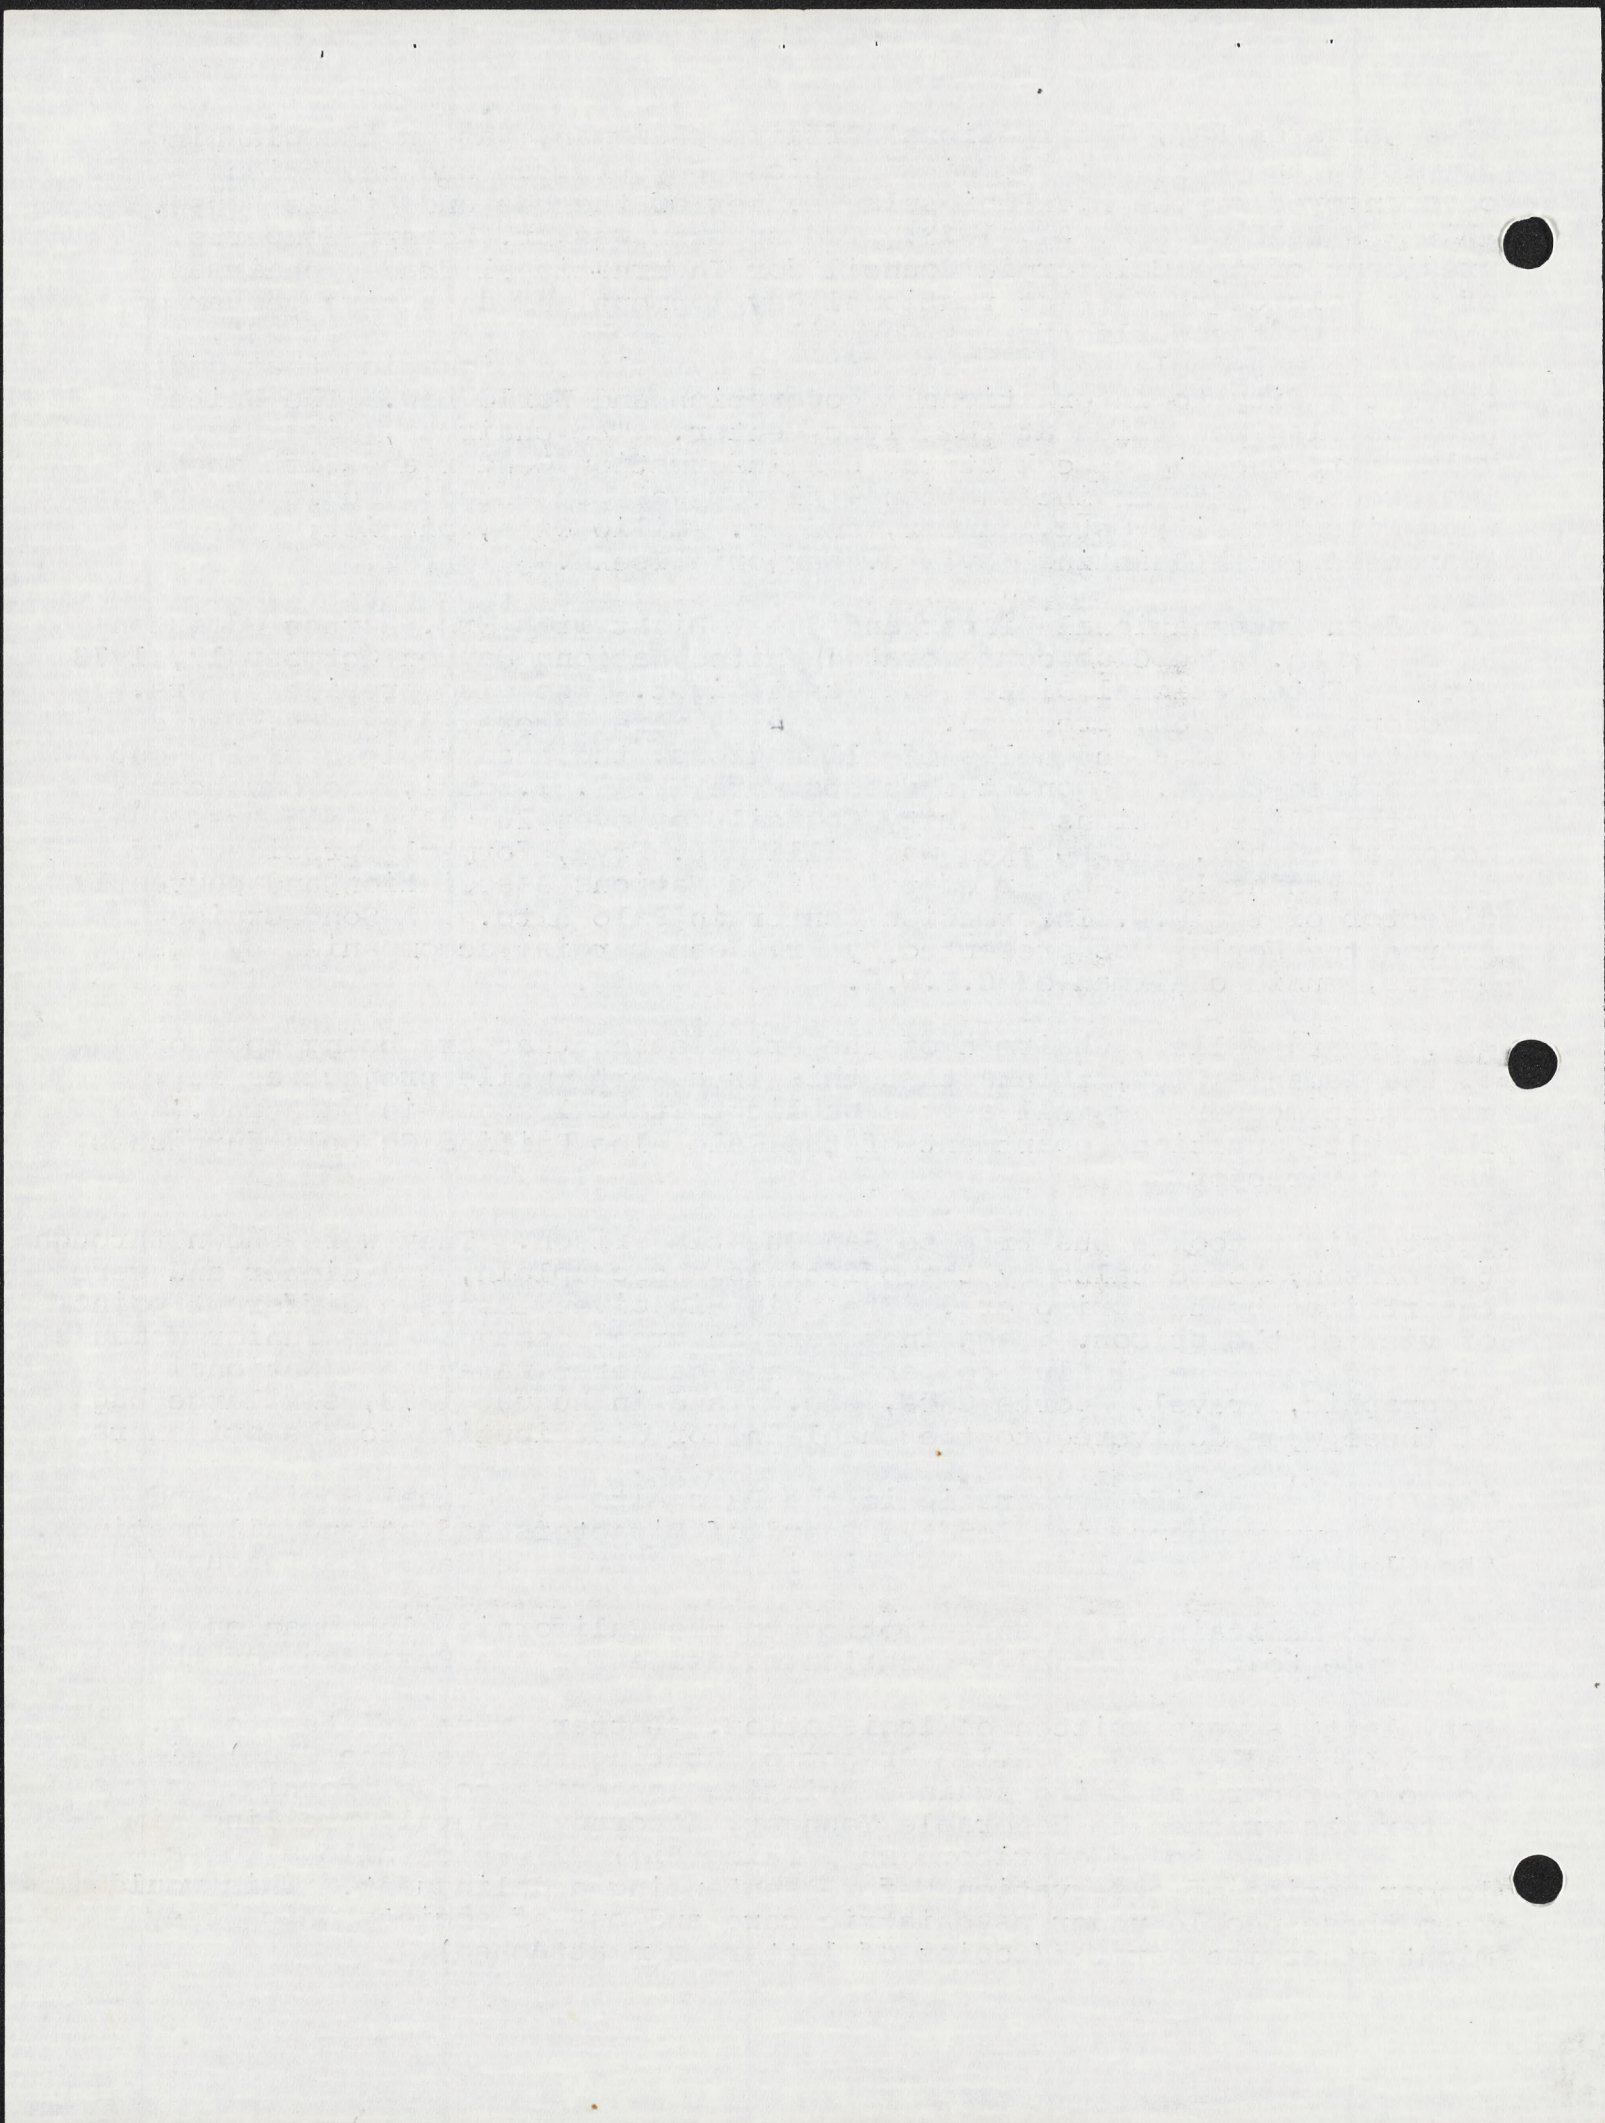

- 1) Legislation
- 2) Veterans
- 3) International Affairs
- 4) *Bulletin*

Then we had honorable mention in three categories:

- 1) California History
- 2) Indian Affairs
- 3) Public Speaking and Drama

We spent \$510.00 on programs. Our membership at the beginning of the year was 173 members. We took in 14 new members lost 7 by death and 1 resigned making a total as of ~~the end of this~~ May 1, 1974 - 179.

A COLLECT FOR CLUB WOMEN

Keep us, O God, from pettiness; let us be large in  
thought, in word, in deed.

Let us be done with fault-finding and leave off self-  
seeking.

May we put away all pretense and meet each other face  
to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm,  
serene, gentle.

Teach us to put into action our better impulses, straight-  
forward and unafraid.

Grant that we may realize that it is the little things  
that create differences; that in the big things of life  
we are at one.

And may we strive to touch and to know the great, common,  
human heart of us all, and O Lord God, let us not  
forget to be kind!

--Mary Stewart.

#### PLEDGE TO THE FLAG

*"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."*

#### THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag, and to defend it against all enemies.

—William Tyler Page.

IN MEMORIAM

 Mrs. Edward C. Meggers  
 Mrs. P. Bliss Olson

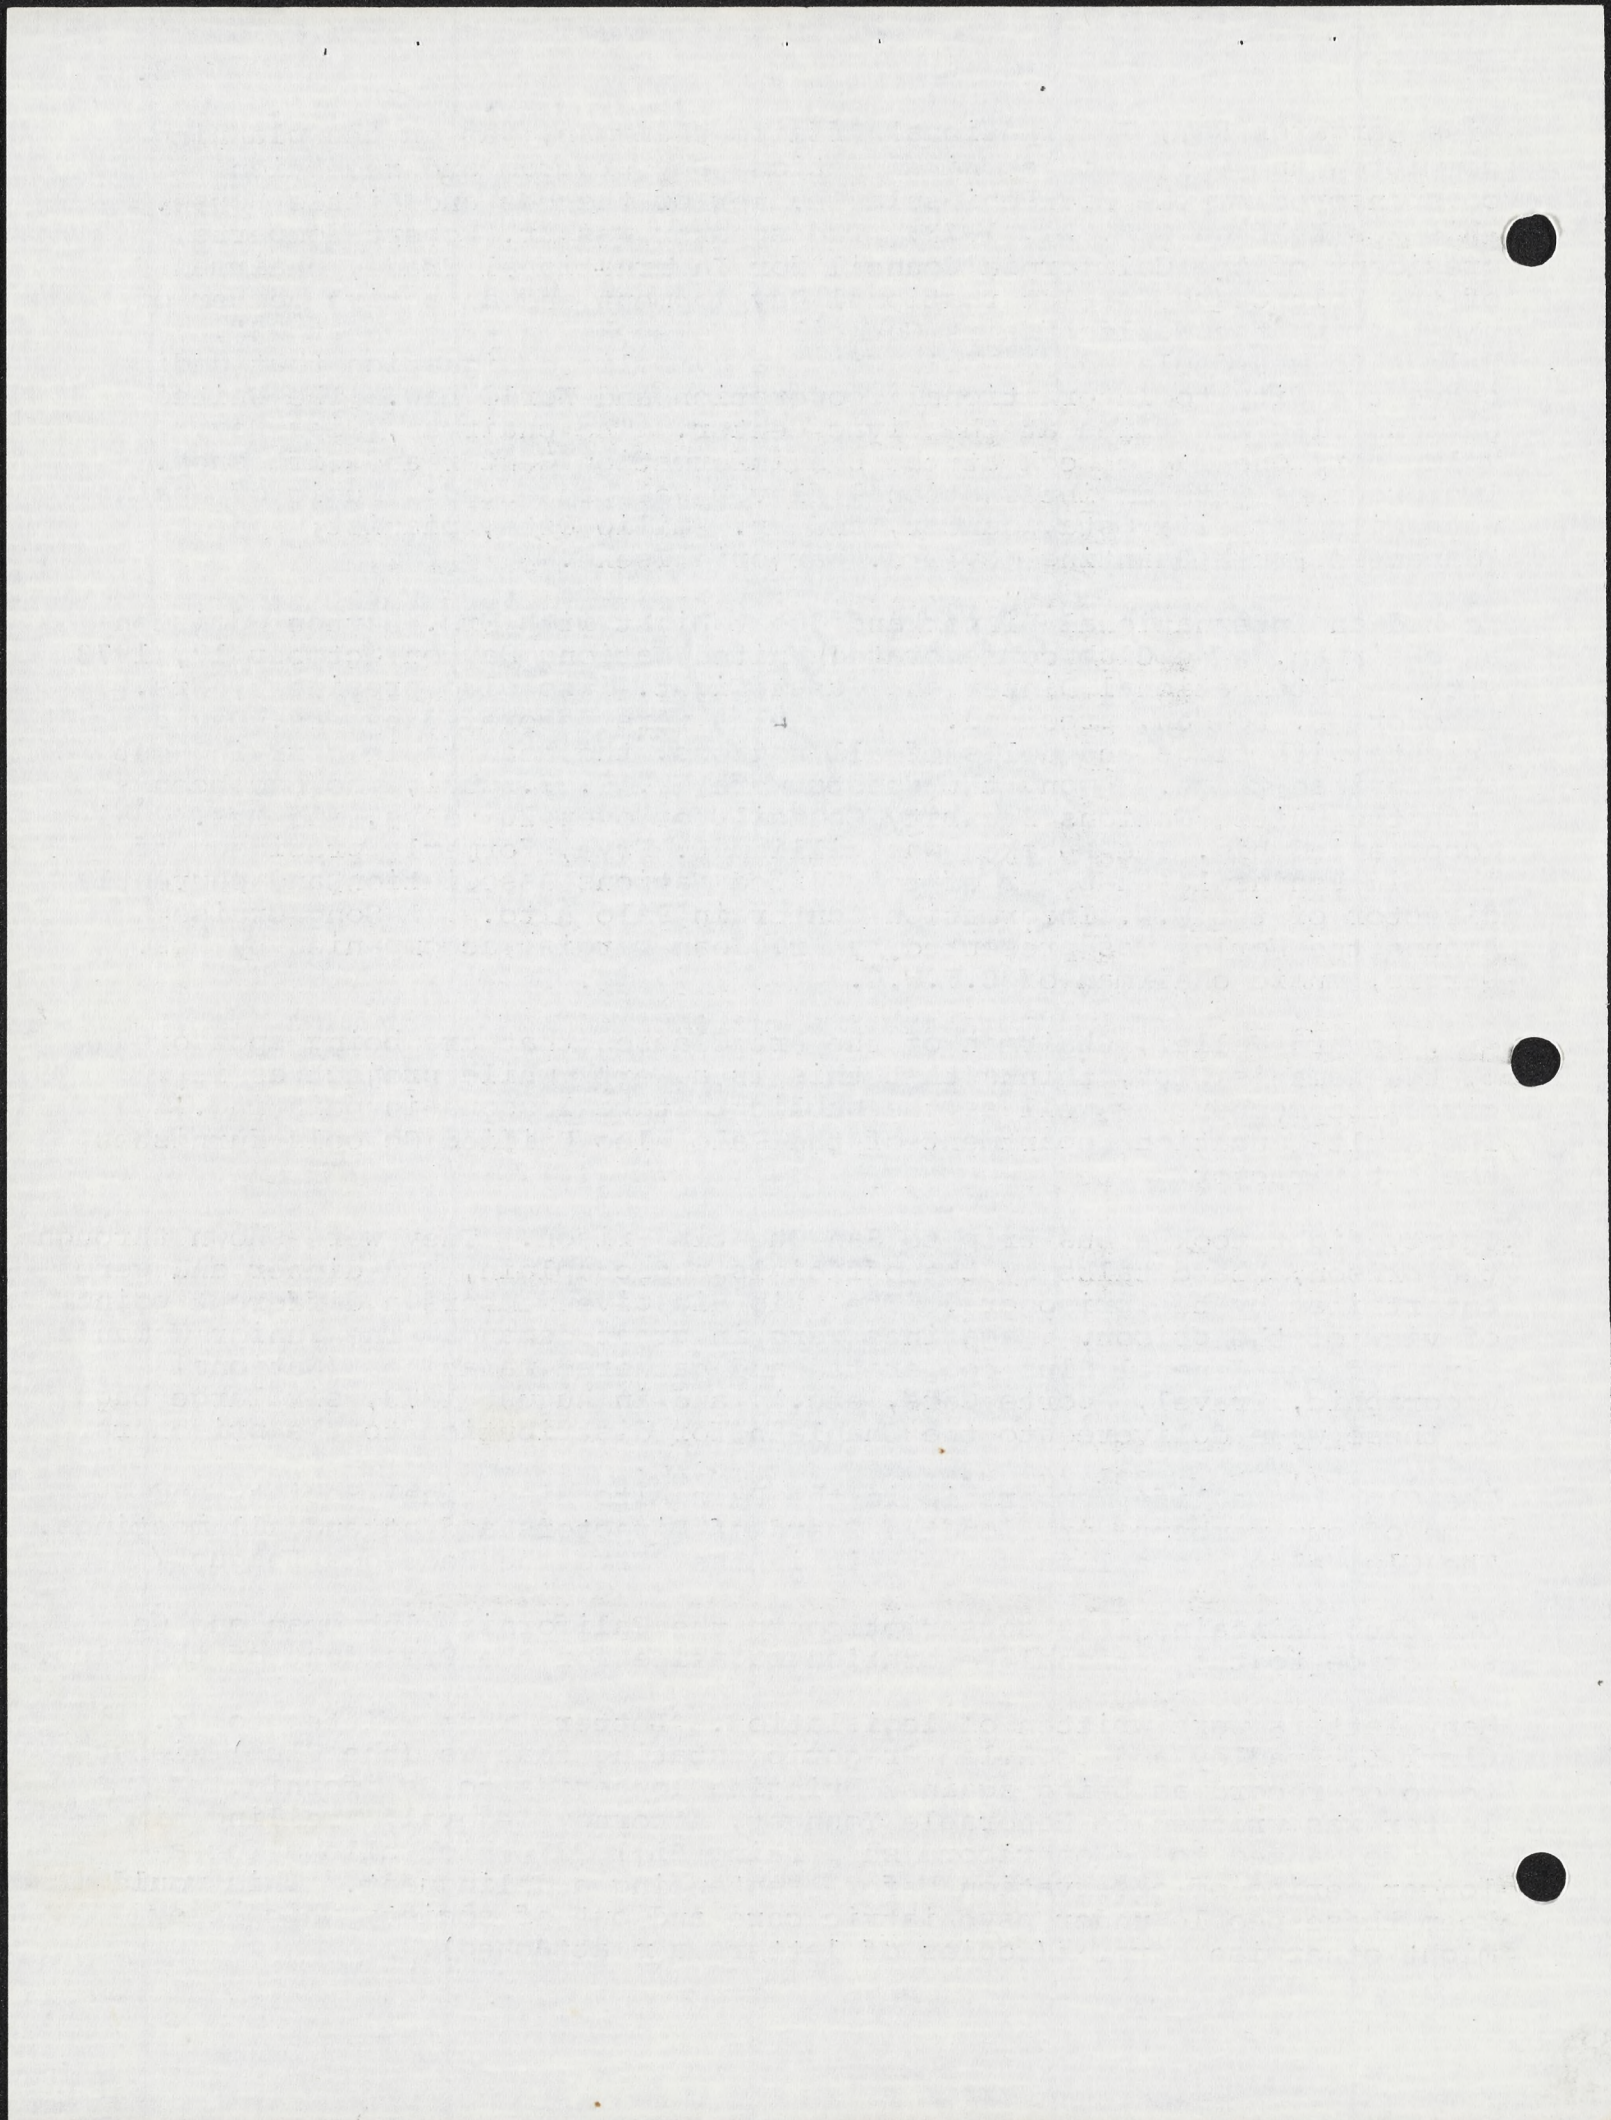

Twilight and evening bell,  
 and after that the dark!  
 And may there be no sadness of farewell,  
 When I embark;

For though from out our bourne of Time and Place  
 the flood may bear me far,  
 I hope to see my Pilot face to face  
 When I have crossed the bar.

Landmark No. 857

Palo Alto, California

DEDICATION PROGRAM

January 27, 1973

## PROGRAM NOTES

The John Adams Squire House, built in 1904, represented an architectural innovation in unpretentious Palo Alto of that era and remains one of the few examples of this state's interpretation of the Greco-Roman classic revival movement in America. Designed by T. Paterson Ross, a young creative San Francisco architect, and well-constructed by George W. Mosher, a conscientious builder of many homes in the area, the Squire House weathered the 1906 earthquake with minor damage. This stately old house is remarkably sound in its present condition, reflecting the care of a discriminating family who occupied it until 1961.

With a history nearly as old as Palo Alto itself, the Squire House retains much of its original character as a symbol of dignity and an important link with the past. Visitors and citizens have long recognized it as one of the great landmarks of Palo Alto. It speaks to the present concerning values of life of the past which are now lost but which should not be forgotten. An excellent example both historically and architecturally, the Squire House represents the preservation of the origin that was Palo Alto, and a recognition and respect for the heritage that is ours.

HISTORICAL NOTES

The John Adams Squire House was built in 1904-05. The architect was T. Paterson Ross of San Francisco and the contractor was George Mosher, builder of many early Palo Alto houses. Its cost was approximately \$16,000.

After the unrestrained Victorian era, the "period house" emerged as a popular architectural form in the early 1900's. Houses designed in this manner were not intended to be precise replicas of a particular national style, but attempted to radiate the aura of an admired European past.

The Squire House is a rare and imposing example of the Roman-based classical style erected in this country from about 1903-1925. The imposing front portico with its fluted columns and triangular pediment is reminiscent of Greek temples, but more precisely, is taken from Roman copies of Greek forms. The Palladian window above the front entrance and the Tuscan secondary columns are thoroughly Roman.

In its early days, when University Avenue ended at Hale, this handsome residence stood almost alone in the grain fields. Its only neighbor was the J. W. Dayan mansion across University, now scarcely visible through the trees. The approaches to both prominent structures were lined with palms, possibly to repeat the palm drive at the other end of the Avenue.

Let us preserve the Squire House so that it will be a visible, accessible example of the past out of which grows community identity and a respect and sensitivity for our heritage.

# A COLLECT FOR CLUB WOMEN

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

—Mary Stewart.

Colorado, 1904.

#### PLEDGE TO THE FLAG

*"I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all."*

#### THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable, established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to  
to support its Constitution; to obey its laws;

#### PRESIDENT'S MESSAGE

"Let us put our house in order."  
One of our members said to me,  
'Charity begins at home,' so let  
us get on with this work with  
dedication yet at the same time  
get on with other work of our  
club.

Mrs. Wm. F. Bly  
Mrs. L. M. Cook  
Mrs. A. J. Zschokke

Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell,  
When I embark;

For though from out our bourne of Time and Place  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar.

THE WOMAN'S CLUB OF PALO ALTO

Mrs. Phil R. Bodley, President  
26595 Ascension Drive  
Los Altos Hills, Ca. 94022  
(415) 948-8877

Great events, we often find, on little things depend,  
And very small beginnings have oft a mighty end.

The Woman's Club of Palo Alto is a Club of one hundred fifty  
Who love to be together - And are they nifty!

Twenty-five members did not miss a meeting  
They are the ones their president will be greeting!  
A dinner party, she's planning, playing bridge and having fun  
And if they were a little younger, they would jog and run!!

We tried a little different this year, for we had members who cared;  
The telephone committee would call, and tell members things they could share.  
If they didn't have a way to get to the Club  
The transportation committee of eight  
Would pick the members up, and they all felt great!

We had summer luncheons, potlucks, bridge parties galore  
A fashion show was a big deal, but not a chore.  
We had good speakers, we helped the veterans, our brothers  
We showed them love toward one another.

We didn't waste one day or poorly spent  
We left a trend of kindness where ever we went  
And surely no scar of discontent!

Sometimes it helps a little, when skies are overcast  
To remember that tomorrow - this day's troubles will be past.  
And tomorrow always brings new strength, new courage, too, some way..  
For each dawn's a bright beginning, and each day's a brand-new day.

We had 35 department chairmen, twenty six reported  
What can I say as president, to each of those dear ones?  
I guess a prayer to God in gratitude, for all that they have done,  
And to petition Him for strength...In decision to be won.

And answer every call, especially for charity, however great or small,  
And just to have the friendly smile, that brightens up the day  
And does so much to lighten cares, and takes the cares away.

Yes these, I think are all of them...A prayer, a deed, a smile  
To fill the world with happiness...and make this life worthwhile!

## 1971-1972 REPORT

PRESIDENT: Mrs. Phil Bodley

(Here it is March 1, 1978 - and a report has not been made for the year of Service when I was President. I, Grace Bodley, will attempt to remember and also dig-up memories of that year.)

In my term of office as president, my thought was to "DO FOR OTHERS" and be "BUILDERS IN SERVICE FOR OUR COMMUNITY" which was my motto for the year.

I have been a member in this Club since 1962 and I had been printing their Year-book before that, also for years after I joined I was Publicity Chairman but did not carry the honor as I could not attend, but a nice little lady who was on crutches, came to my office "West Coast Lithographers" with the news and I would type it up and send it to many newspapers. So, I was familiar with the Club and as soon as I finished being President of the Soroptimist Club, and had the pleasure of being a Past President and a "Life Member" I got busy helping out in the Woman's Club of Palo Alto.

I worked all summer in 1971, setting up plans, getting chairmen, selling ads for the year book, around \$2000.00 worth of ads. We worked all summer each Monday from 9:30 A.M. to noon, making beautiful things for our Bazaar. I set up Braille Lessons at the Clubhouse to start in the Fall of 1971. Also Current Events, Readings and Book Reviews. We collected Blue Chips to help a lady get her own Braille Machine. The Department of Adult Education, Palo Alto Unified School District worked with me to set up these classes at the Club: ART, BRAILLE, CURRENT EVENTS, READINGS AND BOOK REVIEWS. We also started a Bowling Team and entered in competition at the Fiesta Lanes. Grace won the 1971-1972 Achievement Award in this large League - she had the most improved average in the League. Also during the summer Grace made folders for each of the chairmen, printed the by-laws of the Club and Standing Rules and put them in the folder and also suggestions for them to carry on their work. So you see, in the summer of 1971 I was a real busy person. (Attached is the first bulletin. The bulletins have been a good thing as they are still sending them out to the members - I was glad the Board approved it).

CREATIVE WOMEN IN ACTION is a title that I gave our women. I wanted to get as many members involved as possible. We had 17 active members on the Board; 60 on the Stand Committees; 33 Department Chairmen; each one of those had committees from 4 to 8; 50 more at least worked under special events and bridge sections. Many of our members worked on teas, also we involved members in our programs by introducing the speaker.

The Executive Board was a very fine board of which I was so very grateful:

We had a speaker on Ecology. New trees were planted at the Clubhouse.
- 3) Gardens and Beautification - Chairman: Mrs. Philip Rowan  
Forty two members went on a bus to see the Flower Festival at the Hall of Flowers in San Francisco. Members also attended the Santa Clara Fair and Mrs. Ralph Monroe won a Blue Ribbon and a check as well for a plant that she exhibited. Mrs. Monroe also won 2 ribbons in the Horticultural Section and Mrs. Philip Rowan won five ribbons in the Horticultural Section and one in the Artistic Division partaking in the Standard Flower Show in Palo Alto. The Garden and Beautification section was instrumental in developing various outdoor gardens for display at the Concours d'Elegance Show held in Palo Alto to benefit the Lions Club Charities and the Community Association for Retarded Inc. Plants were displayed and sold at our Club Bazaar. This chairman told the members in the bulletin or at Club and among her section what books were available at the Palo Alto Library; they took pictures of the flowers and had many discussions concerning them; how to prune, and how to grow beautiful roses. They took plants to the hospital so that the Nuns could appreciate them.
- 4) California Heritage and Tours - Chairman: Mrs. Iola Sparks  
One of the highlights was to the Johnson and Shipstad Ice Follies in San Francisco. This was the first tour of the year and we had a busload of members. In cooperation with our Garden Section another trip was also to San Francisco County Fair, which was the Flower Show at Golden Gate Park. It was a delight as we saw a ballet and had a special tour of the Arboretum. On the way to San Francisco we had lunch at the Castaways at Coyote Point in Burlingame. October brought a treat to the Tour Section, something new in the way of Fashion Shows: The British Week Fashion Show. It was held at the Sheraton-Palace Hotel in San Francisco. The fourth tour was a Christmas Shopping trip to the Eastridge Shopping Center in San Jose. We had lunch at the Liberty House's Eucalyptus Room.

Each year a scholarship is given to a Palo Alto High School Senior. An Indian Scholarship in the sum of \$100 was given to Maple Creek Willie Indian group. This is raised at a Pow Wow Bridge, an annual Club event.

The Crafts Section met each Monday morning all summer long and through November, making many items for our Bazaar: Christmas items, towels, pillowcases, dolls and many et ceteras. The Bazaar netted \$425.00. Each meeting the Craft Chairman decorates the Presidents' table and the auditorium. Corsages are made from flowers brought by Club members from their gardens. The Tea table is decorated by the committee for the day. A Birthday Luncheon was held. A table for each month was decorated suitably by each table's hostess. For dessert, our Craft Chairman made a large decorated Birthday Cake, much enjoyed by all. Many of our members also belong to the Lucie Stern Community Center group of Senior Citizens and showed some of their craft work at the Center's Talent Show. One Club member showed the clothes she had made for a trip to Europe, including dresses, suits, a coat and hats. Other members dressed dolls or made favorite pastries.

The program at our opening reception was a concert by the Palo Alto Chamber Orchestra, comprised of teen-age musicians, who have won the admiration and respect of our community for their dedicated work in presenting excellent concerts. Our President Grace, presented them with an Honorarium of \$100.00 from the Club. They were given an opportunity following the program to promote ticket sales for their coming series of public concerts.

At each meeting the Music Chairman and Song Leader select a patriotic song, then accompany and lead the members in singing the song. Club talent was stressed at our December 1st meeting, with the ex tempore Choir singing a group of Christmas carols. A brief history of the carols was prepared by the Music Chairman and read by the Song Leader. Mrs. May Lutz, a Club member, gave a book review of her latest book of poems "Song for a New Generation," and she told of her activities in helping young people with Poetry Therapy.

On Feb. 2, 1972, a special program on "American Heritage" was given by a member.

She read a prayer by Thomas Jefferson, and spoke briefly of the beginning of our country's government, then showed pictures of the site of the first American Colony at Jamestown - plus many other pictures of historic places in our early days.

Members served on jury, on Election Board, attend court trials, attend City Council and Planning Commission meetings and work on many committees for the betterment of the Aging, and the Youth.

Many Club benefits were held for our Veterans, and special attention was given to the Dann, Inc. rehabilitation program. Parties and meals served at Half Way Houses, plus many useful items for this house; books and magazines, etc. Our Tour director arranged charter day bus trips to various points of historic interests for members.

- 2) Community Improvement Program - Miss Amelia Anderson was appointed chairman but she met with an accident and was killed. Mrs. Bodley, the president took over this chairmanship.

We called this CREATIVE WOMEN IN ACTION. I went to the Department of Adult Education, of the Palo Alto Unified School District and talked to Dr. Damon, and asked him if the School would furnish instructors/teachers for three classes to be held at our Clubhouse. He agreed that it would be a fine idea and in September, the start of the School year, these 3 classes were started. All open to the public and only a \$3.00 registration fee!

FIRST: Our main project were the classes in BRILLE. Club members and others learned to type Braille, with the aim of helping to make master copies of text books which will be duplicated for blind students to use in school. There were 25 in this class. They met on Monday mornings each week at the Clubhouse. The Adult Education furnished the Braille machines for the class. However, Mrs. Bodley bought her own machine. Members donated blue chip stamps to help a non-member get a braille machine - she had only half enough stamps and we, the Club members gave her the balance needed. This class carried on for one year.

SECOND: Art classes entered by beginners and advanced, acrylic and oil. An art show was held in November and four ribbons awarded. A class of 34 met each Thursday morning at the Clubhouse. This class carried on for 4 years.

THIRD: Current events class for the seniors of the community. There were also some men who enjoyed this class. However, it terminated at the end of the school term.

Art lessons, I think, fills a desire in a person, and to have this opportunity when over the age of 60, is gratifying. Most of these senior citizens are alone, they have lost their loved ones, they need something to do. Our Club this year tried to bring happiness into their lives.

- 3) Crime Prevention and Rehabilitation - Chairman: Mrs. Thelo A. Perrott  
Our chairman, and her committee visited the local Police Dept. and talked with the agents in the Crime Prevention Bureau about the different ways we, as individuals can help to prevent burglaries and robberies, which are so prevalent. April 5th Chief of Police, James Zurcher, of the Palo Alto Police Dept. talked to us on Crime Prevention and Rehabilitation. He emphasized Safety for women, on the streets and in the house. Our Legislation chairman told us about various issues coming up in the State Legislature, and urges us to write to our representatives on controversial issues, such as legalized gambling, pari-mutual racing, etc.

4) Environmental Health (Health and welfare & mental health) - chairman:

Mrs. Harry Kesterson

We had an illustrated talk on Diet and Weight Control; a talk, with film, on Fault Hazards of the Bay Area; a talk, with film, on the work being done at the Veterans Hospital. Members served as hostesses at a local Drop-In Center downtown Palo Alto, for elderly people who need a rest. Letters were sent asking the Palo Alto Transit Co. and the City of Palo Alto to give special bus rates to the elderly or handicapped. 5¢ fares for elderly was started on March 1st on a short term experimental basis. The Club is cooperating with the Junior Club to collect used eye glasses to be given to the Lions Club for their blind project Direct Relief, to be re-cycled. Items left over from rummage sales are given to the Goodwill, or East Palo Alto Community Service Center. A gift of \$40.00 was given to Epilepsy Foundation. Four members attended an Ad Hoc meeting to plan meals for the elderly. This is sponsored by the Kiwanis Club. There will be 3 low cost noon time lunches served each week, so that the elderly people living in downtown area can be sure to have a balanced diet at least part of the time. These meals were given in a local church, downtown.

Letters were written by Mrs. Broderson, Legislation chairman, against giving contraceptives to teenage girls without parents knowledge or consent.

The president, Diane Smith, of the Palo Alto Junior Woman's Club and members of our Club worked together on a committee for the proposed Drug Task Force program, and have attended their meetings.

5) Indian Affairs - Chairman: Mrs. T. O. Dowdell

An annual Pow Wow Bridge was held for the benefit of our Maple Creek Willie Indian Scholarship Fund. We gave \$100.00. Members went on a charter bus tour to Oakland Museum, to see the display of Hoope Indians there. A member told us of her trip to Jamestown, where the first American colony was settled. She showed many pictures of the area, and told about the friendliness of the Indians who taught the people how to survive, what plants to grow, etc.

6) Legislation - Chairman: Mrs. Henry Broderson

Our chairman, Mrs. Broderson certainly kept us informed about certain measures coming up in the State Legislature. June 23, 1971, a letter of protest against legalized gambling in California was sent to the Speaker of the Assembly at Sacramento and to the Senators of the 12th and 14th Senatorial Districts; to the various Assemblymen, and to the Secretary of the Army U.S.A., as authorized by the Board and Membership of the Woman's Club of Palo Alto.

Through the efforts of our Chairman in our own and other groups she had alerted us - floods of letters were written against a proposed speedway in Mt. View. It was defeated. Letters of protest against legalized prostitution was sent to our Legislators. Traditionally our Club has opposed liquor licenses near schools, playgrounds and hospitals. Because of our protests, Palo Alto and Menlo Park have been free from these objectionable places. Many of our members attended hearings, protesting granting of license adjacent to Palo Alto High School. This year the present Superintendent and Principal did not appear and the case was lost. Stanford University lawyers were able to have the old clause written into all downtown Palo Alto property deeds by Timothy Hopkins, viz; no liquor could ever be sold on that property or it would revert to Stanford University. It was declared obsolete.

As President of the Woman's Club and owner of a print shop, West Coast Lithographers, I typed all of Mrs. Broderson's letters for her and there were many. She is a remarkable lady and we do so appreciate her.

I am writing this History March 6th, 1978, and it will be my happy privilege to give Mrs. Henry Broderson, an Honorary membership card two days from now at our Luncheon and Fashion Show. I proposed her name a month ago and the membership voted to give her this honor last meeting. I am so very happy, for I am sure it will make her happy!!

7) Safety - Chairman: Mrs. Theodore E. Bowman

At each meeting, hints on Safety are given briefly by this Chairman. Program speaker with slides on Preventive Medicine; Speaker, Mr. Timothy Hall on "Fault Hazards" and a 50 min. film; Chief of Police, James Zürcher spoke on "Crime Prevention and Rehabilitation with emphasis on Safety for women. Approximately 1000 pamphlets on bicycle and kite flying safety was distributed to schools. In cooperation with the Junior Woman's Club, pamphlets were distributed on boating and water safety at the Annual Boat Show at Mayfield Mall.

8) Status of Women - Chairman: Mrs. J. E. Tuomy

This year our Club became Life Member of the Palo Alto Historical Society, to which it has belonged for many years. Four Woman's Club members are on the Board of the La Comida lunch program, which comes under Government Grant Title 3 of Federal Funds. The real name is "La Comida of California de California" and it is a non-profit corporation established in 1972 by the Rotary Club of Palo Alto, with help from service clubs and local merchants, to provide low-cost meals for seniors in the area. 90% of the funds are provided by the Federal government and supplemented by the County of Santa Clara. It is funded for a specific number of meals; to avoid turning anyone away, additional meals are made possible by local donations. The majority of the Board and volunteers are seniors.

Our Women work on many projects and gave over 1300 hours of time total. The projects are mentioned in other parts of this History so will not repeat them.

9) Public Affairs - Chairman: Mrs. Ralph J. Monroe  
Veterans and Armed Forces (Dann Project)

We gave a Christmas party for the veterans at the Dann House in Palo Alto. We served 14 veterans and 4 nurses. We had the State and District Chairmen of Veterans and Armed Forces speak at a meeting. Letters were written by members in support of Santa Clara County Prisoners of War. Many of the members went to the Half-Way House, taking food and 5 oil paintings with frames which was donated to the house for their enjoyment. We also support the Haven at the Menlo Park Div. with cash as well as hostess for teas and get-togethers. The Club contributes \$10.00 per month to the Veterans Hospital in Menlo Park which goes toward buying cookies. The members served 100 hours during the year.

FEDERATION EXTENSION AND COMMITTEES - 3 chairmen1) Junior-General Membership Coordinators - Mrs. Ralph Monroe and Mrs. Melvin Bentley

The Federated Woman's Club of Palo Alto sponsored the Junior Woman's Club of Palo Alto in 1941-1942. The Junior Woman's Club, consisting of 21 members, are an active group, dedicated to "helping others." Our motto together is "getting involved" and "DOING FOR OTHERS."

At the beginning of the year, there was a feeling of lack of communication between the two Clubs. It seemed that this had been felt by the Juniors for a few years. We felt that the Juniors wanted to pull away from the general Club who had been their sponsors for thirty years. Both Clubs made an effort to get to know each other; be more friendly, help each other in many small ways, show love. This, I know was accomplished. This was most important in the minds of both President Grace of the General Club and President Diane Smith, of the Junior Club. First, they got to know each other; learned of each ones feelings; tried to get the two groups together by getting involved.

We appointed an associated coordinator so that either the coordinator or the Associate Coordinator could attend all of their meetings. This worked out well; the Assistant Coordinator was learning what is expected of her if she should be appointed to be the Coordinator for the next year.

The president of the General Club, Mrs. Bodley attended Los Altos District meeting in September, Area A meeting in October and "Las Vegas Night" in October, and attended the Reciprocity Day, March 11, at Waikiki Village in Los Gatos. The Junior Club President, Diane Smith, attended all general Club Board meetings and most of the regular meetings of our Club.

We made an effort to have a closer relationship with them. I sincerely believe they have realized that we are their sponsors and we are ready to help them in anything, and that we are a friendly group of women. We had found in them, during the year that they were a dedicated group of young women who wanted to get involved, and get better acquainted. Most important, we felt that a harmonious atmosphere prevailed.

We honored the Juniors at one of our meetings. We had a potluck lunch and the Juniors furnished the entertainment. We presented the Junior Club with \$100.00 to help them with their projects. We also honored the coordinators by giving them each a gift. This was the beginning of involvement and togetherness.

The Junior Club was given the opportunity to serve breakfast and luncheon at the Bazaar held at our Clubhouse. The Juniors made \$125.00. The two Clubs divided the fee of 68.00 for Penny Pines. Mrs. Bodley did printing for the Juniors free of charge.

I, president of the General Club, always called on the President of the Junior Club to speak first before any of her chairmen at each board meeting and at the regular meetings of the Club. We had good communication at all times, free to discuss mutual problems, a genuine interest in developing "togetherness," important to attend district meetings together and above all show that "you care about what the Junior Club is doing."

It is traditional for the Juniors to use the Club house without charge. On February 12th, the Juniors observed "Past President's" night at which time the General Club President and Coordinators were honored.

On June 5th, 1972, the Senior Club President, Mrs. Bodley and her husband Phil, entertained at a "get-acquainted party" at their home. There were 75 members and their husbands present and the Junior President, Mrs. Diane Smith, and her husband were our special guests.

We tried all year to better our relationship with the Juniors and be of some assistance whenever needed without pushing ourselves. We have included them in all of our socials, board meetings, regular meetings, tours and birthday parties, etc. The president of the Junior Club, Diane Smith, is a gracious person and I, Grace Bodley, president of the General Club, have enjoyed working together and both of us willing to "DO FOR OTHERS" what we can.

#### WORDS FROM THE COORDINATOR - Willawise Monroe:

It has been a pleasure to be the Coordinator for the Palo Alto Junior Women's Club. During the 1971-1972 year there has been a conscious and directed effort on the part of the Palo Alto Woman's Club and the Junior Club to communicate and become acquainted with each other. The Coordinator or Assistant Coordinator attended every meeting of the Junior Club. Frequently other members of the general club accompanied the Coordinators to the Junior Club meetings. The Coordinator has attended every Board meeting of the Junior Club. The president of the Junior Club has attended every executive board meeting and general meeting of the Palo Alto Woman's Club. Frequently other officers or members have attended with the president. The Coordinators feel that this effort has resulted in a much more harmonious and cooperative atmosphere between the two clubs.

#### WORDS FROM THE ASSOCIATE COORDINATOR - Carlie Bentley

I have thoroughly enjoyed my year as Associate Coordinator and feel that I have had a fine indoctrination of the role of the coordinator. It has been a rich and rewarding experience.

- 2) Historian - Mrs. Howard Zink.  
Mrs. Zink did not get around to writing the history and I, Mrs. Bodley, is writing it 6 years later. There may be repetition, if so, please excuse it. I want to give "thanks" to Mrs. Clark Godel, Dean of Chairman who gave me the papers that she wrote up - they were very helpful!
- 3) State Financial Projects - Chairman: Mrs. Ella S. Vandervoort  
No report was handed in, but I know Ella did a fine job as Treasurer.

This ends our Department reports, however I do have some more report that were handed in and will give those:

WAYS & MEANS - Chairman: Mrs. Phyllis Olson

During the summer we had 3 bridge benefits, netting \$193.65. Average attendance 45. October had "Luncheon is Served" - netted \$180.00. November had the Bazaar and Art show. - netted over \$400.00. Also in October we had a bridge benefit for the Dann Services for Veterans. Dessert was served followed by an afternoon of bridge. \$119.50 was netted. A beautiful doll and wardrobe was made by Mrs. John Burke and donated for the Bazaar to benefit our Scholarship Fund. January was our birthday luncheon benefit. The tables were decorated to represent each month of the year. 145 reservations were sold. February was the Valentine bridge benefit. At November, December and January meetings we sold 2-year calendars, song birds note paper, California note paper, Christmas cards of America and California. Netted about \$55.00. Guest night dinner is always a fun night for family and friends. Mrs. Bodley got the Palo Alto Shrine Club dixieland band to entertain us and they only charged us \$50.00 so we did make money but I don't know just how much. We had a rummage sale and netted \$300.00. A Fashion show in April and we cleared \$422.00. A Pow-wow bridge was held in May to benefit the Indian Scholarship fund. We always give \$100.00. The Merry-go-round bridge group netted \$435.00. We had a dinner at the Bodleys just to get acquainted and start the year off. No money involved.

VETERANS' AFFAIRS - Chairman: Mrs. George Ormsby

On the first, third and fifth Tuesdays of each month members of this committee work at the Recreational Center of the Menlo Park Veterans' Hospital serving coffee and cookies to the patients. Our Club contributes ten dollars per month for this project which goes toward buying cookies. In addition to this the committee members contribute cookies when they serve. This service which is so much appreciated by the patients, is rewarding to us and well worth our efforts. The members of the committee are: Mrs. A. S. Adcock, Mrs. L. M. Cook, Mrs. A. E. Goodwin and Mrs. George Ormsby. We have served 100 hours during the past year.

VETERALS' HOSPITAL IN PALO ALTO - Marguerite Prior reporting

Jan. 12 - Served cookies and punch at Vets Hospital - 2 hours  
Jan. 14 - made cancer dressings for Eastern Star - 6 hours  
June 25 - gave Star circle afphan for Masonic home - 132½ hours  
July 13 - Made 6 doz. cookies and ½ gal. lemon juice and served at Vets Hospital-2 hrs.  
Dec. 18 - took a molded salad to Dann house on Cowper St. ½ hour  
Dec. 21 - Served cookies and punch at Vets Hospital Christmas Party - 3 hours

A total of 146 hours was spent.

My swan song:

To serve as president this year has been a beautiful experience, the like of which I never dreamed could be. It would be impossible for me to express the gratitude in my heart to all those who have worked so faithfully and well to make this year so happy.

My grateful thanks to the Board and members who gave so much of themselves to make our Club projects successful. It would not be possible to express before you, what I feel in my heart, for the devotion, understanding and kindness of our Executive Board. They were all completely unselfish, and devoted to the welfare of the Club.

A kind word, a lesson in virtue, a message of spiritual worth, or a deed from a heart overflowing with kindness, all are like dropping a pebble in the stillness of a pool of water. The ripples of the overwidening circle go on and on to a seeming eternity. So it is in all service and Love for Others.

God NEVER Dies, but multiplied endlessly will be a tide of blessings...WHAT WE DO FOR OTHERS IN FRIENDSHIP'S NAME IS TRULY BLEST.

Lovingly Served in 1971-1972

Mrs. Phil Bodley (Grace) President

Mrs. Fenney has for several years served as music chairman and pianist for regular meetings and for many special events of the club. Her compositions have been performed in public concerts and on radio and television. She appeared as pianist and composer in a holiday

special over KCSM, the educational station of the College of San Mateo.

Miss Brown is a voice teacher and the musical director of both the Palo Alto Community Theater and the Burgess Theater in Menlo Park. She has played a variety of leading roles in musical productions, most recently the part of Aldonza in "Man of La Mancha" at the Community Theater and the title role of "Mame" at the Burgess Theatre.

For the coming recital her selections will include a new patriotic song, "Of America," for which Mrs. Fenney wrote both the words and music, and a new art song, "When Music Sounds," with words by the British poet Walter De La Mare. JUNIOR REPORT - The Senior Board meeting adjourned for discussion with our Juniors. Present were: President, Diane Smith, First Vice President: Carol Outtrum, Treasurer: Marlene Davis and Parliamentarian: Judy Nusbaum.

We, the club as a whole, have analyzed our past federation activities and President Diane Smith read for discussion - "REQUEST FOR NEW SPONSORSHIP". Items brought up for discussion were:

- (1) Senior members do not seem to work willingly with them on specific projects.
- (2) When honoring club they dictate how the Juniors should do it, what they should do and no appreciation shown for their work.
- (3) When entertaining the board and when they had finished their work, all board members had left giving them no chance to meet and visit with the board to get acquainted. President was not introduced at the board meeting.
- (4) When the Sr. club honored them, 12 of their members were present and asked to sit off in a corner. They had new members but were not given the chance to sit with our members. They had the feeling our club could care less if they were there. They are supposed to be growing in Federation and later to become members of our club.
- (5) They prefer going to other clubs where they are accepted instead of coming to the Woman's Club of Palo Alto.

The discussion was for better relations between the two clubs. President Diane asked if the chairman of each of our committees might meet with the Chairman of the same committee of their club. Once a year the Presidents should meet and try to solve the problems of their club. Questions were asked as to HOW TO SELECT A COORDINATOR and they would like to change the name of their club as many of their projects are done in the Mountain View Area - such as Palo Alto-Mountain View Junior Women's Club, also another suggested name might be Mid-Peninsula Junior Women's Club. The name change will have to be investigated. They asked if some of our ladies would like to go with them to Mountain View to work on their projects. Mrs. Ralph Monroe, Coordinator, thanked the girls for coming to our meeting.

JUNE JACKSON (MRS. EARL)  
RECORDING SECRETARY  
THE WOMAN'S CLUB OF PALO ALTO

### REQUEST FOR NEW SPONSORSHIP

The Palo Alto Junior Women's Club has elected to pursue as a major project in 1971-72 the strengthening of our activities in club federation. We, the club as a whole, have analyzed our past federation activities and have determined that our sponsorship by the Woman's Club of Palo Alto is a major handicap to our growth in federation.

On August 26 we held an informal "rap" session attended by 61% of our membership with the purpose of getting the year started and "getting it all together". This session was where our federation problem was identified and we decided to sleep on the problem until the next formal business meeting. On September 9 our club held its first business meeting after the "rap" session and under new business a motion of investigating new sponsorship and communicating this to the Woman's Club of Palo Alto was made, seconded, discussed, and passed by a unanimous vote of the 77% of the members in attendance. A committee of five members was formed to communicate to the District and State and to explore any means of obtaining new sponsorship for the club. We do not wish to leave the federation and are seeking direction as to obtaining sponsorship within the federation. The following are the points and reasons for our action as recorded in the minutes of the September 9 business meeting.

Federation is sharing of ideas, information, friendships and leadership. Federation doesn't exist between the Woman's Club of Palo Alto and the Palo Alto Junior Women's Club. It is difficult to explain federation to new members when federation isn't at work between the two clubs.

There is no development of ideas between the two clubs. The two clubs have different ways of serving the community. The General Club serves

with its financial assistance while the Juniors serve by getting involved in the problems of the community. We respect and accept the General Club's way, and we would like the same consideration, interest, and acceptance of our methods of service.

Little information is exchanged between the two clubs. Therefore, respect and appreciation is not generated between the two for their respective projects and activities. Little support is given or received for either club's activities.

Friendships aren't fostered between members of the two clubs. The General Club displays a patronizing attitude toward us instead of accepting us as mature federated clubwomen. We have a feeling that they want us to serve them rather than serve with them.

Leadership training is lacking. The relationship between the two clubs is in name only. The only leadership training is available through our Junior District and State officers and chairmen.

We want a sponsor who is active in building our club. We want a sponsor who will actively support our projects and who will allow us to actively support theirs. We also want a sponsor who has projects we can afford to support. We want a sponsor who will actively prepare our club members for membership in G.F.W.C.. We want a sponsor who will allow us to represent ourselves as being of service to communities other than Palo Alto. This is most important since half of our membership is from adjacent communities and the majority of our projects are for these other communities.

Respectfully submitted,

Palo Alto Junior Women's Club Membership

with the highest standards while the highest were by passing  
involved in the problem of the community. We request and expect the  
General Club's way, and we would like the same consideration, interest,  
and recognition of our methods of service.

Little Anticipation is extended between the two clubs. Therefore,  
respect and appreciation in the past between the two clubs  
respective projects and activities. Little support is given or received  
for either club's activities.

Friendship among the members of the two clubs. The  
General Club displays a patronizing attitude toward us instead of respect.  
We are not natural friends. We have a feeling that they want  
us to leave them rather than serve with them.

Leadership training is lacking. The relationship between the two  
clubs is in some ways. The only leadership training is available through  
our Junior District and State officers and chairman.

We want a sponsor who is active in building our club. We want a  
sponsor who will actively support our projects and who will allow us to  
actively support theirs. We also want a sponsor who can  
afford to support. We want a sponsor who will actively prepare our club  
candidates for leadership in G.R.H.C. We want a sponsor who will allow us  
to represent ourselves as being of service to communities other than  
Palo Alto. This is most important since half of our membership is from  
adjacent communities and the majority of our projects are for these other  
communities.

Necessarily excluded.

Mr. Bob Moretti,  
Speaker of the Assembly  
Sacramento, California

Dear Mr. Moretti:

Thank you for your reply to the letter sent you regarding action by the Woman's Club of Palo Alto June 1, protesting the legalizing of gambling in California. We are pleased to note that all gambling bills in this session of the legislature have been defeated; however, we are confident that the "Gambling Syndicate" is determined to expand gambling in Massachusetts, Colorado, Hawaii - in fact a drive is being made to make our nation a "Gambling Nation". (See Christian Science Monitor Feb.19-24).

Some of us are old enough to recall the late Senator Kefauver's report to the Congress on "Crime in America." This was condensed in January Reader's Digest (1953), the December Redbook and February Atlantic Monthly; also the American Bar Association Crime report made public in September 1952. It is incredible that New York and New Hampshire and all interested in good government should have failed to examine the current data readily obtainable on this subject.

During the 3-1/2 year "battle" waged by all the Women's organizations in Santa Clara County to prevent pari-mutuel gambling and the subsequent defeat by popular vote by better than two-to-one margin, this County won the victory for "good" government. (See May 1955 issue of Woman's Home Companion. The Woman's Club of Palo Alto was awarded a \$1000 bond for being the "Honor" Club in a nation - wide competition for "Civic Betterment".)

The gist of all the unbiased reports referred to seem to be as follows:

1. "The cost of legalized gambling in terms of relief, crime and corruption, exceeds revenue".
2. The evils of legalized gambling are precisely those of illegal gambling. (See P.2 San Francisco Chronicle Sept. 9, 1952 - "Report of the American Bar Association made in San Francisco by the Nine-man Commission. They turned "thumbs down on proposals that gambling be legalized or brought under state control".)
3. The "picture" is the same today as it was when this report was published except that the dire consequences of gambling have increased in magnitude nation-wide.
4. The xeroxed copies of "Gambling Ring Bribed N.Y. Police" (April 4, 1971) and the report "Time" (April 5, 1971) on the "wide-spread influence" of the Mafia indicates the ramifications of the gambling syndicate.
5. We agree that the states financial situation is serious. In these days of vast unemployment, we suggest that in the interest of economy that there be no more salary increases on all levels of government - State, County, and Local. In fact, many "cuts" all along the line may be desirable in the interest of lowering taxes. Strikes for higher wages should not be tolerated. In many industries in the interest of more employment, many are resorting to a four, or even a three day week.

Many economies in the interest of "sharing" jobs must be considered.

Sincerely,

Mrs. Phil Bodley, President  
Woman's Club of Palo Alto

SONG OF PALO ALTO

A landmark grand to see is a giant red-  
wood tree  
Beside an entrance to the city that  
I love.  
No matter where I roam, it's there when  
I come home,  
With arms held out in welcome high above.

CHORUS--

"O Palo Alto!" The western winds are  
softly sighing,  
"You're blest by all the best of Calif-  
ornia sun and rain!"  
From hills and valleys, from lawns and  
gardens to the bayshore,  
All nature seems to sing, and I can hear  
the sweet refrain!  
Like a chant from long ago where Indians  
roamed below;  
A tune of Spanish Pioneers around the bend;  
A song of the winding trail that changed  
to road and rail;  
And a glad finale, just to mark my  
journey's end!  
"O Palo Alto!" Out on the harbor at the  
bayside  
The echo sweetly sounds with every wave  
that ripples to the shore!  
And with the echo I hear the pounding of  
my heart-beat,  
Part of the Song of Palo!  
What other place on earth could I love  
more?

MISSION BELLS OF CALIFORNIA

Along the road called El Camino  
I heard the song of Mission Bells;  
And in the song I heard a story  
Echoing one that history tells.

The Bells were telling of Portola  
On the trail blazed for a King;  
They told the noble deeds of Padre Serra,  
First to cause their chimes to ring!

While the Mission Bells were chiming  
Past and present seem to meet;  
They told of ageless Faith and Courage  
With their chimes so clear and sweet.

From Mission schools to thriving ranches  
They blended sounds of work and play  
They rang for settlers and for Indians,  
And for progress day by day.

Within a sunny Mission court-yard  
Festive chimes rang once again  
Above the music of an ancient fountain  
And a stone for grinding grain!

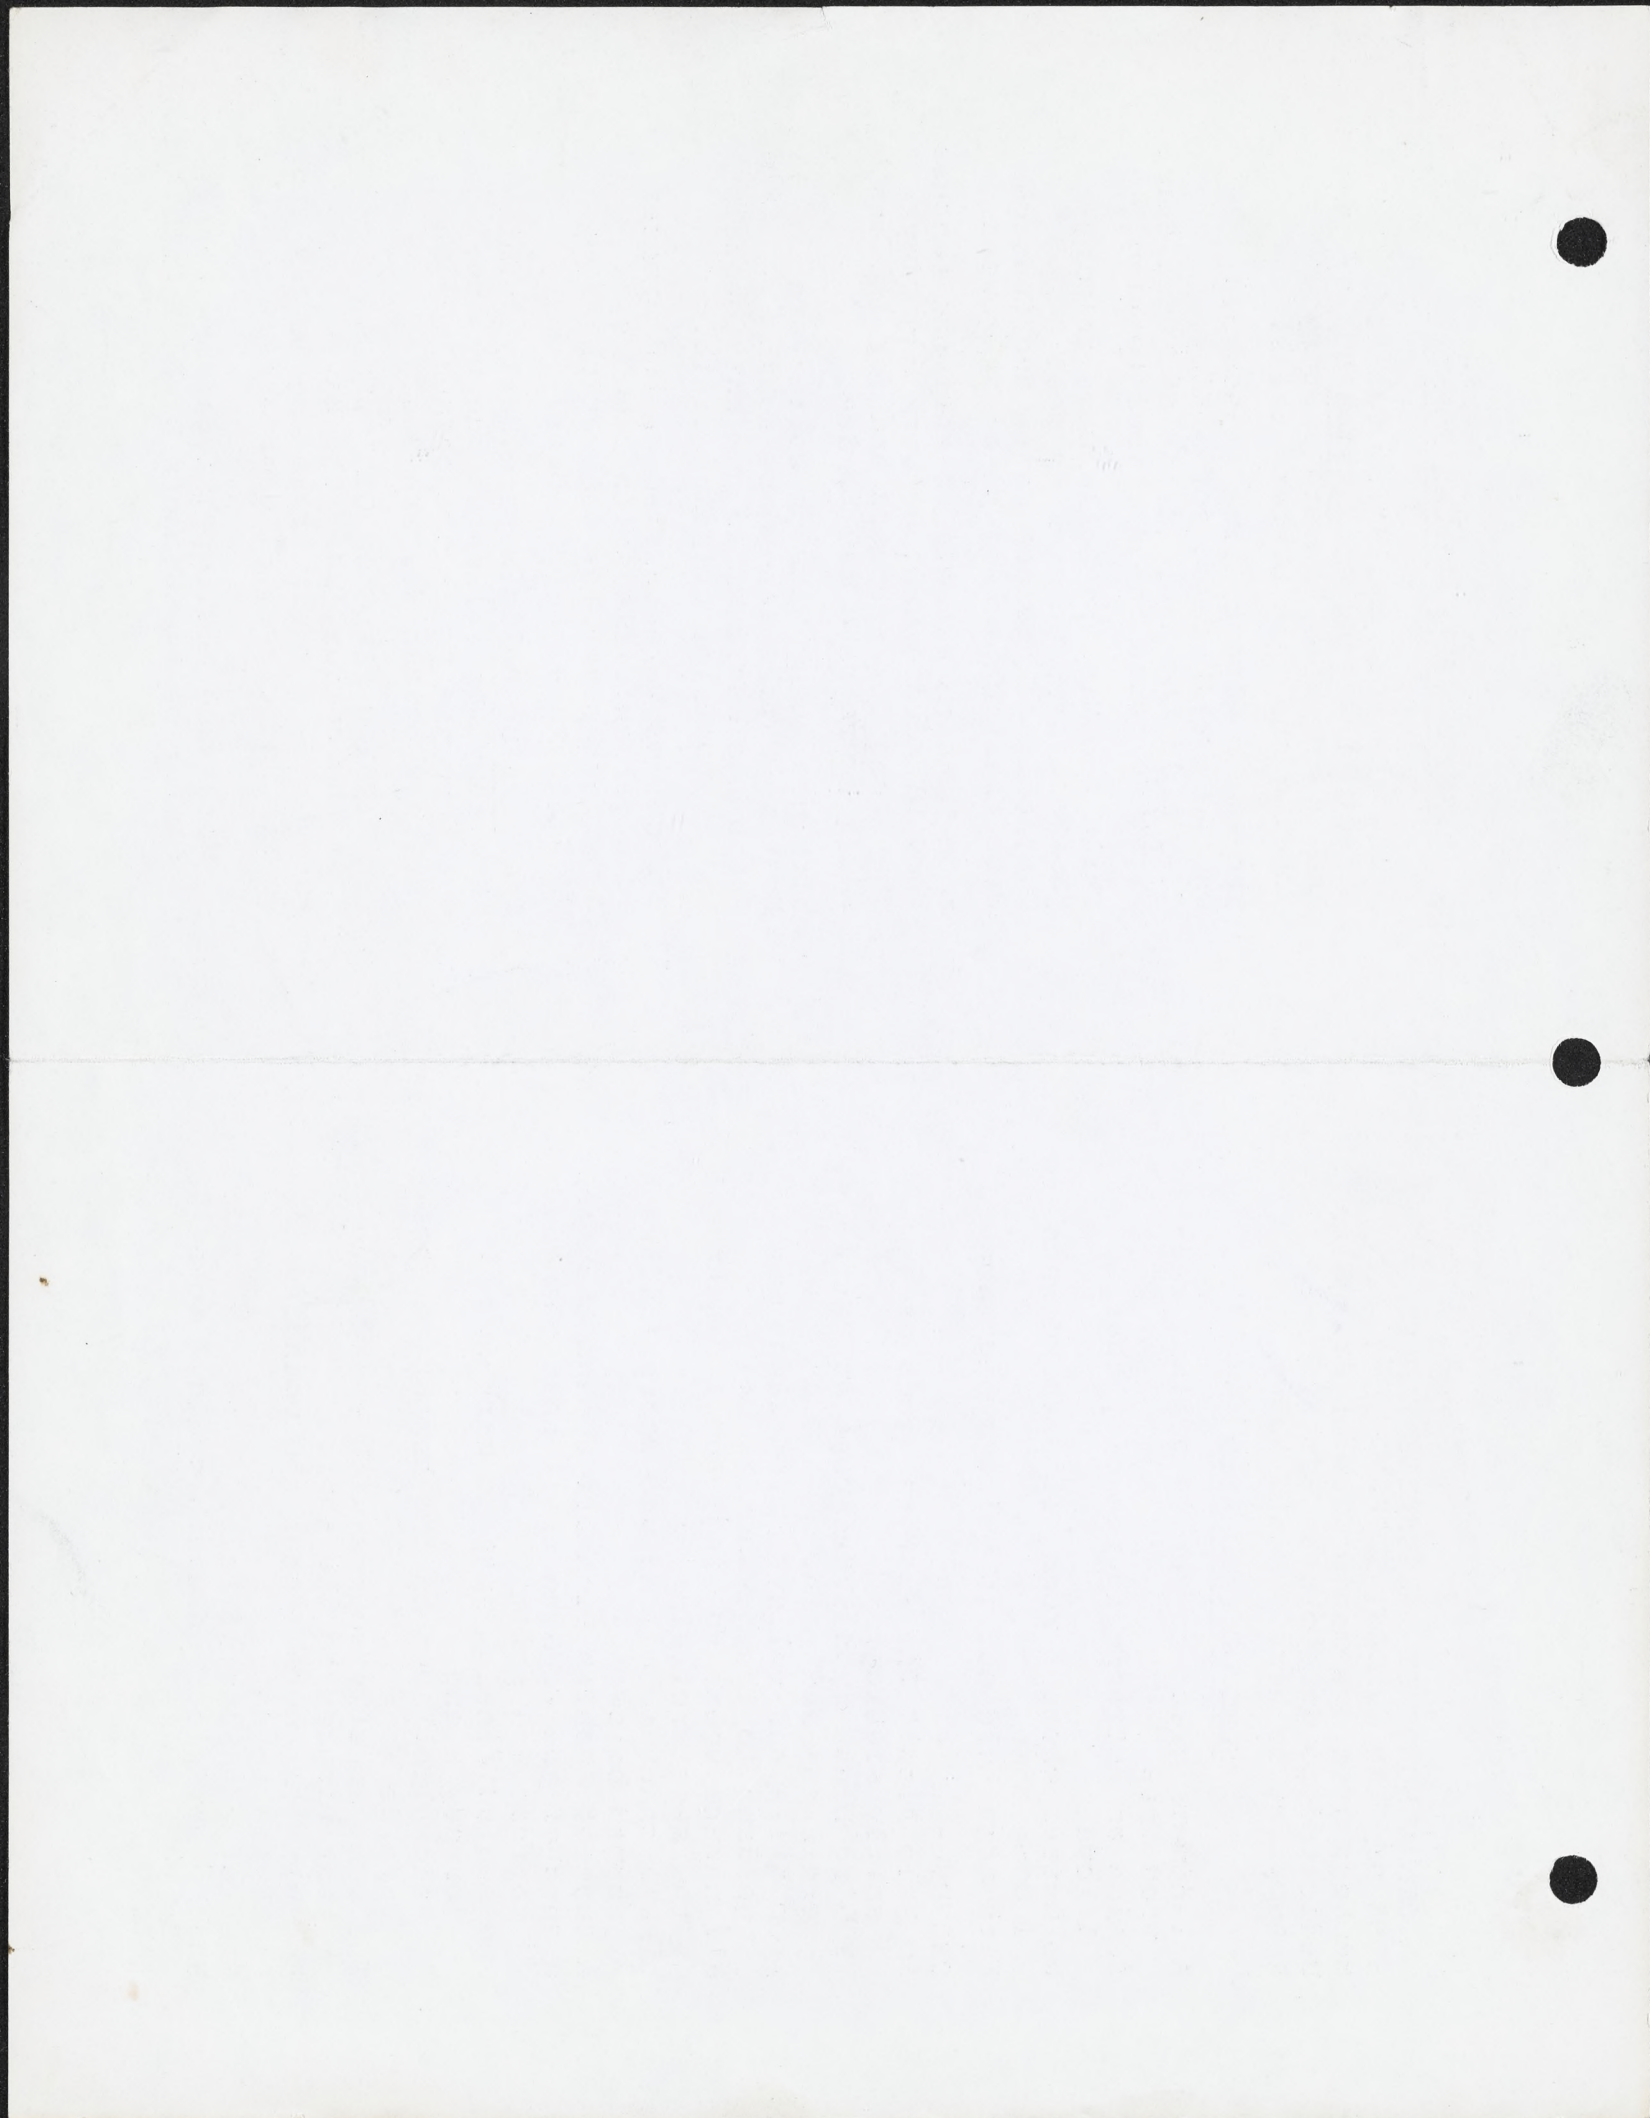

The chimes were carried by the breezes  
To a garden filled with flow'rs,  
A perfect place for meditation  
On a heritage that is ours.

The Mission Bells were sweetly chiming;  
Then they were silenced one by one;  
But thru the years the chimes re-echo  
'Neath a Golden Western Sun!

THE MISSION BELLS OF CALIFORNIA,  
From the border, past the bay,  
Forever tell their brave and lovely story  
To all who travel El Camino Way.

**BRIEFLY DESCRIBE PROJECTS:** The Palo Alto Woman's Club House is being used for three classes, sponsored by the Palo Alto Unified School District Adult Education. All open to the public.

**FIRST:** Our main project are the classes in BRILLE. Club members and others are learning to type Braille, with the aim of helping to make master copies of text books which will be duplicated for blind students to use in school. There are 25 in this class. The class meets Monday morning each week at the Clubhouse.. One member saved \$125.00 worth of Blue Chip Stamps and purchased her own Braille Machine. Others are going to do the same. However, the Adult Education furnish the Braille machines for the class. No fee is charged for this class.

**SECOND:** Art classes entered by beginners and advanced, acrylic and oil. An Art show was held in November and four ribbons awarded. The class of about 34 meet each Thursday morning at the Clubhouse.

**THIRD:** Current events class for the seniors in the community.

OTHER PROJECTS ARE ATTACHED.

1. **STATE REASON FOR CHOICE OF PROJECTS:** There are many senior citizens in our community and in our Club. Many have lost their loved-one and are alone. At the beginning of the year, president's message was, "Let us be Builders in Service for our Community. Work of Charity this year, especially for the Blind and the Aged, is rewarding and should never be tiring, for we are 'DOING FOR OTHERS'".

2. **TELL EXTENT OF COMMUNITY COOPERATION:** The cooperation has been wonderful. The Braille class will probably go on for years and since it is a very hard class to start in the middle of a term, the instructor has a waiting list for next Fall. Many senior citizens in the community who didn't have the time and money when they were younger and working for a living, have now found self-satisfaction in taking up Painting.

3. **OUTLINE PERMANENT RESULTS:** When we are learning to type Braille, and make text books for the blind students, so that they can keep up with their fellow students in school, we are "DOING FOR OTHERS". ART lessons fills a desire in a person, and to have this opportunity when over the age of 60, is gratifying. Most of these senior citizens are alone, they have lost their loved ones, they need something to do. Our Club is going to keep trying to bring happiness into their lives.

PRESIDENTS' MESSAGE

I missed all of you last meeting. I went to Grand Chapter Session in Sacramento and met old friends. Meeting an old friend is always enjoyable. It is one of the bonuses in life, for it enables you both to recapture and re-live earlier moments that might otherwise remain buried in your past without recall. Together, you re-live a bit of life. One seldom attends CLUB without seeing an old friend. Are you missing one of life's bonuses waiting for you in our Club?

CHRISTMAS will be here before we realize it. MAY YOU AND ALL WHOM YOU HOLD DEAR BE GRACED WITH THE BLESSINGS OF GOOD HEALTH AND HAPPINESS, PEACE, FREEDOM AND SECURITY AT THIS HOLIDAY TIME AND IN THE COMING NEW YEAR.

PRESIDENT'S MESSAGE

For many years the month of February has been considered "Patriot's Month". George Washington was a patriot without reproach and the noblest leader ever entrusted with the fate of a country. He and his patriots had much to do with the struggle for the Independence of the 13 colonies. The Revolutionary Forces won the war. They formed a government, wrote the Constitution and made the Declaration of Independence effective.

But today, the glorious history of our Country is not being told to our Youth! The school textbooks no longer tell of our National heroes or their inspiring words and deeds. WHO then is going to tell our Youth! If we want to make a "GOOD CITIZEN" we must start with our Youth at a very young age. Our hopes for America rest in the children of today!

The President of the U.S. signed into law an amendment to the Constitution of the U.S. reducing the age limit, making it possible for many millions of young men and women to exercise the right to vote.

We, as Citizens should and must be concerned that these new voters, and those to come, are by example indoctrinated with justice. We can help by becoming "INVOLVED" with the activities of our Youth Groups and by assuming our rightful civic responsibilities on every level of government, be it City, County, Board of Supervisors, Board of Education, or any other public body that represents you, the Citizens of this great Country.

The statement that "If you want a job done well, do it yourself" is as true now as it was when first said. So that the job may be done well, let us each become "INVOLVED".

President Grace

A MESSAGE FROM OUR JUNIOR WOMAN'S CLUB PRESIDENT, Diane Smith - At your January 3rd business meeting I spoke in favor of the Saratoga Resolution concerning the placement of the District Coordinator on the General District Executive Committee. The following Monday, Mrs. Bodley and I were very fortunate in talking with the State President, Mrs. Vernon Cunningham. She informed us of this resolution being in conflict with the State By-laws. We did not know of

(OVER)

this conflict, and I apologize for speaking without investigating all background information. It taught me a lesson. I was only concerned in strengthening the Junior/General relationship in Loma Prieta District by improving communication between the two groups.

JUNIOR DISTRICT MEETING - All members of the Woman's Club of Palo Alto are cordially invited to the Junior District Meeting at Wakiki Village in Los Gatos on Saturday, March 11, 1972 from 8:30 A.M. to 2:30 P.M. This is the day the Juniors HONOR ALL OF YOU. A very humorous program is being planned by our very talented District Coordinator. At this time, I do not know how much this day will cost you but I am sure it won't be over \$4.00. The Palo Alto Juniors would love to have many of you wonderful ladies attend so we can show you off to the other clubs. RESERVATIONS SHOULD BE IN TO ME BY FEBRUARY 28th.

Juniors are collecting old eye glasses which they are sending to Direct Relief Foundation. Any donation would be appreciated.

---Diane Smith, President  
Palo Alto Juniors

#### SAFETY TIPS

Make it a habit to have "safety first" last all your life.

Garden tools should be stored with sharp edges turned toward the wall until they promise to be good.

When washing the outside of your upstairs windows, never step back to admire your work.

If the blades stop on your electric mixer, unplug the mixer before you look for the cause.... unless the recipe you're cooking calls for finger sandwiches.

BRING YOUR BYLAWS TO THE MARCH 1st MEETING - WE WILL VOTE ON THEM.

# PRESIDENT'S MESSAGE

I took the presidency a year ago with the thought in mind that we, as a Club, could Be Builders in Service for our Community and "Do For Others". I do feel what counts most in life is "What We Do For Others".

We have accomplished much this year. Each one of YOU have helped in one way or another. All have cooperated very well. I truly appreciate what you have done to make this year a very pleasant one. Your friendship means so much to me.

The Juniors have been an inspiration. I am so pleased to have had the opportunity of being the president at the same time as Diane Smith, president of the Juniors. She is a very dedicated person. I truly hope she goes far in Federation and also let's keep track of her...when she is eligible to join the Woman's Club, WE WANT HER!

Thank you all for having faith in my leadership and may I leave you these ten suggestions:

1. Speak to people - there is nothing as nice as a cheerful word of greeting.
2. Smile at people - it takes 72 muscles to frown and only 14 to smile. Do it the easy way.
3. Call people by name - the sweetest music to anyone's ears is the sound of her own name.
4. Be friendly and helpful - if you would have friends, be friendly. (Don't be COLD - be warm)
5. Be cordial - speak and act as if everything you do were a real pleasure.
6. Be genuinely interested in people - you CAN like everyone if you try. (I like everyone in this Club. They are real wonderful women.)
7. Be generous with praise - cautious with criticism.
8. Be considerate of the feelings of others - it will be appreciated.
9. Be thoughtful of the opinion of others - there are three sides to a controversy; yours, the other person's and the RIGHT ONE.
10. Be alert to give SERVICE - what counts most in life is WHAT WE DO FOR OTHERS.

President Grace

# GARDEN SUPPER PARTY

(Benefit Scholarship Fund)

SUNDAY, SEPTEMBER 12, 1976 at the BODLEY'S HOME

2:00 P.M. bridge and refreshments, 5:00 P.M. EAT

We hope many of you will come and have fun! Bring your friends too! Reservations are a must, however. Just fill out the slip below and send it to Mrs. Grace Bodley by September 8th. Those who do not play bridge may come and enjoy the afternoon by playing other games or swimming or just relaxing, and visiting with friends. The pool is heated at 96° so bring you swim suit! Bring your husband or your boy friend or come alone...BUT COME! We made 150.00 for the scholarship fund last year at our party, let's try and make \$200 at this party. You know it is much more fun TO GIVE than to RECEIVE, but at this affair you will do both! The cost of the dinner will be \$4.50 each. There will be 3 prizes given costing 2.50 each. This year I am going to ask you to help in this way:

1. Reservations with your check to Grace by September 8th.
2. Make up your own table
3. Bring your own cards and tally sheets
4. One person of the four people playing together, please bring a card table.
5. Also, bring your table service; plate, cup, knife, fork and spoon. Thanks.
6. Dress casual - in a sunsuit if you wish.

Two ways to get to the Bodley's from Palo Alto: (1) Take Page Mill Road to Foothill Expressway - turn left and go to the first stop sign (4 way) and turn right on Hillview - go past Xerox on left, Syntex on right and cross Arastradero and Hillview becomes Fremont Road. Continue on Fremont Road about 1/2 mile only and turn right on St. Francis Street, go one block only to Ascension. Our number 26595 is on the mail box. We are the third house on the right from Fremont - brick and redwood house on the corner of St. Francis and Ascension. (2) The other way is to go out Arastradero to Fremont, turn left to St. Francis and right to Ascension. (Hillview is on the right but Fremont is on the left when looking where to turn left, i.e. Hillview becomes Fremont).

Dear Mrs. Bodley:

Your letter concerning Adult Education classes for visually handicapped senior citizens was acknowledged at the regular meeting of the Board of Education of the Palo Alto Unified School District on June 21, 1971.

Dr. Thomas Damon, Director of Adult Education for the Palo Alto Unified School District, has informed me that he is consulting with you and intends to include such classes in the autumn quarter of our Adult Education program. We are most pleased that you and Miss Anderson have made this community need known to us.

We encourage your continued interest in our educational program.

Dear Mrs. Bodley & Members:

On behalf of Loma Prieta District, C.F.W.C., and the patients at the P.A.V.A. Hospital, Palo Alto, please accept our thanks for your cookies and punch for our Christmas Ward party on Dec. 21, 1971.

It was a busy & happy time that day for the Musicians, the Clubwomen, and the Staff; also, the American Legion Auxillary ladies passed out gifts to each patient in these 4 geriatric wards, after we had taken the music, & refreshments to the next ward- 2C1, 2B1, 2C2, & 2B2 upstairs. It was beautiful, tiring and fun for everyone.

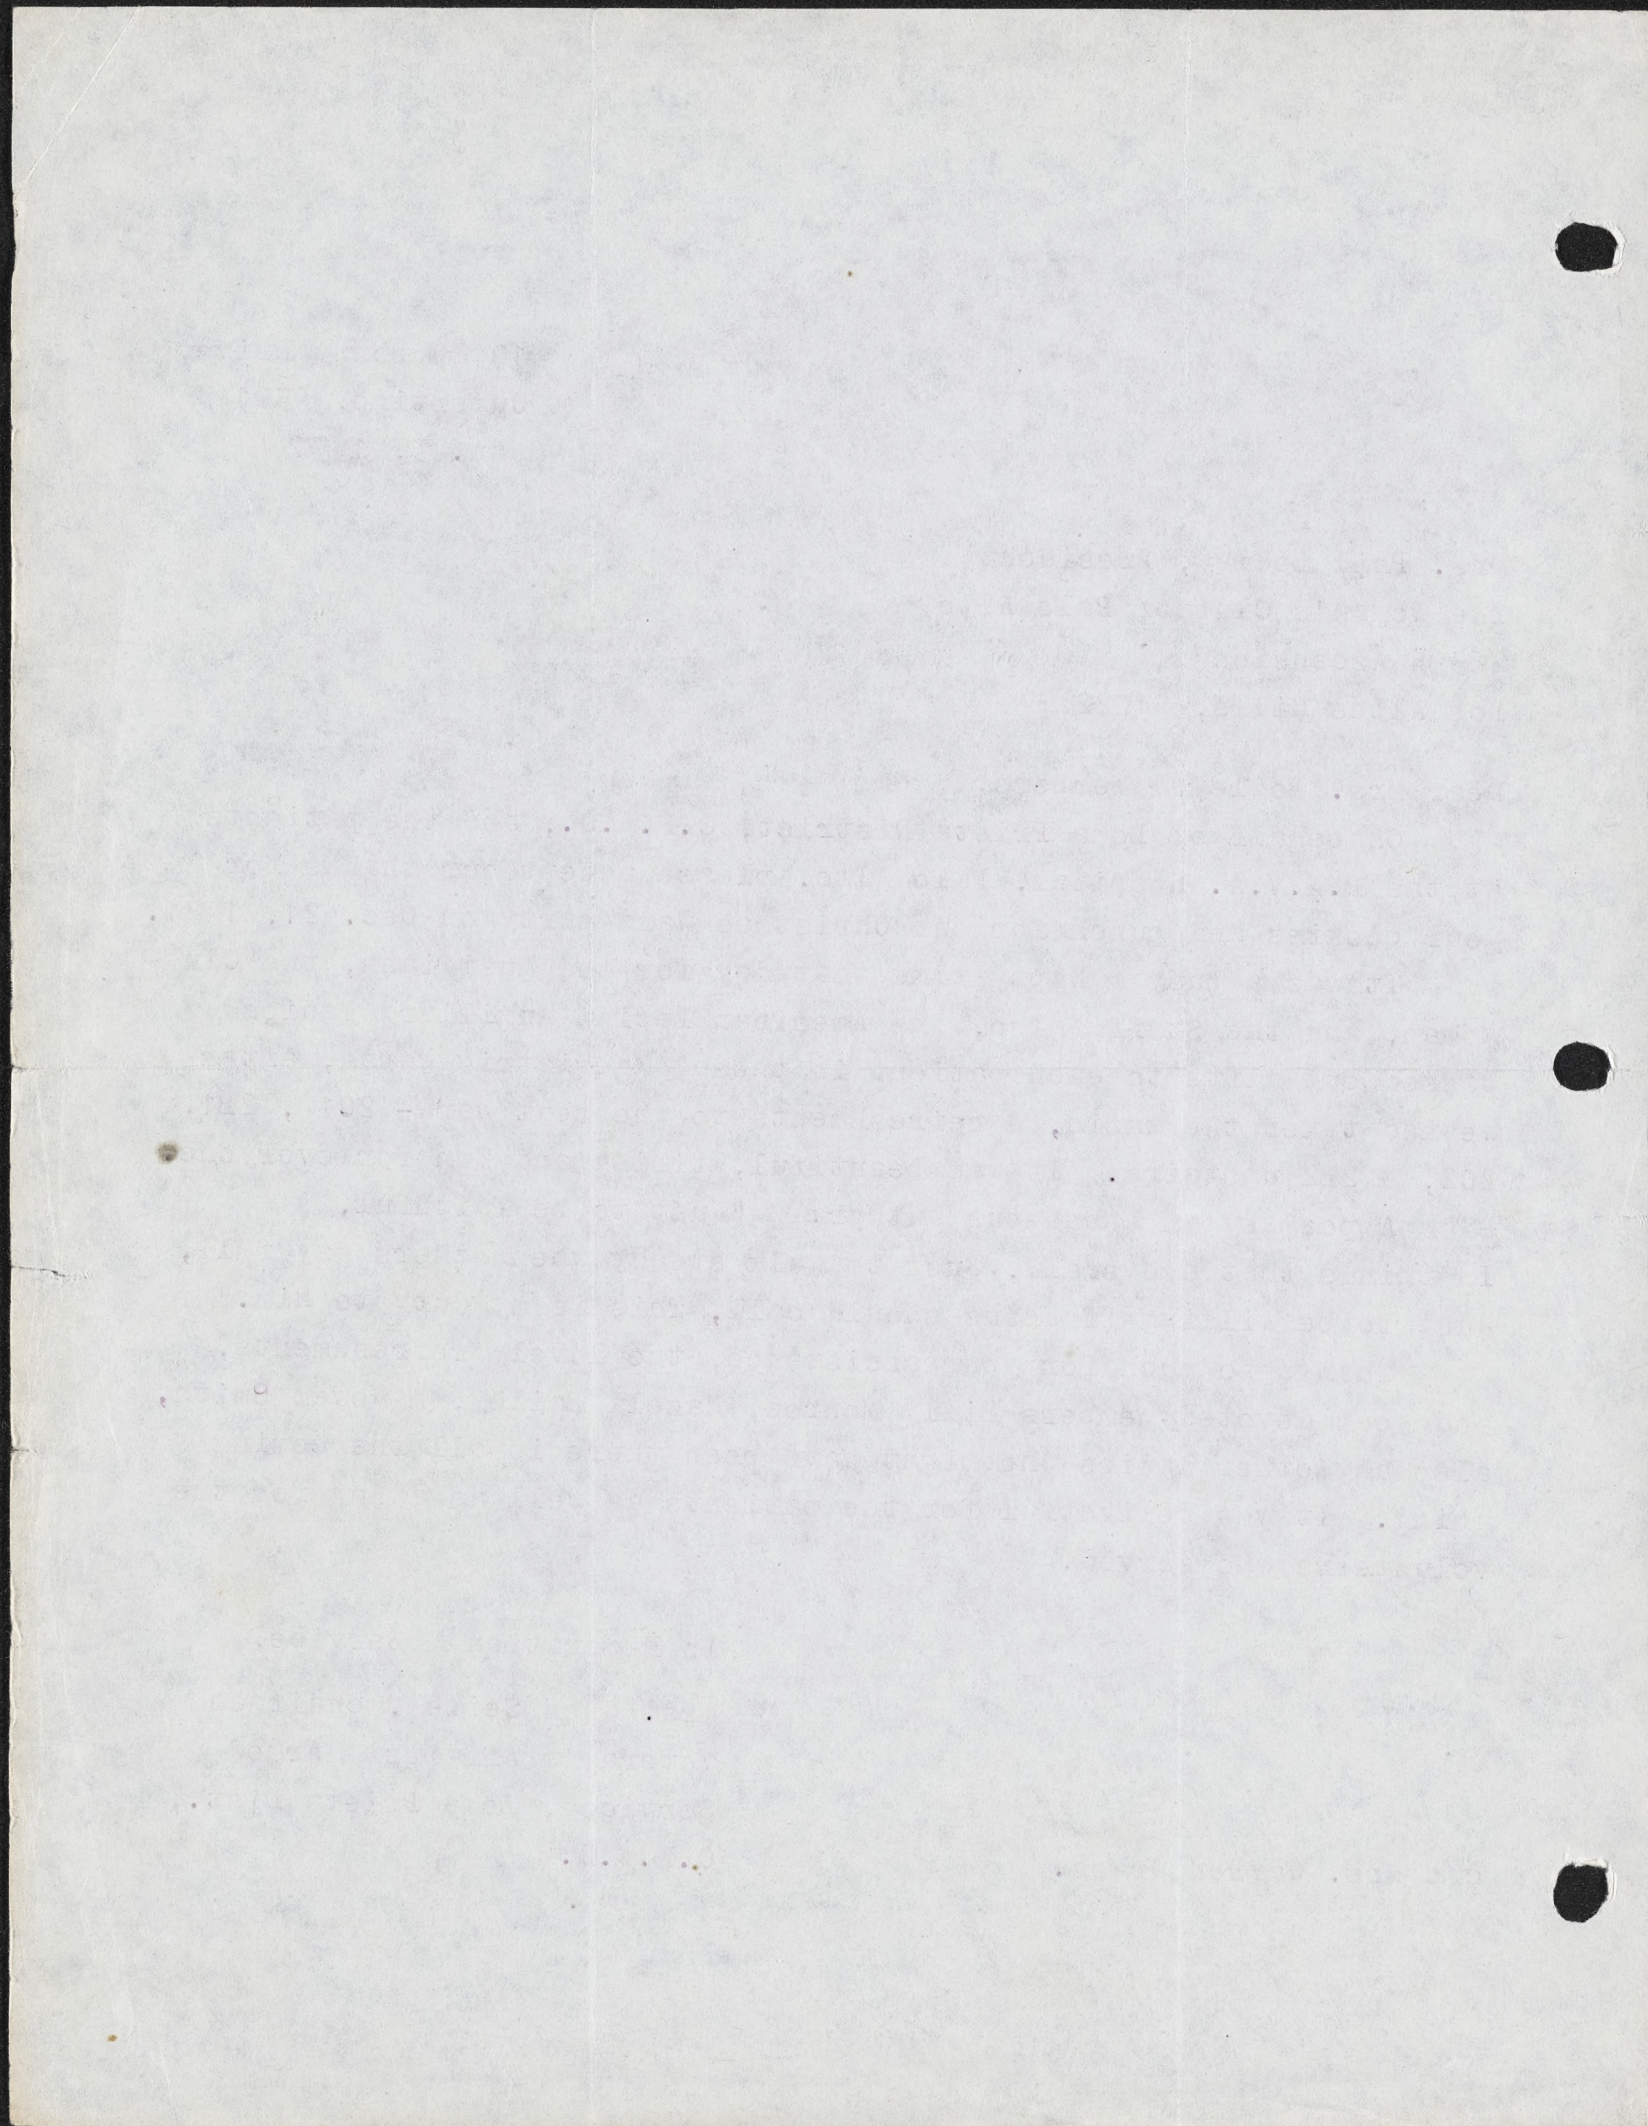

A poem by an anonymous author: "Just to be faithful,  
In things that are small, Just to walk steady when others may fall,  
Just to be willing if Jesus should call, This is my duty to Him."

Thanks so much for your assistance, the lovely refreshments, and your devoted members Billy Monroe, Hazell Bailey, & Gowen Smith, also any other ladies who might have been there in all the coming & going. It was delightful for the patients as well as a joy for the volunteers who served.

What a pleasure to see so many  
at the meeting. Also to have such  
a good feeling - We were really in

I was so glad the  
Juniors were there to hear of our many

marvelous - we all feel closer to  
them since Diane told us what

support them in every way we can.  
They are doing what many of us would  
be doing if we were younger - & how  
nice to be associated with them.

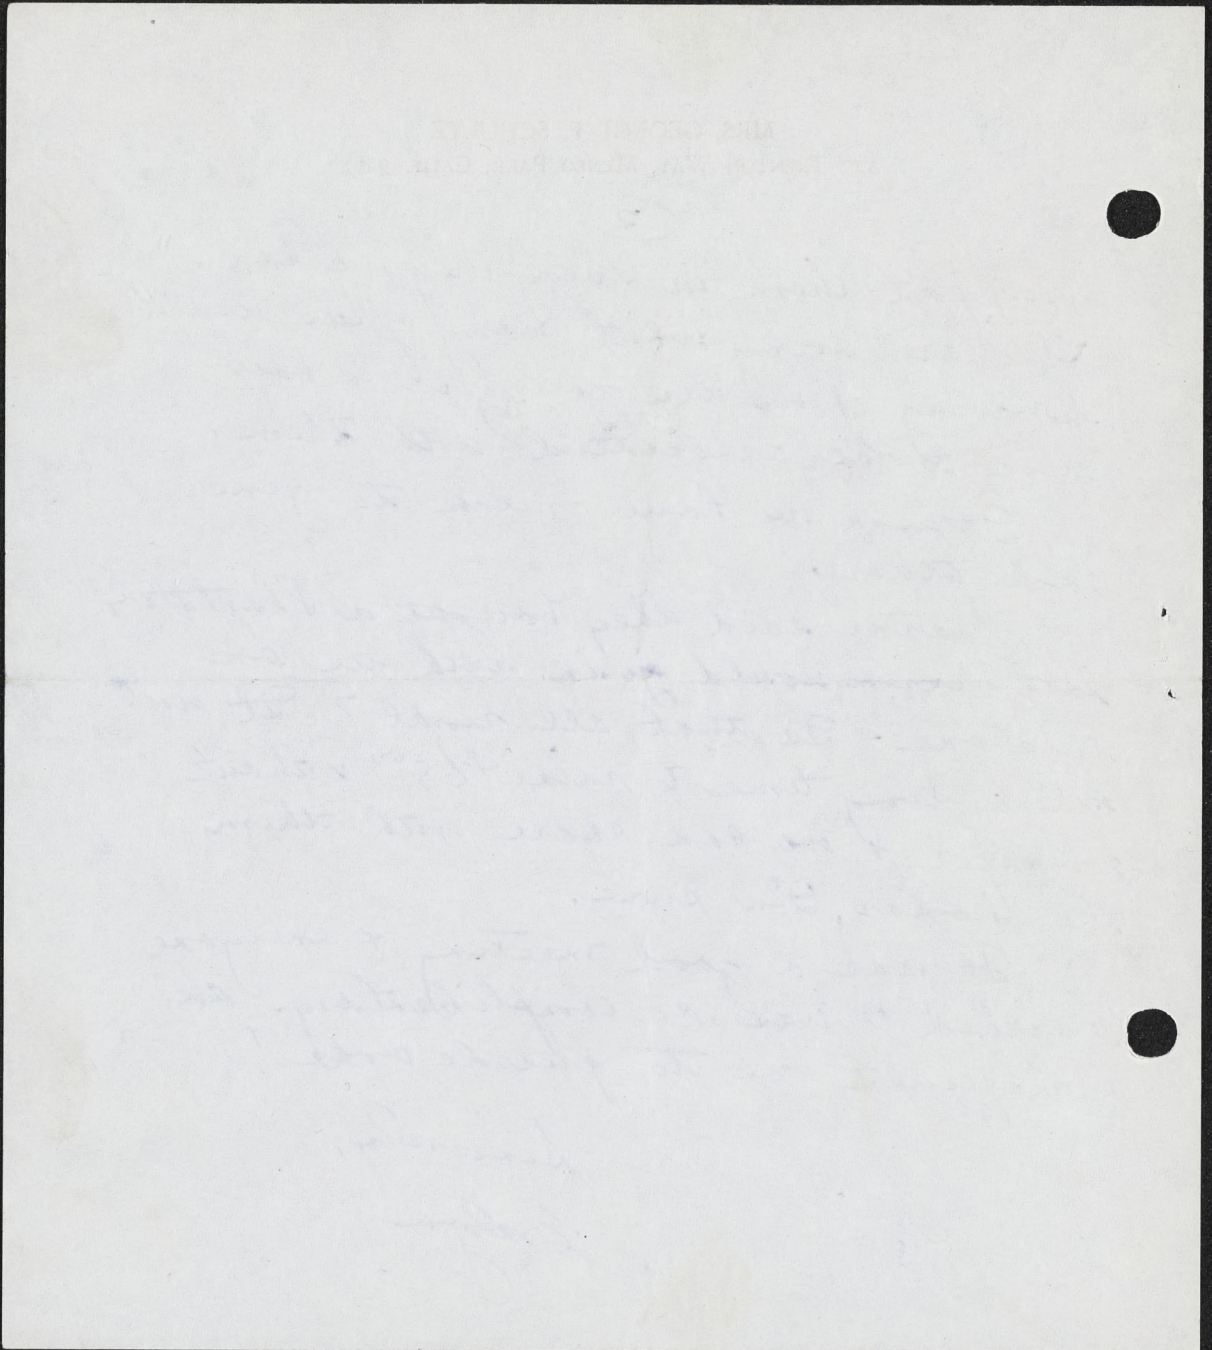

I think we have much to give  
each other.

Dianne said they bought a Plantation

this one - Is that all right? It will  
take a long time to raise \$68<sup>00</sup> without  
a benefit & we can share with them

It was a good meeting & everyone  
I talked to was so complimentary - also  
a difficult one to preside over.

## PART OF OUR HISTORIC PAST . . .

Around the turn of the century several fine homes were built in the grain fields near the city limits on University Ave. The nobility and massive size of the one at 900 University has made it a familiar landmark. It was built in 1904 for John Adams Squire who came west from Harvard University with his bride.

Since Mr. Squire was a student of Latin and Greek, he chose the Greek Revival style of architecture, a prominent period form throughout the country in the early 1900's. Four Ionic columns support the front portico, above which is a triangular pediment often found in Greek temples. The palm-lined drive echoed the approach to Stanford at the other end of University Avenue.

The house has been designated a Point of Historical Interest by the State of California and is listed in the National Register of Historic Places.

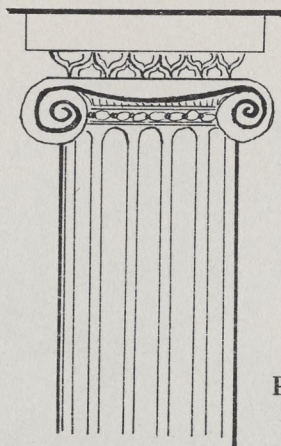

The Palo Alto branches of the following organizations endorse the preservation of the Squire House.

American Association of University Women

## NOW . . .

The Palo Alto Historical Association has been the dominant initial force in the effort to save this lovely and unique house from the bulldozer. They supported a court injunction to prevent demolition and brought the matter to the City Council. The council has agreed to accept the house as a gift to the City of Palo Alto. To give the citizens of Palo Alto the incentive and opportunity to raise the purchase price of \$90,000 the council further agreed to buy the house and hold it for one year. The Palo Alto Citizens' Committee to Acquire the Squire House was thereupon appointed by the mayor. Through this committee individuals, organizations and businesses can join to establish wide support and raise funds for this community endeavor.

## HAS A FUTURE . . .

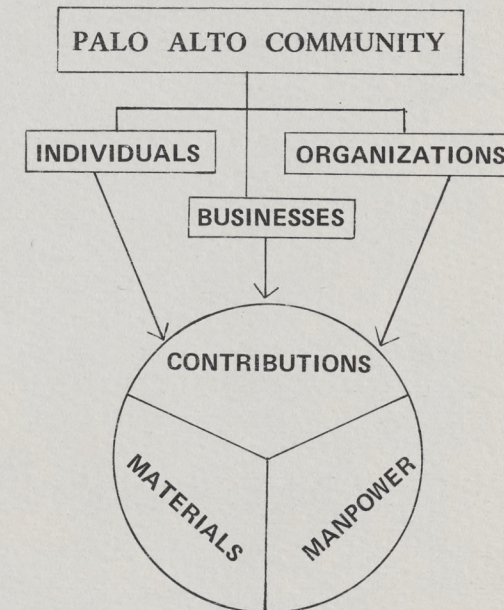

Many suggestions for the use of the house have been put forth, but no specific plan has been adopted by the council.

- The dignified home setting of this unique facility might provide a centrally located reception center, meeting place and garden park.
- The second story of this gracious house might be transformed into offices for Palo Alto's non-profit organizations.

- With the preservation of such an historic structure, Palo Alto might play an important role as custodian of fine furnishings and fixtures commensurate with the stately architecture of the house.

*Above all, the Squire House will be a visible, accessible example of the past out of which grows community identity and a respect and sensitivity for our heritage.*

The Palo Alto community unites in this endeavor of responsible preservation.

This brochure is the combined contribution of West Coast Lithographers, American West Publishing, Creative Publications, Western Litho.

ECOLOGY is derived from the Greek word meaning house — man's most immediate ENVIRONMENT which includes both man-made and natural surroundings.

We must EVALUATE all parts of our environment before we waste not only nature in its pure state but also that which we have taken from nature to fashion for our own purposes.

PRESIDENT'S MESSAGE - Carol

A Happy New Year to all! Now that we have started a new year it's time for us to get some new spirit to carry on our projects and help Build A Better Community.

I would like to thank all the girls who helped with the Santa Claus Exchange, working, donating toys, and clothes and making pajamas. We made 8 pair of pajamas through the church women group and friends. We helped carry over 60 pounds of food to the Exchange, some donated through members and some through the Trinity Methodist Church by the children. The Palo Alto Juniors gave approximately 21 hours of service right at the Exchange. All in all it was a great service to our community. Thanks to all!!

Coming this month will be a nominating form for our club to nominate members to the District Board. Our own Dianne will be running for President of Loma Prieta District and it would be nice for any one else who is interested in being an officer for our great District to serve along with Dianne. What a grand opportunity to work with a swell person and a very qualified Junior. Please let me know if you are interested. A great experience lies ahead for you.

For all chairmen who need help on projects, please call on the new girls so they can qualify for membership soon! Some of them just need hours. There will be an initiation of new members in February. All come!!

COORDINATOR'S REPORT

Announcing a trip May 19, 1973, a Saturday, to San Quentin Prison. Reservations were requested in 1971, so you can see it is a popular group trip. We will leave Palo Alto about 4:00P.M. and return about 11:00P.M. We will be shown through some areas of the prison (not the cells) and their shop where handicrafts are sold--we may buy--but only for cash. Then we will be served an excellent dinner and attend a show which is considered outstanding. Reservations and payment of \$3.00 must be made by the end of February as the prison requires payment in full two months in advance of the trip. The bus will cost another \$2.75 approximately, but payment does not have to be made for this until May, although payment in full will be accepted earlier. This is the sort of trip members can bring husbands or male members of the family. The prison will be phased out and we should be interested in visiting it. We shall try to arrange rides for those who do not wish to drive home alone upon our return. Checks should be made out to Lola Sparks and sent to her.

(This was taken from the Woman's Club Bulletin. If anyone is interested, give your check to Carol or Garlie or Helen. It is on the last day of State Convention which ends after the luncheon. What a way to end State Convention festivities.)

BOARD RECOMMENDATIONS:

The following one was not voted upon at the December meeting, so it is being repeated in this bulletin: The board recommended that any money that was made from the Boutique that was over the \$425 needed to meet the budget will go into the Federation Fund to cover expenses for the District Convention.

The Board recommends that the Ditte Machine be sold and the money received for it be placed in the fund to buy a new machine.

Palo Alto, California 94303

Dear Mrs. Smith:

At the request of our President, Mrs. Don Lurvey, I am writing to explain the action taken at our regular club meeting February 2, 1972 on the request of your club about changing your name from Palo Alto Junior Woman's Club to Palo Alto-Mountain View Junior Woman's Club.

The request was thoroughly discussed in both executive committee and regular meeting and a motion was made and passed that we are not in favor of the name change.

We understand why the request was made but feel the new name would give the impression we are co-sponsors of your club--which we are not--and would take away from The Woman's Club of Palo Alto who have long been your sponsors.

This letter is being sent to confirm the telephone conversations between Mrs. Lurvey and yourself. We are honored you requested the name of Mountain View be included but do not feel it should be at this time.

Much success in the years ahead.

Sincerely,

*Bea Grass*

### REQUEST FOR NEW SPONSORSHIP

The Palo Alto Junior Women's Club has elected to pursue as a major project in 1971-72 the strengthening of our activities in club federation. We, the club as a whole, have analyzed our past federation activities and have determined that our sponsorship by the Woman's Club of Palo Alto is a major handicap to our growth in federation.

On August 26 we held an informal "rap" session attended by 61% of our membership with the purpose of getting the year started and "getting it all together". This session was where our federation problem was identified and we decided to sleep on the problem until the next formal business meeting. On September 9 our club held its first business meeting after the "rap" session and under new business a motion of investigating new sponsorship and communicating this to the Woman's Club of Palo Alto was made, seconded, discussed, and passed by a unanimous vote of the 77% of the members in attendance. A committee of five members was formed to communicate to the District and State and to explore any means of obtaining new sponsorship for the club. We do not wish to leave the federation and are seeking direction as to obtaining sponsorship within the federation. The following are the points and reasons for our action as recorded in the minutes of the September 9 business meeting.

Federation is sharing of ideas, information, friendships and leadership. Federation doesn't exist between the Woman's Club of Palo Alto and the Palo Alto Junior Women's Club. It is difficult to explain federation to new members when federation isn't at work between the two clubs.

There is no development of ideas between the two clubs. The two clubs have different ways of serving the community. The General Club serves

THE FUTURE OF THE ORGANIZATION

The first of the major trends which has emerged in the past few years is the increasing emphasis on the development of the organization as a whole, rather than on the individual members. This has been reflected in the increasing number of members who are active in the organization's activities, and in the increasing number of members who are active in the organization's development.

THE FUTURE OF THE ORGANIZATION

On August 15, 1955, the organization held its annual meeting at the University of California, Los Angeles. The meeting was attended by 100 members and 50 guests. The meeting was held in the University of California, Los Angeles, California. The meeting was held in the University of California, Los Angeles, California.

with its financial assistance while the Juniors serve by getting involved in the problems of the community. We respect and accept the General Club's way, and we would like the same consideration, interest, and acceptance of our methods of service.

Little information is exchanged between the two clubs. Therefore, respect and appreciation is not generated between the two for their respective projects and activities. Little support is given or received for either club's activities.

Friendships aren't fostered between members of the two clubs. The General Club displays a patronizing attitude toward us instead of accepting us as mature federated clubwomen. We have a feeling that they want us to serve them rather than serve with them.

Leadership training is lacking. The relationship between the two clubs is in name only. The only leadership training is available through our Junior District and State officers and chairmen.

We want a sponsor who is active in building our club. We want a sponsor who will actively support our projects and who will allow us to actively support theirs. We also want a sponsor who has projects we can afford to support. We want a sponsor who will actively prepare our club members for membership in G.F.W.C.. We want a sponsor who will allow us to represent ourselves as being of service to communities other than Palo Alto. This is most important since half of our membership is from adjacent communities and the majority of our projects are for these other communities.

Respectfully submitted,

Palo Alto Junior Women's Club Membership

## Soroptimist Clubs Hear Novelist

Novelist Kathleen Norris reared back, took a poke at masculine self-assurance and urged a group of Peninsula businesswomen to bust into public affairs.

Speaking at a recent joint luncheon meeting of four Peninsula Soroptimist clubs, Mrs. Norris said:

"Women of today are needed on all boards and councils. Especially war boards. No woman ever started a war."

Mrs. Norris continued: "Women deal with danger continuously, meeting many daily crises with children falling down stairs or sticking their fingers in electric sockets."

But men—"men sit well-protected in their offices, writing letters and reading mimeographed forms. Women are never called to the office to help with their problems. They are not important enough. But—when men are called home, they come running. The home problems are always vital."

Calling this "typical" man's life a kind of "insulation" from everyday danger, Mrs. Norris said that when men get together to transact affairs of the world they tend to "mess things up."

However, the novelist conceded wryly, "when startled into action, men are warlike with a fight-it-out-at-all-costs attitude."

They need women to bail them out, Mrs. Norris said—much the way Harriet Beecher Stowe with her "Her Uncle Tom's Cabin," written on her kitchen table, helped to end slavery.

Among the Soroptimists was Mrs. Dan D. Robertson, only woman member of the San Mateo County Grand Jury.

Redwood City's Soroptimists were hostesses of the lunch, headed by their president, Ruth Kirste. The Burlingame-San Mateo, Belmont-San Carlos, and Palo Alto clubs also attended.

Mrs. James Hunt, program chairman, introduced Mrs. Norris.

Audrey Aves Assen, violinist, played.

# Crooked cops, judges blamed for gambling

WASHINGTON (AP) — Senate and New York state racketeers charged today that corrupt judges, prosecutors and police are a factor in the growth of illegal gambling into a multibillion dollar-a-year activity.

"You and I know what the problem is," Sen. Henry M. Jackson, D-Wash., a member of the Senate Investigations subcommittee, declared.

"They buy off the judge—they buy off the prosecutor—they buy off the sheriff and the local police."

"In many communities, yes," agreed Goodman A. Sarachan, chairman of the New York State Crime Commission, more formally known as the state's Investigation Commission.

"Not many gamblers can operate 48 hours without the police on the beat knowing about it," New York crime Commissioner Myles J. Lane chimed in.

Sarachan told a Senate inquiry into interstate gambling operations that police chiefs know the identity of nearly every professional gambler in the country but seldom arrest them.

Sarachan said the work of his New York group has convinced him that police chiefs can put their finger on virtually every professional gambler.

To point up his contention that they seldom use this knowledge, Sarachan said the authorities at

LOVELOCK (P) — A torrential rainstorm Monday night delayed four Southern Pacific streamliner passenger trains and a number of freights for hours and halted motor traffic on U.S. Highway 40.

Water, mud and debris on the major east-west highway backed up cars for 10 miles in the Rye Patch Dam area, delaying vehicular traffic for four hours.

Highway crews cleared 40 and cars began rolling again about 7 a.m.

The Southern Pacific double tracks 125 miles east of Reno, near Inlay, were blocked overnight.

tivity near the campus that they demanded police action.

Sarachan said police arrested all gamblers near the university the very next day but did not disturb those operating elsewhere in the city.

He said an Ithaca police chief, whom he did not name, made it a policy never to arrest a gambler unless a complaint had been filed. He said one officer who ignored this policy was fired.

### BOOKMAKERS

Jerome Adlerman, the subcommittee counsel, noted that Sarachan's commission had estimated there was one bookmaker for every 2,500 residents in Upstate New York. He asked if that meant there were about 6,400 in the state.

Jacob Grumet, a New York lawyer and another commission member, said the estimate would be conservative since it ignored "the beehive of activity" in New York City.

Adlerman reported that in the entire State of New York the Internal Revenue Service has issued only 48 gambling tax stamps. Federal law requires every professional gambler to purchase a stamp. Adlerman said there were only three such stamps issued in New York City.

"That's a joke," Grumet commented.

IRS witnesses are to be heard later on the problems of enforcing the gambling stamp law.

## A COLLECT FOR CLUB WOMEN

Keep us, O Lord, from pettiness; let us be large in thought, in word, in deed.

Let us be done with fault-finding and leave off self-seeking.

May we put away all pretense and meet each other face to face, without self-pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things; make us to grow calm, serene, gentle.

Teach us to put into action our better impulses, straightforward, unafraid.

Grant that we may realize that it is the little things that create differences; that in the big things of life we are as one.

And may we strive to touch and to know the great, common, woman's heart of us all, and O Lord God, let us not forget to be kind!

## SONG OF PALO ALTO

### VERSE -

A landmark grand to see is a giant  
redwood tree  
Beside an entrance to the city that  
I love.  
No matter where I roam, it's there  
when I come home,  
With arms held out in welcome high  
above.

### CHORUS -

"O Palo Alto!" The western winds are softly  
sighing,  
"You're blest by all the best of California  
sun and rain!"  
From hills and valleys, from lawns and gardens  
to the bayshore,  
All nature seems to sing, and I can hear the  
sweet refrain! --  
Like a chant from long ago where Indians roamed  
below;  
A tune of Spanish pioneers around the bend;  
A song of the winding trail that changed to road  
and rail;  
And a glad finale, just to mark my journey's  
end!  
"O Palo Alto!" Out on the harbor at the  
bayside  
The echo sweetly sounds with every wave that  
ripples to the shore;  
And with the echo I hear the pounding of my  
heart-beat,  
Part of the Song of Palo Alto! What other place  
on earth could I love more?

## MUSIC AND FRIENDSHIP

Sweet music that we hear in the morning  
Means music in our hearts the whole day thru;  
For the lift and the lilt of the lovely tunes  
Return again in memory anew.

True Friendship is like music that we know and  
love,  
A gift that grows in worth the more we share;  
But when lovely tunes and true friendship sweetly  
blend,  
The gift grows beautiful beyond compare!

For happy hours of music with the friends we love,  
Whatever talent, time or thought we give,  
We will find returned to us in double measure  
A gift of joy that in our hearts will live!

## SONG FOR A NEW GENERATION

When I was a child I liked being with people,  
but even better, I liked being alone.....  
feeling cleanness of a day washed clean with wind;  
watching shine on leaves moving with soundless music,  
tuned to bell sounds in my heart that no one heard  
except myself; knowing pathways by their crushed  
pungence, the stain of green a brand upon my toes;  
and I recall how wind-shaken pear blossoms fell,  
a smoothness to my touseled hair, each white petal  
a flake of purity.

Yesterdays tilt toward tomorrows.  
Time has a way of becoming vague -- pathways  
grown over with hours and days; years like a hedge  
between memories. Yet in the eye's mirror there is,  
standing small upon a sun-drenched universe, a child  
listening to shape of song rising into immeasurable  
blue, and the child is the rapt child that I was,  
wearing my name and face .....

# Crooked cops, judges blamed for gambling

WASHINGTON (AP) — Senate and New York state rackets prob-ers charged today that corrupt judges, prosecutors and police are a factor in the growth of illegal gambling into a multibillion dollar-a-year activity.

"You and I know what the problem is," Sen. Henry M. Jackson, D-Wash., a member of the Senate Investigations subcommittee, declared.

"They buy off the judge—they buy off the prosecutor—they buy off the sheriff and the local police."

"In many communities, yes," agreed Goodman A. Sarachan, chairman of the New York State Crime Commission, more formally known as the state's Investigation Commission.

"Not many gamblers can operate 48 hours without the police on the beat knowing about it," New York crime Commissioner Myles J. Lane chimed in.

Sarachan told a Senate inquiry into interstate gambling operations that police chiefs know the identity of nearly every professional gambler in the country but seldom arrest them.

Sarachan said the work of his New York group has convinced him that police chiefs can put their finger on virtually every professional gambler.

To point up his contention that they seldom use this knowledge, Sarachan said the authorities at

Cornell University, Ithaca, N.Y., became so alarmed a few years ago about flagrant gambling ac-

tivity near the campus that they demanded police action.

Sarachan said police arrested all gamblers near the university the very next day but did not disturb those operating elsewhere in the city.

He said an Ithaca police chief, whom he did not name, made it a policy never to arrest a gambler unless a complaint had been filed. He said one officer who ignored this policy was fired.

## Torrential rain hits Nevada

LOVELOCK (P) — A torrential rainstorm Monday night delayed four Southern Pacific streamliner passenger trains and a number of freights for hours and halted motor traffic on U.S. Highway 40.

Water, mud and debris on the major east-west highway backed up cars for 10 miles in the Rye Patch Dam area, delaying vehicular traffic for four hours.

Highway crews cleared 40 and cars began rolling again about 7 a.m.

The Southern Pacific double tracks 125 miles east of Reno, near Inlay, were blocked overnight.

Runoff from the cloudburst covered some 700 feet of the east-bound tracks with debris and undercut the west-bound tracks, washing out ballast for approximately 400 feet. Damage occurred in spots over a six-mile stretch.

### BOOKMAKERS

Jerome Adlerman, the subcommittee counsel, noted that Sarachan's commission had estimated there was one bookmaker for every 2,500 residents in Upstate New York. He asked if that meant there were about 6,400 in the state.

Jacob Grumet, a New York lawyer and another commission member, said the estimate would be conservative since it ignored "the beehive of activity" in New York City.

Adlerman reported that in the entire State of New York the Internal Revenue Service has issued only 48 gambling tax stamps. Federal law requires every professional gambler to purchase a stamp. Adlerman said there were only three such stamps issued in New York City.

"That's a joke," Grumet commented.

IRS witnesses are to be heard later on the problems of enforcing the gambling stamp law.

# Crooked cops, judges blamed for gambling

WASHINGTON (AP) — Senate and New York state rackets prob-  
ers charged today that corrupt  
judges, prosecutors and police are  
a factor in the growth of illegal  
gambling into a multibillion dol-  
lar-a-year activity.

"You and I know what the prob-  
lem is," Sen. Henry M. Jackson,  
D-Wash., a member of the Senate  
Investigations subcommittee, de-  
clared.

"They buy off the judge—they  
buy off the prosecutor—they buy  
off the sheriff and the local po-  
lice."

"In many communities, yes,"  
agreed Goodman A. Sarachan,  
chairman of the New York State  
Crime Commission, more formal-  
ly known as the state's Investiga-  
tion Commission.

"Not many gamblers can oper-  
ate 48 hours without the police on  
the beat knowing about it," New  
York crime Commissioner Myles  
J. Lane chimed in.

Sarachan told a Senate inquiry  
into interstate gambling opera-  
tions that police chiefs know the  
identity of nearly every profes-  
sional gambler in the country but  
seldom arrest them.

Sarachan said the work of his  
New York group has convinced  
him that police chiefs can put  
their finger on virtually every  
professional gambler.

To point up his contention that  
they seldom use this knowledge,  
Sarachan said the authorities at

Cornell University, Ithaca, N.Y.,  
became so alarmed a few years  
ago about flagrant gambling ac-

tivity near the campus that they  
demanded police action.

Sarachan said police arrested  
all gamblers near the university  
the very next day but did not dis-  
turb those operating elsewhere in  
the city.

He said an Ithaca police chief,  
whom he did not name, made it a  
policy never to arrest a gambler  
unless a complaint had been filed.  
He said one officer who ignored  
this policy was fired.

## Torrential rain hits Nevada

LOVELOCK (P) — A torrential  
rainstorm Monday night delayed  
four Southern Pacific stream-  
liner passenger trains and a  
number of freights for hours and  
halted motor traffic on U.S.  
Highway 40.

Water, mud and debris on the  
major east-west highway backed  
up cars for 10 miles in the Rye  
Patch Dam area, delaying vehic-  
ular traffic for four hours.

Highway crews cleared 40 and  
cars began rolling again about  
7 a.m.

The Southern Pacific double  
tracks 125 miles east of Reno,  
near Inlay, were blocked over-  
night.

Runoff from the cloudburst  
covered some 700 feet of the  
east-bound tracks with debris  
and undercut the west-bound  
tracks, washing out ballast for  
approximately 400 feet. Damage  
occurred in spots over a six-mile  
stretch.

### BOOKMAKERS

Jerome Adlerman, the subcom-  
mittee counsel, noted that Sara-  
chan's commission had estimated  
there was one bookmaker for ev-  
ery 2,500 residents in Upstate New  
York. He asked if that meant  
there were about 6,400 in the state.

Jacob Grumet, a New York law-  
yer and another commission mem-  
ber, said the estimate would be  
conservative since it ignored "the  
beehive of activity" in New York  
City.

Adlerman reported that in the  
entire State of New York the In-  
ternal Revenue Service has issued  
only 48 gambling tax stamps.  
Federal law requires every pro-  
fessional gambler to purchase a  
stamp. Adlerman said there were  
only three such stamps issued in  
New York City.

"That's a joke," Grumet com-  
mented.

IRS witnesses are to be heard  
later on the problems of enforcing  
the gambling stamp law.

# Crooked cops, judges blamed for gambling

*Aug 22*

WASHINGTON (AP) — Senate and New York state rackets prob-  
ers charged today that corrupt  
judges, prosecutors and police are  
a factor in the growth of illegal  
gambling into a multibillion dol-  
lar-a-year activity.

"You and I know what the prob-  
lem is," Sen. Henry M. Jackson,  
D-Wash., a member of the Senate  
Investigations subcommittee, de-  
clared.

"They buy off the judge—they  
buy off the prosecutor—they buy  
off the sheriff and the local po-  
lice."

"In many communities, yes,"  
agreed Goodman A. Sarachan,  
chairman of the New York State  
Crime Commission, more formal-  
ly known as the state's Investiga-  
tion Commission.

"Not many gamblers can oper-  
ate 48 hours without the police on  
the beat knowing about it," New  
York crime Commissioner Myles  
J. Lane chimed in.

Sarachan told a Senate inquiry  
into interstate gambling opera-  
tions that police chiefs know the  
identity of nearly every profes-  
sional gambler in the country but  
seldom arrest them.

Sarachan said the work of his  
New York group has convinced  
him that police chiefs can put  
their finger on virtually every  
professional gambler.

To point up his contention that  
they seldom use this knowledge,  
Sarachan said the authorities at

Cornell University, Ithaca, N.Y.,  
became so alarmed a few years  
ago about flagrant gambling ac-

tivity near the campus that they  
demanded police action.

Sarachan said police arrested  
all gamblers near the university  
the very next day but did not dis-  
turb those operating elsewhere in  
the city.

He said an Ithaca police chief,  
whom he did not name, made it a  
policy never to arrest a gambler  
unless a complaint had been filed.  
He said one officer who ignored  
this policy was fired.

## Torrential rain hits Nevada

LOVELOCK (P) — A torrential  
rainstorm Monday night delayed  
four Southern Pacific stream-  
liner passenger trains and a  
number of freights for hours and  
halted motor traffic on U.S.  
Highway 40.

Water, mud and debris on the  
major east-west highway backed  
up cars for 10 miles in the Rye  
Patch Dam area, delaying vehic-  
ular traffic for four hours.

Highway crews cleared 40 and  
cars began rolling again about  
7 a.m.

The Southern Pacific double  
tracks 125 miles east of Reno,  
near Inlay, were blocked over-  
night.

Runoff from the cloudburst  
covered some 700 feet of the  
east-bound tracks with debris  
and undercut the west-bound  
tracks, washing out ballast for  
approximately 400 feet. Damage  
occurred in spots over a six-mile  
stretch.

### BOOKMAKERS

Jerome Adlerman, the subcom-  
mittee counsel, noted that Sara-  
chan's commission had estimated  
there was one bookmaker for ev-  
ery 2,500 residents in Upstate New  
York. He asked if that meant  
there were about 6,400 in the state.

Jacob Grumet, a New York law-  
yer and another commission mem-  
ber, said the estimate would be  
conservative since it ignored "the  
beehive of activity" in New York  
City.

Adlerman reported that in the  
entire State of New York the In-  
ternal Revenue Service has issued  
only 48 gambling tax stamps.  
Federal law requires every pro-  
fessional gambler to purchase a  
stamp. Adlerman said there were  
only three such stamps issued in  
New York City.

"That's a joke," Grumet com-  
mented.

IRS witnesses are to be heard  
later on the problems of enforcing  
the gambling stamp law.

WASHINGTON (AP) — Senate and New York state rackets prob-ers charged today that corrupt judges, prosecutors and police are a factor in the growth of illegal gambling into a multibillion dollar-a-year activity.

"You and I know what the problem is," Sen. Henry M. Jackson, D-Wash., a member of the Senate Investigations subcommittee, declared.

"They buy off the judge—they buy off the prosecutor—they buy off the sheriff and the local police."

"In many communities, yes," agreed Goodman A. Sarachan, chairman of the New York State Crime Commission, more formally known as the state's Investigation Commission.

LOVELOCK (P) — A torrential rainstorm Monday night delayed four Southern Pacific streamliner passenger trains and a number of freights for hours and halted motor traffic on U.S. Highway 40.

Water, mud and debris on the major east-west highway backed up cars for 10 miles in the Rye Patch Dam area, delaying vehicular traffic for four hours.

Highway crews cleared 40 and cars began rolling again about 7 a.m.

The Southern Pacific double tracks 125 miles east of Reno, near Inlay, were blocked overnight.

Sarachan said police arrested all gamblers near the university the very next day but did not disturb those operating elsewhere in the city.

He said an Ithaca police chief, whom he did not name, made it a policy never to arrest a gambler unless a complaint had been filed. He said one officer who ignored this policy was fired.

### BOOKMAKERS

Jerome Adlerman, the subcommittee counsel, noted that Sarachan's commission had estimated there was one bookmaker for every 2,500 residents in Upstate New York. He asked if that meant there were about 6,400 in the state.

Jacob Grumet, a New York lawyer and another commission member, said the estimate would be conservative since it ignored "the beehive of activity" in New York City.

Adlerman reported that in the entire State of New York the Internal Revenue Service has issued only 48 gambling tax stamps. Federal law requires every professional gambler to purchase a stamp. Adlerman said there were only three such stamps issued in New York City.

"That's a joke," Grumet commented.

# Crooked cops, judges blamed for gambling

WASHINGTON (AP) — Senate and New York state rackets prob-ers charged today that corrupt judges, prosecutors and police are a factor in the growth of illegal gambling into a multibillion dollar-a-year activity.

"You and I know what the problem is," Sen. Henry M. Jackson, D-Wash., a member of the Senate Investigations subcommittee, declared.

"They buy off the judge—they buy off the prosecutor—they buy off the sheriff and the local police."

"In many communities, yes," agreed Goodman A. Sarachan, chairman of the New York State Crime Commission, more formally known as the state's Investigation Commission.

"Not many gamblers can operate 48 hours without the police on the beat knowing about it," New York crime Commissioner Myles J. Lane chimed in.

Sarachan told a Senate inquiry into interstate gambling operations that police chiefs know the identity of nearly every professional gambler in the country but seldom arrest them.

Sarachan said the work of his New York group has convinced him that police chiefs can put their finger on virtually every professional gambler.

To point up his contention that they seldom use this knowledge, Sarachan said the authorities at

LOVELOCK (P) — A torrential rainstorm Monday night delayed four Southern Pacific streamliner passenger trains and a number of freights for hours and halted motor traffic on U.S. Highway 40.

Water, mud and debris on the major east-west highway backed up cars for 10 miles in the Rye Patch Dam area, delaying vehicular traffic for four hours.

Highway crews cleared 40 and cars began rolling again about 7 a.m.

The Southern Pacific double tracks 125 miles east of Reno, near Inlay, were blocked overnight.

Runoff from the cloudburst covered some 700 feet of the east-bound tracks with debris and undercut the west-bound tracks, washing out ballast for approximately 400 feet. Damage occurred in spots over a six-mile stretch.

tivity near the campus that they demanded police action.

Sarachan said police arrested all gamblers near the university the very next day but did not disturb those operating elsewhere in the city.

He said an Ithaca police chief, whom he did not name, made it a policy never to arrest a gambler unless a complaint had been filed. He said one officer who ignored this policy was fired.

### BOOKMAKERS

Jerome Adlerman, the subcommittee counsel, noted that Sarachan's commission had estimated there was one bookmaker for every 2,500 residents in Upstate New York. He asked if that meant there were about 6,400 in the state.

Jacob Grumet, a New York lawyer and another commission member, said the estimate would be conservative since it ignored "the beehive of activity" in New York City.

Adlerman reported that in the entire State of New York the Internal Revenue Service has issued only 48 gambling tax stamps. Federal law requires every professional gambler to purchase a stamp. Adlerman said there were only three such stamps issued in New York City.

"That's a joke," Grumet commented.

IRS witnesses are to be heard later on the problems of enforcing the gambling stamp law.

Runoff from the cloudburst covered some 700 feet of the east-bound tracks with debris and undercut the west-bound tracks, washing out ballast for approximately 400 feet. Damage occurred in spots over a six-mile stretch.

### BOOKMAKERS

Jerome Adlerman, the subcommittee counsel, noted that Sarachan's commission had estimated there was one bookmaker for every 2,500 residents in Upstate New York. He asked if that meant there were about 6,400 in the state.

Jacob Grumet, a New York lawyer and another commission member, said the estimate would be conservative since it ignored "the beehive of activity" in New York City.

Adlerman reported that in the entire State of New York the Internal Revenue Service has issued only 48 gambling tax stamps. Federal law requires every professional gambler to purchase a stamp. Adlerman said there were only three such stamps issued in New York City.

"That's a joke," Grumet commented.

IRS witnesses are to be heard later on the problems of enforcing the gambling stamp law.

# Crooked cops, judges blamed for gambling

*Aug 22*

WASHINGTON (AP) — Senate and New York state rackets prob-  
ers charged today that corrupt  
judges, prosecutors and police are  
a factor in the growth of illegal  
gambling into a multibillion dol-  
lar-a-year activity.

"You and I know what the prob-  
lem is," Sen. Henry M. Jackson,  
D-Wash., a member of the Senate  
Investigations subcommittee, de-  
clared.

"They buy off the judge—they  
buy off the prosecutor—they buy  
off the sheriff and the local po-  
lice."

"In many communities, yes,"  
agreed Goodman A. Sarachan,  
chairman of the New York State  
Crime Commission, more formal-  
ly known as the state's Investiga-  
tion Commission.

"Not many gamblers can oper-  
ate 48 hours without the police on  
the beat knowing about it," New  
York crime Commissioner Myles  
J. Lane chimed in.

Sarachan told a Senate inquiry  
into interstate gambling opera-  
tions that police chiefs know the  
identity of nearly every profes-  
sional gambler in the country but  
seldom arrest them.

Sarachan said the work of his  
New York group has convinced  
him that police chiefs can put  
their finger on virtually every  
professional gambler.

To point up his contention that  
they seldom use this knowledge,  
Sarachan said the authorities at

Cornell University, Ithaca, N.Y.,  
became so alarmed a few years  
ago about flagrant gambling ac-

tivity near the campus that they  
demanded police action.

Sarachan said police arrested  
all gamblers near the university  
the very next day but did not dis-  
turb those operating elsewhere in  
the city.

He said an Ithaca police chief,  
whom he did not name, made it a  
policy never to arrest a gambler  
unless a complaint had been filed.  
He said one officer who ignored  
this policy was fired.

## Torrential rain hits Nevada

LOVELOCK (P) — A torrential  
rainstorm Monday night delayed  
four Southern Pacific stream-  
liner passenger trains and a  
number of freights for hours and  
halted motor traffic on U.S.  
Highway 40.

Water, mud and debris on the  
major east-west highway backed  
up cars for 10 miles in the Rye  
Patch Dam area, delaying vehic-  
ular traffic for four hours.

Highway crews cleared 40 and  
cars began rolling again about  
7 a.m.

The Southern Pacific double  
tracks 125 miles east of Reno,  
near Inlay, were blocked over-  
night.

Runoff from the cloudburst  
covered some 700 feet of the  
east-bound tracks with debris  
and undercut the west-bound  
tracks, washing out ballast for  
approximately 400 feet. Damage  
occurred in spots over a six-mile

# Dr. and Mrs. Henry Broderson Mark Sixty-Second Anniversary

Dr. and Mrs. Henry Broderson of Menlo Park, a couple who have shared an interest in community betterment, celebrated their 62nd wedding anniversary in November.

The celebration, at Thanksgiving dinner with their daughter and son-in-law, the Henry F. Sirgos, was attended by several old family friends. Formerly from Houston and now of Oakland, Dr. and Mrs. A.C. Madsen and their son and his family, the Charles Madsens, were present at the occasion which also marked Dr. Madsen's birthday.

The Broderson's other daughter, wife of Dr. Maxwell Boverman of Washington and Potomac, Md., visited the couple earlier in the month.

## ROTARY AWARD

This fall, Dr. and Mrs. Broderson were presented with their "Paul Harris Fellows" award of the Rotary Foundation. A gift

toward scholarships for students in foreign countries and funded by the foundation entitles one to become a Paul Harris Fellow.

The Brodersons were married in 1914. He is now 92 and she was 87 in November.

Their interest in foreign student education occurred at their first Christmas when they invited Chinese student members of the Cosmopolitan Club at the University of Illinois, to dinner. Dr. Broderson was an instructor at the university then.

The couple has continued this custom ever since and have hundreds of friends around the world who still remember them in this season.

## ROTARIAN

Dr. Broderson was a petroleum engineer until he retired in 1948. He was president of the Texas City Rotary Club and later

joined the Menlo Park Rotary Club in 1951. He served the local club as a director in 1952-53.

Mrs. Broderson has been active since her arrival in this area. In keeping with her interest in foreign students, she was involved with the international section of the Menlo-Atherton Branch of the American Association of University Women for 25 years and also was active in the International Center at Stanford University.

## CLUBWOMAN

Nellie Broderson has been a long-time member of the Palo Alto Women's Club and the League of Women Voters. She campaigned hard in north Santa Clara County for a juvenile hall, improvement of the county jail and county hospital after the war.

"The time was right," she says. "We were able to accomplish a lot of good."

M.M.S.

ROTARY HONORS went to Dr. and Mrs. Henry Broderson, left, from Rotary president Robert Maus of the Menlo Park Club on the occasion of the couple becoming Paul Harris Fellows. Very few women contribute to the Paul Harris Foundation and Mrs. Broderson received a medallion on a chain and a brooch on this occasion.

THE WOMAN'S CLUB OF PALO ALTO  
Palo Alto, California  
May 7, 1964

To the Mayor and Members of the City Council, Menlo Park

Gentlemen:

We, the members of the Palo Alto Woman's Club living in Menlo Park, urge that you consider the contents of the enclosed letter sent to the Board of Supervisors. We are proud of our city and are hopeful that you will do what Burlingame and Millbrae have done, viz., pass an ordinance prohibiting the licensing of pinball machines. I'm sure that Menlo Park has fewer such devices than some of our neighboring cities, but you will agree that the environment for our young people would be more wholesome if we could "point with pride" and say that we do not tolerate gambling.

Money spent for gambling must come from some place. It is a well-known fact that gambling many times becomes compulsive and addicts will steal, forge checks, resort to hold-ups and other means to find the cash to hopefully recoup their losses.

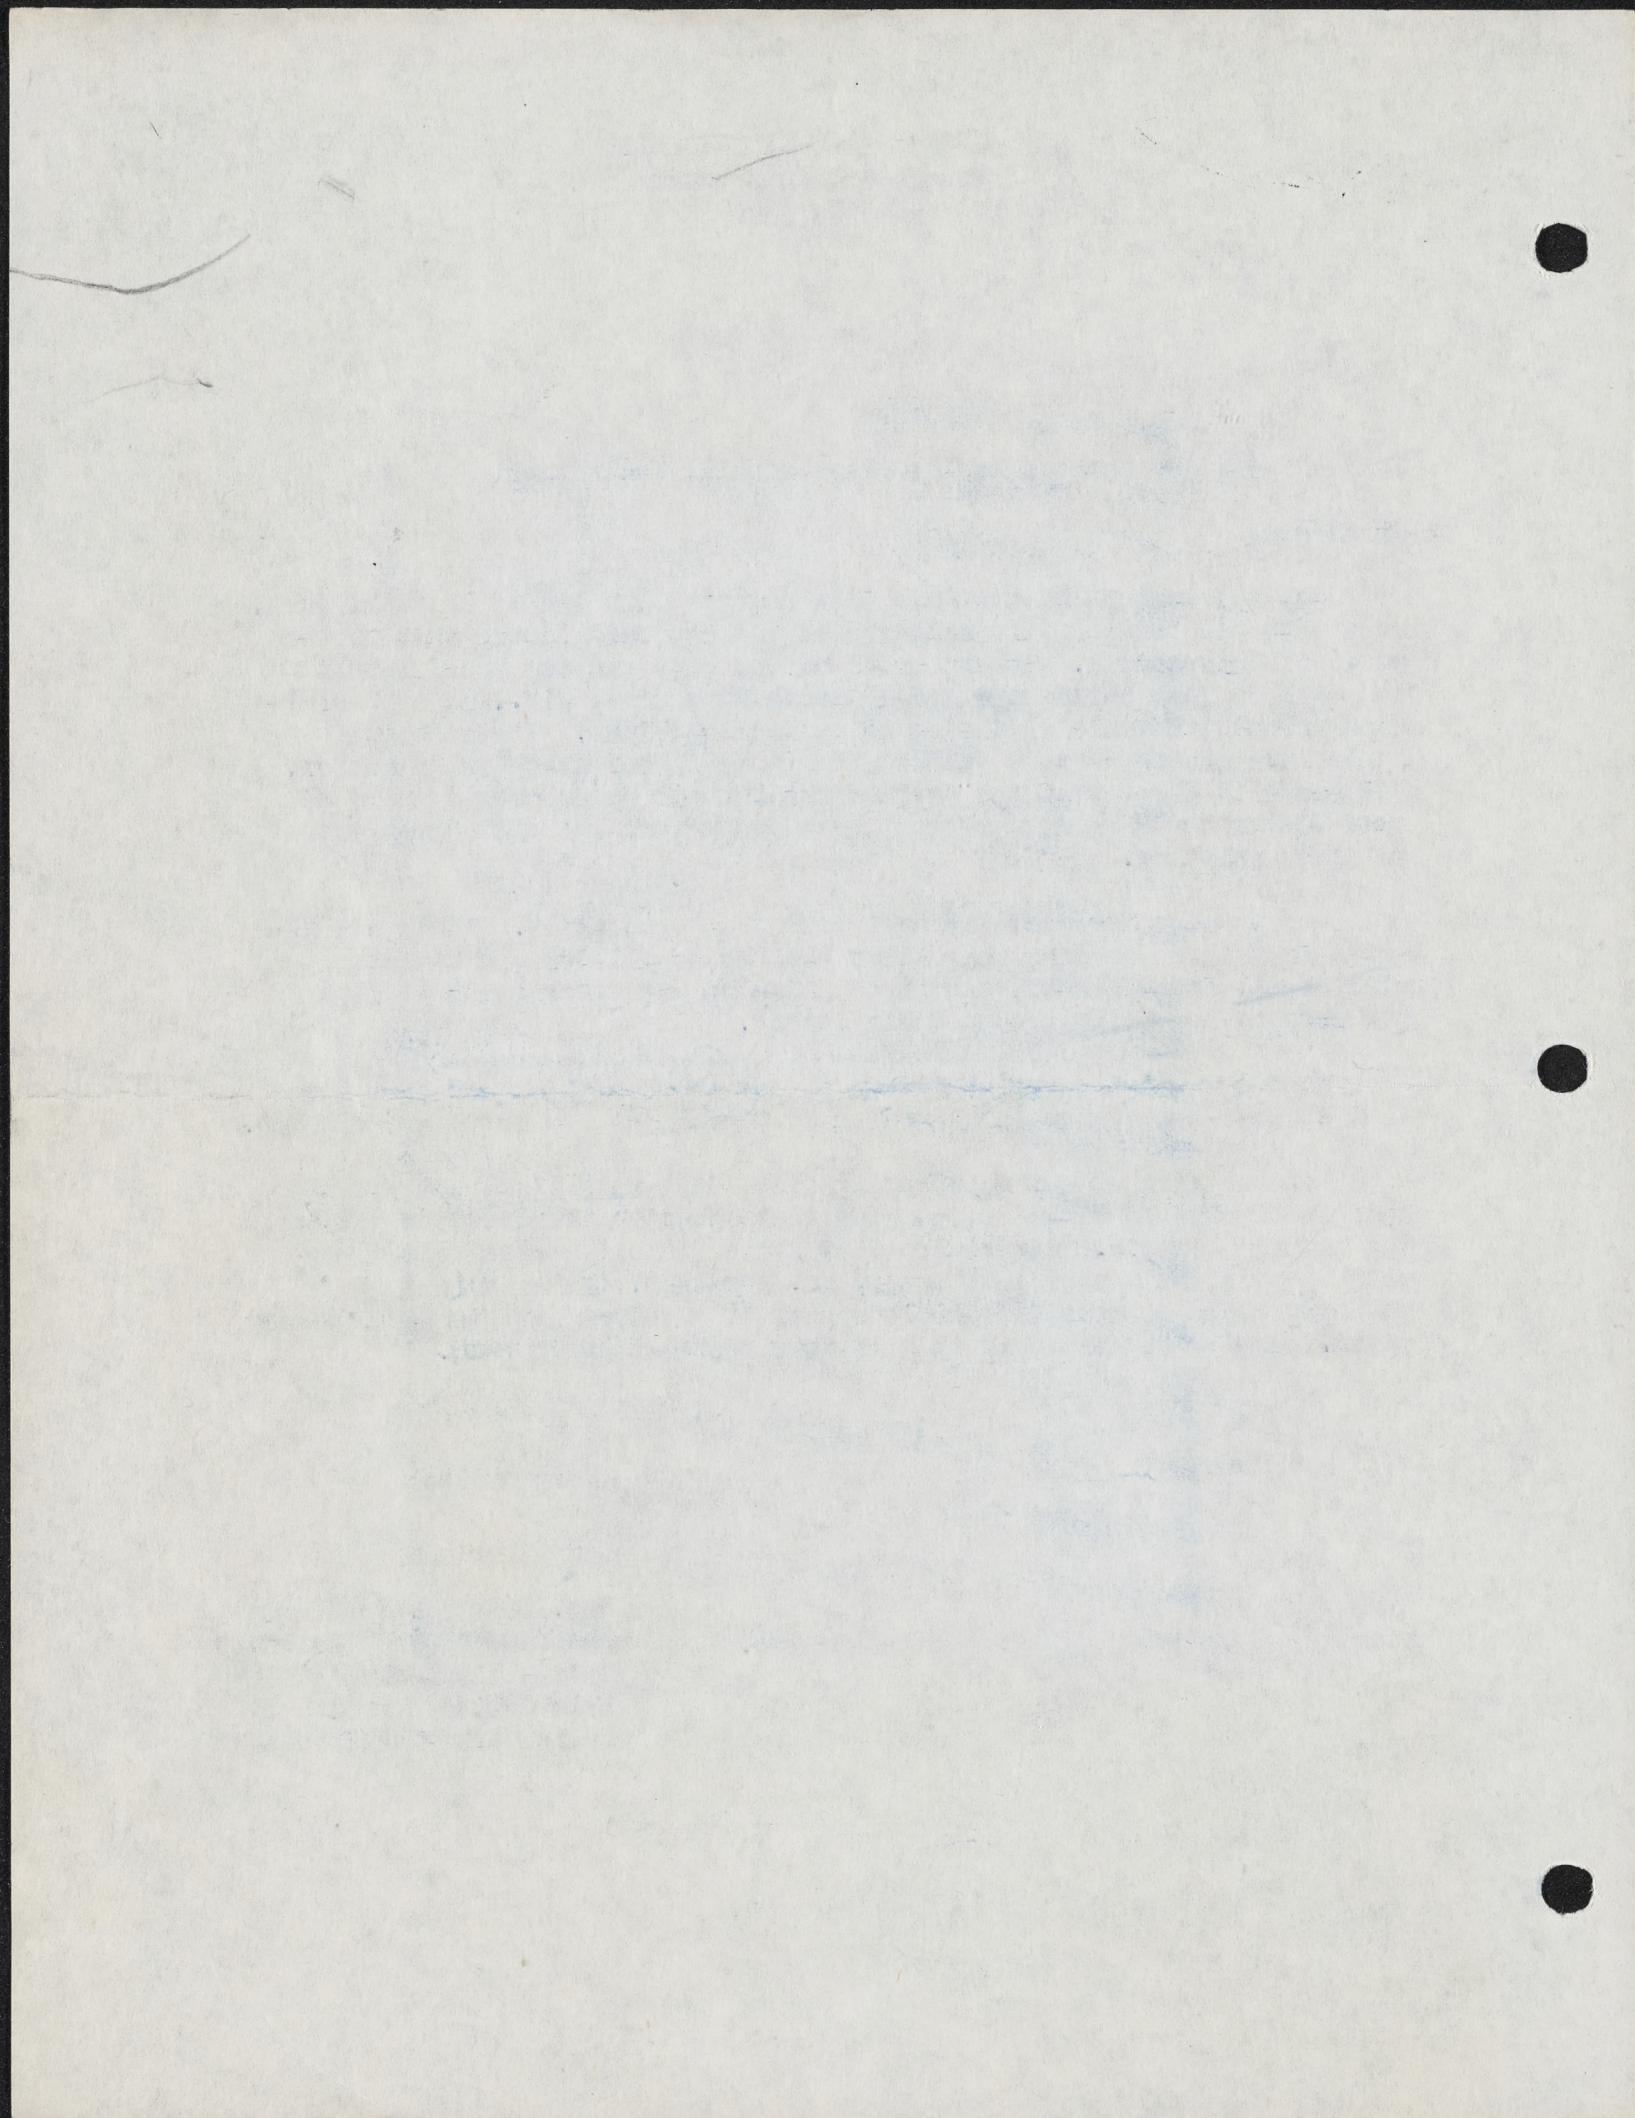

We only need to look at Nevada to see what gambling has done for that state---corruption in high places, hoodlunism and crime are rampant.

For the sake of our neighboring area, East Palo Alto, and for the benefit of our own citizens, we urge that you take constructive action for our own welfare. We are proud of Chief Potter's record and agree with him and our District Attorney, Mr. Sorenson, that the task of policing would be made infinitely easier if gambling devices were eliminated. We do not need this type of "business" in Menlo Park.

Yours truly,

Mrs. Henry J. Broderick  
Chairman Civic Affairs,  
Palo Alto Woman's Club  
1310 Cotton Street  
Menlo Park, California

California Fed. Women's Club

Supervisor James V. Fitzgerald  
San Bruno Calif.

Dear Mr. Fitzgerald:- Many citizens are concerned about the gambling situation in San Mateo County. We are proud that at long last we have one Supervisor who is also concerned. We have, through the efforts, regretted that our Sheriff has never "seen" gambling pay-off from the hundreds of pinball machines in the County. Five years ago in Santa Clara County, Sheriff Melvin D. Hawley confiscated scores of machines which he now found to be paying.

The Women's Club of Palo Alto actively supported Sheriff Hawley, and since I was Mrs. J. J. J. affair and a resident of San Mateo Co. I naturally became interested in our situation here. Several of our members together with ministers, Boy Scout leaders and others, appeared before the Supervisors and urged that in the best interests of the County, morally and economically, that an ordinance be passed, forbidding the licensing of pinballs (merely the replacement of the old slot machines, as you know.)

The Supervisors called on Mr. Dorenson who advised that such an ordinance be passed. The Sheriff said no need for such an ordinance. Our efforts got nowhere. Because of the campaign to stop gambling in Santa Clara County, I received several statements from many law enforcement officers expressing the view that where gambling is permitted there is also corruption.

At that time Sheriff Whitmore stated that he didn't have enough deputies to "watch" the pool ball machines — this in spite of the disclosures of many pay-off witnessed by a Redwood City Tribune reporter at that time. We are disappointed that Supervisor Nerden publicly defended the licensing of more pool ball machines.

It is hoped that Dist. Atty. Sorenson's effort to clean up Dan Mater will receive the support of all the Supervisors. Enclosed find copy of Editorial (Palo Alto Times Dec 15. 61) "Gambling breeds Crime, Corruption".

## Women Agree: They Can Do Good for Communities

Women can do wonders for community betterment if they set their minds to it, Omaha women agreed Saturday. That idea was expressed the

other day by Mrs. Nellie Broderson of Palo Alto, Cal. Upon being named Clubwoman of the Year, Mrs. Broderson said five women could

clean up a community.

Six Omaha women were asked if this were so.

Why, absolutely!

If they had their way, the wonders to be performed in Omaha would range from better sex laws to better juvenile courts to better sewers. Here are some of the comments:

Mrs. Sidney Smith, 5109 Charles Street: "So many women don't tackle civic problems because they're afraid of 'dirty politics.' They're afraid even when politics are not dirty. As Fannie Hurst said, women are 'the sleeping beauties of politics.'"

"It may not be a glamorous project for women, but there is a crying need for new sewers and a sewage disposal plant."

Mrs. Penelope Anderson, president of Altrusa Club: "As a member of a citizens' committee, I've been working for a proper juvenile court and youth bureau. I think women can do great things. But it's hard to get them to make up their minds to do it."

They're so busy these days."

Mrs. Isabella Threlkeld, 217 South Forty-eighth Street: "We have made a good start on some improvements that women ought to carry on, such as better penal institutions, better youth facilities, better city planning."

Mrs. John D. Diesing, 5319 Howard Street: "I'm interested in two things, particularly—laws for better protection of children against sex criminals, and more recreation places for teen-agers."

Thresa Clark, president of the Women's Interclub Council: "We need better parks, better schools, better library system, more policemen and firemen. I think it all boils down to need for more money and an improved tax system."

Virginia Hoffman, O'Neill, Neb., sophomore at Creighton University: "I don't know too much about Omaha. But I think a new downtown library is needed. At home, when we wanted a new swimming pool, the women were pretty important in getting it."

## **Citizens' League Against Pari-Mutuel Betting**

**in Santa Clara County**

*Sent to every taxpayer!*

205 East Santa Clara - San Jose - Calif. CY 2-7875

October 22, 1954

Dear Santa Clara County Citizen:

We know you are interested in the future of Santa Clara County. Therefore, we are taking this opportunity to warn you of the actual danger to that very future that is posed by two issues on the November 2 ballot.

1. Whether to have pari-mutuel betting at the County Fair, and
2. Whether to retain the present Fair Association which is committed to pari-mutuel betting.

What horse racing along with pari-mutuel betting does to a community's welfare and wholesome atmosphere does not have to be repeated here.

There are few, if any, who will argue that gambling in any form adds to the moral integrity of a community. Those who are associated with the gambling end of horse racing do not always keep the best company.

The records prove that pari-mutuel does not add to the over-all economy of a community--on the contrary, it drains away much of the money from the normal economic channels and in its wake leaves hungry families, broken homes and new sources of crimes.

We feel that no one can honestly name a wholesome result that pari-mutuel betting adds to a community that it invades. Nor does it improve the atmosphere at the Fair for our children and other visitors. It also shifts the interest from agricultural, commercial and industrial exhibits.

Therefore, we doubly urge you to aid in this drive to keep out this menace in every way possible. FIRST, vote NO on November 2 on PARI-MUTUEL BETTING and NO on PROPOSITION NO. 2--Amendment to the County Charter. SECOND, by inviting 6, 8, 10 or more of your neighbors and friends to your home for a coffee hour and social gathering between now and November 1. Discuss the points presented in this brochure and letter and see that no one in your neighborhood is without the TRUE FACTS.

We are enclosing a postage-free card on which to indicate your intention to participate in this growing campaign--your little part will be a big part of a rising tide--to throw back the forces which advocate pari-mutuel betting in Santa Clara County and will help keep out the actual sinister forces that are behind any gambling venture in this state.

Very truly yours,

# Why A No Vote on Pari-Mutuel Betting!

COUNTY MEASURE--Shall Pari-Mutuel betting on horse races be permitted at the County Fair?

## Factual Background

This proposition was placed on the ballot by the Board of Supervisors after much insistence by various educational, religious and women's groups in the county. It is of an advisory nature only, not legally binding. It is designed to give the supervisors an idea of the sentiments of the public as a whole on the controversial betting issue.

Pari-mutuel betting was voted into this state in 1933. It is a form of betting monopoly granted by the State of California to fairs and race tracks for a percentage of the total amount bet. 9% goes to the State and 4% to the track. The odds are automatically computed by a machine originally called the pari-mutuel but which in California is referred to as a totalizator.

Pari-mutuel betting is under the control of a State Racing Board whose duties are to set racing dates. 70% of the pari-mutuel funds is used to aid fairs in this state. \$65,000 from the Pari-Mutuel Tax Fund goes automatically to each fair for premiums. Additional funds for buildings and improvements are allocated by the State Board of Public Works. About 30% of the Pari-Mutuel Tax Fund is allocated to three agricultural colleges and wild life restoration.

The main proponent of this amendment is the County Fair Association. Those opposed include members of the Citizens against Pari-Mutuel Betting.

## Arguments Against

1--Pari-mutuel betting would draw interest away from the agricultural and industrial exhibits of the fair and would place the main emphasis of the fair on horse racing.

2--It will bring an undesirable element into the county. Racing attracts bookmakers. The illegal activities of bookmakers, in order to stay in business, could lead to corruption of law-enforcement agencies. This weakening of law enforcement inevitably would extend to other areas, such as prostitution and narcotics.

3--It will take business away from our merchants. Business is always generally poor in the vicinity of a race-track during racing season. Race-tracks do not produce employment in proportion to the revenue they take in nor does the county's share of the state income compensate for the money taken out of business circulation.

4--Betting would make for an unwholesome environment for teen-agers who frequent the fair. It may bring them into contact with professional gamblers.

5--The Fair Association wishes to introduce racing as a means of reducing the Fair's annual operating deficit, which last year was \$160,000. If the fair were limited to its original purpose of agricultural and education exhibits and operated on a business-like basis there would be no deficit. Horse racing at a one-week County Fair will not necessarily be profitable; nine California Fairs have tried it and given it up. However, should there be a profit, it would be at the expense of bringing big-time vice to Santa Clara County.

6--Proponents have inferred in the past that if betting is not permitted, the state may cut the county out of its share of pari-mutuel tax money. State law does not require a fair to have pari-mutuel betting as a condition for receiving either the \$65,000 premium fund or the construction funds to which it is entitled. Thus, 23 county fairs receive pari-mutuel funds but only five of them have pari-mutuel racing. The State Controller, Mr. Kirkwood, says the state will never exert any pressure on Santa Clara County to adopt pari-mutuel betting.

7--Proponents infer we owe a return to the state pari-mutuel funds for all we have received from that source. The racing industry pays for

its state-given monopoly by contributing to the pari-mutuel tax fund. 92% of this fund cannot be used for general state purposes. It can only be allocated to fairs and to certain agricultural colleges. If there were any obligation to reimburse the pari-mutuel tax fund, then every fair and every agricultural college which benefits from this fund ought to institute horse-racing.

## No on Charter Amendment--Proposition No. 2.

CHARTER AMENDMENT--PROPOSITION NO. 2---Shall the Charter be amended to permit the Board of Supervisors to operate the annual county fair and fairgrounds under the general laws of the State of California?

### Factual Background

This measure is in the form of an amendment to the County Charter. It poses the question of whether to turn the fair management over to the supervisors or to allow it to go to the county executive as stipulated in the County Charter.

The existing contracts under which the Fair Association conducts the fair and operates the fairgrounds the rest of the year expires on October 5, 1955; they cannot be renewed by the Board of Supervisors because the County Charter (which was adopted after the contracts were made) places the administration of all County affairs and property in the hands of the county executive.

As the County Charter now stands the relation of the Board of Supervisors to the fair would, after 1955, generally be confined to policy-making, such as whether to hold a fair. The county executive would have the right to make a contract with the Fair Association to operate the fair for one week but the fairgrounds would have to be run during the other 51 weeks like any other county department under the Civil Service Merit System.

The main proponent of this amendment is the County Fair Association. Those opposed include former freeholders of the County Charter, and members of the Citizens' League Against Pari-Mutuel Betting in Santa Clara County.

### Arguments Against

1--The intent of the Charter is to have all county affairs managed by the county executives. This exception, if allowed to pass, would be contrary to the will of the people who passed the charter by an overwhelming majority in 1950. To quote one of the framers of the charter: "If we are going to keep nicking away at the charter we might as well not have one."

2--The Board of Supervisors shall not be allowed to turn the management of public property and funds totaling more than 4 millions of dollars to a private group which is hand-picked by the fair manager and is not accountable to the people.

The past record of the Fair Association shows it has acted as an "independent" and not a public body, despite the fact that its expenditures involved public funds. The Fair Association refuses to open its meetings, except for the annual meeting, to the public or the press; and until recently refused to allow its books to be inspected by the public, on the ground it was a private corporation.

3--It will keep the operation of the fair out of politics. Under the existing contracts all jobs at the fair are political plums handed out by the Fair Association. The only way to keep the fairgrounds out of politics is to bring all employees under the Civil Service Merit System and to make all other expenditures subject to competitive bidding and public scouting.

4--The Fair Association states it has done a good job of running the county fair. Anybody could put on a good show with 4 million dollars, but do we get our money's worth? All other county fairs operate without their taxpayers having to bear the huge sums that this county has to pay to make up the operating deficit, a deficit which is growing larger every year.

### It's in the Record

Dr. John Wahlquist, president of San Jose State College: "The administration is concerned at the suggestion of pari-mutuel betting at the county fair. We would regret having additional temptations placed before students of limited financial income; the loss of their money might mean the lessening of a chance at higher education."

Every P-TA Council in the Sixth District, representing some 30,000 members in Santa Clara and San Benito counties, has gone on record against pari-mutuel betting.

Charles Raudebaugh, Palo Alto, S.F. Chronicle crime reporter: "There is no such thing as good gambling; whether gambling is legal or not does not affect its character. In either case it is bad for the community. The racetrack attracts to a locality pimps, panders, pickpockets, gangsters and other undesirables. At the race tracks you will find a concentration of police looking for lawless characters."

Attorney General Pat Brown: "Very frankly, we are not happy with a situation in which counties are spending a tremendous amount of money for fairs to the detriment of other human needs."

Rudolph Halley, Kefauver Committee Counsel: "The question is not whether legalized gambling will produce additional tax funds, which we know it will, but whether the price, in terms of corruption, crime and graft is worth opening Pandora's box. I don't think so."

Assemblymen Bruce Allen and Clark Bradley of Santa Clara county have approved the following: top budget priority for inadequate county institutions; reorganization of county fair management; action to prevent the introduction of pari-mutuel racing at the county fair.

Fred Pabst, former member of State Racing Board: "The board for some time has recognized there is too much racing in the state."

BOARD OF SUPERVISORS - San Mateo County

Gentlemen:

On February 22, 1964, we sent you a letter regarding increased cost of crime in the County and the need for more police protection. We suggested that you review the pin-ball licenses granted and also the liquor licenses. On April 16, 1964, we noted through the press that Supervisor, T. Hollis Chess stated that he felt the State Alcoholic Beverage Control Department had been "a little too free and easy in granting those licenses" in East Palo Alto and near the Veteran's Hospital. Have you taken any action on this? Also, what about the gambling in the County?

On March 1, 1956, there were 558 pin-ball machines in the County with an estimated profit on each machine to be \$12,000. This means a profit of approximately \$7 million. As you know, California several years ago outlawed slot machines "the one-arm bandit", and the pin-ball machines have to a large degree replaced them as gambling devices. According to a Redwood City Tribune reporter, who made a survey in February 1956, "the cash pay-off for wins is not particularly furtive or under-the-counter. Apparently, the proprietors of local bars, drive-ins, and smoke shops, feel no great fear of observation". The police say they "see" no gambling. If there were 558 such licensed gambling devices in 1956, what must be the total number now? We have no reason to believe that the business of gambling has decreased!

The cost of vandalism and delinquency for 1960 to 1963 in the Sequoia High School District alone amounted to over \$15,000. Other districts may be much greater. If you, the Supervisors, are really interested in curbing delinquency, why not get at one of the "roots"? Pass an ordinance outlawing the licensing of all pin-ball machines. You, as our elected officials, are urged to do this. The pressure from the gambling syndicate is great, but the pressure of the voters right now is greater. We want some relief from the high cost of increased delinquency not only in money but the corruption of our youth and adults who succumb to the myth "Something for Nothing".

Mr. L. W. Trester, Vice President  
General Outdoor Advertising Company, Inc.  
South Capitol and C Streets  
Washington 3, D. C.

Dear Mr. Trester:

Last year, 42,103 young people made momentous decisions in choosing nursing as their future careers.

The outdoor advertising industry has played a major part in helping these young people reach their decisions, for as the nation's highways and by-ways displayed the slogan, "Learn to take care of others and you'll always take care of yourself," millions of Americans were reminded forcefully of the fine career opportunities modern nursing offers today.

Repeated reminders during the past ten years of outdoor advertising support of nurse recruitment through the Advertising Council have contributed immeasurably to making American standards of nursing care the highest in the world.

The Committee on Careers in Nursing is proud and gratified to have the cooperation of outdoor advertising in this program to bring more students into professional and practical nursing. Without such support, schools of nursing would not be preparing the nurses of tomorrow, in whose hands lies much of the future health and welfare of the nation.

Sincerely yours,

## Essay Deadline Extended

Mrs. John L. Whitehurst, Americanism chairman, has extended the deadline of the Independence Hall Essay contest until March 30, 1954.

Many leaders have requested additional time because of the ruling of the National Association of Secondary School Principals that the winning student should not be taken out of school for the trip to the East Coast.

## Leisure No Problem

Clubwomen attending the New York Herald-Tribune forum must have squirmed a little over the speakers' concern about the use of leisure time. The General Federation club leaders who went from the Leaders' Conference on Inter-American Relations and the GFWC board meeting to the forum have very little trouble finding ways to use leisure time to advantage. Perhaps the reason the talk of Harry W. Schacter, Louisville, Ky., was so enthusiastically applauded was that he told how his state is getting bookmobiles—a project of the type clubwomen devote their "leisure" time to. While it may be true that many people do not know what to do with the extra time modern technology has provided, the clubwomen and professional women at the forum seldom find time on their hands.

However, the excellent forum program added to the educational "short course" in national and world affairs the Federated clubwomen journeyed from all parts of the country to hear. Though they missed John Foster Dulles in Washington, they were privileged to hear him at the forum. Other speakers on world situations added to the clubwomen's store of knowledge.

YOUR PRESIDENT RECALLS:

# *The Meaning of Thanksgiving*

Over the river and through the wood,  
To grandfather's house we go;  
The horse knows the way  
To carry the sleigh,  
Through the white and drifted snow.\*

November is a month of nostalgic memories . . . turkey and dressing . . . cranberry sauce . . . the aroma of mincemeat simmering on the back of the stove . . . pumpkin pies in a row on the shelf . . . the delicious warmth on our stinging cheeks as we came in out of the snow . . . the shouts and cries of loving greetings . . . cousins . . . uncles . . . aunts . . . everyone talking at once . . . and then the wonderful dinner . . . with grandfather saying grace . . . offering thanks for all our blessings . . . later singing around the piano . . . that's Thanksgiving!

Thanksgiving day . . . that day so typically American . . . the most unique holiday in the world . . . it does not commemorate the winning of any great battle . . . it is not the birthday of a great hero . . . just a day of Thanksgiving . . . a day of prayer.

The other day I had a guest from a foreign land and she said: "Isn't it wonderful the way religion is coming back into American life?" Coming back, I thought, I didn't know it had been gone. Then she continued: "I think that it is fine that your public officials seem to be more religious. I understand that your President goes to church every Sunday."

I knew just what she meant for it is thrilling to attend the National Presbyterian church on our corner and see there the President of the United States and Mrs. Eisenhower and Secretary of State and Mrs. John Foster Dulles.

I hope that many of you read the great speech which John Foster Dulles gave at the United Nations in September. I quote a few words from it:

"Our hope is that the Soviet Communist leaders, before it is too late, will recognize that love of God, love of country, and sense of human dignity always survive. Repressive measures inevitably lead to resentment and bitterness and perhaps something more. That does not come about by artificial stimulation. It comes about because the Creator endowed all human beings with the spark of spiritual life. We can understand the particular desire of the Russian people to have close neighbors who are

friendly. . . But we foresee that unless Soviet policies are changed, those policies will, in their actual operation, create precisely such surrounding animosity and hostility as Soviet policy understandably wants to avoid."

As the homemakers of America we can play an important part in this religious renaissance. And not only can we bring happiness into our own lives but at the same time we will help to combat Communism, for Communism and religion do not go together. There are three things we can do:

1. We can strengthen the home. The home is the foundation of American life and if the American home cracks our nation will crack. Fundamental values must be taught in the home for it is there and only there that our children can learn the meaning of life.

2. We can strengthen the churches. Let us have a crusade to attend church. Let us volunteer our services—there is a desperate need for Sunday School teachers. Also, we can make ourselves a part of all that is fine in the world by setting good examples.

3. We can fight juvenile delinquency. We have been warned that crime—particularly among young people—is on the upgrade in many of our cities. Here is a fertile field for our Juniors and younger clubwomen in particular. Boy Scouts and Camp Fire Girl leaders are badly needed. We can secure these leaders.

Since the founding of our republic, we Americans have always believed that "right makes might." Because we have believed in a law higher than the laws of men, we have dared face the challenges of foreign aggression, of tyranny, of internal revolt and of economic disaster without fear.

If Washington, Jefferson and Franklin had made their decisions from fear and expediency there would have been no Revolution and no United States of America.

America has always gone forward on the principle that "right makes might."

And so at this Thanksgiving time, when families gather together all over this great land of ours, let us give thanks that we live in a country where "right DOES make might."

# American Heritage Is Board Theme

ANNUAL MEETING,  
CONFERENCE HEAR  
OF DEFENSE, STRENGTH

By Gerry Sohle

*General Federation Clubwoman Editor*

"The Preservation of Our American Heritage through Civil Defense, Military Defense and Spiritual Strength" was the theme of the annual board meeting of the General Federation of Women's Clubs in Washington in mid-October.

The theme, chosen by Mrs. Oscar A. Ahlgren, GFWC president, was fitting not only for the board meeting but also for the Leaders' Conference on Inter-American Affairs which preceded it. For one had only to expand one's interpretation of "American Heritage" to include all the Americas and thereby the conference program.

The six-days of events opened Monday evening, Oct. 12, with a buffet supper at headquarters. Board members, delegates and Latin American guests made a colorful picture as they moved through the stately drawing room and dining room in evening dresses. The supper was followed by a concert.

Tuesday morning the Inter-American conference opened in the white marble halls of the Pan American Union. Dr. Alberto Lleras, secretary-general of the Organization of American States, set the tone of the day's discussions by giving an over-all picture of the Latin American nations—their history, their geographical and political problems, their achievements and their aspirations.

He was followed on the rostrum by Dr. Rene Lepervanche Parparcen, chairman of the Council of the Organization of American States, who delivered his address in Spanish giving an international flavor to the meeting.

Next came John C. Dreier, United States ambassador to the Organization of American States, who spoke on the collective security function of the OAS. He reviewed the functions of the OAS pointing out that it serves as both policeman and court in the settlement of disputes among the

SUPPER GUESTS: Visiting after the buffet supper at GFWC headquarters are Mrs. Samuel Levy, Natchitoches, La., GFWC Welfare chairman; Mrs. Van Hook Stubbs, Wortham, Texas, president of the Texas Federation of Women's Clubs; Mrs. B. V. Todd, Lake Arthur, La., president of the Louisiana Federation of Women's Clubs, and Mrs. F. W. Mitts, Enterprise, Mo., GFWC convention chairman of doorkeepers.

American nations.

In the afternoon the delegates gathered for roundtable discussions. In the course of these discussions women of both North and South America agreed that mutual understanding would be served if our people were to become bilingual—speaking both Spanish and English.

(As one delegate pointed out later, this is a more realistic approach than the one taken at a similar gathering more than 10 years ago when a "common" language was discussed.)

Tuesday evening the entertaining novelist and lecturer Dr. Enrico Verissimo, spoke.

Mrs. Oscar A. Ahlgren presided at all general sessions of the Leaders' Conference on Inter-American Affairs and roundtables were conducted by members of the executive committee and Mrs. Zaio Woodford Schroeder and Mrs. T. C. Carroll of the GFWC International Affairs department who were chairmen of the Leaders' conference.

Wednesday's sessions were held at the Department of State where the keynote address was given by John M. Cabot, assistant secretary of state

for Inter-American Affairs. He pointed out that inter-American relations have served as a pattern for world relations when he said:

"The Pan American Union antedates by half a century the United Nations and furnished the UN Charter the vital concept of regional organization. The concept of Point IV had already been in successful operation for years in Latin America when it was announced as an essential contribution of the United States to the maintenance of peace in the world. The basic principle of the NATO treaty had previously been embodied in the Rio Treaty of 1947."

Three State Department speakers on regional American affairs followed. They were Jack Neal, deputy director of the Office of Middle American Affairs; W. Tapley Bennett, Jr., deputy director of the Office of South American Affairs, and Edward G. Cale, director of the Office of Regional American Affairs.

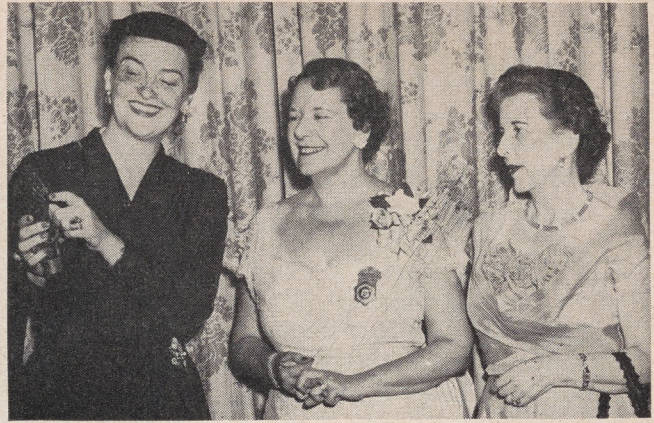

Principal speaker of the morning was Harold E. Stassen, director of the Foreign Operations Administration. He described the technical as-

CONFERENCE GUESTS: Senorita Giselle Shaw, Buenos Aires, Argentina, Mrs. Oscar A. Ahlgren and Senora Madrigal Nieto de Genette, San Jose, Costa Rica, greet other Latin American delegates at the GFWC headquarters.

CONFERENCE MEMENTO: Mrs. Paul J. Tunkis, Rio de Janeiro, Brazil, presents Mrs. Oscar A. Ahlgren with a South American wood carving while Senora Hortencia de Larranaga, representing Peruvian clubwomen, looks on.

sistance program in Latin America pointing out that these programs are 11 years old. He explained that requests for funds come from the governments of Latin American countries, are granted for the good of the country as a whole, and are matched (sometimes doubled) by the requesting country's own government.

Gov. Stassen thanked the GFWC for providing the training ground for his able assistant, Mrs. Hiram C. Houghton, and expressed the hope that the Federation is training more such competent women.

Robert D. Murphy, acting deputy undersecretary of state, read a message from Secretary of State John Foster Dulles who was unable to appear.

Again in the afternoon roundtables met. During these sessions intelligent requests for information came from all sides. The Latin American delegates participated supplementing information provided by the State Department experts with comments on situations in their own countries.

Thursday afternoon Latin American guests and board members were received by Mrs. Dwight D. Eisenhower at a tea at the White House. Mrs. Eisenhower wore a dark green faille dress with a full skirt, tucks at the waist and tight bracelet length sleeves. After receiving each guest, she chatted informally with groups in the White House dining room. She wore two beautiful white orchids presented by the General Federation.

Following the tea, board members changed to warm clothing and walking shoes and traveled by bus to the Civil Defense training center at Olney, Md. There Mrs. Katherine Howard, assistant director of Civil De-

fense spoke. Mrs. Howard illustrated the need for civil defense preparations by telling the story of Chicken Little. She pointed out that if Chicken Little had not been thrown into a state of panic by a falling acorn she could have averted final tragedy. Mrs. Howard said the American people can survive even atomic bombs if they prepare to meet attack. A rescue demonstration on the "street of ruin" followed.

Friday morning board members went to the Pentagon for briefings by Frank C. Nash, assistant secretary of defense for international security affairs, and Gen. Charles L. Bolte, vice chief of staff of the United States army.

Nash explained the function of the National Security Council and the work of the Joint Chiefs of Staff. Gen. Bolte thanked the GFWC for its participation in the German Youth Assistance program because it prepares German youth to resist Communism. The best weapons are only as good as the minds and hearts of the people who use them, he said.

Catherine Cleary, assistant treasurer of the United States, spoke at a dinner Friday evening. She discussed the administration's program for "honest money—which retains its buying power." The first aim of the program is to balance the budget as quickly as possible and in the meantime to hold the deficit down to an absolute minimum, she said.

Meetings of department chairmen, state presidents and Juniors followed the dinner. Reports on these conferences were given Saturday morning.

The Independence Hall project was the subject of the Saturday afternoon meeting. Dr. Edward M. Riley, chief

historian of the Independence National Park project, spoke on historical research and presidents of the original 13 states told how the Independence Hall campaign is progressing in their states.

Final speaker was Ruth Youngdahl Nelson who pointed out that in the United States monuments are built to commemorate the achievement of freedom rather than to acknowledge conquests.

Two luncheons were held on Thursday and Friday. The economic forum program was discussed at the Thursday luncheon with Mrs. J. W. Walker, GFWC Economic Security chairman, presiding. (The forum program will be covered in detail in the December GENERAL FEDERATION CLUBWOMAN.) Automotive safety was discussed at the Friday luncheon by Light B. Yost of the General Motors Corp. Mrs. Howard Hodge, GFWC Safety chairman, presided.

Candidates for election at the GFWC convention in Denver May 31 to June 4 were presented to the board. (Formal announcement of candidacies and biographical material on the candidates will be carried in a later issue of the GENERAL FEDERATION CLUBWOMAN.)

Announcement of the impending marriage of Inez Ratekin, Montana president, was made at the state presidents' meeting. Her marriage to Robert F. Herrig is to take place Oct. 24 at the First Presbyterian church in Libby, Mont. State presidents presented the bride-to-be with money for the purchase of silver.

Following the board meeting, board members traveled to New York to attend the New York Herald-Tribune Forum.

# Clubwomen Tackle Jail Problem

CALIFORNIA WOMEN  
BRING ABOUT REFORM

By Dorothy G. Stackhouse  
GFWC Clubwoman staff writer

In the summer of 1952, a group of Santa Clara county, Calif., women, under the chairmanship of Mrs. H. J. Broderson of the Palo Alto Women's club, descended upon their county jail—inspection bent. They found conditions shocking and horrible.

"The jail was so old, filthy and crowded that we felt the stench must be apparent for miles around," said one of the group. Immediate action was taken by Mrs. Broderson in an appeal to the board of supervisors of Santa Clara county, urging improvement.

Almost simultaneously, two ultimately inter-related announcements were made. The first, an announcement by fairground managers that \$114,000 would be used for pari-mutuel installations at Santa Clara county's forthcoming fair; the second, announcement of a drive by the Northern California Council of Churches—to repeal the 1933 law which permits pari-mutuel wagering at horse tracks.

The women's organizations of Palo Alto felt that the drive against pari-mutuel betting might just as well begin in Santa Clara county and also that funds to be appropriated for pari-mutuel installations might better be diverted to jail reform and improvement.

COUNTY WOMEN FIGHT: Above is a small segment of the women's groups which invaded the chambers of the board of supervisors in an effort for good government, in Santa Clara County, Calif.

In a petition signed by Mrs. Broderson, of the civic committee of the Palo Alto Women's club, the board of supervisors was requested to: "... allow no more appropriations for fairground purposes until the proposed jail farm is a reality"; further, that: "In the best interests of our homes and families we do not want pari-mutuel gambling in Santa Clara county," with its attendant book-making and organized crime. Approved by the Santa Clara County Federation of Women's Clubs, the petition was circulated throughout the county.

Close on the heels of the Federation's appeal, another was prepared by Mrs. Henry F. Sirgo, legislative chairman of the Sixth District Parent-Teacher Association. This resolution, signed also by Mrs. W. E. John-

son president of the PTA, opposed pari-mutuel gambling in Santa Clara county. The appeal was supported by extensive quotes from crime study sources as to gambling's corroding effects upon an entire community—specifying: the interrelation of narcotics to gambling; the shift of money from real trade (landlords, grocers and home suppliers) into the hands of racketeers; the present cost (in other parts of the state) of more than \$500,000,000 for the gambling fraternity; the increase in taxes and community chest funds needed to provide more police surveillance and to care for poverty, broken homes and other miserable by-products of gambling. Mrs. Sirgo's resolution also

*Marcus Aurelius likened time to a river—its current strong—an event seems no sooner brought to sight than it is swept away and another takes its place. Time, however, is eternal and stays; we are the stream which passes by—striving and hoping that the good we bring with us may find permanency in the strata of time.*

## ALABAMA

**Mrs. William Morris Beck**  
*Fort Payne, Ala.*

As secretary and treasurer, Mrs. Beck assists her lawyer husband in the operation of the Northeast Alabama Bus Co. Formerly a teacher of home economics, she is now rearing a daughter and two sons, collecting stamps and is absorbed in transportation problems.

Mrs. Beck

The main points of Alabama's club program are "The Preservation of Our American Heritage" through youth and adult training; promotion of better international relations through scholarships, and the establishing of headquarters for the Alabama Federation of Women's Clubs.

## CONNECTICUT

**Mrs. Clifford A. Teeple**  
*Naugatuck, Conn.*

Mary Mack Teeple was a school teacher before marriage and has been in clubwork for 21 years. Her family, besides her husband, are a son and his wife and two grandchildren—and they are the most happy when it is possible to take trips together. In clubwork, Mrs. Teeple is especially interested in Extension and American home.

Mrs. Teeple

Connecticut's theme is, "Forward with Wisdom and Understanding" and the main points of their program lie in "Serving and sharing to help one another all over for a better world."

Mr. Kirkman is a dentist and, before marriage, Mrs. Kirkman taught home economics in high school. She feels that the well-rounded program is most important in club and Federation work.

Mrs. Kirkman

North Carolina's program emphasizes public welfare and the arts, having established an annual fine arts festival; also safety, civil defense and "Get-Out-the-Vote."

## CALIFORNIA

**Mrs. Joseph C. Wenger**

Mrs. Wenger

Emphasis of California's club program is on the home—"in deference to; in deliberation for; in defense of the American home, wherein lies the greatest power of woman."

## NEW JERSEY

**Mrs. Wilson Y. Christian**  
*Ocean City, N. J.*

Good books, the theater, collecting old glass, bridge and bowling are the interests outside of clubwork for Grace Christian who was a secretary before her marriage. In clubwork for 20 years, her interests there are just about the same as those of her state's club program—i.e. education, public welfare, youth conservation, legislation.

Mrs. Christian

The main points of New Jersey's program are: scholarships in music, international relations, drama; also close cooperation with the New Jersey College for Women, which the Federation was instrumental in founding; and financial assistance to the Vineland school for mentally retarded children.

## MARYLAND

**Mrs. Thomas W. Fleming**  
*St. Michaels, Md.*

Elizabeth Harrison Fleming is the second of only two presidents from the Eastern Shore portion of Maryland, in 54 years of federation. An ardent sports-woman, before marriage refereeing competitive sports for girls, Mrs. Fleming has her greatest pleasure today in sports activities and attending sports events. She has been in clubwork since 1936, holding office almost continuously. Her main interest in clubwork is the organizing and promoting of federated clubs and in increasing membership—specifically junior clubs.

Mrs. Fleming

Maryland's program is planned to stress "The Preservation of Our American Heritage" equally in all departments of the GFWC program.

*Bellows Falls, Vt.*

Mrs. Bodine

A school teacher before marriage, Mrs. Bessie S. Bodine lists her grandchildren and church as interests outside of clubwork, and gardening and cooking as her hobbies. She has been in clubwork for twelve crowded years—taking care of her family and assisting in her husband's business at the same time. Community service, youth participation and everything pertaining to the home hold her both in and outside of clubwork.

"The American Home, its Heritage and Preservation" is Vermont's theme; main points are: increase of faith, better schools, rural library service and prevention of delinquency.

## IOWA

*Walnut, Iowa*

Mrs. Nissen

Wilma Nissen taught music and English before marriage and has been active in clubwork for 32 years, finding her greatest interests in gerontology, junior club extension and community service. She is devoted to young people and their interests and she loves to travel with her family.

Iowa's club program emphasizes the "Lift of Music," extension of junior clubs, Asian scholarship, Golden Age clubs and a goal of 1,000 clubs in the biennium. Mrs. Nissen will use a bell—instead of a gavel—as a reminder of her theme: "Our Liberties We Prize, Our Rights We Will Maintain."

## SOUTH CAROLINA

This year Oklahoma is stressing Americanism, especially the Independence Hall project; public school needs; scholarships; finance forums; GFWC headquarters; home contribution to Christian democracy in Oklahoma.

## MAINE

**Mrs. Norman Fay Plouff**  
*Dexter, Maine*

Mrs. Plouff

Iola Hulbert Plouff is an aviator, i.e., she reports piloting her husband's plane. She likes to fish, too. These are her pleasures, other than clubwork. Her's is a literary club, in Dexter, and of course Mrs. Plouff is a reader. Art needlework is her "at home" interests. Civics, education and American home are her special interests in clubwork. Before marriage, Mrs. Plouff was a teacher.

**Mrs. John J. Kistler**  
*Grand Haven, Mich.*

All this in addition to her main career of rearing a fair-sized, and already successful, family. Nor has Mrs. Kistler, in these years, neglected the journalism for which she was well schooled before marriage.

Michigan is particularly proud of its promotion of a GIRLSTOWN and this is the main emphasis of the state's club program—that, and adult education; the theme: "Succeed Through Selfless Service."

## Independence Hall Project: What the Clubs are Doing

We have received the cooperation from governors and mayors throughout the country in issuing Americanism proclamations. Copies of only three have been received at Headquarters. They were from Gov. William G. Stratton of Illinois, Gov. Johnston Murray of Oklahoma and Gov. Lawrence W. Wetherby of Kentucky. We would like to have a copy of all proclamations issued in the various states.

Those received from mayors of cities were from Huntington, W. Va., Jerseyville, Ill., and East Point, Ga. *Americanism chairmen please note.*

The most impressive printed bulletin on the Independence Hall restoration project came from the Woman's club of Madison, Wis. It had a picture of Independence Hall on the cover and contained details of the program, including a ceremonial drama and a list of the Americanism committee. It was financed by advertisements from Madison businesses.

The first complete report of Americanism week came from the Women's club of Huntington, W. Va. This was contained in a scrapbook with newspaper clippings of the Americanism program and Americanism week. Among the club's accomplishments was the erection of a large billboard donated as a public service by the Smoot Advertising Co. to the Women's club.

The Philadelphia Federation of Women's Clubs and allied organizations have created great interest in Philadelphia for the restoration program. Many men and women in public life are participating in the promotion of our project. During a September visit to Philadelphia, Mrs. Oscar A. Ahlgren, GFWC president, was interviewed about the Independence Hall project on television.

All groups in Jerseyville, Ill., the home of Mrs. Theodore S. Chapman, GFWC first vice-president, cooperated with the Jerseyville Woman's club in the celebration of Americanism week.

The sixth district of the Illinois Federation sponsored a Constitution day rally commemorating the signing of the Constitution.

The northeast district of the Ohio Federation is sponsoring an Americanism program over the radio. The program has continued through the summer months and will extend next year.

The Essay contest is being promoted in all the high schools of Jackson county, N. C., by the Twentieth Century club of Sylva.

Oregon's school authorities have been most active in the Essay contest in all the schools. Script and articles on Independence Hall and its early history are being broadcast over radio stations regularly.

The Pueblo Junior Woman's club of Tucson, Ariz., is arranging a bake sale to raise money for the restoration project.

The Women's City club of Norwich, Conn., reports that their school superintendent is most cooperative in presenting the restoration project to his principals.

The Essay contest and radio programs are being sponsored by the Women's Club of Moultrie, Ga.

Kentucky utilized the Independence Hall promotion to good advantage when they sent the notice of General Federation president's visit during their Board meeting on the Independence Hall post cards.

### Woodrow Wilson Said:

"America is not anything if it consists of each of us. It is something only if it consists of all of us; and it can consist of all of us only as our spirits are banded together in common enterprise. That common enterprise is the enterprise of liberty and justice and right. . . . Americanism consists in utterly believing in the principles of America."

Indiana has been most progressive in its promotion of the Americanism program, especially the restoration project. Their material has been excellent.

Norman, Okla., is very active in the Essay contest. The superintendent of city schools is most cooperative.

The Maryland Federation of Women's Clubs devoted its first board meeting of the year to the promotion of the Americanism program. Speakers who had been recent visitors in Europe compared the activities as seen there with those experienced in our democracy.

A telegram from California states "California's first Institute-Fiesta included a celebration of Americanism day. It was conducted on the beautiful hilltop of San Jacinto."

The Junior Woman's club of Richland, Wash., write, "Although this is our first year as an active Junior club, the information contained in the Kit of Procedures made it possible for us to participate in the Americanism program."

## INDEPENDENCE HALL PROJECT:

### What the Clubs are Asking

Q. Would it be possible for you to list several items so that clubs may select the item they wish to purchase for Independence Hall?

A. This is not feasible at this time because the historians are working on the project while we are attempting to raise the money.

Q. Who owns Independence Hall?

A. Philadelphia still holds the deed, but it has become a part of the National Park System of the United States government.

Q. Who is responsible for the upkeep of Independence Hall?

A. The federal government and the city of Philadelphia.

Q. What grades classify elementary and high school in the essay contest?

A. Grades 1-8 are designated as elementary school and 9-12 as high school.

Q. Must the requirement for an 800 to 1,000 word essay apply to elementary school students? Some teachers feel this is too long.

A. No. The elementary school students' essays will be judged on merit and not on length.

Q. Could the name of the town rather than the name of a club be listed on the honor roll if \$100 is contributed?

A. No. If all the clubs in the city collected \$100, we could not secure enough funds for the restoration.

Q. Are all essays from a local school to be forwarded to the GFWC in Washington?

A. Since the National Association of Secondary School Principals ruled that judging cannot be done in the local school, then it is advisable that all essays be sent to Washington.

Q. May we offer a small prize locally to insure a larger participation in the Essay contest?

A. Yes, if all material is sent to Washington after it is judged locally.

Q. Should the individual clubs sponsor the contest in the local schools?

A. This decision is left to the individual states, districts and clubs.

Q. What rules did the National Association of Secondary-

School Principals set up concerning the Essay contest?

A. 1. No collections in the schools.

2. No essay can be judged within any school. The entire judging will have to be done by judges outside the schools.

3. The all-expense trip to Independence Hall and other places should be during the summer vacation so that no time will be missed from school.

Q. Should the essays be collected by the clubs and sent in bulk to Washington?

A. This decision should be made by the local club, district or state.

Q. Why is it necessary for private organizations to restore the first floor of Independence Hall?

A. No appropriations have been made for this purpose. The money which has been appropriated is for the development of the mall surrounding Independence Hall and for general maintenance of the buildings.

Q. What led our federation to undertake this important project?

A. The reason for such a program is two-fold. First and most important is the educational phase of the project, that is, to review the events that occurred in this Cradle of Liberty, relative to the Declaration of Independence and the Constitution of the United States at a time when we are facing our greatest challenge to democracy. It behooves leaders in this country to direct attention to the struggle which our forefathers made in the early days of this country. The project of restoring Independence Hall has attracted more attention toward the events which occurred there than anything we have undertaken in the past in the way of an educational program. Second, funds are greatly needed to refurbish the building with the original or authentic reproductions of the exact furnishings which were in the Hall during the period of the signing of the Declaration of Independence.

Q. How much money will be needed to accomplish our purpose of restoring the first floor of Independence Hall?

A. Because of the vast amount of research which is necessary, it is impossible at this time to name the exact figure. However, a goal of at least \$250,000 will be needed.

## CLUBWOMAN OF THE MONTH

### Active Leader Helps Keep California Juniors on Toes

Junior clubwomen of the month is Mrs. D. S. McNair of Durham, Calif. Last year as inspirational chairman,

Rosalind McNair drew enthusiastic praise for her charm and poise. She was commended at the Junior session of the General Federation convention as well as in her department for her beautifully executed report book.

As inspirational chairman, she not only fulfilled her duties but also had a word of encouragement and praise for fellow workers just when they needed it most. This year she is serving her district as president.

Since the northern district of California is a rural area, a personality like Rosalind's is needed to inspire unity, friendship and cooperation among the widely separated clubs.

Aside from her Federation activities, Rosalind helps her husband run a Golden Guernsey dairy farm and has two young daughters, Margaret and Marilyn. She particularly enjoys Junior club work that deals with youngsters and has served as Camp-fire Girl Guardian. She also teaches Sunday school.

The six district presidents in California are unofficially called the State President's V.P.'s and all are fine examples of well informed and well trained federated clubwomen. Due to the geographical size and shape of California—approximately 500 miles wide and 1,000 miles long—it is im-

possible to have too many state membership meetings or for the state president to visit the 175 clubs regularly. Therefore the district presidents are the direct contact between the state organization and the members.

These six outstanding clubwomen tie the entire state membership of 8,500 into a well coordinated unit and thereby filling the state's motto: "Strength United Is Stronger."

The state Junior president, Mrs. James P. Kavanagh, is looking forward to a club year filled with federation fellowship and fun. The other V.P.s are Ann Jepsen, Alameda district; Mrs. Park Dunford, Los Angeles district; Mrs. Elliott Katzen, San Francisco district; Mrs. Ben Evenett, San Joaquin Valley district and Mrs. Dennis Wood, Southern district.

#### Indiana Juniors are Leaders

Under the guidance of Mrs. Guy Campbell Jr., the Hammond Junior Woman's club is in the last stretch of its 26th year of club activities—this year seeming to be the most replete with good jobs well done. Besides contributing to all local, national and federation drives and projects, this club has maintained a full chorus and singing teams; also a monthly club paper as well as membership in the Hammond Community council. This year they have received a number of local honors and have twice been selected as one of three women's groups to participate with leading industrialists in men's organizations for civic projects.

## All Virginia Clubs Stress Health Program

By Mrs. E. Parker Brown  
Virginia Clubwoman Junior Editor

Virginia's 101 Junior clubs with a membership of more than 4,000 members have as their theme: "Community Service" with special emphasis on "Health in Your Community."

On the state level, the Juniors have adopted the Boys' Home, Covington, Va., where the 63 boys at the home are remembered individually at least twice a year with the club supplying the particular need of their "sons." The Juniors have furnished the Home with a complete set of dinnerware and stainless steel flatware.

The various districts into which Virginia is divided have projects of their own. Recreation equipment, including a television set, record player and pool table, are being furnished the Southwestern State Hospital, a mental institution.

Catawba Sanatorium is provided an evening of entertainment by every club in the district. The indigent patients there also receive sewing equipment, toilet articles and wearing apparel.

The Miller Home for Children between the ages of 2 and 18 years, is given new and used clothing, money for special equipment and Easter baskets.

Another group of Junior clubs is raising funds for Lynchburg Colony for Feeble-minded Children, while the Eastern State Mental hospital is receiving recreation equipment.

The former state project, Crippled Children's Hospital, is now given special attention by all clubs in one district.

To bring the theme close to home, the individual Junior clubs must either have a new health activity or must enlarge upon one on which they have been working in order to be 100 per-cent clubs. These projects range from providing a croupette for the maternity ward of a hospital, to conducting a publicity campaign on a sewage disposal problem. Even the International Relations department of one club is assisting a children's tuberculosis sanatorium in Holland.

**THOMASVILLE TROPHIES:** Members of the Thomasville Junior Women's club pose with the display of trophies won at the Georgia State convention. Left to right are Mrs. Douglass Richard, education chairman; Mrs. Sol Altman, Tallulah school chairman; Mrs. Furman Stewart, president; Mrs. Erwin Spears, district president; Mrs. Marcus Calhoun, state junior director and Mrs. Ray Willett, citizenship chairman. The awards left to right are district Tallulah cup, state Education award, Gertrude Harris departmental trophy, Tallulah trophy award to the second district, Citizenship award and Outstanding Junior clubwoman award held by Mrs. Marcus Calhoun.

#### CLUB OF THE MONTH

## Thomasville Club Collects Awards For All Work

The Thomasville Junior Women's club proved itself to be the most outstanding Junior club in Georgia the past year by winning many state awards and its first national citation. Under the leadership of Mrs. J. Furman Stewart as president, and active and interested members, the club has won its place in the community, state and nation.

At the state convention held in Atlanta in April, this club, with a membership of 61, received first place or runner-up in every department except one. Awards won included: The Gertrude Harris departmental trophy for the most outstanding work in every department; the American Heritage trophy for excelling in citizenship and legislation; the Civil Defense award for the best work in this second district; Americanism cash award for most outstanding work in this field; the Education trophy for excelling in work with schools; Communications award for best work in the second district.

Special recognition was received for International Affairs and American Home. The club was given runner-up prizes for the following: youth

conservation, welfare and Tallulah Falls school. A certificate for 100 per cent on standard of excellence was also presented to them.

There simply isn't space to review their work at length but briefly this is what the club did:

**AMERICAN HOME**—The club sponsored a "Go to Church" campaign, worked with community agencies concerning child welfare and organized family councils.

**AMERICANISM**—The chairman presented American flags to the schools and to the municipal club room, had an active "Get-Out-the-Vote" campaign and an active moral and spiritual values program. For the first time the Thomasville club was award-

ed a national citation. Their work with moral and spiritual values topped any other in the General Federation.

**COMMUNICATIONS.**—The chairman used radio and newspaper publicity and also sent news to the Georgia Clubwoman and the General Federation Clubwoman.

The club continued using the audiometer in schools that they purchased to test the hearing of each student. They also sent two scholarships amounting to \$270 each to Tallulah Falls school, assisted in school survey and presented a service award to the outstanding senior.

The group worked directly with the School for Exceptional Children furnishing material and volunteers. They supported the Fine Arts program not only with a program at each meeting, but also by sending a book of art to Tallulah Falls school library and supporting the penny art fund 100 per cent.

It is hard to tell everything this small club found time to do but activities ranged from assisting with the naturalization of foreign born persons to securing blood for the bloodmobile and registering the white and colored youths who were 18 years old and presenting certificates to them.

#### Children See Zoo

Children of the Burlington County Children's home have been the guests of the Juniors of Moorestown, N. J., on a trip to the Philadelphia zoo.

## Westport Woman's Club Wins Award for Oldster's Group

The Westport (Conn.) Woman's club won a \$10 cash prize awarded by Mrs. H. M. Zell, chairman of Gerontology, of the General Federation of Women's Clubs. The award was made for the best continuing program for older people, reported by clubs with a membership of 100 or more.

Westport sponsored, as a community project, a Senior Arts and Crafts club open to men and women sixty years old and up, free of charge of any kind. Volunteers of high professional standing teach the various arts and crafts. Transportation is provided by the local Red Cross as well as volunteers from the woman's club.

The meetings, for work and study, are on Fridays from 1:30 to 4:30 when coffee, tea and cake are served in real party spirit, members of the Westport Woman's club volunteering as hostesses. All birthdays within the oldsters' group are especially celebrated.

The average attendance is 30, although 60 have registered, and their art activities remarkable. Among the painters are two women aged 82. Men particularly enjoy the block

printing class. Ceramics is very popular and some lovely pieces have been produced. The work is occasionally exhibited in the windows of a local store.

New friendships have been made among the members and the tendency to help one another, even at sacrifice of their own work, is interesting and charming. One woman gave up her own project to help another make a hooked rug.

### Clubs Sponsor 'Diaper School'

The women's clubs of York, Maine—The Woman's League of York and the York Woman's club—are conducting a baby-sitting "college" from which teen-agers may secure "diplomas." The seven-lesson course is taught by a registered nurse and real babies are used to demonstrate diaper-changing and first aid. On successful completion of the course and examination, certificates are issued to the girls who are then listed in baby-sitter directories maintained by the clubs.

## Books that Aid GFWC Programs

The following books contain material pertinent to the GFWC programs. Single copies are available for loan from the library at headquarters.

**India and the Awakening East** by Eleanor Roosevelt (New York: Harper & Brothers) describes the author's recent good-will trip to India, Pakistan, the Middle East, Indonesia and the Philippines. It discusses the social and economic problems of the region combining factual data with vivid and illustrative material.

**Best Loved Story Poems** edited by Walter E. Thwing (Garden City: Halcyon House) contains selections of English and American narrative verse from Shakespeare to Frost. Included are longer poems usually found in separate volumes such as *Evangeline* and *Enoch Arden*. This book is recommended by Mrs. W. H. Hasebroock, GFWC chairman of Music division, for her program, "Blended Music and Poetry."

**The Natural Superiority of Women** by Ashley Montagu (New York: The Macmillan Co.) provides little known and little discussed facts on a highly provocative theme by an eminent anthropologist. The plea of the book is for better understanding between the sexes.

**How to Buy Stock** by Louis Engel (Boston: Little, Brown & Co.) gives factual information on investment procedure in terms laymen can understand. It is an interesting and readable "guide to successful investing." It is recommended by Mrs. Gilbert F. Loeb, GFWC chairman of Consumer division.

**Our Will Rogers** by Homer Croy (New York: Duell, Sloan & Peace—Boston: Little, Brown) is an account of the life of one of America's beloved men by an old and intimate friend. It is an endeavor to paint a truthful picture, omitting anecdotes and witticisms and dispelling legends and myths.

## Georgia Club District Sponsors Year's Study for German Girl

The tenth district of Georgia's Federation of Women's Clubs, under the leadership of Mrs. Lamar Hailey, is sponsoring a foreign student for a year's study in the United States. The committee, consisting of members from the Augusta Woman's club, the Junior Woman's club and the Civic Woman's club, worked under the chairmanship of Mrs. J. Callaway Otwell and in cooperation with Pierce Blitch, who represented the local Kiwanis club.

Brigitte Rosemarie Peukert, 17, of Berlin-Lichterfelde, was chosen as the recipient of this year's study. She is one of four children and the only daughter of Willi and Else Peukert. Brigitte says that she wants "to become a good teacher . . . to help to educate the boys and girls of Germany in direction of American friendship. . . ."

The tenth district Georgia Federation of Women's Clubs will be responsible for transportation to and

from ports of embarkation and entry, health insurance, board, school tuition, spending money and perhaps some clothing. Brigitte arrived in United States August 15 and in Augusta, August 16; she is at present the guest of Mrs. J. Callaway Otwell.

Brigitte has already been accepted by the teen-agers, has been pledged to Alpha Tri Hi Y and has become a member of "Teen Town," the winning recreational project of the Junior Woman's club of Augusta in the Build Freedom With Youth contest. She will enter the Richmond Academy of Augusta as a senior. The Georgians are making sure the one year here will be a happy one of both study and play for this attractive, brunette girl.

### YOUTHS IN ACCIDENTS

Twenty-five per cent of all drivers involved in fatal auto accidents in the U.S. last year were under 25 years old.

## Progress Seen In Legislative Program of GFWC

By Sally Butler

*GFWC Legislative Research Director*

As we start out on the new club year, we want to remind you that your strength and influence is measured by your accomplishments. Progress is a slow march toward the accomplishment of the goals we set for ourselves and our clubs.

In the field of legislation during the last year we think we can see some progress. During the last Congress we were able to realize the fulfillment of some of our efforts—others are continued until the second session of the 83rd congress.

Our appeals for less drastic cuts in appropriations which would affect health and well-being of children especially, and in a general sense, of all the people, were successful to a degree. Some of the proposed cuts were less drastic than suggested.

Inspections of factories where food, drugs and cosmetics are made were restored. Our stand on reciprocal trade and upon conservation seemed to have some influence. The Equal Rights amendment, favored by the GFWC since 1944, passed the Senate but with an amendment which destroyed the original intent to give women full citizenship. The bill will come before the House of Representatives next session. At that time Rep. Katharine St. George will seek passage without the amendment.

## Madame Pandit's Election Wins Praise

The election of Madame Vijaya Lakshmi Pandit of India to serve as the first woman president of the United Nations General Assembly was praised by Mrs. Oscar A. Ahlgren, president of the GFWC.

Madame Pandit's prominent role in international affairs qualifies her for the post. She served as ambassador to both Washington and Moscow and as head of every Indian delegation to the General Assembly.

With her brother, now Prime Minister Jawaharlal Nehru, she was a strong advocate of Indian independence. She is a widow and mother of three children.

## Mrs. John Pavlik On Resolutions Committee

Mrs. John M. Pavlik, Shaker Heights, Ohio, has been appointed to the resolutions committee of the General Federation of Women's Clubs by Mrs. Oscar A. Ahlgren, president of the GFWC.

Mrs. Pavlik

Mrs. Pavlik succeeds the late Mrs. G. W. Cheney of New York.

Mrs. Pavlik served as legislation chairman of the Ohio Federation of Women's Clubs from 1950 to 1952 and is at present serving as business resolutions chairman. She has also served as legislation chairman and resolutions chairman of the Federation of Women's Clubs of Greater Cleveland.

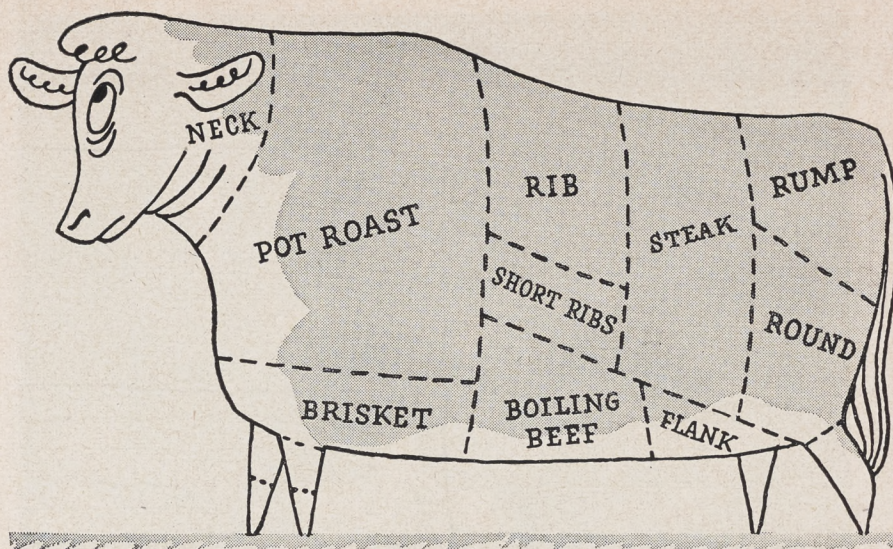

In addition to her federated club work, Mrs. Pavlik has been active in many civic organizations. Among these are the Girl Scouts, YWCA, League of Women Voters, Business and Professional Women, Mental Hygiene association, and the Ohio Federation of Republican Women's organizations.

A graduate of the University of Pittsburgh, Mrs. Pavlik did personnel work prior to her marriage.

### PHYSICAL EXAMINATIONS URGED BY FEDERATION

In furtherance of the General Federation of Women's Clubs' contest in connection with yearly physical examinations, the Westmoreland County Federation of Pennsylvania has joined forces with that county's Cancer fund.

Mrs. James F. Andrews, public welfare chairman, has issued a bulletin calling for 100 per cent participation in the contest. The bulletin is accompanied by reprints of a communication to the Public Welfare chairman and committee, from Olin L. Evans, president of the Westmoreland County Cancer fund. This communication offered, in effect, to set up Clubwoman clinics in three local hospitals if sufficient requests for examination appointments are made.

## How much meat will America eat today?

☐ 650,000 pounds ☐ 6,500,000 pounds ☐ 65,000,000 pounds

It sounds incredible, but you and other Americans eat an average of 65 million pounds of meat every day.

This is enough to fill 2,500 refrigerator cars, which would make a train more than 18 miles long!

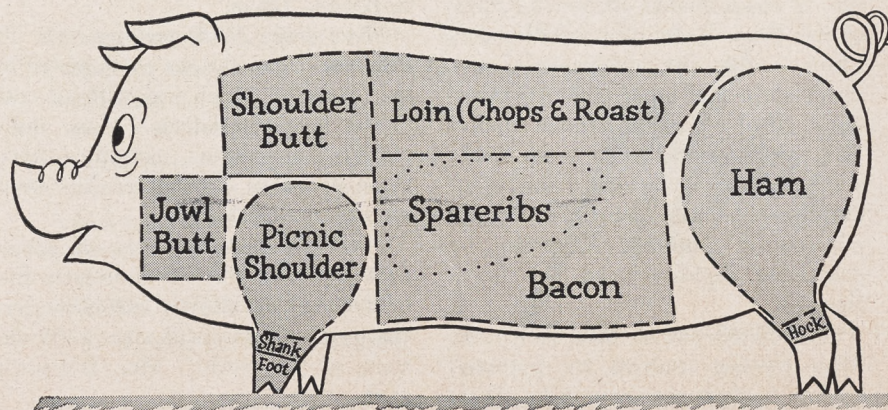

Just as incredible is the operation of the complicated system of meat distribution. It puts all this meat *where* you want it, *when* you want it, and

in the *vast variety* in which you want it.

More than 4,000 meat packing companies throughout the U. S. help get this job done. And official government figures show that they do it for a profit so small... only a fraction of a cent a pound... that if it didn't exist at all, there would be no appreciable difference in the price you pay for meat.

**THANKSGIVING COOKIES:** The Thanksgiving holidays at the Boonville, Mo., Training School for Boys are gayer because the federated clubs of Missouri's fifth district supply festive cookies. Last year 803 pounds of cookies were sent to the school and consumed by 265 boys between the ages of 8 and 16—three pounds of cookies per boy. Mrs. Harold Weir, of Fayette, Mo., is shown with the cookies.

## Texans Make Foreign Students Feel Welcome

Sponsored by the Southwest Office of the Institute of International Education, under the community chairmanship of Mrs. Roy Rowntree, Texas undertook genuine acquaintance with citizens of foreign lands—so that these visitors might see a true picture of this country and its individuals.

With nearly 1,000 foreign students living among them, Texas communities realized the need for some form of community relationship.

The Institute and Mrs. Rowntree, who is international affairs chairman of the Texas Federation of Women's Clubs, sought the assistance of women's clubs and other civic organizations, all of whom cooperated gladly. The result was a "home town weekend" program by which Texas communities had an opportunity to aid our country's international policy, by practicing diplomacy on the home front.

As pointed out by Mrs. Rowntree, "Our foreign students are potential leaders in their own countries. Their

community experience here will influence the ideas they take home with them."

Five weekend-invitation programs were organized for foreign students beginning with a group of 40 from Texas A & M going to Houston as the "adopted sons or daughters" of individual families. They were not specifically treated as guests but as a member, or members, of the family receiving them. They slept "at home," saw and did things as Texas citizens do—and with Texas citizens.

Succeeding weekends included 30 University of Houston and Rice Institute students to Liberty, Texas; 20 doctors from San Antonio to the Medical center in Houston; 37 University of Texas students to Houston and 30 University of Texas students to Bryan, Texas.

More than 2,000 persons and 50 different organizations participated in the program, which was without cost to the foreign students. Many individual, but related, activities have come about as a result of this community undertaking.

"We feel that this type of grass-root diplomacy is of enormous importance in developing mutual understanding and goodwill among the nations of the world," Mrs. Rowntree said.

## Mrs. Harvey Wiley's Efforts Succeed

Mrs. Harvey Wiley, legislative consultant of the General Federation of Women's Clubs, is rejoicing over a recent court ruling barring the use of polyoxethylene monostearate from leading varieties of bread shipped in interstate commerce.

Mrs. Wiley has been working since 1949 to have this bread softener banned. Not only was the safe use of the chemical doubtful but also its use was likely to mislead the consumer who associated softness with the freshness of bread.

Mrs. Wiley is now working to strengthen the factory inspection provision of the Pure Food and Drug act. Although the right of inspectors to enter food, drug and cosmetic plants without advance notice has been restored, certain records, such as drug prescriptions, have been excluded from the scope of required inspection.

## Polio Playlet Available to Clubs

"New Fountains," a playlet suitable for organizational use, is being distributed by the National Foundation for Infantile Paralysis. The play is designed to help people understand the needs of disabled persons, and their rehabilitation.

It is the story of a young girl who faces a crisis in her life after a disabling attack of polio. The social and psychological problems she must overcome, are comprehended through the attitude of her mother and friends. With a cast of five, the play can be performed on a platform or stage; no curtain or special effects are necessary.

Requests should be addressed to: The National Foundation for Infantile Paralysis, 120 Broadway, New York 5, N. Y. Script and a production guide are furnished without charge.

### Theodore Roosevelt Said:

"There can be no fifty-fifty Americanism in this country. There is room here for only 100 per cent Americanism, only for those who are Americans and nothing else."

## West Virginia Clubwomen Study Spanish

Unusual enthusiasm for learning Spanish in the West Virginia Federation of Women's Clubs is explained this way by Mrs. J. Marion Bailey, South Charleston, chairman of education:

"In our program for 'Education to Preserve Our American Heritage,' we find it wise to include plans that will lead to closer understanding with the neighbors on our very doorstep.

"If you have travelled in Mexico, as I have, with a phrase book in one hand, with the other hand free for pointing, you realize you are only 'shadow-touring.' You cannot get to know and understand people with whom you cannot converse.

"These people are so kind and gracious! The policeman in Reynosa, who could say only 'bridge' and point when I asked which way to go to the dinner we were to attend. (The wife should learn the language—she always asks the questions). The little boy who rode into the village with us so he might fill his bucket with tortillas and, leaving us, waved his hand in farewell and calling, 'Hello.'"

Response to the department's plan has been excellent. The Young Woman's club of Bluefield has a class of six members. Alderson Woman's club is ready and waiting for a teacher. Bluefield Woman's club reported that Spanish is taught in their schools. Rainelle Woman's club purchased recordings for use in teaching and learning the language. Kayser Woman's club has a number of members enrolled in a class at Potomac State college. Webster Springs has a successful class, with eight members and many visitors. It is believed that next year will be even better.

"As we learn the language of our neighbors and enjoy knowing them, our Federation will have a greater part in the greatest goal—Good will on earth," said Mrs. Bailey.

### TRAFFIC DEATHS

More than 15,000 persons were killed in weekend traffic accidents last year.

# Clubs Around the World Are Busy Making History

*This is a condensation of reports compiled by two members of the GFWC Goodwill World tour. Reports of other tour members will appear as space permits.*

By Mrs. Malcolm Stottler  
and  
Mrs. Joseph A. Siler

We fortunate American clubwomen of 1953 find it difficult to recall what the times were like when our own clubs were formed from the necessity to combat evils. Then, we, too, moved militantly. Examining the purposes motivating the different organizations within the countries we visited was like observing history in various stage of progress.

**Japan**—Japanese women were "freed" by Gen. MacArthur and voted for the first time in 1946. They are concerned with educating women on civic affairs and politics, securing child labor and health laws and protective legislation for women and children.

The newest project of one Japanese club is working to establish a center for American servicemen which will afford legitimate recreational activities in the hope of reducing the number of illegitimate children.

**Philippines**—These clubwomen organized in 1931 and since the war have worked with little and accomplished much. The National Federation of Women's Clubs of the Philippine Islands has as its chief aim the repairing of damage done by Japanese occupation in a spiritual and moral way.

**Hongkong**—The Women's International club of Hongkong is not a member of the GFWC but their by-laws are interesting. The "committee" or board is elected for life. However, a committee member may be removed "if she becomes bankrupt" or "is found lunatic or becomes of unsound mind."

**Thailand**—The clubs were not federated. Women were given freedom and political rights equal to men in

Mrs. Stottler

Mrs. Siler

1932 and societies and association quickly sprang into existence.

**India**—Both Indian and American clubs are concerned with the welfare of women and children—educationally, morally and socially.

The American Woman's club of Delhi though only six years old, has raised and distributed \$90,000 to charitable institutions in the Delhi district. The American Woman's club of Bombay runs a white elephant shop and sells a cookbook, "What's Cooking in Bombay."

**Egypt**—Egyptian women have only recently been allowed to take part in life outside the home. They still do not have political rights. They are pioneering in education for girls. Parents and government alike have been made aware of the importance of educating girls as well as boys. As late as 1933 there were no schools for girls. Universities did not agree to admit them until 1946. Women were first allowed to work in the Red Crescent (Cross) in 1939 although it was founded in 1912.

**Israel**—The clubwomen work diligently to ease their country's growing pains. They are most concerned lest their immigration camps of today become the slums of tomorrow.

**Greece**—The Greek Federation is only five years old but many of its clubs date back to the 1930's and their various objectives cover almost every field in which women could be interested.

The Women's Association, Friends of the Police—one of the organizations belonging to the Greek Federation—sponsors a "Field Day" which earns them \$35,000 in a single afternoon.

## Clubwomen Soothe Mental Patients With Music

The Mental Health division of the Illinois Federation of Women's Clubs, under the chairmanship of Mrs. J. S. Boyers, has just completed a successful music drive for the benefit of the state mental hospitals of Illinois.

Music therapy for mental patients is not new to those who work actively with the mentally ill, although helpful interest by the general public may be said to be rather recent. Music has been beneficial, not only for the talented musicians who may be mental patients, but also to those patients who were not previously concerned with music. Many of these now participate in hospital orchestras, drum and bugle corps, or choral groups with helpful results. Dancing has proved a success for the mental patients also and radio music, in the wards and dining rooms, has produced helpful results.

Cooperating with the public welfare department of Illinois, Mrs. Boyers appointed district and county chairmen to aid in the music drive. The county chairmen, with the club presidents and club mental health chairmen, gathered material from all over the state and took it to pick-up stations. Public welfare trucks from the hospitals made pick-ups from the county collection depots.

In all, the IFWC gathered together: 26 record players, nine pianos, 44 smaller instruments, numerous instrument cases, music stands, 5,000 items of sheet music and 3,000 records. In addition, \$382.00 was given by the clubs to be used in occupational therapy and recreation departments of the mental hospitals.

### Dwight Eisenhower Said:

"As citizens of the United States, you and I must be forever mindful that the heritage of America and the strength of America are expressed in three fundamental principles; First, that individual freedom is our most precious possession; Second, that all our freedoms are a single bundle, all must be secure if any is to be preserved; Third, that freedom to compete and readiness to cooperate make our system the most productive on earth."

## EXAMPLE OF LEADERSHIP

### Insight Is More Important Than Sight

Elizabeth Collins, director of the Connecticut State Federation of Women's Clubs, believes in civic, social and cultural organizations—to prove it, she works ardently for many organizations. In addition to her Federation activities, Miss Collins is a director of the Norwich (Conn.) symphony, executive secretary of Norwich's community concerts; past-president of the Woman's City club, of the Women's Federation of the Park Congregational church and of a variety of other groups.

It is true that many women throughout the length and breadth of his land, are similarly occupied, but Miss Collins is particularly noteworthy because she has not had the use of her eyes for more than 10 years!

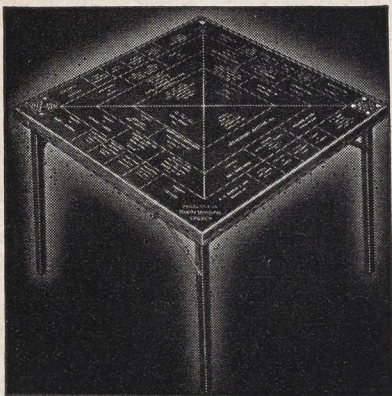

Victim of a rare eye disease which caused surgical removal of one eye and drastically damaged the other in 1943, Miss Collins operates with braille but mostly "by heart" and

**BRaille DICTIONARY:** Mrs. Evonne Eick, president of the San Diego (Calif.) Braille club, reads a page of one of the 33 volumes which make up the Braille dictionary presented to the club by the San Diego County Federation of Women's Clubs. The County Federation also underwrites county, district, state and General Federation membership for the Braille club which collects no dues from its blind members.

with the help of her mother, Mrs. Mabel Collins who is Elizabeth's eyes. Together, they have fashioned a way of life which has made possible a heavy schedule of business and civic activities.

"Women and women's clubs," says Elizabeth, "haven't yet scratched the surface of what they can ultimately do—in civic contributions, in legislation at the state level, in government at the national level. . ."

## Olivier Singing Is Surprise of 'The Beggar's Opera'

By Mrs. Dean Gray Edwards

GFWC Motion Picture Chairman

Hearing Sir Laurence Olivier burst into song is one surprise in store for viewers of "The Beggar's Opera," produced by Warner Bros. and directed by Peter Brook.

The John Gay opera, written in 1782, provides Sir Laurence with his first singing role. While his voice is not of great volume, it is a pleasing baritone. His acting, as usual, leaves nothing to be desired.

The film is a lusty, adventurous tale of England in the 18th century when many debtors' prisons yawned to trap the unwary spendthrift. Written as a satire of that era, it is still interesting as a portrayal of those almost forgotten days so full of man's inhumanity to man.

Sir Laurence plays the dashing highwayman, Captain Macheath, who gets himself in and out of the clutches of the law and rides on his merry way. The score is splendidly sung by a large and competent cast.

\* \* \*

Another interesting musical is "Melba" produced by United Artists and directed by Lewis Milestone with Patrice Munsel in the title role. While many liberties have been taken with the biographical facts, the singing of Miss Munsel of a dozen arias in her own repertoire is something no music lover will want to miss.

WINSLOW CLUBHOUSE

## Arizona Club Has New Home

Organized in 1913, the Winslow Woman's club joined the state federation in 1923 and adopted the motto: "Keep in Step — the World is Moving." Certainly they were a part of the world's moving then, and thereafter, but — more important — they kept in step. Today they are 136 strong and have a beautiful new home.

A free public library has been Winslow club members' greatest focal point, since 1925. Even before this, however, the members had demanded and obtained weekly garbage collection for Winslow. A tree planting contest, over a period of five years, resulted in all residents taking particular pride in gardens and homes.

Winslow Women's club has not only kept in step with a moving world, but has worked — that their part of the world should move in beauty it might not otherwise have had.

CLUB SETTING: The clubhouse of the Carlsbad, N. M. Woman's club was completed in October 1947, at a cost of \$45,000. The debt has now been reduced to \$7,900. It has been achieved by means of donations and money-making projects of all types over a period of 15 years. By the work of the club's chorus, and also by donations, the club has acquired a concert grand piano valued at \$6,000. Carlsbad has no municipal auditorium and this beautiful building has filled that need continuously since its completion.

## Combat Spread of TB With Christmas Seals

Four hundred thousand Americans are tuberculosis cases, on the records of health departments. This includes 250,000 known cases and an estimated 150,000 unreported cases. Many of these unknown people do not know they have TB but are spreading tuberculosis germs. Among the 250,000 known cases, 40,000 live at home where it is difficult to prevent the spread of infection; another 75,000 known cases are not under treatment and their present condition is unknown. From this reservoir of possible infection come the new cases of TB. Within the next 12 months, about 115,000 people who are healthy today will have tuberculosis.

A case of tuberculosis means a human being suffering from a debilitating disease. A man cannot support his family; a woman cannot care for her children. It always means a serious economic loss to the community—on the average a cost of \$14,000 to \$15,000. Until all the cases of TB

**SPICE SHOP:** When the Toledo Federation of Women's Clubs decided to take a booth for the Lucas County Sesquicentennial celebration, members wanted to do something different. The group hit on the idea of a spice shop where they would sell vinegar, tea, special flavorings, herbs, herb cookbooks, imported candies and other items to delight gourmets. They borrowed a showcase and went into business. Sales totaled \$445.97. Clubs taking part in the project were Phi Kappa Chi Mothers club of the University of Toledo; Civics and Philanthropic Department of the Woman's Educational club; Alvin Schnaak chapter of Blue Star Mothers; Ohio State Nurses association, district 9; Dramatic Singers; Toledo Housewives League; Pi Kappa Tau sorority; Willing Welfare League; Optometric Association auxiliary; Marigold Grandmothers' club; American Gold Star Mothers club; Fortnightly Book club and the Philanthropic department of the Toledo federation.

are found and placed under treatment, there is little likelihood of substantial reduction in the tuberculosis attack rate.

The only source of income to support the programs of the tuberculosis

associations is the annual sale of Christmas Seals, conducted by mail. In the true spirit of Christmas, generous Americans use Seals to decorate their gift packages and greeting cards.

## Clubwomen Tackle Jail Problem

(Continued from page 9)

was distributed throughout the county.

The Federated Women's clubs joined forces with the powerful Sixth District PTA, the Council of United Church Women, Business and Professional Women's Clubs, the A.A.U.W. and the League of Women Voters. Also business men's groups united for the fray—and fray it was! In the following months there were protest meetings, letters to the newspapers and board of supervisors; newspaper headlines and special reporting by San Francisco papers. Women stormed the county executive offices and the board chambers in standing-room-only numbers.

Although many side-skirmishes came into the field, the clear-cut issues were: 1. pari-mutuel facilities should not be built at the fairgrounds; 2. funds required for that purpose should be used for the jail, almshouse and county hospital.

The funds in question come from monies awarded to the county by the state, "for major improvements." Gambling is in no sense an "improvement" but, according to Mrs. Broderick, the gambling syndicate is almost all-powerful and had been working through the Fair association for years.

The League of Women Voters called for an audit of the association's books and also asked that the board of supervisors "show cause" for its sudden move of scrapping—swiftly and silently—the county department of adult correction, firing the head of the jail and turning the job over to the sheriff. It was believed that this had been accomplished by one or more secret meetings which are against California law, for local government.

In the course of events, a new chief supervisor was elected to the board of supervisors. He won his election primarily on a campaign promise made to members of the Palo Alto Women's club (and later published), to wit: that he was "not in accord with the desire of the Fair board to introduce pari-mutuel betting." Yet, shortly after assuming office, he approved the appropriation for installation of betting facilities at the fair-

grounds and called for bids on construction.

The Palo Alto Women's club demanded an explanation. Attorney Norman Stoner of San Jose, speaking for the forces aligned against the gambling interests, demanded cancellation of the order for bids—threatening the alternative of the people to "... go to the state racing board asking that races not be scheduled. . ."

Neither moral pressures, hard-headed opposition of business experts, nor excessive costs of the requisite construction for pari-mutuel installation were sufficient to discourage the Fair association from proceeding with its plans for race-track betting.

The struggle for good government in Santa Clara county is far from being completed, but headway has been made. Nor is the clean-up of the adult corrections department completed, but great and immediate headway has been made.

The jail fight was not a new one. For 35 years there had been intermittent agitation to improve the building, almost untouched since its erection in 1866. This, however, was the first time women en masse had borne down on the situation and it was for them to discover the ugly leak of tax-dollars which left little for humanity. It was for them, within a period of a year and a half, to secure an appropriation (last May) for a new jail; to secure the immediate cleaning, repairing and installing of beds in the present jail.

The women have turned their attention to furtherance of the jail-farm project for rehabilitation of prisoners. Support of influential people and groups has mounted. The fight goes on but, meanwhile, human derelicts have a clean room and beds while in Santa Clara county jail.

### George Washington Said:

"The preservation of the sacred fire of liberty, and the destiny of the republican model of government, are justly considered as deeply, perhaps as finally staked, on the experiment entrusted to the hands of the American people."

# Sally McAdoo Clagett

By Myra Sleicher

*GFWC Headquarters Staff*

Sally McAdoo Clagett, director of research of the General Federation of Women's Clubs, died Sept. 25 from injuries received three days earlier when she was struck by a street car en route to work at GFWC headquarters in Washington.

Mrs. Clagett joined the Federation staff in 1942, as assistant editor of THE GENERAL FEDERATION CLUBWOMAN. Her keen grasp of General Federation programs and objectives along with her writing and editing abilities were soon recognized and given wider scope. She was made director of research and placed in charge of editing and processing all program material prepared by the national chairmen.

She also served the GFWC in other ways. She represented the GFWC president on the President's Committee for the Employment of the Physically Handicapped. This group, meeting a few days after her death, cited her exceptional contribution in furthering the work of the committee.

Sally attended Bryn Mawr college from which she was graduated with honors. She was the wife of the late Judge Brice Clagett of the Washington Municipal Court of Appeals, and daughter of the late Sen. William Gibbs McAdoo of California, who also served as Secretary of the Treasury under President Woodrow Wilson. She is survived by one son, Brice McAdoo Clagett, a senior at Princeton university.

To know Sally was to love her and to know her work was to admire her. The GFWC headquarters staff, together with the many chairmen and clubwomen who worked with her, greatly mourn her loss.

## Club Observes Golden Anniversary

The Woman's club of San Mateo, Calif., gave a tea to celebrate its fiftieth anniversary this year. To it came many San Francisco and San Mateo dignitaries, also six past presidents of the club. A history of the club was read and Mrs. Leonard Hendrickson, president, introduced the former officers. Highlights of the occasion was a message of congratulations by Chief of Police Martin McDonnell, representing the mayor of San Mateo.

## Hospital Is Proof Of Nebraska Club's Efforts

The Atkinson Veterans' Wives club of Atkinson, Neb., was only three years old when it undertook a \$25,000 hospital project in the GFWC "Build a Better Community" program.

This diligent club of 14 members went first to the local American Legion to secure a pledge of \$10,000 which opened their fund raising drive. The drive included door-to-door soliciting of homes, offices and outlying rural families; they held

outdoor bingo games, a carnival, chances on a handmade quilt and bedroom suite, food concessions, white elephant sales and hospital benefit shows.

Within six months their goal of \$25,000 was reached, land was purchased and construction begun. A year and a half later, the hospital was open for business. The club members then turned their attention to sponsorship of a hospital auxiliary, open to all women of the community, to continue working for the benefit of the hospital.

"What constitutes the bulwark of our liberty and independence? It is not our frowning battlements, our bristling sea coast. . . . Our reliance is in the love of liberty which God has planted in us. Our defense is in the spirit in which prized liberty as the heritage of all men, in all lands everywhere."

## OREGON SPEEDS AID TO DESTITUTE CHINESE

The Taipei Woman's club in Taiwan, China, sent an urgent appeal for help, to the GFWC chairman of Projects and Programs, Mrs. John R. Davis. The appeal was relayed to Mrs. Wm. A. Schoenfeld, Oregon chairman of International Affairs, last January.

Seven Chinese families—German women married to Chinese men and 24 children from two to 14 years of age—had been repatriated to Taiwan from prison camps in Italy. On arrival in Taiwan, the families had nothing.

Within two weeks after accepting the call for help—and without writing a single letter—Mrs. Schoenfeld had received bundles of wool suits, dresses, jackets, sweaters, caps, underclothing and cotton dresses. Clothing for men and women came from the College Folk club Thrift Shop. Mrs. Schoenfeld supplied bedding from her own home. Six large boxes were dispatched.

A thank-you-letter, from Kathryn I. Sponsler (chairman of the social services committee, MSA-China) came six weeks after the plea for aid.

# Have you Heard —

## Mildred Ahlgren is Saying

**THAT:** Hearts are heavy at headquarters. . . We miss Sally McAdoo Clagett, our research director. . . Sally was hit by a street car coming to work and died three days later without regaining consciousness. . . Just the day before she was in our office and we had such a nice visit. . . Her funeral service at Christ Church in Georgetown was the most beautiful I have ever witnessed. . . It had been planned by her son, Brice, a senior at Princeton university. . . Efficient, capable—and dearly beloved—we miss her.

**THAT:** We love the yearbook of the Palos Park, Illinois, Woman's club. . . It carries a brief history of the General Federation. . . Congratulations to Mrs. John C. Zimmerman, president

**THAT:** Interesting newsletters from Michigan and Nebraska just arrived. . . . Mrs. Oscar Warp, Nebraska president, included a clever map showing the various districts in Nebraska.

**THAT:** We have always thought we had the perfect club husband. . . We love to tell the story of the club that was going to drop out of the federation and, in the absence of your president, Oscar wrote them a letter telling them why they should stay in the federation—and they did! . . . But now he has competition. . . When Mrs. H. J. Hull, Idaho president, was ill and couldn't get anyone to take her place to install the officers of the Sandpoint Civic club—guess what. . . Her fine husband, Attorney H. J. Hull, went to the meeting and installed the officers. . . Orchids to Attorney Hull.

**THAT:** A story is told that always before leaving to visit another tribe, the Sioux Indian, at the council fire of of his tribesmen, made this prayer: "Great Spirit, help me never to judge another until I have walked for two weeks in his moccasins."

**THAT:** We had a perfectly glorious time at the Kentucky Federation board meeting. . . Ruth Thompson is a beautiful presiding officer. . . It was wonderful to see our old friend, Elizabeth Williams. . . We were state presidents together. . . Kentucky sure has a lot of good looking past state presidents. . . Chloe Gifford and Irene Carroll will never live this down: They were to meet us at the station. . . The train came in but no Chloe and no Irene. . . So we took a taxi to the hotel. . . Then who should come running but Irene and Chloe. . . They were sitting in the station so engrossed in conversation they didn't even hear the train come in!

**THAT:** From now on it is COLONEL AHLGREN. . . Gov. Weatherby of Kentucky, on September 2, 1953, commissioned your president a KENTUCKY COLONEL. . . We are highly honored and express our appreciation to those responsible. . . Now we find that there is an Indiana Society of Kentucky Colonels. . . You know they say that whenever two Hoosiers get together they form a club.

**THAT:** The Assembly of Women's Organizations met in Washington not so long ago. . . Heard three of the best speakers to be heard anywhere: Katherine Howard, assistant director of Civil Defense; Judge Luther Youngdahl and Dr. Daniel Poling. . . They were wonderful!

**THAT:** It would be impossible to pick out the highlights of the Inter-American conference and board meeting. . . But wasn't the White House tea lovely? . . And wasn't Mrs. Eisenhower a charming and gracious hostess? . . And weren't you amazed to discover that the Assistant Treasurer of the United States, Catherine Cleary, is so young? . . She's smart, too. . . And wasn't it wonderful the way the State Department and the Pan American Union arranged to have top people speak to us? . . . And Ruth Youngdahl Nelson will have a busy spring speaking. . . Our state presidents besieged her after her magnificent talk!

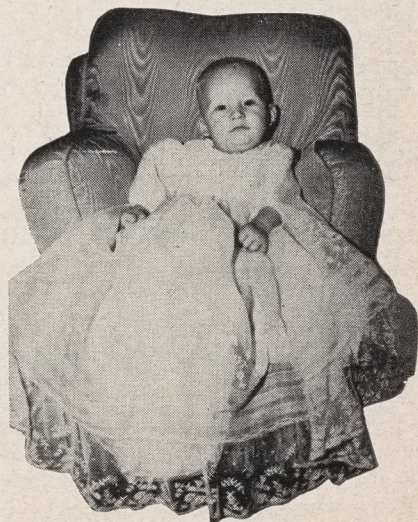

**THAT:** Grace Nicholas, our wonderful executive director, and your president went to Denver a few days ago to start the ball rolling for the 1954 convention. . . Lena Burgess, chairman of arrangements; Elizabeth Palmer, Colorado president, and Bernice Lennox, who will serve as the local chairman, met us. . . We made a lot of interesting plans.

**THAT:** This Thanksgiving month we are especially grateful for our little grandson, "Tex". . . Isn't he sweet? . . . Oscar calls this picture "The Judge."
